Chapter 7 of Municipal Code of Chicago Amended Concerning Establishment of Procedures for Issuance of Interim Notes to Finance Chicago Sewer System.

The Committee on Finance submitted a report recommending that the City Council pass a proposed ordinance transmitted therewith to amend Chapter 7 of the Municipal Code of Chicago concerning the establishment of Procedures for the Issuance of Interim Notes to Finance the Chicago Sewer System.

On motion of Alderman Frost the said proposed ordinance was *Passed,* by yeas and nays as follows:

Yeas—Aldermen Roti, Barnett, Kenner, Evans, Bloom, Sawyer, Bertrand, Humes, Shaw, Vrdolyak, Huels, Majerczyk, Madrzyk, Burke, Brady, Barden, McFolling, Kellam, Sheahan, Kelley, Sherman, Stemberk, Lipinski, Shumpert, Marzullo, Nardulli, Ray, Davis, Hagopian, Kuta, Gabinski, Mell, Frost, Marcin, Aiello, Casey, Cullerton, Laurino, Rittenberg, Pucinski, Natarus, Oberman, Young, Clewis, Axelrod, Schulter, Volini, Orr, Stone—49.

Nays—None.

Alderman Natarus moved to *Reconsider* the foregoing vote. The motion was *Lost.*

The following is said ordinance as passed:

WHEREAS, The City of Chicago has heretofore constructed and is presently maintaining and operating a sewer system (hereafter referred to as the "System") to meet the needs of its inhabitants and users thereof; and

WHEREAS, It is deemed necessary and advisable and for the best interests of the City of Chicago that moneys be made available for use by the City in paying all or a part of the estimated cost and expenses of operating and maintaining the System and of constructing extensions, improvements, or both, to the System and that notes be issued to evidence such borrowing, which notes, both principal thereof and interest thereon, will be paid from the net revenues of the System, the proceeds to be received from the sale of bonds or other obligations of the City whether payable from the net revenues of the System or otherwise, or from any other moneys legally available for such purpose; and

WHEREAS, Section 6(a) of Article VII of the 1970 Constitution of Illinois provides that "any municipality which has a population of more than 25,000 (is) a Home Rule Unit" and may therefore "exercise any power and perform any function pertaining to its government and affairs . . . "; and

WHEREAS, The City of Chicago has a population of more than 25,000 and is therefore a Home Rule Unit; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The Municipal Code of Chicago is amended in Chapter 7 thereof by inserting the following new Sections in Italics below:

Chapter 7, Section 7-99 through Section 7-102.

7-99. The City of Chicago, acting by its City Council, may from time to time, borrow funds to finance the estimated costs and expenses of operating and maintaining the City of Chicago Sewer System (the "System") and of constructing extensions, improvements, or both, to the System, and in evidence of such borrowing, to issue its notes, which notes, both principal thereof and interest thereon, will be paid from the net revenues of the System, the proceeds to be received from the sale of bonds or other obligations of the City whether payable from the net revenues of the System or otherwise, taxes levied for such purpose, or from any other moneys legally available for such purpose. The procedures for the issuance of such notes shall be as substantially herein provided in Sections 7-99 through 7-102 of this Chapter.

7-100. The City Council shall adopt an ordinance approving one or more Note Financing Agreements (hereinafter referred to as a "Basic Agreement") providing for the borrowing of funds for one or more of the purposes stated above, which Basic Agreement shall be negotiated by the City of Chicago acting by and through its Mayor and City Comptroller prior to its presentation to the City Council. After the form of such Basic Agreement has been submitted to and approved by the City Council, the Mayor and the City Comptroller shall be authorized to execute and sign such Basic Agreement on behalf of the City and the same shall be attested by the City Clerk.

Such Basic Agreement shall provide that no note or notes shall be issued thereunder unless the City Council shall have approved the purpose therefor and the estimated cost thereof for which said note, or notes, are to be issued, by ordinance (the "Ordinance") after a public hearing thereon by the Finance Committee of the City Council and unless there has been a sufficient appropriation of funds by the City to permit the expenditure of the note proceeds for such purpose. Prior to the adoption of any such Ordinance, which Ordinance shall contain a description of the purpose for which such notes are to be issued and the estimated costs thereof, a public hearing shall be held thereon by the Finance Committee of the City Council, pursuant to a notice given of such public hearing, such notice to refer generally to the issuance of such notes and to be published at least once in a newspaper published in and having a general circulation within the City of Chicago, the date of such publication to be not less than 10 days prior to the date of the public hearing. It shall not be necessary that the Ordinance refer to or incorporate therein by reference detailed plans and specifications of any extensions, improvements, or both, or specifically describe the projects to be financed by the issuance of such note or notes.

Each such note or notes shall be accompanied by a certificate identifying by a general description the purpose for which such notes are to be issued and representing that the proceeds of such note or notes will be used solely for such purpose, that such purpose and the estimated cost thereof have been approved by the City Council, by ordinance, after a public hearing held thereon by the Finance Committee of said City Council; and that there has been a sufficient appropriation of funds by the City to permit the expenditure of the Note proceeds for such purpose.

Said Basic Agreement shall also authorize execution from time to time of the note or notes therein authorized on behalf of the City by being signed by the Mayor and by the City Comptroller and to be attested by the City Clerk, and/or the respective proxies of said Mayor and City Comptroller, such interim note to be in such form as may be provided for in the Basic Agreement.

The Mayor and the City Comptroller may each designate another to act as their respective proxies and to affix their respective signatures to any such note, and in such case, each shall send to the City Council written notice of the person so designated by each, such notice stating the name of the person so selected to sign as proxy for the Mayor and the City Comptroller, respectively. A written signature of the Mayor

or of the City Comptroller, respectively, executed by the person so designated underneath, shall be attached to each notice. Each notice, with the signature attached, shall be recorded in the Journal of the Proceedings of the City Council and then filed with the City Clerk. When the signature of the Mayor is placed on a note at the direction of the Mayor in the specified manner, the note, in all respects, shall be as binding on the City as if signed by the Mayor in person. When the Comptroller's signature is so affixed to a note at the Comptroller's direction, the note, in all respects, shall be as binding on the City as if signed by the Comptroller in person.

In case any official whose signature appears on the specified note ceases to hold his office before the delivery of the note to the purchaser, his signature nevertheless shall be valid and sufficient for all purposes, to the same effect as if he had remained in office until the delivery of the note.

The execution of any such notes as herein provided shall not cause any official signing the same on behalf of the City to be personally liable by reason of such signing and issuance thereof.

7-101. The note, or notes, shall be of the form and content as provided in the Basic Agreement, be dated as of the date of their execution and delivery, shall be expressed to mature on a definite payment date, which date shall not exceed 5 years from the date of the note, and interest thereon at the rates of interest therein agreed upon shall be payable at the times and places as set forth in the Ordinance. The notes shall be payable by the City and without notice to the holder at any time before maturity and at any financial institution which shall be designated by the City Comptroller.

The note, or notes, to be issued shall be made payable in the manner as provided in the Basic Agreement and shall contain such terms and conditions as shall be provided in such Basic Agreement. Such Basic Agreement may provide that such notes are a direct and general obligation of the City payable from the proceeds of taxes to be duly levied on all taxable property within the City, from the net revenues of the System, the proceeds to be received from the sale of bonds or other obligations of the City whether payable from the net revenues of the System or otherwise, or from any other moneys legally available for such purpose.

The City and the holder, or holders, of the note, or notes, may mutually agree that the time of payment of any note, or notes, may be extended for a period of not to exceed 2 years beyond its stated maturity date, and evidence of such extension shall be noted on the face of such note so extended, together with the signatures of the Mayor and City Comptroller, and to be attested by the City Clerk, and also to be signed by an authorized representative of the other parties to the Basic Agreement.

7-102. Pursuant to the authority granted by Section 6 of Article VII of the Constitution of Illinois 1970, the procedures hereby established for the issuance of notes shall be controlling and shall be complied with by the City Council in borrowing of money through the issuance of such notes notwithstanding anything to the contrary contained in the provisions of the Illinois Municipal Code of 1961 and all acts amendatory thereof and supplementary thereto and any other laws of the State of Illinois.

SECTION 2. This ordinance shall be in full force and effect immediately upon its passage by the City Council of the City of Chicago and its approval by the Mayor.

Chapter 7 of Municipal Code of Chicago Amended Concerning Issuance of Notes for Snow Equipment and Authorizing the Interest Rate in Accord with Market Conditions.

The Committee on Finance submitted a report recommending that the City Council pass a proposed ordinance transmitted therewith, to amend the Municipal Code of Chicago concerning issuance of Notes for Snow Equipment and authorizing the Interest Rate in accord with market conditions.

On motion of Alderman Frost the said proposed ordinance was *Passed,* by yeas and nays as follows:

Yeas—Aldermen Roti, Barnett, Kenner, Evans, Bloom, Sawyer, Bertrand, Humes, Shaw, Vrdolyak, Huels, Majerczyk, Madrzyk, Burke, Brady, Barden, McFolling, Kellam, Sheahan, Kelley, Sherman, Stemberk, Lipinski, Shumpert, Marzullo, Nardulli, Ray, Davis, Hagopian, Kuta, Gabinski, Mell, Frost, Marcin, Aiello, Casey, Cullerton, Laurino, Rittenberg, Pucinski, Natarus, Oberman, Young, Clewis, Axelrod, Schulter, Volini, Orr, Stone—49.

Nays—None.

Alderman Natarus moved to *Reconsider* the foregoing vote. The motion was *Lost.*

The following is said ordinance as passed:

WHEREAS, Upon the enactment of Sections 7-80 through 7-84, of Chapter 7 of the Municipal Code of Chicago, the City Council of the City of Chicago adopted procedures to be followed to enable the temporary financing of necessary public improvements in and for the City of Chicago; and

WHEREAS, Because of market conditions resulting in higher interest rates than those prevailing at the time the City adopted the provisions of Sections 7-80 through 7-84 of Chapter 7 of the Municipal Code of Chicago, as amended, it is now necessary and for the best interests of the City to amend Section 7-82 of Chapter 7 of the Municipal Code of Chicago to authorize an interest rate on such temporary financing at a rate in excess of 7% and it is also necessary to amend Section 7-80 of such Code to authorize more than one Basic Agreement (as defined therein); now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Section 7-80 of Chapter 7 of the Municipal Code of Chicago is amended, the changes or additional language inserted being set out in italics, language deleted being shown by being stricken, as follows:

7-80. That [an] Interim Note Financing Agreements (*each of which are* herein referred to as "Basic Agreement") providing for the temporary borrowing of funds in advance of permanent financing to permit the Interim Financing of estimated cost and expenses and incident to the making of public improvements in and for the City be negotiated by the City of Chicago acting by and through its Mayor and City Comptroller, the form of such Basic Agreements to be hereafter presented to the City Council for its approval and authorization to execute the same on behalf of the City.

SECTION 2. Section 7-82 of Chapter 7 of the Municipal Code of Chicago is amended, the changes or additional language inserted being set out in italics, language deleted being shown by being stricken, as follows:

7-82. That from time to time and as funds may temporarily be needed by the City for the payment of all or a part of the estimated cost and expenses incident to the public improvement,

the City Council shall adopt an Ordinance to be designated "Interim Note Ordinance ....Project" which Ordinance shall authorize the temporary borrowing of funds under such conditions as may be provided for in the Basic Agreement above referred to in Section 7-80 hereof and which said Interim Note Ordinance shall describe the particular public improvement for which funds are temporarily needed, shall designate the name by which such Project shall be identified, its location and a general description of the public improvement, shall indicate the total estimated cost of such project, which estimated cost may include the amount of the estimated interest which will accrue on the amount to be borrowed during the estimated period of time to complete the Project, shall make an appropriation of sufficient funds of the City to pay such estimated costs, shall indicate the maximum amount of such temporary borrowing for such designated Project, and shall indicate the maximum rate of interest to be paid for such temporary borrowing, such interest to be payable at the time and the manner as may be provided in the Basic Agreement. Provision may be made for an adjustable rate of interest but such rate or rates shall not exceed the rate of [seven percent (7%)] *ten percent (10%)* per annum. Said Interim Note Ordinance shall further state and describe the use or uses to be made of such public improvement and shall make a determination on behalf of the City that the making of such public improvement serves a public purpose or purposes for which the City may subsequently issue or authorize and issue its general obligation full faith and credit bonds, as authorized by the provisions of Sections 7-58 through 7-65 of the Municipal Code hereinabove referred to. Said Interim Note Ordinance shall also authorize and direct the Mayor of the City and the City Comptroller to execute on behalf of the City such Interim Note as may be provided for in the Basic Agreement, such Interim Note to be in substantially the following form:

(Form of Interim Note)

SECTION 4. That this ordinance shall be in full force and effect immediately upon its passage and publication as required by law.

Extension of Agreement Authorized with Interstate Steel, Inc. for Operation and Maintenance of Railroad Switch Track at Chicago-O'Hare International Airport.

The Committee on Finance submitted a report recommending that the City Council pass the following proposed ordinance transmitted therewith:

WHEREAS, The City of Chicago and Interstate Steel Company entered into an Agreement on the 16th day of March 1959, pursuant to the authority of the City Council of Chicago that date (C.J.P. pp. 9877-9879); and

WHEREAS, Said Agreement provided, among other terms and conditions, that the City of Chicago granted Interstate Steel permission to install, maintain and use a railroad switch track on lands owned by the City of Chicago at O'Hare Field for a twenty year term; and

WHEREAS, Said Agreement further provided that Interstate Steel shall have an option to renew said Agreement for an additional twenty years provided that at least one-year written notice of the intention to exercise the option be given to the City; and

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That the Mayor is hereby authorized and directed to execute, the City Clerk to attest, the Commissioner of Water and Sewers to approve and the City Comptroller to accept the file for record, upon the approval of the Corporation Counsel as to form and legality, a Water Supply Contract between the City of Chicago and the City of Blue Island to be substantially in form as follows:

This Agreement made and entered into this 14th day of August A.D. 1979, and executed in sextuplicate originals (each executed copy constituting an original) by and between the City of Chicago, a Municipal Corporation, organized and existing under and by virtue of the laws of the State of Illinois, party of the first part, hereinafter called the "City," and the City of Blue Island in Cook County, Illinois, located within the Metropolitan Sanitary District of Greater Chicago; party of the second part.

WITNESSETH:

WHEREAS, Said City of Chicago and the City of Blue Island entered into a ten year agreement on the 11th day of July, A.D. 1966, which has expired, for the furnishing from the City's water mains at the City limits, W. 119th Street and S. Western Avenue and W. 119th Street and S. Vincennes Avenue, a supply of water for consumers located within the territorial limits of the City of Blue Island not to exceed an annual average of 3,978,000 gallons per day in 1966 increasing to 4,860,000 gallons per day in 1975 with the maximum rate of flow from the City's mains not not exceed twice the annual average daily withdrawal; and

WHEREAS, The City of Chicago is willing to enter into a new water supply contract with the City of Blue Island and furnish water from existing connection to City's water mains at the City limits, W. 119th Street and S. Western Avenue and W. 119th Street and S. Vincennes Avenue.

Now, Therefore, in consideration of the mutual covenants and agreements hereinafter contained, the parties agree with each other as follows:

A. *Service To Be Furnished*

(1) The City agrees to furnish to the City of Blue Island and the City of Blue Island agrees to purchase and take from the City under and in accordance with the terms hereof, a supply of water through metered connection authorized by the Commissioner of Water and Sewers of the City from the City's water mains at the city limits, W. 119th Street and S. Western Avenue and W. 119th Street and S. Vincennes Avenue to be used by the City of Blue Island in supplying water to consumers located within the corporate limits of the City of Blue Island and to seventeen (17) accounts located outside the corporate limits of the City of Blue Island.

B. *Quantity of Water To Be Furnished*

(1) For consumers located within the corporate limits of the City of Blue Island, the quantities of water for the years are as indicated:

Year	*Annual Average Daily Quantity in Gallons*
1979	3,566,257
1980	3,619,910
1981	
1982	
1983	
1984	
1985	
1986	
1987	
1988	

These quantities are in accordance with the allocations made to the separate entities by the Illinois Department of Transportation.

(2) Amounts for average daily use after 1980 during term of this agreement and any renewals thereof will be the amounts as allocated by the State of Illinois, Bureau of Resource Management. Said amounts will be added to this agreement by letter upon receipt by the City of said State allocation.

(3) The water supplied and taken in accordance with this contract shall be withdrawn at times during the 24 hours of each day in order to maintain as even an amount of withdrawal as possible with a minimum number of on-off cycles. The maximum hourly rate of withdrawal of water from the City's mains should not exceed twice the annual average daily contract amount.

(4) The City of Blue Island agrees to install a flow control system at the meter vault on existing water service connection to City's water main at the city limits, W. 119th Street and S. Western Avenue and W. 119th Street and S. Vincennes Avenue, when requested by the City, in order to regulate the flow of water as herein provided.

C. *Standard Terms and Conditions*

I. General

(1) This agreement shall be in force and effect for a period ending ten years from the date hereof, subject, however, to the option of the City of Blue Island to renew said agreement for successive like terms, written notice thereof to be submitted to the City six months prior to the expiration of each said ten year term.

(2) No officer, official or agent of the City has the power to amend, modify or alter this agreement or waive any of its conditions as to bind the City by making any promise or representation not contained herein.

(3) This agreement shall not be assigned or transferred by either party.

(4) This agreement will be subject to cancellation in the event a court of competent jurisdiction restricts or limits, directly or indirectly, any of the City's rights to obtain, sell, contract for or distribute Lake Michigan water.

(5) The quantity of water supplied under this contract shall not exceed the amount of Lake Michigan water allocated the City of Blue Island by the Illinois Department of Transportation.

(6) The City will not be responsible in damages for any interruption or failure to supply water and shall be saved and held harmless from all damage of any kind, nature and description which may arise as a result of making this agreement and furnishing water hereunder.

(7) The City of Blue Island may not permit any water furnished hereunder to be used to supply any party outside their territorial limits, except as provided for herein, without specific approval of the City Council of the City. This shall not apply to emergency service provided to other City water users.

II. Reporting Requirements

(8) The City of Blue Island shall submit quarterly reports to the City listing all consumers located outside their territorial limits showing location, character of occupancy and amount used by each during the period covered.

(9) The City of Blue Island shall maintain suitable records of the hourly and daily consumption of water by the consumers and these records shall be available to the City at all reasonable times.

(10) At the end of each calendar year during the term of this contract and not later than March 31st of each year, the City of Blue Island agrees to submit to the Commissioner of Water and Sewers of the City a written copy of the prevailing water rate schedule as applicable to its water consumers. It shall include all rates and relevant information and the premise on which rates have been furnished.

(11) The City of Blue Island shall submit to the City by the 10th of each month, a report showing the amount of water received the previous month from the City and the amount furnished to consumers. The City of Blue Island shall also furnish water system plats, zoning maps and such other information regarding billing, collections and delinquencies as may be requested by the City from time to time.

III. Reservations

(12) The City reserves the right to require the City of Blue Island to deposit, in advance, a sum equal to the estimated costs for water supply during a period of ninety days at the prevailing metered rate.

(13) The City reserves the right to inspect, test, repair and replace the water meters as required. Such replacements or repairs shall be charged to and paid by the City of Blue Island.

IV. Water Quality

(14) The City shall supply the City of Blue Island with water of a quality commensurate with that furnished to its consumers within its City limits.

(15) The City of Blue Island shall receive its supply of water from the City by a means or method approved by the City's Commissioner of Water and Sewers. The City of Chicago water system must be safeguarded by means of an air gap at the receiving reservoir. When the requirement for a receiving reservoir is waived to permit a direct connection for emergency use, a backflow preventer, approved by the Commissioner, must be installed.

(16) The City bears no degree of responsibility for the water quality at any point beyond the meter vault. The City of Blue Island bears the responsibility for maintaining the water quality at any point beyond the meter vault and within its distribution system.

(17) The City of Blue Island shall notify and keep the City informed of the responsible individual in charge of operations.

(18) The City of Blue Island shall immediately notify the City's Commissioner of Water and Sewers of any emergency or condition which may affect the quality of water in either party's system.

(19) The City reserves the right to make inspections of those facilities which may affect the quality of the water supplied to the City of Blue Island and to perform required tests.

V. Equipment and Operation

(20) The City of Blue Island shall provide and maintain all service mains and valves and bear the costs for connecting said mains to and severing them from the City's water system. Each service main shall be equipped with a valve located within the City limits and said valve shall be under the sole and complete control of the City and will mark the limit of the City's responsibility for maintenance of the piping system.

(21) The City of Blue Island shall provide and maintain any and all devices expressly requested by the City's Commissioner of Water and Sewers for the purpose of controlling, measuring, transmitting and recording flows of the supply of water furnished and the transmitting and recording of pressures, reservoir levels and other required operational information.

(22) The City of Blue Island shall provide the meters, vaults with sump pumps and related devices, adhering to City Standard Practices, for measuring the supply of water furnished. Meters provided must be delivered to the City Meter Shop for testing and picked up promptly after testing, all at the expense of the City of Blue Island prior to installation by them. Plans and specifications for the equipment and vault, or other protective structure, must be submitted to and be approved by the City's Commissioner of Water and Sewers before an authorization for installing the meters and related devices will be issued. The City of Blue Island shall place the meters and related devices in a vault or other protective structure near the City limits and keep the vault or protective structure accessible and safe to work in at all times.

(23) The City's representative will regularly inspect the meters measuring the supply of water furnished and will repair or replace any meter or part of a meter which has a total registration greater than authorized, or which has been in service for a period longer than authorized or which is known or suspected to be registering incorrectly. All such repairs or replacements shall be made by the City's representatives and the City of Blue Island shall pay for repairs and replacement made.

(24) When it is determined that a water meter registered incorrectly, an estimate of the amount of water furnished through the faulty meter shall be prepared by the City's Commissioner of Water and Sewers for the purpose of billing the City of Blue Island. The estimate shall be based upon the average of twelve preceding readings of the meter, exclusive of incorrect readings. When less than twelve correct readings are available, fewer readings, including some obtained after the period of incorrect registration, may be used.

(25) The City of Blue Island shall provide and maintain reservoirs of sufficient capacity to store twice the annual daily average consumption of water.

VI. Rates and Discounts

(26) Charges for water furnished to the City of Blue Island for consumers within its corporate limits and to municipalities within the Metropolitan Sanitary District of Greater Chicago served by the City of Blue Island shall be at the rate fixed for like large quantities of water furnished through meters to consumers inside the City, said rate being fixed by City Ordinance.

(27) Charges for water furnished to the City of Blue Island for consumers (private persons or corporations) not within its corporate limits shall be fifty per cent higher than the rate for like large quantities of water furnished through meters to consumers inside the City.

(28) Charges for water furnished to the City of Blue Island for consumers in unincorporated areas or for consumers not within the Metropolitan Sanitary District of Greater Chicago shall be fifty per cent higher than the rate for like large quantities of water furnished through meters to consumers inside the City.

(29) The City of Blue Island shall be entitled to the same discount for prompt payment of water bills as is allowed to metered customers inside the City.

In Witness Whereof, The City of Chicago has caused this agreement to be signed in sextuplicate originals (each executed copy constituting an original) by its Commissioner of Water and Sewers, countersigned by its Comptroller, approved by its Mayor, and its Corporate Seal to be hereto affixed and duly attested by its Clerk; the City of Blue Island has caused the same to be signed in sextuplicate originals (each executed copy constituting an original) by its Mayor and its Corporate Seal to be hereto affixed, duly attested by its Clerk, on the date and year first above written.

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That the Mayor is hereby authorized and directed to execute, the City Clerk to attest, the Commissioner of Water and Sewers to approve and the City Comptroller to accept the file for record, upon the approval of the Corporation Counsel as to form and legality, a Water Supply Contract between the City of Chicago and the Brookfield North-Riverside Water Commission to be substantially in form as follows:

This Agreement made and entered into this 26th day of September, A.D. 1979, and executed in sextuplicate originals (each executed copy constituting an original) by and between the City of Chicago, a Municipal Corporation, organized and existing under and by virtue of the laws of the State of Illinois, party of the first part, hereinafter called the "City", and the Brookfield North-Riverside Water Commission in Cook County, Illinois, located within the Metropolitan Sanitary District of Greater Chicago; party of the second part.

WITNESSETH:

Whereas, Said City of Chicago and the Brookfield North-Riverside Water Commission entered into a ten year agreement on the 18th day of October, A.D. 1967, which has expired, for the furnishing from the City's water mains at the City limits, W. Ogden Avenue and S. Kenton Avenue, a supply of water for consumers located within the territorial limits of the Brookfield North-Riverside Water Commission not to exceed an annual average of 5,250,000 gallons per day in 1967 increasing to 8,400,000 gallons per day in 1976 with the maximum rate of flow from the City's mains not to exceed twice the annual average daily withdrawal; and

Whereas, The City of Chicago is willing to enter into a new water supply contract with the Brookfield North-Riverside Water Commission and furnish water from existing connection to City's water mains at the City limits, W. Ogden Avenue and S. Kenton Avenue.

Now, Therefore, in consideration of the mutual covenants and agreements hereinafter contained, the parties agree with each other as follows:

A. *Service to be Furnished*

(1) The City agrees to furnish to the Brookfield North-Riverside Water Commission and the Brookfield North-Riverside Water Commission agrees to purchase and take from the City under and in accordance with the terms hereof, a supply of water through metered connection authorized by the Commissioner of Water and Sewers of the City from the City's water mains at the City limits, W. Ogden Avenue and S. Kenton Avenue to be used by the Brookfield North-Riverside Water Commission in supplying water to consumers located within the corporate limits of the Village of Brookfield and the Village of North-Riverside and to three (3) accounts located outside the corporate limits of the Village of Brookfield and the Village of North-Riverside.

(2) The Brookfield North-Riverside Water Commission is further authorized to resell water to the Village of LaGrange Park and eight (8) accounts outside its corporate limits, the Village of Lyons and seven (7) accounts outside its corporate limits and to the Village of Riverside.

B. *Quantity of Water to be Furnished*

(1) For consumers located within the corporate limits of the Village of Brookfield and the Village of North-Riverside and to include additional amounts of water for resale to the Village of LaGrange Park, the Village of Lyons and the Village of Riverside, the quantities of water for the years are as indicated:

Year	*Annual Average Daily Quantity in Gallons*
1979	5,986,425
1980	6,020,038
1981	
1982	
1983	
1984	
1985	
1986	
1987	
1988	

These quantities are in accordance with the allocations made to the separate entities by the Illinois Department of Transportation.

(2) Amounts for average daily use after 1980 during term of this agreement and any renewals thereof will be the amounts as allocated by the State of Illinois, Bureau of Resource Management. Said amounts will be added to this agreement by letter upon receipt by the City of said State allocation.

(3) The water supplied and taken in accordance with this contract shall be withdrawn at times during the 24 hours of each day in order to maintain as even an amount of withdrawal as possible with a minimum number of on-off cycles. The maximum hourly rate of withdrawal of water from the City's mains should not exceed twice the annual average daily contract amount.

(4) The Brookfield North-Riverside Water Commission agrees to install a flow control system at the meter vault on existing water service connection to City's water main at the City limits, W. Ogden Avenue and S. Kenton Avenue, when requested by the City, in order to regulate the flow of water as herein provided.

(5) The quantities of water to be furnished are to be supplied to the five (5) villages for the years as indicated:

	Annual Average Daily Quantity in Gallons				
Year	*Village of Brookfield*	*Village of North-Riverside*	*Village of LaGrange Park*	*Village of Lyons*	*Village of Riverside*
1979	2,455,720	1,182,935	1,416,936	882,353	48,481
1980	2,455,720	1,182,935	1,416,936	882,353	82,094
1981					
1982					
1983					
1984					
1985					
1986					
1987					
1988					

These quantities are in accordance with the allocations made to the separate entities by the Illinois Department of Transportation.

(6) Amounts for average daily use after 1980 during term of this agreement and any renewals thereof will be the amounts as allocated by the State of Illinois, Bureau of Resource Management. Said amounts will be added to this agreement by letter upon receipt by the City of said State allocation.

C. *Standard Terms and Conditions*

I. General

(1) This agreement shall be in force and effect for a period ending ten years from the date hereof, subject, however, to the option of the Brookfield North-Riverside Water Commission to renew said agreement for successive like terms, written notice thereof to be submitted to the City six months prior to the expiration of each said ten year term.

(2) No officer, official or agent of the City has the power to amend, modify or alter this agreement or waive any of its conditions as to bind the City by making any promise or representation not contained herein.

(3) This agreement shall not be assigned or transferred by either party.

(4) This agreement will be subject to cancellation in the event a court of competent jurisdiction restricts or limits, directly or indirectly, any of the City's rights to obtain, sell, contract for or distribute Lake Michigan water.

(5) The quantity of water supplied under this contract shall not exceed the amount of Lake Michigan water allocated the Brookfield North-Riverside Water Commission by the Illinois Department of Transportation.

(6) The City will not be responsible in damages for any interruption or failure to supply water and shall be saved and held harmless from all damage of any kind, nature and description which may arise as a result of making this agreement and furnishing water hereunder.

(7) The Brookfield North-Riverside Water Commission may not permit any water furnished hereunder to be used to supply any party outside their territorial limits, except as provided for herein, without specific approval of the City Council of the City. This shall not apply to emergency service provided to other City water users.

II. Reporting Requirements

(8) The Brookfield-North Riverside Water Commission shall submit quarterly reports to the City listing all consumers located outside their territorial limits showing location, character of occupancy and amount used by each during the period covered.

(9) The Brookfield North-Riverside Water Commission shall maintain suitable records of the hourly and daily consumption of water by the consumers and these records shall be available to the City at all reasonable times.

(10) At the end of each calendar year during the term of this contract and not later than March 31st of each year, the Brookfield North-Riverside Water Commission agrees to submit to the Commissioner of Water and Sewers of the City a written copy of the prevailing water rate schedule as applicable to its water consumers. It shall include all rates and relevant information and the premise on which rates have been furnished.

(11) The Brookfield North-Riverside Water Commission shall submit to the City by the 10th day of each month, a report showing the amount of water received the previous month from the City and the amount furnished to consumers. The Brookfield North-Riverside Water Commission shall also furnish water system plats, zoning maps and such other information regarding billing, collections and delinquencies as may be requested by the City, from time to time.

III. Reservations

(12) The City reserves the right to require the Brookfield North-Riverside Water Commission to deposit, in advance, a sum equal to the estimated costs for water supply during a period of ninety days at the prevailing metered rate.

(13) The City reserves the right to inspect, test, repair and replace the water meters as required. Such replacements or repairs shall be charged to and paid by the Brookfield North-Riverside Water Commission.

IV. Water Quality

(14) The City shall supply the Brookfield North-Riverside Water Commission with water of a quality commensurate with that furnished to its consumers within its City limits.

(15) The Brookfield North-Riverside Water Commission shall receive its supply of water from the City by a means or method approved by the City's Commissioner of Water and Sewers. The City of Chicago water system must be safeguarded by means of an air gap at the receiving reservoir. When the requirement for a receiving reservoir is waived to permit a direct connection for emergency use, a backflow preventer, approved by the Commissioner, must be installed.

(16) The City bears no degree of responsibility for the water quality at any point beyond the meter vault. The Brookfield North-Riverside Water Commission bears the responsibility for maintaining the water quality at any point beyond the meter vault and within its distribution system.

(17) The Brookfield North-Riverside Water Commission shall notify and keep the City informed of the responsible individual in charge of operations.

(18) The Brookfield North-Riverside Water Commission shall immediately notify the City's Commissioner of Water and Sewers of any emergency or condition which may affect the quality of water in either party's system.

(19) The City reserves the right to make inspections of those facilities which may affect the quality of the water supplied to the Brookfield North-Riverside Water Commission and to perform required tests.

V. Equipment and Operation

(20) The Brookfield North-Riverside Water Commission shall provide and maintain all service mains and valves and bear the costs for connecting said mains to and severing them from the City's water system. Each service main shall be equipped with a valve located within the City limits and said valve shall be under the sole and complete control of the City and will mark the limit of the City's responsibility for maintenance of the piping system.

(21) The Brookfield North-Riverside Water Commission shall provide and maintain any and all devices expressly requested by the City's Commissioner of Water and Sewers for the purpose of controlling, measuring, transmitting and recording flows of the supply of water furnished and the transmitting and recording of pressures reservoir levels and other required operational information.

(22) The Brookfield North-Riverside Water Commission shall provide the meters, vaults with sump pumps and related devices, adhering to City Standard Practices, for measuring the supply of water furnished. Meters provided must be delivered to the City Meter Shop for testing and picked up promptly after testing, all at the expense of the Brookfield North-Riverside Water Commission prior to installation by them. Plans and specifications for the equipment and vault, or other protective structure, must be submitted to and be approved by the City's Commissioner of Water and Sewers before an authorization for installing the meters and related devices will be issued. The Brookfield North-Riverside Water Commission shall place the meters and related devices in a vault or other protective structure near the City limits and keep the vault or protective structure accessible and safe to work in at all times.

(23) The City's representative will regularly inspect the meters measuring the supply of water furnished and will repair or replace any meter or part of a meter which has a total registration greater than authorized, or which has been in service for a period longer than authorized or which is known or suspected to be registering incorrectly. All such repairs or replacements shall be made by the City's representatives and the Brookfield North-Riverside Water Commission shall pay for repairs and replacement made.

(24) When it is determined that a water meter registered incorrectly, an estimate of the amount of water furnished through the faulty meter shall be prepared by the City's Commissioner of Water and Sewers for the purpose of billing the Brookfield North-Riverside Water Commission. The estimate shall be based upon the average of twelve preceding readings of the meter, exclusive of incorrect readings. When less than twelve correct readings are available, fewer readings, including some obtained after the period of incorrect registration, may be used.

(25) The Brookfield North-Riverside Water Commission shall provide and maintain reservoirs of sufficient capacity to store twice the annual daily average consumption of water.

VI. Rates and Discounts

(26) Charges for water furnished to the Brookfield North-Riverside Water Commission for consumers within its corporate limits and to municipalities within the Metropolitan Sanitary District of Greater Chicago served by the Brookfield North-Riverside Water Commission shall be at the rate fixed for like large quantities of water furnished through meters to consumers inside the City, said rate being fixed by City Ordinance.

(27) Charges for water furnishd to the Brookfield North-Riverside Water Commission for consumers (private persons or corporations) not within its corporate limits shall be fifty per cent higher than the rate for like large quantities of water furnished through meters to consumers inside the City.

(28) Charges for water furnished to the Brookfield North-Riverside Water Commission for consumers in unincorporated areas or for consumers not within the Metropolitan Sanitary District of Greater Chicago shall be fifty per cent higher than the rate for like large quantities of water furnished through meters to consumers inside the City.

(29) The Brookfield North-Riverside Water Commission shall be entitled to the same discount for prompt payment of water bills as is allowed to metered customers inside the City.

In Witness Whereof, The City of Chicago has caused this agreement to be signed in sextuplicate originals (each executed copy constituting an original) by its Commissioner of Water and Sewers, countersigned by its Comptroller, approved by its Mayor, and its Corporate Seal to be hereto affixed and duly attested by its Clerk; the Brookfield North-Riverside Water Commission has caused the same to be signed in sextuplicate originals (each executed copy constituting an original) by its Board of Commissioners and its Corporate Seal to be hereto affixed, duly attested by its Clerk, pursuant to authority granted by its Commissioners, on the date and year first above written.

Alderman Natarus moved to *Reconsider* the foregoing vote. The motion was *Lost.*

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That the Mayor is hereby authorized and directed to execute, the City Clerk to attest, the Commissioner of Water and Sewers to approve and the City Comptroller to accept the file for record, upon the approval of the Corporation Counsel as to form and legality, a Water Supply Contract between the City of Chicago and the Village of Forest Park to be substantially in form as follows:

This Agreement made and entered into this..... day of ....., A.D. 1979, and executed in sextuplicate originals (each executed copy constituting an original) by and between the City of Chicago, a Municipal Corporation, organized and existing under and by virtue of the laws of the State of Illinois, party of the first part, hereinafter called the "City", and the Village of Forest Park in Cook County, Illinois, located within the Metropolitan Sanitary District of Greater Chicago; party of the second part.

WITNESSETH:

Whereas, Said City of Chicago and the Village of Forest Park entered into a ten year agreement on the 13th day of May, A.D. 1968, which has expired, for the furnishing from the City's water mains at the City limits, S. Austin Boulevard and W. Jackson Boulevard, a supply of water for consumers located within territorial limits of the Village of Forest Park not to exceed an annual average of 2,100,000 gallons per day in 1967 increasing to 3,000,000 gallons per day in 1976 with the maximum rate of flow from the City's mains not to exceed twice the annual average daily withdrawal; and

Whereas, The City of Chicago is willing to enter into a new water supply contract with the Village of Forest Park and furnish water from existing connection to City's water mains at the City limits, S. Austin Boulevard and W. Jackson Boulevard.

Now, Therefore, In consideration of the mutual covenants and agreements hereinafter contained, the parties agree with each other as follows:

A. *Service to be Furnished*

(1) The City agrees to furnish to the Village of Forest Park and the Village of Forest Park agrees to purchase and take from the City under and in accordance with the terms hereof, a supply of water through metered connection authorized by the Commissioner of Water and Sewers of the City from the City's water mains at the city limits, S. Austin Boulevard and W. Jackson Boulevard to be used by the Village of Forest Park in supplying water to consumers located within the corporate limits of the Village of Forest Park.

B. *Quantity of Water to be Furnished*

(1) For consumers located within the corporate limits of the Village of Forest Park, the quantities of water for the years are as indicated:

Year	*Annual Average Daily Quantity in Gallons*
1979	2,023,271
1980	2,023,271
1981	
1982	
1983	
1984	
1985	
1986	
1987	
1988	

These quantities are in accordance with the allocations made to the separate entities by the Illinois Department of Transportation.

(2) Amounts for average daily use after 1980 during term of this agreement and any renewals thereof will be the amounts as allocated by the State of Illinois, Bureau of Resource Management. Said amounts will be added to this agreement by letter upon receipt by the City of said State allocation.

(3) The water supplied and taken in accordance with this contract shall be withdrawn at times during the 24 hours of each day in order to maintain as even an amount of withdrawal as possible with a minimum number of on-off cycles. The maximum hourly rate of withdrawal of water from the City's mains should not exceed twice the annual average daily contract amount.

(4) The Village of Forest Park agrees to install a flow control system at the meter vault on existing water service connection to City's water main at the City limits, S. Austin Boulevard and W. Jackson Boulevard, when requested by the City, in order to regulate the flow of water as herein provided.

C. *Standard Terms and Conditions*

I. General

(1) This agreement shall be in force and effect for a period ending ten years from the date hereof, subject, however, to the option of the Village of Forest Park to renew said agreement for successive like terms, written notice thereof to be submitted to the City six months prior to the expiration of each said ten year term.

(2) No officer, official or agent of the City has the power to amend, modify or alter this agreement or waive any of its conditions as to bind the City by making any promise or representation not contained herein.

(3) This agreement shall not be assigned or transferred by either party.

(4) This agreement will be subject to cancellation in the event a court of competent jurisdiction restricts or limits, directly or indirectly, any of the City's rights to obtain, sell, contract for or distribute Lake Michigan water.

(5) The quantity of water supplied under this contract shall not exceed the amount of Lake Michigan water allocated the Village of Forest Park by the Illinois Department of Transportation.

(6) The City will not be responsible in damages for any interruption or failure to supply water and shall be saved and held harmless from all damage of any kind, nature and description which may arise as a result of making this agreement and furnishing water hereunder.

(7) The Village of Forest Park may not permit any water furnished hereunder to be used to supply any party outside their territorial limits, except as provided for herein, without specific approval of the City Council of the City. This shall not apply to emergency service provided to other City water users.

II. Reporting Requirements

(8) The Village of Forest Park shall submit quarterly reports to the City listing all consumers located outside their territorial limits showing location, character of occupancy and amount used by each during the period covered.

(9) The Village of Forest Park shall maintain suitable records of the hourly and daily consumption of water by the consumers and these records shall be available to the City at all reasonable times.

(10) At the end of each calendar year during the term of this contract and not later than March 31st of each year, the Village of Forest Park agrees to submit to the Commissioner of Water and Sewers of the City a written copy of the prevailing water rate schedule as applicable to its water consumers. It shall include all rates and relevant information and the premise on which rates have been furnished.

(11) The Village of Forest Park shall submit to the City by the 10th day of each month, a report showing the amount of water received the previous month from the City and the amount furnished to consumers. The Village of Forest Park shall also furnish water system plats, zoning maps and such other information regarding billing, collections and delinquencies as may be requested by the City from time to time.

III. Reservations

(12) The City reserves the right to require the Village of Forest Park to deposit, in advance, a sum equal to the estimated costs for water supply during a period of ninety days at the prevailing metered rate.

(13) The City reserves the right to inspect, test, repair and replace the water meters as required. Such replacements or repairs shall be charged to and paid by the Village of Forest Park.

IV. Water Quality

(14) The City shall supply the Village of Forest Park with water of a quality commensurate with that furnished to its consumers within its City limits.

(15) The Village of Forest Park shall receive its supply of water from the City by a means or method approved by the City's Commissioner of Water and Sewers. The City of Chicago water system must be safeguarded by means of an air gap at the receiving reservoir. When the requirement for a receiving reservoir is waived to permit a direct connection for emergency use, a backflow preventer, approved by the Commissioner, must be installed.

(16) The City bears no degree of responsibility for the water quality at any point beyond the meter vault. The Village of Forest Park bears the responsibility for maintaining the water quality at any point beyond the meter vault and within its distribution system.

(17) The Village of Forest Park shall notify and keep the City informed of the responsible individual in charge of operations.

(18) The Village of Forest Park shall immediately notify the City's Commissioner of Water and Sewers of any emergency or condition which may affect the quality of water in either party's system.

(19) The City reserves the right to make inspection of those facilities which may affect the quality of the water supplied to the Village of Forest Park and to perform required tests.

V. Equipment and Operation

(20) The Village of Forest Park shall provide and maintain all service mains and valves and bear the costs for connecting said mains to and severing them from the City's water system. Each service main shall be equipped with a valve located within the City limits and said valve shall be under the sole and complete control of the City and will mark the limit of the City's responsibility for maintenance of the piping system.

(21) The Village of Forest Park shall provide and maintain any and all devices expressly requested by the City's Commissioner of Water and Sewers for the purpose of controlling, measuring, transmitting and recording flows of the supply of water furnished and the transmitting and recording of pressures, reservoir levels and other required operational information.

(22) The Village of Forest Park shall provide the meters, vaults with sump pumps and related devices, adhering to City's Standard Practices, for measuring the supply of water furnished. Meters provided must be delivered to the City Meter Shop for testing and picked up promptly after testing, all at the expense of the Village of Forest Park prior to installation by them. Plans and specifications for the equipment and vault, or other protective structure, must be submitted to and be approved by the City's Commissioner of Water and Sewers before an authorization for installing the meters and related devices will be issued. The Vil-

lage of Forest Park shall place the meters and related devices in a vault or other protective structure near the City limits and keep the vault or protective structure accessible and safe to work in at all times.

(23) The City's representative will regularly inspect the meters measuring the supply of water furnished and will repair or replace any meter or part of a meter which has a total registration greater than authorized, or which has been in service for a period longer than authorized or which is known or suspected to be registering incorrectly. All such repairs or replacements shall be made by the City's representatives and the Village of Forest Park shall pay for repairs and replacement made.

(24) When it is determined that a water meter registered incorrectly, an estimate of the amount of water furnished through the faulty meter shall be prepared by the City's Commissioner of Water and Sewers for the purpose of billing the Village of Forest Park. The estimate shall be based upon the average of twelve preceding readings of the meter, exclusive of incorrect readings. When less than twelve correct readings are available, fewer readings, including some obtained after the period of incorrect registration, may be used.

(25) The Village of Forest Park shall provide and maintain reservoirs of sufficient capacity to store twice the annual daily average consumption of water.

VI. Rates and Discounts

(26) Charges for water furnished to the Village of Forest Park for consumers within its corporate limits and to municipalities within the Metropolitain Sanitary District of Greater Chicago served by the Village of Forest Park shall be at the rate fixed for like large quantities of water furnished through meters to consumers inside the City, said rate being fixed by City Ordinance.

(27) Charges for water furnished to the Village of Forest Park for consumers (private persons or corporations) not within its corporate limits shall be fifty per cent higher than the rate for like large quantities of water furnished through meters to consumers inside the City.

(28) Charges for water furnished to the Village of Forest Park for consumers in unincorporated areas or for consumers not within the Metropolitan Sanitary District of Greater Chicago shall be fifty per cent higher than the rate for like large quantities of water furnished through meters to consumers inside the City.

(29) The Village of Forest Park shall be entitled to the same discount for prompt payment of water bills as is allowed to metered customers inside the City.

In Witness Whereof, The City of Chicago has caused this agreement to be signed in sextuplicate originals (each executed copy constituting an original) by its Commissioner of Water and Sewers, countersigned by its Comptroller, approved by its Mayor, and its Corporate Seal to be hereto affixed and duly attested by its Clerk; the Village of Forest Park has caused the same to be signed in sextuplicate originals (each executed copy constituting an original) by its Mayor and its Corporate Seal to be hereto affixed, duly attested by its Clerk, on the date and year first above written.

Nays—None.

Alderman Natarus moved to *Reconsider* the foregoing vote. The motion was *Lost.*

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That the Mayor is hereby authorized and directed to execute, the City Clerk to attest, the Commissioner of Water and Sewers to approve and the City Comptroller to accept the file for record, upon the approval of the Corporation Counsel as to form and legality, a Water Supply Contract between the City of Chicago and the Village of Harwood Heights to be substantially in form as follows:

This Agreement made and entered into this..... .....day of.....A.D. 1979, and executed in sextuplicate originals (each executed copy constituting an original) by and between the City of Chicago, a Municipal Corporation, organized and existing under and by virtue of the laws of the State of Illinois, party of the first part, hereinafter called the "City", and the Village of Harwood Heights in Cook County, Illinois, located within the Metropolitan Sanitary District of Greater Chicago; party of the second part.

WITNESSETH:

Whereas, Said City of Chicago and the Village of Harwood Heights entered into a ten year agreement on the 2nd day of September, A.D. 1969, which has expired, for the furnishing from the City's water mains at the City limits, N. Nottingham Avenue and W. Gunnison Street and for emergency use only at N. Oketo Avenue and W. Foster Avenue and N. Harlem Avenue and W. Irving Park Road, a supply of water for consumers located within the territorial limits of the Village of Harwood Heights not to exceed an annual average of 1,250,000 gallons per day in 1969 increasing to 1,390,000 gallons per day in 1978 with the maximum rate of flow from the City's mains not to exceed twice the annual average daily withdrawal; and

Whereas, The City of Chicago is willing to enter into a new water supply contract with the Village of Harwood Heights and furnish water from existing connection to City's water mains at the City limits at N. Nottingham Avenue and W. Gunnison Street and for emergency use only at N. Oketo Avenue and W. Foster Avenue and N. Harlem Avenue and W. Irving Park Road.

Now, Therefore, in consideration of the mutual covenants and agreement hereinafter contained, the parties agree with each other as follows:

A. *Service to be Furnished*

(1) The City agrees to furnish to the Village of Harwood Heights and the Village of Harwood Heights agrees to purchase and take from the City under and in accordance with the terms hereof, a supply of water through metered connection authorized by the Commissioner of Water and Sewers of the City from the City's water mains at the city limits, N. Nottingham Avenue and W. Gunnison Street and for emergency use only at N. Oketo Avenue and W. Foster Avenue and N. Harlem Avenue and W. Irving Park Road to be used by the Village of Harwood Heights in supplying water to consumers located within the corporate limits of the Village of Harwood Heights and to one (1) account outside the corporate limits of the Village of Harwood Heights.

B. *Quantity of Water to be Furnished*

(1) For consumers located within the corporate limits of the Village of Harwood Heights, the quantities of water for the years are as indicated:

Year	*Annual Average Daily Quantity in Gallons*
1979	1,299,289
1980	1,319,974
1981	
1982	
1983	
1984	
1985	
1986	
1987	
1988	

These qualities are in accordance with the allocations made to the separate entities by the Illinois Department of Transportation.

(2) Amounts for average daily use after 1980 during term of this agreement and any renewals thereof will be the amounts as allocated by the State of Illinois, Bureau of Resource Management. Said amounts will be added to this agreement by letter upon receipt by the City of said State allocation.

(3) The water supplied and taken in accordance with this contract shall be withdrawn at times during the 24 hours of each day in order to maintain as even an amount of withdrawal as possible with a minimum number of on-off cycles. The maximum hourly rate of withdrawal of water from the City's mains should not exceed twice the annual average daily contract amount.

(4) The Village of Harwood Heights agrees to install a flow control system at the meter vault on existing water service connection to City's water main at the city limits, N. Nottingham Avenue and W. Gunnison Street, when requested by the City, in order to regulate the flow of water as herein provided.

C. *Standard Terms and Conditions*

I. General

(1) This agreement shall be in force and effect for a period ending ten years from the date hereof, subject, however, to the option of the Village of Harwood Heights to renew said agreement for successive like terms, written notice thereof to be submitted to the City six months prior to the expiration of each said ten year term.

(2) No officer, official or agent of the City has the power to amend, modify or alter this agreement or waive any of its conditions as to bind the City by making any promise or representation not contained herein.

(3) This agreement shall not be assigned or transferred by either party.

(4) This agreement will be subject to cancellation in the event a court of competent jurisdiction restricts or limits, directly or indirectly, any of the City's rights to obtain, sell, contract for or distribute Lake Michigan water.

(5) The quantity of water supplied under this contract shall not exceed the amount of Lake Michigan water allocated the Village of Harwood Heights by the Illinois Department of Transportation.

(6) The City will not be responsible in damages for any interruption or failure to supply water and shall be saved and held harmless from all damage of any kind, nature and description which may arise as a result of making this agreement and furnishing water hereunder.

(7) The Village of Harwood Heights may not permit any water furnished hereunder to be used to supply any party outside their territorial limits, except as provided for herein, without specific approval of the City Council of the City. This shall not apply to emergency service provided to other City water users.

II. Reporting Requirements

(8) The Village of Harwood Heights shall submit quarterly reports to the City listing all consumers located outside their territorial limits showing location, character of occupancy and amount used by each during the period covered.

(9) The Village of Harwood Heights shall maintain suitable records of the hourly and daily consumption of water by the consumers and these records shall be available to the City at all reasonable times.

(10) At the end of each calendar year during the term of this contract and not later than March 31st of each year, the Village of Harwood Heights agrees to submit to the Commissioner of Water and Sewers of the City a written copy of the prevailing water rate schedule as applicable to its water consumers. It shall include all rates and relevant information and the premise on which rates have been furnished.

(11) The Village of Harwood Heights shall submit to the City by the 10th day of each month, a report showing the amount of water received the previous month from the City and the amount furnished to consumers. The Village of Harwood Heights shall also furnish water system plats, zoning maps and such other information regarding billing, collections and delinquencies as may be requested by the City from time to time.

III. Reservations

(12) The City reserves the right to require the Village of Harwood Heights to deposit, in advance, a sum equal to the estimated costs for water supply during a period of ninety days at the prevailing metered rate.

(13) The City reserves the right to inspect, test, repair and replace the water meters as required. Such replacements or repairs shall be charged to and paid by the Village of Harwood Heights.

IV. Water Quality

(14) The City shall supply the Village of Harwood Heights with water of a quality commensurate with that furnished to its consumers within its City limits.

(15) The Village of Harwood Heights shall receive its supply of water from the City by a means or method approved by the City's Commissioner of Water and Sewers. The City of Chicago water system must be safeguarded by means of an air gap at the receiving reservoir. When the requirement for a receiving reservoir is waived to permit a direct connection for emergency use, a backflow preventer, approved by the Commissioner, must be installed.

(16) The City bears no degree of responsibility for the water quality at any point beyond the meter vault. The Village of Harwood Heights bears the responsibility for maintaining the water quality at any point beyond the meter vault and within its distribution system.

(17) The Village of Harwood Heights shall notify and keep the City informed of the responsible individual in charge of operations.

(18) The Village of Harwood Heights shall immediately notify the City's Commissioner of Water and Sewers of any emergency or condition which may affect the quality of water in either party's system.

(19) The City reserves the right to make inspections of those facilities which may affect the quality of the water supplied to the Village of Harwood Heights and to perform required tests.

V. Equipment and Operation

(20) The Village of Harwood Heights shall provide and maintain all service mains and valves and bear the costs for connecting said mains to and severing them from the City's water system. Each service main shall be equipped with a valve located within the City limits and said valve shall be under the sole and complete control of the City and will mark the limit of the City's responsibility for maintenance of the piping system.

(21) The Village of Harwood Heights shall provide and maintain any and all devices expressly requested by the City's Commissioner of Water and Sewers for the purpose of controlling, measuring, transmitting and recording flows of the supply of water furnished and the transmitting and recording of pressures, reservoir levels and other required operational information.

(22) The Village of Harwood Heights shall provide the meters, vaults with sump pumps and related devices, adhering to City Standard Practices, for measuring the supply of water furnished. Meters provided must be delivered to the City Meter Shop for testing and picked up promptly after testing, all at the expense of the Village of Harwood Heights prior to installation by them. Plans and specifications for the equipment and vault, or other protective structure, must be submitted to and be approved by the City's Commissioner of Water and Sewers before an authorization for installing the meters and related devices will be issued. The Village of Harwood Heights shall place the meters and related devices in a vault or other protective structure near the City limits and keep the vault or protective structure accessible and safe to work in at all times.

(23) The City's representative will regularly inspect the meters measuring the supply of water furnished and will repair or replace any meter or part of a meter which has a total registration greater than authorized, or which has been in service for a period longer than authorized or which is known or suspected to be registering incorrectly. All such repairs or replacements shall be made by the City's representatives and the Village of Harwood Heights shall pay for repairs and replacement made.

(24) When it is determined that a water meter registered incorrectly, an estimate of the amount of water furnished through the faulty meter shall be prepared by the City's Commissioner of Water and Sewers for the purpose of billing the Village of Harwood Heights. The estimate shall be based upon the average of twelve preceding readings of the meter, exclusive of incorrect readings. When less than twelve correct readings are available, fewer readings, including some obtained after the period of incorrect registration, may be used.

(25) The Village of Harwood Heights shall provide and maintain reservoirs of sufficient capacity to store twice the annual daily average consumption of water.

VI. Rates and Discounts

(26) Charges for water furnished to the Village of Harwood Heights for consumers within its corporate limits and to municipalities within the Metropolitan Sanitary District of Greater Chicago served by the Village of Harwood Heights shall be at the rate fixed for like large quantities of water furnished through meters to consumers inside the City, said rate being fixed by City Ordinance.

(27) Charges for water furnished to the Village of Harwood Heights for consumers (private persons or corporations) not within its corporate limits shall be fifty per cent higher than the rate for like large quantities of water furnished through meters to consumers inside the City.

(28) Charges for water furnished to the Village of Harwood Heights for consumers in unincorporated areas or for consumers not within the Metropolitan Sanitary District of Greater Chicago shall be fifty per cent higher than the rate for like large quantities of water furnished through meters to consumers inside the City.

(29) The Village of Harwood Heights shall be entitled to the same discount for prompt payment of water bills as is allowed to metered customers inside the City.

In Witness Whereof, The City of Chicago has caused this agreement to be signed in sextuplicate originals (each executed copy constituting an original) by its Commissioner of Water and Sewers, countersigned by its Comptroller, approved by its Mayor, and its Corporate Seal to be hereto affixed and duly attested by its Clerk; the Village of Harwood Heights has caused the same to be signed in sextuplicate originals (each executed copy constituting an original) by its Mayor and its Corporate Seal to be hereto affixed, duly attested by its Clerk on the date and year first above written.

REPORTS AND COMMUNICATIONS FROM CITY OFFICERS.

Authority Granted for Issuance of $1,800,000 Industrial Revenue Bonds for Project by Ceres Terminals, Inc.

Honorable Jane M. Byrne, Mayor, submitted the following communication:

OFFICE OF THE MAYOR
CITY OF CHICAGO

December 12, 1979.

To the Honorable, The City Council of the City of Chicago:

LADIES AND GENTLEMEN—At the request of the Executive Director of the Economic Development Commission, I transmit herewith an ordinance providing for the issuance of an industrial revenue bond in the amount of $1,800,000 for the construction of a project by Ceres Terminals, Inc.

Your favorable consideration of this ordinance will be appreciated.

Very truly yours,
(Signed) JANE M. BYRNE,
Mayor.

The following is said ordinance transmitted with the foregoing communication:

WHEREAS, The City of Chicago, Illinois (the "City") is a duly constituted and existing municipality within the meaning of Section 1 of Article VII of the 1970 Constitution of the State of Illinois, having a population in excess of 25,000 and is a home rule unit under Section 6(a) of Article VII of that Constitution; and

WHEREAS, The City, as a home rule unit, and pursuant to Chapter 15.2 of the Municipal Code of the City of Chicago, as supplemented and amended (the "Enabling Ordinance"), is authorized and empowered to issue its revenue bonds to finance the costs of "projects" as defined in the Enabling Ordinance to the end that the City may be able to relieve conditions of unemployment and to encourage the increase of industry within the boundaries of the City; and

WHEREAS, Ceres Incorporated (the "Company"), an Illinois corporation, proposes to construct and acquire a terminal warehouse and related facilities (the "Project") within the boundaries of the City, and it is proposed that the City shall enter into a loan agreement with the Company pursuant to which the City shall lend the Company a sum sufficient, together with other money of the Company, to accomplish such construction and acquisition, and the City is willing to issue its revenue bond to finance costs of such construction and acquisition of the Project, all as set forth in such loan agreement; and

WHEREAS, It is estimated that the costs of the Project, including costs relating to the preparation and issuance of the revenue bond, will be not less than $1,800,000; and

WHEREAS, The Project will be of the character and will accomplish the purposes provided by the Enabling Ordinance and will create additional employment opportunities in the City of Chicago, Illinois; and

WHEREAS, The Project will consist of a terminal warehouse and related facilities on land leased from the Chicago Regional Port District and will consist of property which is functionally related and subordinate to the docks and wharves of the Port of Chicago, and shall include storage, handling, office and similar facilities for receiving, handling, loading and discharging cargo from or for vessels using the Port of Chicago; and

WHEREAS, The City proposes to sell the revenue bond hereinafter authorized and designated "Industrial Revenue Bond, Series 1979 (Ceres Incorporated—Iroquois Landing Project") (the "Bond") upon a negotiated basis to Girard Bank, Philadelphia, Pennsylvania; and

WHEREAS, The parent corporation of the Company, Ceres Terminals Incorporated, and all of the active subsidiaries of Ceres Terminals listed below other than the Company propose to guarantee the Bond and Christos N. Kritikos, the sole shareholder of Ceres Terminals Incorporated, proposes to guarantee the Bond to a limited extent; and

WHEREAS, The Company proposes to secure such loan agreement by a mortgage and security agreement; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

Definitions.

SECTION 1. The following words and terms used in this Ordinance shall have the following meanings unless the context or use indicates another or different meaning or intent:

"Acquisition and Construction Fund" means the City of Chicago, Illinois, Acquisition and Construction Fund (Ceres Incorporated—Iroquois Landing Project) created by Section 5 of this Ordinance.

"Active Subsidiaries of Ceres Terminals" means Ceres Corporation, Ceres Marine Terminals, Inc., Ceres Stevedoring Co., Ltd., and Calumet Harbor Terminals, Inc.

"Adjusted Rate" means a rate of interest equal from time to time to the Bank's prime lending rate (that rate of interest per year being charged from time to time by the Bank for 90 day unsecured loans made at its banking house in Philadelphia, Pennsylvania, to commercial customers of the highest credit rating) plus 2%.

"Assignment" means the Assignment and Agreement dated as of December 14, 1979, by and between the City and the Bank.

"Authorized Company Representative" means the person or persons who at the time shall have been designated as such pursuant to the provisions of the Loan Agreement.

"Bank" means Girard Bank, Philadelphia, Pennsylvania, and its successors and assigns.

"Bond" means the Bond authorized to be issued under this Ordinance.

"Bond Fund" means the City of Chicago, Illinois, Bond Fund (Ceres Incorporated—Iroquois Landing Project) created in Section 7 of this Ordinance.

"Bond Purchase Agreement" means the Bond Purchase Agreement dated as of December 14, 1979, by and between the City and the Bank.

"Bondowner" means the Bank and its registered assigns as owners from time to time of the Bond.

"Ceres Terminals" means Ceres Terminals Incorporated, a Delaware corporation, and its successors and assigns.

"City" means the City of Chicago, Illinois, and its successors and assigns.

"Code" means the United States Internal Revenue Code of 1954, as amended and supplemented.

"Company" means Ceres Incorporated, a corporation incorporated and existing under the laws of the State of Illinois, and its successors and assigns.

"Fiscal Agent" means the Bank in its role as depository under Section 5 of this Ordinance and under the Fiscal Agent Agreement.

"Fiscal Agent Agreement" means the Fiscal Agent Agreement dated as of December 14, 1979, between the City and the Fiscal Agent as from time to time amended and supplemented.

"Guaranty" means the Guaranty Agreement, dated as of December 14, 1979, among Ceres Terminals, the Active Subsidiaries of Ceres Terminals, Christos N. Kritikos and the Bank, as from time to time amended and supplemented.

"Institutional Investor" means a bank, savings and loan association, insurance company, trust company or other such financial institution which has a combined capital and surplus of at least $5,000,000.

"Loan Agreement" means the Loan Agreement, dated as of December 14, 1979, by and between the City and the Company, as from time to time amended and supplemented.

"Mortgage" means the Mortgage and Security Agreement, dated as of December 14, 1979, by and between the Company and the Bank.

"Ordinance" means this Ordinance.

"Project" means the terminal warehouse and related facilities to be constructed and acquired by the Company, a portion of the cost of which is to be financed by proceeds of the Bond, all as more fully defined and described in the Loan Agreement.

Authorization of the Project.

SECTION 2. In order to promote the general welfare of the City and its inhabitants by relieving conditions of unemployment and encouraging the increase of industry and by providing the development of dock and wharf facilities for use in connection with the Port of Chicago, the Project is authorized to be financed as described in this Ordinance. The estimated cost of the acquisition and construction of the Project is not less than $1,800,000, of which $1,800,000 will be provided by the issuance of the Bond and the loan of the proceeds of the Bond to the Company. It is found and declared that the financing of the Project and the use of the Project by the Company is necessary to accomplish the public purposes described in this Section and in the preamble to this Ordinance, and that in order to secure the payment of the Bond, the guaranty of the Bond by Ceres Terminals, the Active Subsidiaries of Ceres Terminals and Christos N. Kritikos (to a limited extent) and the mortgaging to the Bank of interests of the Company in the Project and the leasehold of the land upon which the Project is to be constructed as provided in the Mortgage is necessary and proper.

Authorization and Payment of Bonds.

SECTION 3. For the purpose of financing a portion of the cost of the Project there is authorized to be issued by the City its Industrial Revenue Bond, Series 1979 (Ceres Incorporated—Iroquois Landing Project), in the principal sum of $1,800,000, dated December 14, 1979, payable to the Bank or its registered assigns. The Bond shall be payable as to principal in semiannual installments of $90,000 each on July 1, 1980, on January 1 and July 1 of each of the years 1981 through 1989, inclusive, and on January 1, 1990. The Bond shall be in the denomination of $1,800,000. Except as provided below, the Bond shall bear interest on the unpaid principal amount from time to time of the Bond from its date until paid at the rate of eight percent (8%) per year (or eight and one-quarter percent [8¼%] if issued after December 31, 1979). Interest shall be payable on each date listed above for payment of principal from the date of the Bond to the due date of such installment. Interest shall be computed on the basis of a year of 360 days. The Bond shall bear interest on any overdue principal amount at the rate of ten percent (10%) per year until paid.

Notwithstanding the provisions of the previous paragraph of this Section, the Bond will bear interest on the unpaid principal installments at the Adjusted Rate for any period during which interest on the Bond is required to be included in the gross income of the Bondowner (other than as a result of the Bondowner being a "substantial user" of the Project or a "related person" as such terms are defined in the Code). The Bond shall not bear such increased interest rate unless the Bondowner shall have given notice to the Company before including interest on the Bond in its gross income for Federal income tax purposes (or entering into a settlement agreement with the United States Internal Revenue Service whereby interest on the Bond would be so included). Such notice shall state the reasons for so including or agreeing to include interest on the Bond in gross income and permitting the Company, at its own expense, to challenge on behalf of, or, at the option of the Bondowner, in competition with it, any determination by the Internal Revenue Service requiring interest to be so included in gross income for Federal income tax purposes. Promptly upon interest on the Bond being so included by the Bondowner in its gross income for Federal income tax purposes (other than as a result of the Bondowner being a "substantial user" of the Project or a "related person" as such terms are defined in the Code), or upon the Bondowner entering into a settlement agreement providing for such inclusion of interest, the Company shall deposit in the Bond Fund as additional interest then due the amounts, if any, by which interest computed at the Adjusted Rate exceeds the interest as calculated in the previous paragraph of this Section, during the period in which interest is so includable in gross income.

Any or all installments of the Bond are subject to prepayment at a price equal to the principal amount being so prepaid plus accrued interest on that amount, and without premium but only as provided in this paragraph. The installments of principal of the Bond are subject to prepayment in whole or in part on any interest payment date in principal amounts equal to the amounts which may be deposited in the Bond Fund from amounts in the Acquisition and Construction Fund derived from original proceeds of this Bond as provided in Section 3.3(d) of the Loan Agreement, from Net Proceeds of insurance as provided by Section 5.10 of the Loan Agreement, from Net Proceeds of eminent domain proceedings as provided by Section 5.11 of the Loan Agreement or from payments and reimbursements made by the District under the Lease, including, without limitation, Section 1402 of the Lease, as provided in Section 5.12 of the Loan Agreement. All such amounts shall be applied to the prepayment of the outstanding and unpaid installments of the Bond with the latest due dates. Any amounts so utilized shall constitute similarly a prepayment of the corresponding installments and amounts under the Loan Agreement. In addition, the whole unpaid principal amount outstanding on the Bond may be prepaid at any time, from prepayments under the Loan Agreement, at any time that the ratio of debt to net worth of Ceres Terminals and its consolidated subsidiaries exceeds the limitations set forth in Section 4.5 of the Guaranty Agreement.

The Bond may be prepared in typewritten, printed or engraved form.

The principal installments of and interest on the Bond shall be payable to the Bank, or its registered assigns, in lawful money of the United States of America at the principal office of the Bank in the City of Philadelphia, Pennsylvania. The Bondowner shall note on the Payment Record attached as Schedule A to the Bond the date and amount of payment of principal and each installment of interest then being paid and of interest theretofore paid and not yet noted thereon. Upon request of the Company or the City, the Bond shall be available for inspection by the Company or the City at the principal office of the Bank in Philadelphia, Pennsylvania, or at the principal office in the continental United States of the Bondowner if other than the Bank. Upon each payment or prepayment the Bondowner shall notify the City and the Company of each payment or prepayment and shall include in the notification a statement of the unpaid balance of the Bond.

The Bond shall be signed by the Mayor of the City by her facsimile signature, attested by the manual signature of the City Clerk of the City and countersigned by the City Comptroller of the City by his facsimile signature. The corporate seal of the City shall be affixed to the Bond. The Mayor and City Comptroller are authorized to file or to keep on file in the office of the Secretary of State of Illinois their manual signatures certified under the Uniform Facsimile Signatures of Public Officers Act, as amended. The Bond shall be as effective as if executed by the hand of those officers.

The Bond shall not be sold, transferred or assigned except to an Institutional Investor, and then only for the investment account of such Institutional Investor. The costs and charges of any transfer shall be paid by the purchaser, transferee or assignee of the Bond. In the event that the Bond is sold, transferred or assigned, the purchaser, transferee or assignee thereof must notify the City and the Company; absent such notification, such sale, transfer or assignment shall be ineffective as against the City and the Company.

The Bond, together with interest on it, shall be a limited obligation of the City secured by the Loan Agreement, the Assignment, the Mortgage and guaranteed under the Guaranty, and payable solely from revenues and receipts derived from the Loan Agreement (except to the extent paid out of money attributable to the Bond proceeds or the income from the temporary investment of such proceeds), and shall be a valid claim only against the Bond Fund and other money held by the Bank or the Fiscal Agent under the Loan Agreement and the Fiscal Agent Agreement and the revenues and receipts derived from the Loan Agreement, which revenues and receipts shall be used for no other purpose than to pay the principal installments of and interest on the Bond, except as may be expressly authorized otherwise in this Ordinance or in the Loan Agreement. The Bond and the obligation to pay interest on it do not now and shall never constitute an indebtedness or a loan of credit of the City, the State of Illinois or any political subdivision of it, or a charge against their general taxing powers, within the meaning of any constitutional or statutory provision of the State of Illinois, but shall be secured as provided in this Ordinance, and are payable solely from the revenues and receipts from the Loan Agreement, the Guaranty or from Bond proceeds and temporary investments of such proceeds as provided in the Loan Agreement.

Bond Form.

SECTION 4. The Bond, and the Payment Record-Schedule "A", shall be in substantially the following form:

United States of America

State of Illinois

County of Cook
City of Chicago, Illinois

Industrial Revenue Bond, Series 1979
(Ceres Incorporated—Iroquois Landing Project)

Payable By the City Solely and Only from
Revenues and Receipts Derived From the
Loan Agreement Defined in this Bond
Or from Bond Proceeds or Income
from Investments thereof
$1,800,000

The City of Chicago, Illinois, a municipality of the State of Illinois, created and existing under the Constitution and laws of the State of Illinois (the "City"), for value received, promises to pay solely and only from the source and as hereinafter provided, to Girard Bank, Philadelphia, Pennsylvania (the "Bank"), or its registered assigns the principal sum of: One million eight hundred thousand dollars ($1,800,000), payable in semiannual principal installments of $90,000 each on July 1, 1980, and on January 1 and July 1 of each of the years 1981 through 1989, inclusive, and on January 1, 1990.

Except as provided below, this Bond shall bear interest at the rate of ..... percent (...%) per year on the unpaid principal installments from time to time of this Bond, from its date until the due dates of such installments and shall bear interest on any overdue principal amount at the rate of 10 percent (10%) per year until paid. Interest shall be payable on each date listed above for payment of principal. Interest shall be computed on the basis of a year of 360 days.

Notwithstanding the above provisions, this Bond will bear interest on the unpaid principal installments at the Adjusted Rate for any period during which interest on this Bond is required to be included in the gross income of the Bondowner (other than as a result of the Bondowner being a "substantial user" of the Project or a "related person" as such terms are defined in the United States Internal Revenue Code of 1954, as amended). This Bond shall not bear such increased interest rate unless the Bondowner shall have given notice to the Company before including interest on this Bond in its gross income for Federal income tax purposes (or entering into a settlement agreement with the United States Internal Revenue Service whereby interest on this Bond would be so included). Such notice shall state the reasons for so including or agreeing to include interest on this Bond in gross income and permitting the Company, at its own expense, to challenge on behalf of, or, at the option of the Bondowner, in competition with it, any determination by the Internal Revenue Service requiring interest to be so included in gross income for Federal income tax purposes. Promptly upon interest on this Bond being so included by the Bondowner in its gross income for Federal income tax purposes (other than as a result of the Bondowner being a "substantial user" of the Project or a "related person" as such terms are defined in the United States Internal Revenue Code of 1954, as amended), or upon the Bondowner entering into a settlement agreement providing for such inclusion of interest, the Company shall deposit in the Bond Fund as additional interest then due the amount, if any, by which interest computed at the Adjusted Rate exceeds the interest as calculated above, during the period in which interest is so includable in gross income.

For purposes of the previous paragraph, "Adjusted Rate" means a rate of interest equal from time to time to the Bank's prime lending rate (which is that rate of interest per year being

charged from time to time by the Bank for 90-day unsecured loans made at its banking house in Philadelphia, Pennsylvania, to commercial customers of the highest credit rating) plus 2%.

Both principal of and interest on this Bond are payable in immediately available funds at the principal office of Girard Bank in the City of Philadelphia, Pennsylvania.

Payments of interest and payments of the principal of this Bond shall be noted on the Payment Record—Schedule "A" made a part of this Bond as provided in the Bond Ordinance (hereinafter identified) pursuant to which this Bond is issued.

This Bond is issued in the principal sum of $1,800,000 and designated Industrial Revenue Bond, Series 1979 (Ceres Incorporated—Iroquois Landing Project) (the "Bond") pursuant to the Enabling Ordinance and to an Ordinance duly adopted by the City (the "Bond Ordinance") for the purpose of providing funds to finance a portion of the cost to Ceres Incorporated, a corporation incorporated and existing under the laws of the State of Illinois (the "Company"), of acquiring and constructing a terminal warehouse and related facilities as described in the Bond Ordinance, (the "Project") and paying expenses incidental thereto, to the end that the City may relieve conditions of unemployment and encourage the increase of industry in the City and to provide for facilities for use in connection with the Port of Chicago. The Project shall consist of storage, handling, office and similar facilities for receiving, handling, loading and discharging cargo from or for vessels using the Port of Chicago. The proceeds of this Bond will be used by the City to pay or reimburse the Company for a portion of the costs of the acquisition and construction of the Project, under the terms of a Loan Agreement dated as of December 14, 1979 (which agreement, as from time to time supplemented and amended, is hereinafter referred to as the "Loan Agreement").

This Bond is secured by a pledge and assignment of revenues and receipts derived by the City from the repayment of the loan by the Company and other revenues and receipts derived pursuant to the Loan Agreement, by an Assignment and Agreement whereby the City has assigned certain of its rights in the Loan Agreement for payment of this Bond, and is further secured by a mortgage on and security interest in the terminal warehouse and related facilities and the leasehold on the land on which the terminal warehouse is to be constructed, all as more fully described in the Bond Ordinance. Reference is made to the Bond Ordinance for a description of the provisions, among other, with respect to the nature and extent of the security, the rights, duties and obligations of the City, the rights of the owner of the Bond, and the terms on which the Bond is issued.

This Bond is issued pursuant to and in full compliance with the Constitution and laws of the State of Illinois, particularly Chapter 15.2 of the Municipal Code of the City of Chicago, as supplemented and amended (the "Enabling Ordinance"). This Bond and the obligation to pay interest on it are limited obligations of the City, secured as aforesaid and payable solely out of revenues and receipts derived from the Loan Agreement and otherwise as provided in the Bond Ordinance and Loan Agreement. The Bond and the obligation to pay interest on it shall not be deemed to constitute an indebtedness or a loan of credit of the City, the State of Illinois or any political subdivision of the State, or a charge against any of their general taxing powers, within the meaning of any constitutional or statutory provision of the State of Illinois. Pursuant to the provisions of the Loan Agreement, payments sufficient for the prompt payment when due of the principal of and interest on this Bond are to be paid by the Company to the Bank for the account of the City and deposited in a special account created by the City and designated "City of Chicago, Illinois, Bond Fund (Ceres Incorporated—Iroquois Landing Project)" (the "Bond Fund"), and all revenues and receipts accruing from the repayment of the loan by the Company under the Loan Agreement have been duly pledged and assigned to the Bank for that purpose, under the Bond Ordinance to secure payment of such principal installments and interest.

Any or all installments of principal of the Bond are subject to prepayment at a price equal to the principal amount being so prepaid plus accrued interest on that amount to the date of prepayment, and without premium but only as provided in this paragraph. The installments of principal of this Bond are subject to prepayment in whole or in part on any interest payment date only in the principal amounts equal to the amounts which may be deposited in the Bond Fund from amounts in the Acquisition and Construction Fund derived from original proceeds of this Bond as provided in Section 3.3(d) of the Loan Agreement, from Net Proceeds of insurance as provided by Section 5.10 of the Loan Agreement, from Net Proceeds of eminent domain proceedings as provided by Section 5.11 of the Loan Agreement or from payments and reimbursements made by the District under the Lease, including, without limitation, Section 1402 of the Lease, as provided in Section 5.12 of the Loan Agreement. All such amounts shall be applied to the prepayment of the outstanding and unpaid installments of principal of this Bond with the latest due dates. Any amounts so utilized shall constitute similarly a prepayment of the corresponding installments and amounts under the Loan Agreement. In addition, the whole principal amount outstanding on this Bond may be prepaid, at any time, from prepayment under the Loan Agreement at any time that the ratio of debt to net worth of Ceres Terminals Incorporated, of which Ceres Incorporated is a subsidiary, exceeds a certain ratio, all as provided in the Loan Agreement and in the Bond Ordinance.

In certain events, on the conditions, in the manner and with the effect set forth in the Bond Ordinance, the entire principal amount of this Bond may become or may be declared due and payable before the stated installment payment dates, together with accrued interest on this Bond.

Modifications, alterations or amendments of the provisions of the Bond Ordinance may be made only to the extent and in the circumstances permitted by the Bond Ordinance.

No sale, assignment or transfer of this Bond shall be effective until notice of the sale, assignment or transfer shall have been given to the City and the Company in the manner required for the giving of notice under Section 14 of the Bond Ordinance. This Bond shall not be sold, transferred or assigned except to an institutional investor, as such term is defined in the Bond Ordinance, and then only for the investment account of such institutional investor.

It Is Certified, Recited and Declared that all acts, conditions and things required by the Constitution and laws of Illinois to happen, exist and be performed precedent to and in the issuance of this Bond have happened, exist and have been performed in due time, form and manner as required by law.

In Witness Whereof, the City of Chicago, Illinois, has caused this Bond to be signed on its behalf by its Mayor by her facsimile signature and attested by its City Clerk and countersigned by its City Comptroller by his facsimile signature, and the corporate seal of the City to be affixed to this Bond, all as of December ...., 1979.

Custody and Application of Proceeds of Bonds: Acquisition and Construction Fund.

SECTION 5. There is created and established with the Fiscal Agent, which is constituted and appointed as depositary for the City pursuant to the Fiscal Agent Agreement, a special trust fund in the name of the City to be designated "City of Chicago, Illinois, Acquisition and Construction Fund (Ceres Incorporated—Iroquois Landing Project)". The Bank is appointed Fiscal Agent. The proceeds received by the City upon the sale of the Bond shall be deposited in the Acquisition and Construction Fund which shall be held in a separate account by the Fiscal Agent. Money in the Acquisition and Construction Fund shall be expended in accordance with the provisions of the Loan Agreement and the Fiscal Agent Agreement.

The Fiscal Agent shall keep and maintain adequate records pertaining to the Acquisition and Construction Fund and all disbursements from it, and after the Project has been completed and a certificate of payment of all costs filed as provided in this Section 5, the Fiscal Agent shall deliver copies of such records to the City and the Company.

The completion of the Project and payment of all costs and expenses incident to it shall be evidenced by the filing with the City, the Bank and the Fiscal Agent of a certificate of the Authorized Company Representative required by Section 3.4 of the Loan Agreement. Any money thereafter remaining in the Acquisition and Construction Fund shall be applied in accordance with Section 3.3 of the Loan Agreement. The proceeds of the sale of the Bond, and all interest and other investment earnings on that amount, and the amounts in the Acquisition and Construction Fund are appropriated for use as provided in the Loan Agreement.

Acquisition of Project and Payment of Amounts Under the Loan Agreement.

SECTION 6. The City directs the Fiscal Agent to disburse under the Fiscal Agent Agreement the proceeds of the Bond in order to finance a portion of the cost of the Company's acquisition and construction of the Project pursuant to the Loan Agreement in substantially the form which has been presented to the City Council of the City and which is now on file in the official records of the City. In particular, the Fiscal Agent is directed to disburse the proceeds of the Bond as provided in Section 3.3 of the Loan Agreement so that substantially all such proceeds shall be used to provide storage, handling and office facilities for the handling, storage, loading and discharge of cargo from or for vessels using the Port of Chicago.

The Loan Agreement and the revenues and receipts under it, including all money received under its terms and conditions (except any payment made pursuant to Section 5.3 of the Loan Agreement relating to indemnification of the City by the Company or to Section 6.3 of the Loan Agreement relating to the Company's obligation to pay any attorneys' fees and expenses incurred by the City upon the Company's default) are to be sufficient to pay the principal installments of and interest on the Bond, and are pledged and ordered paid into the Bond Fund. The Loan Agreement provides that the Company shall remit the required payments in repayment of the loan under the terms and conditions of the Loan Agreement directly to the Bank for the account of the City for deposit in the Bond Fund. This provision is approved.

Revenues: Bond Fund.

SECTION 7. The Bond and all payments required of the City under this Ordinance are not general obligations of the City but are special and limited obligations secured by a mortgage and security agreements and payable by the City solely and only out of the revenues and receipts derived from the Loan Agreement (except any payment made pursuant to Section 5.3 of the Loan Agreement relating to indemnification of the City by the Company or to Section 6.3 of the Loan Agreement relating to the Company's obligation to pay any attorneys' fees and expenses incurred by the City upon the Company's default) and as provided in this Ordinance.

There is created by the City and ordered established with the Bank as depositary, a special fund to be designated "City of Chicago, Illinois, Bond Fund (Ceres Incorporated—Iroquois Landing Project)" (the "Bond Fund"), which shall be used to pay the principal installments of, any prepayments of and the interest on the Bond.

There shall be deposited into the Bond Fund as and when received, (a) a sum equal to the accrued interest paid by the purchaser of the Bond; (b) any amount remaining in the Acquisition and Construction Fund to the extent provided in the Loan Agreement; and (c) all other money received by the Bank under and pursuant to any of the provisions of the Loan Agreemnt. The Bank is authorized and directed to apply amounts available therefor in the Bond Fund to the payment when due of the principal of and interest on the Bond or the prepayment of the Bond, all as provided in the Loan Agreement. All amounts in the Bond Fund are appropriated to be expended for that purpose.

The City covenants and agrees that should there be a default under the Loan Agreement, the City shall fully cooperate with the Bondowner fully to protect the rights and security of the Bondowner.

Nothing in this Ordinance shall be construed as requiring the City to operate the Project or to use any funds or revenues from any source other than funds and revenues derived from the Loan Agreement.

Any amounts remaining in the Bond Fund, after payment in full of the principal installments of and interest on the Bond (or provision for payment thereof as provided in this Ordinance) and the charges and expenses of the Bank, shall be paid to the Company as provided in this Ordinance and in Section 9.5 of the Loan Agreement.

Assignment and Mortgage.

SECTION 8. As security for the due and punctual payment of the principal of and interest on the Bond, the City assigns and pledges to the Bondowner all revenues and receipts derived by the City pursuant to the Loan Agreement (except any payment made pursuant to Section 5.3 of the Loan Agreement relating to indemnification of the City by the Company or Section 6.3 of the Loan Agreement relating to the Company's obligation to pay any attorneys' fees and expenses incurred by the City upon the Company's default) and all rights and remedies of the City under the Loan Agreement to enforce payment thereof, and as evidence of such assignment, pledge, and security interest and of the agreement of the Bank to accept its responsibilities with respect to the Bond Fund created pursuant to Section 7 of this Ordinance, the Mayor is authorized to execute for and on behalf of the City, the Assignment, and the City Clerk is authorized to attest the same and to affix thereto the corporate seal of the City, and the Mayor and City Clerk are authorized and directed to cause the Assignment to be executed by the Bank, with the Assignment to be in substantially the form which has been presented to the City and which is now on file in the official records of the City.

As further security for the payment of the principal installments of and interest on the Bond, the Company will execute and deliver the Mortgage and Ceres Terminals, the Active Subsidiaries of Ceres Terminals and Christos N. Kritikos will execute and deliver a Guaranty, and the Company will cause the Mortgage to be recorded in the office of the Recorder of Deeds of Cook County, Illinois, and will file appropriate financing statements evidencing such security interests under the Uniform Commercial Code.

Investments: Arbitrage.

SECTION 9. Any money held as part of the Acquisition and Construction Fund created pursuant to Section 5 and the Bond Fund created by Section 7 of this Ordinance, may be invested or reinvested on the direction of the Authorized Company Representative, in accordance with the provisions of Section 3.5 of the Loan Agreement. Any such investment shall be held by or under control of the Fiscal Agent or the Bank, as the case may be, and shall be deemed at all times a part of the fund for which the investment was made and the interest accruing thereon and any profit realized from such investments shall be credited to such fund, and any loss resulting from such investments shall be charged to such fund which loss shall be an obligation of the Company as provided in the Loan Agreement.

As and when any amount invested pursuant to this Section may be needed for disbursement. the Company may direct the Fiscal Agent or the Bank, as the case may be, to cause a sufficient amount of the investments to be sold and reduced to cash to the credit of such funds regardless of the loss on such liquidation.

The City covenants with the Bondowner that so long as the Bond remains unpaid as to principal or interest, the City will not take or authorize the taking of any action which will cause the Bond to be classified as an "arbitrage bond" within the meaning of Section 103(c) of the Code and any lawful regulations promulgated or proposed under that Section.

General Covenants.

SECTION 10. The City covenants that it will promptly cause to be paid solely and only from the source mentioned in the Bond, the principal of and interest on the Bond at the place, on the dates and in the manner provided in this Ordinance and in the Bond according to the true intent and meaning of the Bond. The Bond is a limited obligation of the City, secured and payable as set out in Section 3 of this Ordinance.

The City covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in this Ordinance, in the Bond and in all proceedings of its City Council pertaining thereto. The City covenants that it is duly authorized under the Constitution and laws of the State of Illinois. including particularly and without limitation the Enabling Ordinance, as supplemented and amended, to issue the Bond and to pledge and assign the revenues and receipts pledged and assigned by this Ordinance in the manner and to the extent set forth in this Ordinance; that all action on its part for the issuance of the Bond has been duly and effectively taken and that the Bond is and will be valid and enforceable limited obligation of the City according to the true intent and meaning of the Bond.

The City covenants that it will execute, acknowledge and deliver the instruments, financing statements and other documents reasonably required by the Bondowner for the better assuring, granting, pledging and assigning unto the Bondowner, the interest of the City in the Loan Agreement (except for any payment made pursuant to Section 5.3 of the Loan Agreement relating to indemnification of the City by the Company or Section 6.3 of the Loan Agreement relating to the Company's obligation to pay attorneys' fees and expenses incurred by the City upon the Company's default) as well as the rights of the City in and to the required payments of revenues and receipts pursuant to Section 4.2 of the Loan Agreement assigned and pledged to the payment of the principal installments of and interest on the Bond. The City covenants and agrees that, except as provided in the Loan Agreement and this Ordinance, it will not sell, convey, mortgage, encumber or otherwise dispose of any part of the revenues and receipts derived from the Loan Agreement, or of its rights under the Loan Agreement.

The City covenants and agrees that all books and documents in its possession relating to the Project and the payments under the Loan Agreement shall at all reasonable times be open to inspection by the Bondowner or such accountants or other agents as the Bondowner may from time to time designate.

The City covenants and agrees that it shall, through the Bondowner, enforce all of its rights for the benefit of the Bondowner. The City shall protect the rights of the Bondowner under this Ordinance with respect to the assignment and pledge of the revenues and receipts coming due under the Loan Agreement.

Events of Default and Remedies.

SECTION 11. If any of the following events occur it is defined as and declared to be and to constitute an "event of default":

(a) default in the due and punctual payment of any interest on the Bond or of any principal installment on the Bond, whether at the stated maturity thereof, or upon proceedings for payment thereof; or

(b) any event of default under Section 6.1(b), (c), (d), (e) or (f) of the Loan Agreement shall have occurred.

Upon the occurrence of an event of default and so long as such event is continuing, the Bondowner, by notice in writing delivered to the Company and the City, may declare the entire unpaid principal of the Bond and the interest accrued thereon immediately due and payable, and such principal and interest shall thereupon become and be immediately due and payable. Upon any such declaration all payments under the Loan Agreement from the Company immediately shall become due and payable as provided in Section 6.2 of the Loan Agreement.

Upon the occurrence of an event of default, the Bondowner may pursue any available remedy at law or in equity by suit, action, mandamus or other proceeding to enforce the payment of the principal installments and interest on the Bond and to enforce and compel the performance of the duties and obligations of the Company as set forth in this Ordinance and in the Loan Agreement.

No remedy by the terms of this Ordinance conferred upon or reserved to the owner of the Bond is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Bondowner now or hereafter existing at law or inequity or by statute.

No delay or omission to exercise any right, power or remedy accruing upon any event of default shall impair any such right, power or remedy or shall be construed to be a waiver of any such event of default or acquiescence therein; and every such right, power or remedy may be exercised from time to time as often as may be deemed expedient.

All money received pursuant to any right given or action taken under the provisions of this Section 11 or under the provisions of Article VI of the Loan Agreement (after payments of the costs and expenses of the proceedings resulting in the collection of such money and of the expenses, liabilities and advances incurred or made by the Company or the Bondowner and all money in the Acquisition and Construction Fund at the time of the occurrence of an event of default shall be deposited in the Bond Fund and all such money in the Bond Fund shall be applied to the payment of the principal installments and interest due and unpaid upon the Bond to the person entitled thereto.

Whenever money is to be applied pursuant to the provisions of this Section 11 it shall be applied at the times as the Bondowner shall determine, but in any event within five business days after deposit of the money in the Bond Fund. The Bondowner shall give the notice it deems appropriate of the deposit with it of any such money and of the fixing of any such date.

Whenever all principal installments and interest on the Bond have been paid under the provisions of this Section and all expenses of the Bondowner, and the City have been paid, any balance remaining in the Bond Fund shall be paid to the Company.

With regard to any event concerning which notice is given to the Company under the provisions of this Section 11, the City grants the Company full authority for account of the City to perform or observe any covenant or obligation alleged in the notice not to have been performed or observed, in the name and stead of the City with full power to do any and all things and acts to the same extent that the City could do in order to remedy such default.

Sale of the Bond: Execution of Documents.

SECTION 12. (a) The sale to the Bank of the Bond at a price of $1,800,000 plus accrued interest, if any, pursuant to the Bond Purchase Agreement in substantially the form which has been presented to the City Council of the City is approved, and the Bond Purchase Agreement which is now on file in the official records of the City, is in all respects authorized, approved and confirmed.

The Mayor is authorized and directed to execute the Bond Purchase Agreement for and on behalf of the City, and the City Clerk is authorized to attest the same to and affix thereto the corporate seal of the City.

(b) The Loan Agreement, the Assignment and the Fiscal Agent Agreement in substantially the form in which they have been presented to the City Council of the City and which are now on file in the official records of the City are in all respects authorized, approved and confirmed.

The Mayor is authorized and directed to execute the Loan Agreement, the Assignment and the Fiscal Agent Agreement for and on behalf of the City, and the City Clerk is authorized to attest the same and to affix thereto the corporate seal of the City.

Performance Provisions.

SECTION 13. The Mayor, City Clerk, and City Comptroller for and on behalf of the City each is authorized and directed to do any and all things necessary to effect the performance of all obligations of the City under and pursuant to this Ordinance, the advancement of the loan provided by this Ordinance, the execution and delivery of the Bond and the performance of all other acts of whatever nature necessary to effect and carry out the authority conferred by this Ordinance. The Mayor, City Clerk and City Comptroller are further authorized and directed for and on behalf of the City to execute all papers, documents, certificates and other instruments that may be required for the carrying out of the authority conferred by this Ordinance or to evidence that authority and to exercise and otherwise take all necessary action to the full realization of the rights, accomplishments and purposes of the City under the Loan Agreement, the Guaranty, the Assignment, the Fiscal Agent Agreement and the Bond Purchase Agreement and to discharge all of the obligations of the City under those instruments.

Ordinance a Contract: Provisions for Modifications Alterations and Amendments.

SECTION 15. The provisions of this Ordinance shall constitute a contract between the City and the Bondowner; and after the issuance of the Bond no modification, alteration, or amendment or supplement to the provisions of this Ordinance shall be made in any manner except with the written consent of the Bondowner, until such time as all principal installments of and interest on the Bond shall have been paid in full.

Satisfaction and Discharge.

SECTION 16. All rights and obligations of the City, the Company, Ceres Terminals, the Active Subsidiaries of Ceres Terminals and Christos N. Kritikos under the Bond, this Ordinance, the Loan Agreement, the Guaranty, the Assignment, the Mortgage and the Bond Purchase Agreement shall terminate, such instruments shall cease to be of further effect, the bondholder shall surrender the Bond to the Bank, and the Bank shall cancel the Bond, deliver it to the City, deliver a copy of the cancelled Bond to the Company, and assign and deliver to the Company any money in the Bond Fund required to be paid to the Company under Section 7 hereof (except money held by the Bank for the payment of principal of or interest on the Bond) when:

(a) all expenses of the City and the Bank shall have been paid;

(b) the City, the Company, Ceres Terminals, the Active Subsidiaries of Ceres Terminals and Christos N. Kritikos shall have performed all of their covenants and promises in the Bond, this Ordinance, the Loan Agreement, the Guaranty, the Assignment and the Bond Purchase Agreement; and

(c) all principal installments and interest on the Bond have been paid.

Severability.

SECTION 17. If any section, paragraph, clause or provision of this Ordinance shall be ruled by any court of competent jurisdiction to be invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Ordinance.

Captions.

SECTION 18. The captions or headings of this Ordinance are for convenience only and in no way define, limit or describe the scope or intent of any provision of this Ordinance.

Provisions in Conflict Repealed; Public Availability.

SECTION 19. All ordinances, resolutions and orders, or parts thereof, in conflict with the provisions of this Ordinance are, to the extent of such conflict, repealed. This Ordinance shall be made available to the public by the City Clerk, in appropriate form, upon request, at the office of the City Clerk, City Hall, Chicago, Illinois. Chapter 12 of Municipal Code of Chicago Amended Concerning Certain Sections Relating to Duties of Fire Commissioner.

The Committee on Finance submitted a report recommending that the City Council pass a proposed ordinance transmitted therewith:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The Municipal Code of Chicago, Chapter 12 is hereby amended by deleting in its entirety Sections 12-47 and 12-49.1 inclusive, and by substituting therefor new Sections 12-47 and 12-48 as set forth in Italics below:

12-47.—The Fire Commissioner shall have the power to negotiate and enter into contracts with any other municipality, industrial district or owner of property lying within a radius of one hundred miles of the city to provide fire protection and emergency services, said contract shall include the terms for bonding, hold harmless agreements, rates for service and equipment used. All such contracts for service shall be approved by the Mayor.

12-48. The Fire Commissioner shall have the authority to enter into reciprocal contracts and agreements, with other municipalities and fire protection districts for mutual aid, consisting of furnishing equipment and manpower from and to such other municipalities and fire protection districts without cost. All such contracts or agreements for mutual aid shall be approved by the Mayor.

SECTION 2. This ordinance shall be in full force and effect on and after January 1, 1980.

On motion of Alderman Frost the foregoing proposed ordinance was *Passed,* by yeas and nays as follows:

Yeas—Aldermen Roti, Barnett, Kenner, Evans, Bloom, Sawyer, Bertrand, Humes, Shaw, Vrdolyak, Huels, Majerczyk, Madrzyk, Burke, Brady, Barden, McFolling, Kellam, Sheahan, Kelley, Sherman, Stemberk, Lipinski, Shumpert, Marzullo, Nardulli, Ray, Davis, Hagopian, Kuta, Mell, Frost, Marcin, Aiello, Casey, Cullerton, Laurino, Rittenberg, Pucinski, Natarus, Oberman, Young, Clewis, Axelrod, Schulter, Volini, Orr, Stone—48.

Nays—None.

Alderman Natarus moved to *Reconsider* the foregoing vote. The motion was *Lost.*

Sundry Ordinances Amending Municipal Code Authorizing Increases in Taxes, Fees, Licenses, Etc.

The Committee on Finance submitted separate reports recommending that the City Council pass sundry proposed ordinances transmitted therewith, to authorize amendment of the Municipal Code of Chicago for increases in taxes, fees, licenses, etc. (which were referred to the committee on Novmber 15, 1979).

On separate motions of Alderman Frost said ordinances were *Passed,* by yeas and nays as follows:

Yeas—Aldermen Roti, Barnett, Kenner, Evans, Bloom, Sawyer, Bertrand, Humes, Shaw, Vrdolyak, Huels, Majerczyk, Madrzyk, Burke, Brady, Barden, McFolling, Kellam, Sheahan, Kelley, Sherman, Stemberk, Lipinski, Shumpert, Marzullo, Nardulli, Ray, Davis, Hagopian, Kuta, Mell, Frost, Marcin, Aiello, Casey, Cullerton, Laurino, Rittenberg, Pucinski, Natarus, Oberman, Young, Clewis, Axelrod, Schulter, Volini, Orr, Stone—48.

Nays—None.

Alderman Natarus moved to *Reconsider* the foregoing vote. The motion was *Lost.*

The following are said ordinances as passed (the Italic heading in each case not being a part of the ordinance):

Chapter 29 Relating to Wheel Tax Licenses

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Chapter 29, Section 29-4 of the Municipal Code of the City of Chicago is hereby amended by deleting the language below appearing within brackets and adding the language below in Italics, as follows:

29-4. Upon the payment by the applicant of the license fee hereinafter provided, the Mayor shall issue, or cause to be issued, a license which shall be attested by the City Clerk authorizing the use of such vehicle within the city. [Every such license for motor vehicles, trucks and trailers of various classifications as defined herein, shall be issued for the period of January 1, 1978 to June 30, 1978; thereafter t] *T*he annual period *for every such licence* shall begin on July 1, and end on June 30 of the year following the year of issuance.

SECTION 2. Chapter 29, Section 29-5 of the Municipal Code of the City of Chicago is hereby amended by deleting the language therein contained and substituting therefor new language, as follows:

29-5. Vehicle	Fee
Passenger automobiles, ambulances and hearses	$ 40.00
Passenger automobiles only, not more than one vehicle, registered to a person 65 years of age or older, upon satisfactory proof of age	20.00
Motor bicycles, motor tricycles or mopeds	15.00
Municipally owned vehicles	No Fee
Vehicles licensed to disabled veterans	No Fee
School and Church Buses	No Fee
All other vehicles, including trucks, tractor-semi-trailer units, motor buses, recreational vehicles, and trailers:	
3,000 lbs or less	40.00
3,001 - 14,000 lbs.	50.00
14,001 - 36,000 lbs.	80.00
over 36,000 lbs.	130.00

The license fee for each vehicle shall be 50% greater than the amount hereinbefore specified if the license is not purchased before July 1.

If such vehicle has been purchased or lawfully acquired by the applicant on or after December sixteenth of any current year, the fee hereinbefore specified as a license fee for the balance of such year. Before any applicant shall be entitled to a prorated license as provided for in this section, the said applicant shall furnish an affidavit in form satisfactory to the Director of Revenue stating that the vehicle for which the license is applied for was purchased or otherwise obtained by the applicant on or after December sixteenth of the current year, and shall exhibit to the Director of Revenue the bill of sale covering the vehicle for which license is sought. All applicants that do not comply with the requirements for a prorated license shall be subject to the full annual license fee.

License fees for the period January 1, [1978] *1980* to June 30, [1978] *1980* shall be one-half of the annual license fee as hereinbefore specified. Thereafter the annual fee shall apply in full for annual periods as specified in 29-4.

SECTION 3. This ordinance shall be in full force and effect from and after January 1, 1980.

Chapter 43 Relating to Building Permit.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 43 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below, as follows:

43.1. It shall be unlawful to proceed with the erection, enlargement, alteration, repair, removal, or demolition of any building, structure, or structural part thereof with the city unless a permit therefor shall have first been obtained from the [Commissioner of Buildings] *Commissioner of Inspectional Services.* Such permit shall be posted in a conspicuous place upon the exterior of the premises for which it is issued, and shall remain so posted at all times until the work is completed and approved.

43.3. Applications for building permits shall be in such form as shall be prescribed by the [Commissioner of Buildings] *Commissioner of Inspectional Services.* Every such application for a permit shall be accompanied by a copy of every recorded easement on the lot on which the building is to be erected, and on the immediately adjoining lots, showing the use or benefit resulting from such easement. All such applications shall be accompanied by drawings, plans, and specifications in conformity with the provisions of this chapter. Where alterations or repairs in buildings are necessary by reason of damage by fire, that fact shall be stated in the application for a permit. In such cases, before a permit shall be issued, the [Commissioner of Buildings] *Commissioner of Inspectional Services* shall cause a thorough inspection to be made of the damaged premises with the view of testing the structural integrity of the damaged parts. No permit shall be issued by the [Commissioner of Buildings] *Commissioner of Inspectional Services* for the construction, erection, addition to or alteration of any building or structure unless the applicant therefor shall furnish to the said commissioner a certificate or other written evidence of the proper federal officer or agency that the proposed construction is not prohibited by any order, rule or directive or an agency of the United States government.

Except in the case of residential garages or repairs to buildings to meet code requirements, prior to issuing a building permit, the [Commissioner of Buildings] *Commissioner of Inspectional Services* shall give 10 days written notice of the proposed issuance of the permit to the alderman of the ward in which the proposed work to be done is to be located, and no permit shall be valid unless such notice is delivered: (or unless such notice is waived by the alderman of the ward in which the proposed work to be done is located;) provided, however, that the affidavit of the [Commissioner of Buildings] *Commissioner of Inspectional Services* showing delivery of such notice to (such) an alderman in person or by mailing to such address as he may have filed with the City Clerk, shall be conclusive evidence of delivery of such notice. In case of emergencies, a permit may be issued, to take immediate effect, under the Commissioner's authority, and the Commissioner shall notify the alderman of the ward in which the proposed work to be done is located of the issuance of such permit within 24 hours of issuance thereof.

43-4. All drawings and plans for the construction, erection, addition to, or alterations of any building or other structure, for which a permit is required shall first be presented to the [Commissioner of Buildings] *Commissioner of Inspectional Services* for examination and approval as to proper

use of building and premises and as to compliance in all other respects with the Chicago zoning ordinance and shall thereafter be presented to the board of health, the department of smoke inspection, fire department, department of water and sewers, department of streets and sanitation, department of boiler inspection, and department of public works for submission to the proper official of these departments and bureaus for his examination and approval with regard to such provisions of this code, as are within the duty of such office to enforce, and after said drawings and plans have been examined and passed upon, the same shall be returned to the [Commissioner of Buildings] *Commissioner of Inspectional Services* where they shall be taken up for examination and approval by the [Commissioner of Buildings] *Commissioner of Inspectional Services.*

In every new building and in every existing building undergoing extensive remodeling where a new electric service or a new electric distribution center is to be installed, ample space shall be provided within the main walls of the building for the electric service equipment, metering equipment, distribution cabinets, cutout cabinets, transformers and other equipment necessary for an electric installation and ample working space around the said equipment. This space shall be readily accessible to every tenant of said building who has electric equipment for light, heat or power which is supplied through the above mentioned equipment.

43-6. Before the [Commissioner of Buildings] *Commissioner of Inspectional Services* issues a permit, as provided in this chapter, the applicant shall pay in advance for the water to be used in the work under such permit in accordance with the provisions of Section 185-27 of this code.

43-7. At the proper time, notice shall be given by the [Commissioner of Buildings] *Commissioner of Inspectional Services* to the applicant that his plans have been examined and are ready to be returned to him, and if such plans have been approved as submitted to the various departments and bureaus as aforesaid, the [Commissioner of Buildings] *Commissioner of Inspectional Services* shall, according to the building provisions of this code, issue a permit for the construction, erection, repair, or alteration of such building or structure; and shall file such application, and shall apply to such plans of final official stamp, stating that the drawings to which the same has been applied comply with the building provisions of this code. The plans so stamped shall then be returned to such applicant.

43-10. It shall be unlawful for any owner, agent, architect, structural engineer, contractor, or builder engaged in erecting, altering, or repairing any building to make any departure from the drawings or plans, as approved by the [Commissioner of Buildings] *Commissioner of Inspectional Services,* of a nature which involves any violation of the provisions of this code on which the permit has been issued. Any such departure from the approved drawings and plans involving a violation of requirements, shall operate to annul the permit which has been issued for such work and shall render the same void.

Where any work done under a permit authorizing erection, alteration, or repair of a building or structure, is being done contrary to the approved drawings and plans, the [Commissioner of Buildings] *Commissioner of Inspectional Services* or the president of the board of health shall have power to stop such work at once and to order all persons engaged thereon to stop and desist therefrom, which work shall not be resumed until satisfactory assurance has been given to the [Commissioner of Buildings] *Commissioner of Inspectional Services* or the president of the board of health, as the case may be, that it will be according to the approved drawings and plans. Nothing in this paragraph shall be construed to prevent minor changes in arrangement or decoration which do not affect the requirements of any provisions of this code.

43-11. No person shall begin any work for which a building permit is required or any work of excavation in preparation therefor until the permit has been obtained. If any person violates this section the [Commissioner of Buildings] *Commissioner of Inspectional Services* shall order the work stopped at once and enforce that order in addition to the penalty for the violation.

43-13. It shall be unlawful for any person to erect or construct any canopy attached to a building or structure under any provision of this code or any special ordinance, any part of which canopy shall project over a public way or public place, without first submitting the plans of such canopy, and also of the part of the building or other structure to which it is to be attached, to the [Commissioner of Buildings] *Commissioner of Inspectional Services* for his approval. No permit shall be issued by the Department of Public Works unless the plans of such canopy shall have been approved by the [Department of Buildings] *Department of Inspectional Services* and a permit to attach said canopy to the building from which it is intended to project shall have been obtained from the [Commissioner of Buildings] *Commissioner of Inspectional Services.* No canopy that has been or may hereafter be authorized by any provision of this code or any special ordinance shall at any time be inclosed by canvas or other cloth or material in whole or in part so as to obstruct free passage underneath same, or so as to obstruct or reduce any required exit width.

43-13.1 It shall be unlawful for any person to erect or construct any platform in excess of twenty-four inches in height for temporary use in any public assembly unit, open air assembly unit, or any public place of assembly, to be used for speakers, displays, orchestras, entertainers, or spectators, unless the plans for such platform have been submitted to and approved by the [Department of Buildings] *Department of Inspectional Services* and a permit for such use is issued by the [Commissioner of Buildings] *Commissioner of Inspectional Services.* The construction of such platform shall conform to the requirements of Chapter 61 of this code. No such permit shall be issued for a term longer than fifteen days and no such temporary platform shall be permitted to remain in use in excess of fifteen days without a reinspection thereof having been made by the [Department of Buildings] *Department of Inspectional Services* and a new permit issued therefor.

43-14. The size, number, and location of power or heating boilers to be installed in any building, shall be marked on the plans, and, except in single dwellings, shall be approved by the department for the inspection of steam boilers, unfired pressure vessels and cooling plants, and by the department of smoke inspection and abatement, before a permit is issued by the [Department of Buildings] *Department of Inspectional Services.*

43-15. Before proceeding with the construction, installation, or alteration of any elevator or mechanical equipment used for the raising or lowering of any curtain, stage, or orchestra floor, platform lift, dumbwaiter, escalator, or mechanical amusement device or apparatus, application for a permit for such construction, installation, or alteration shall be submitted to the [Commissioner of Buildings] *Commissioner of Inspectional Services* either by the owner or agent of the buildings, or of the premises on which such equipment is to be installed. A permit shall be obtained for any alteration in such elevator equipment except that this requirement shall not apply to the replacement of existing parts with other parts which are identical with those which are replaced.

The application for a permit shall specify the number and kind of equipment which it is desired to install, or the nature of the alteration to be made and the location of the building, structure, or premises, and shall be accompanied by such drawings and specifications as shall be necessary to inform said commissioner of the plan of construction, type of elevator, dumbwaiter, escalator, platform lift, or mechanical amusement device, method of alteration, and the location thereof. Every application for a permit for a mechanical riding amusement device shall include a registration number assigned such device by the Bureau of Elevators of the [Department of Buildings] *Department of Inspectional Services.* For every new or previously unregistered mechanical amusement device, a detailed drawing and description of the construction thereof, with a certificate signed by a licensed architect or engineer certifying to the strength and safety of such device, must be submitted to the Bureau of Elevators for approval and assignment of a registration number. No permit shall be issued for a mechanical riding amusement device unless such device has been registered with the Bureau of Elevators. If such drawings and specifications show that the equipment is to be installed or altered in conformity with the building provisions of this code, the [Commissioner of Buildings] *Commisioner of Inspectional Services* shall approve the same and shall issue a permit to such applicant upon the payment by such applicant of the permit fee hereinafter named. It shall be unlawful for any owner, agent, or contractor to permit or allow the installation or alteration of any such equipment until a permit has been obtained, and the permit fee paid.

43-16. It shall be unlawful for any person to erect or construct any fence more than five feet in height within the city limits without first obtaining a permit from the [Commissioner of Buildings] *Commissioner of Inspectional Services.*

43-18. Any person desiring to install a tank or tanks for the storage of any flammable liquids, corrosive liquids, or oxidizing materials, highly toxic materials, or hazardous chemicals in liquid form, as provided in Chapters 92 and 129.1 of this Code, shall first obtain a permit from the [Commissioner of Buildings] *Commissioner of Inspectional Services;* provided, however, that no permit shall be required for an aggregate capacity of tanks of one hundred twenty gallons or less for Class I, Class II and Class III flammable liquids. The application for the permit shall be made by the owner or his agent as required by this chapter. Before issuing such permit the [Commissioner of Buildings] *Commissioner of Inspectional Services* shall first cause to be inspected by the plumbing inspector, the location or site where such tank is to be installed, and if the site is satisfactory, such permit shall be issued upon the payment of fees hereinafter provided. Such permit shall not be assigned nor shall any right or privilege thereunder be transferred or assigned except by the written consent of the [Commissioner of Buildings] *Commissioner of Inspectional Services.*

Every application for a permit for any such tank, or tanks shall be in writing, stating the location, the space desired to be used, the length, breadth, and depth, together with measurement in feet from the surface of the ground to the top of such tank, or tanks and shall contain the plans and specifications for the construction of said tank, or tanks, its connections, fittings, openings, and safety appliances, all as required by Chapter 92 and 129.1 of this Code. No such tank, or tanks or equipment shall be covered or used until the installation, material and workmanship have been fully inspected, tested and approved in the presence of the plumbing inspector, and certified by the [Department of Buildings] *Department of Inspectional Services.*

Nothing in this section shall be construed as requiring any owner or occupant of a building, or his agent, to obtain a permit for the use, nor to prohibit the use by him of oils, paints, varnishes or similar flammable mixtures unless the storage is to be maintained longer than thirty days, or the aggregate quantities are in excess of one hundred twenty gallons for Class I flammable liquids, or in excess of five hundred fifty gallons for Class II or Class III flammable liquids.

A permit shall be required when underground flammable liquid tanks are removed, abandoned in place, or temporarily taken out of service.

43-19. Before proceeding with the wrecking or tearing down of any building or other structure, a permit for such wrecking or tearing down shall first be obtained by the owner or his agent from the [Commissioner of Buildings] *Commissioner of Inspectional Services,* and it shall be unlawful to proceed with the wrecking or tearing down of any building or structure or any structural part of such building or structure unless such permit shall first have been obtained. Application for such permit shall be made by the owner, or his agent, to the [Commissioner of Buildings] *Commissioner of Inspectional Services,* who shall issue said permit upon such application and the payment of the fee herein provided for.

Every application shall state the location and describe the building which it is proposed to wreck or tear down. Upon the issuance of said permit, such building may be wrecked or torn down, provided that all the work done thereunder shall be subject to the supervision of the [Commissioner of Buildings] *Commissioner of Inspectional Services* and to such reasonable restrictions as he may impose in regard to elements of safety and health; and provided further, that the work shall be kept sprinkled and sufficient scaffolding be provided to insure safety to human life, and to comply with the provisions of the act of the General Assembly passed June 3, 1907, in force July 1, 1907, providing for the safety of workmen in and about the construction and removal of buildings.

43-20. Before any permit is issued granting authority to wreck a building or structure for which such permit is required, the person engaged in the work of wrecking the same shall file with the city clerk a bond with sureties to be approved by the city comptroller to indemnify, keep and save harmless the city against any loss, cost, damage, expense, judgment, or liability of any kind whatsoever which the city may suffer, or which may accrue against, be charged to or be recovered from said city, or any of its officials from or by reason or on account of accidents to persons or property during any such wrecking operations, and from or by reason or on account of anything done under or by virtue of any permit granted for any such wrecking operations.

Such bond in each case shall extend to and cover all such wrecking operations carried on through permits obtained thereunder by such person during any year beginning January first and ending December thirty-first, and no permit shall be issued for any wrecking work, except as hereinbefore otherwise provided during such year until such bond is filed. Said bond shall be in the penal sum of twenty thousand dollars for all wrecking operations on such buildings and other structures not more than three stories in height, and there shall be an additional bond filed in the penal sum of twenty thousand dollars or a bond in the penal sum of forty thousand dollars shall be filed in the first instance in case of wrecking operations on buildings and other structures four or more stories in height, and there shall be an additional bond filed in the penal sum of five hundred dollars, conditioned upon the restoring and leveling of the premises upon which such wrecking operations have been completed.

Upon the filing of such bond or bonds, the person engaged in the work of wrecking such buildings and other structures may obtain permits for such wrecking operations as are authorized under the said bond or bonds as hereinabove provided for,

during the year in which the same is or are filed; provided, however, that in case of accident or casualty in the progress of any wrecking operations carried on under any permit so issued, or the happening of any circumstance which might, in the opinion of the [Commissioner of Buildings] *Commissioner of Inspectional Services,* render such bond or bonds inadequate, the said commissioner may, in his discretion, require such additional bond as he may deem necessary to fully protect the city from loss resulting from the issuance of such permits before he allows the work to proceed or before any additional permits are issued by him.

43-21. The Administrator of Public Works of the United States or such other authority as may be created by acts of Congress with power to co-operate with the city in the making of public improvements, the department of public works, the department of streets and electricity, and the fire department may engage in the work of wrecking of buildings and structures, and in such cases where any of these agencies make application for a permit to wreck buildings or structures, the [Commissioner of Buildings] *Commissioner of Inspectional Services* shall issue such permit without the fee provided herein and shall not require the filing of a bond with sureties as provided heretofore in Section 43-20.

43-22. It shall be unlawful for any person to construct, replace or install any warm air heating furnace, with appurtenances, ducts, or registers, without first obtaining a permit from the [Commissioner of Buildings] *Commissioner of Inspectional Services* for such work, as provided by this chapter.

43-23. Before any mechanical amusement device, roller coaster, scenic railway, water chute, or other mechanical riding, sailing, or swinging device is erected, either in existing or new amusement parks, or places or sites where such devices are operated under carnival, fair, or similar auspices, a detailed plan shall be submitted to the [Commissioner of Buildings] *Commissioner of Inspectional Services* for his approval or rejection, and if approved, a permit shall be procured by the person desiring to erect such device.

43-24. If the work in, upon, or about any building or structure shall be conducted in violation of any of the building provisions of this code, it shall be the duty of the [Commissioner of Buildings] *Commissioner of Inspectional Services* to revoke the permit for the building or wrecking operations in connection with which such violation shall have taken place. It shall be unlawful, after the revocation of such permit, to proceed with such building or wrecking operations unless such permit shall first have been reinstated or re-issued by the [Commissioner of Buildings] *Commissioner of Inspectional Services.* Before a permit so revoked may be lawfully re-issued or reinstated, the entire building and building site shall first be put into condition corresponding with the requirements in the building provisions of this code, and any work or material applied to the same in violation of any of the provisions shall be first removed from such building, and all material not in compliance with the building provisions of this code shall be removed from the premises.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

Chapter 46 Relating to Building Inspection

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Chapter 46, Section 46-6 of the Municipal Code of the City of Chicago, is hereby amended by deleting therefrom the language contained in brackets below and by adding thereto the language in Italics below, as follows:

46-6. The fee for annual inspection of buildings shall be paid to the City Comptroller and shall be based on the number of square feet of floor area as follows:

For first 25,000 square feet or fraction thereof	[$20.00]	*$23.00*
For each additional 25,000 square feet, or fraction thereof	[10.00]	*11.50*

For the purpose of determining the amount of the fee every part of a building or structure separated by dividing walls as required by the provisions of Chapter 51 of this code shall be considered as a separate building.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

—

Chapter 80 Relating to Gas Water Heater

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Chapter 80, Section 80-24.3 of the Municipal Code of the City of Chicago, is hereby amended by deleting therefrom the language contained in brackets below and by adding thereto the language in Italics below, as follows:

80-24.3 The Commissioner of Buildings shall issue a permit upon the payment of a fee of [twelve] *thirteen* dollars for every domestic gas water heater to be installed or connected. The receipt for the payment of said fee, together with the approvel application, shall constitute the permit required for such installation or connection.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

Chapter 156.1 Relating to Parking Lot and Garage Operations

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Chapter 156.1, Section 156.1-2 of the Municipal Code of the City of Chicago, is hereby amended by deleting therefrom the language contained in brackets below and by adding thereto the language in Italics below, as follows:

156.1-2. (a) There is hereby levied and imposed upon the use and privilege of parking a motor vehicle in or upon any parking lot or garage, as defined in this chapter, in the City of Chicago a tax of [fifteen cents (15¢)] *thirty cents* for each such motor vehicle parked in or on each parking lot or garage for every twenty-four (24) hour period or any fraction thereof. Effective the first day of the month following passage of this ordinance, if a motor vehicle is parked in or on a parking lot or garage for which a charge is made on a weekly or monthly basis, the amount of tax shall be [seventy-five cents (75¢)] *One Dollar Fifty Cents* per week or [Three Dollars ($3.00)] *Six Dollars* per month. The parking tax herein imposed applicable for a period other than daily, weekly, or monthly, shall be computed by multiplying the sum of [fifteen cents (15¢)] *thirty cents*, [seventy-five cents (75¢)] *One Dollar Fifty Cents* or [Three Dollars ($3.00)] *Six Dollars*, whichever amount is applicable, by the total number of days, weeks or months in the particular period of time involved. The weekly tax of [seventy-five cents (75¢)] *One Dollar Fifty Cents* and the monthly tax of [Three Dollars ($3.00)] *Six Dollars* shall not be increased or decreased on account of Saturdays, Sundays or legal holidays falling within such weekly or monthly period of time, whether or not the motor vehicle is actually parked in or on said parking lot or garage on such days.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

The following are said ordinances as passed (the Italic heading in each case not being a part of the ordinance):

Chapter 13 (New) Concerning Establishment of Department

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The Municipal Code of Chicago, Chapter 13 establishing the Department of Buildings is hereby repealed, and in substitution thereof a new Chapter 13 establishing the Department of Inspectional Services is hereby adopted, as set forth in Italics below:

13-1. There is established an executive department of the municipal government of the City of Chicago, which shall be known as the Department of Inspectional Services. The Department shall embrace a Commissioner of Inspectional Services and such other officers and employees as the City Council may provide by the annual appropriation ordinance.

13-2. All officers and employees of the Department of Inspectional Services shall be under the direction and supervision of the commissioner and shall perform such duties as may be required of them by the commissioner or by the provisions of this Code.

13-3. There is hereby created the position of Commissioner of Inspectional Services. The commissioner shall be appointed by the Mayor, by and with the advice and consent of the City Council. The commissioner shall be the head of the Department and shall have supervision of all the employees therein.

13-4. The duties of the Commissioner of Inspectional Services shall be:

1. (a) To enforce the provisions of Chapters 17, 35, 39 to 88 inclusive, 95, 96, 100, 107, 107.1, 108, 114, 115, 124, 130, 130.1 to 130.9 inclusive, 139, 147, 151, 152, 154, 155, 162, 162.1, 174, 175, 194C of this Code, including all rules and regulations promulgated thereunder.

(b) To establish a compliance procedure to determine whether violations have been corrected. If such violation or violations have not been corrected within thirty days from date of first inspection showing such violation or violations to have existed, a request for prosecution shall be forwarded to the Corporation Counsel; provided, however, that if within said thirty days the person subject to prosecution shall have presented an executed contract for the completion of the work necessary to correct such violation or violations and shall have obtained all permits required by this Code, prosecution may be withheld for a period not to exceed forty-five days.

2. (a) To inspect and examine or cause to be inspected and examined, all standard test meters and meters for electricity, as provided in Chapters 122 and 186 of this Code, and gas meters, as provided in Chapter 187 of this Code.

(b) To inspect and examine or cause to be inspected or examined all truck scales and scales of a capacity of three tons or upwards.

(c) To inspect and examine or cause to be inspected or examined once in each year all other weights, measures, scales and weighing and measuring devices and automatic or mechanical pumps or liquid measuring devices at the stores and places where they may be used.

(d) To stamp with a suitable seal all weights, measures, scales, and weighing and measuring devices which the commissioner may find accurate and deliver to the owners thereof certificates of their accuracy. The commissioner shall also provide a table of tolerances and specifications in conformity with those approved by the National Bureau of Standards. Once the commissioner has caused a stamp or seal to be affixed to any weights, measures, scales, weighing or measuring devices as provided herein, it shall be unlawful for any person to remove, destroy or erase the said stamp or seal.

3. To investigate and determine or cause to be investigated and determined, whether all persons required by this Code to pay a tax or secure licenses, permits and franchises have complied with such provisions, and, in cases of evasion of payment, or failure to obtain the necessary license, permit or franchise, the commissioner shall issue the appropriate notice of violation and shall request the Corporation Counsel to institute an appropriate legal proceeding to enforce such provisions and collections.

4. To examine and approve all plans, and to issue all permits, as may be required by ordinance.

5. To examine, regulate and license the occupations of plumber, plumbing contractor, mason contractor, stationary engineer, supervising electrician, and motion picture operator and also register electrical contractors and generator operators all as defined in the Code. The commissioner shall have the powers reasonable and necessary to carry out such duties, including, but not limited to:

(a) Preparing forms for applications for examinations;

(b) Preparing forms for license certificates and issuing them in conformity with the provisions of this Code;

(c) Preparing subject matter for examination;

(d) Preparing and giving uniform examinations to applicants for licenses which will test their qualifications in their respective professions;

(e) Grading all tests and examinations for licenses;

(f) Prescribing, where appropriate, standards for what shall constitute a recognized college, university, or trade school and determining the conformance to such standards;

(g) Suspending or revoking any license issued under the provisions of this Code for cause as set forth in Chapter 155, 162, and 174 of this Code, or upon determination by him that the licensee or registrant shall have violated any other of the provisions of this Code or any of the statutes of the state related to the regulated or registered occupation. However, no license or registration shall be revoked or suspended except after notice and hearing according to rules established by the commissioner consistent with the requirements of due process of law. The commissioner or a hearing officer designated by him shall conduct such hearing as provided by rule. The hearing officer shall receive relevant evidence and may make recommendations to the commissioner who shall render his decision based upon the whole record. The commissioner or a hearing officer designated by him shall have the right to require the production of the books and records of any licensee or registrant upon whom notice of a hearing relating to suspension or revocation has been served.

(h) Keeping a full and correct detailed record of the official proceedings of the commissioner; preserving all documents, books and papers relating to examinations for licenses and hearings of complaints or charges; keeping a record of the names, age, places of business and residences of all applicants for licenses and the disposition made of the applications, the number issued and rejected; keeping an up-to-date record specifying names and addresses of license holders of this city, including the dates of issuance of all such licenses; keeping a record specifying names, addresses, and dates of licenses suspended or revoked, the cause therefor, and licenses renewed.

6. To establish any other necessary rules and regulations as may be required by this Code in furtherance of the powers and duties prescribed herein.

7. To give public notice of any proposed rule or regulation, prior to its effective date, in one or more newspapers of general circulation and in no case shall the publication be less than ten days prior to the effective date of the proposed rules or regulation, or an amendment to any rule or regulation. Such public notice shall include information concerning where the rule or regulation can be reviewed and where comments may be directed.

8. To prepare and maintain all other records in addition to those which may be required in paragraph 5(h) of this ordinance or as may be necessary for the efficient and orderly conduct of the business of the Department.

9. To investigate and make recommendations, from time to time, to the Mayor, with respect to additions or revisions of this Code as may be necessary for the enforcement and regulation required by this Chapter.

SECTION 2. The provisions of this ordinance are severable, and if any of its provisions or any sentence, clause, or paragraph shall be held unconstitutional or unlawful by any court of competent jurisdiction, the decision of such court shall not affect or impair any of the remaining provisions.

SECTION 3. This ordinance shall be in full force and effect on and after January 1, 1980.

Chapter 33 Concerning Driveways—Notice—Appeal Applications—Bond

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 33 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

33.17. Application in writing for a permit for a driveway shall be made to the Commissioner of Streets and Sanitation on forms prescribed by him, and shall contain the name and address of the person making application, the use of the property with which the proposed driveway is to be connected, and whether in the building thereof it will be necessary to cut down or alter the street curb or elevate or depress the existing grade of sidewalks or parkways, and a sketch showing the proposed location and dimensions of such driveway, the location of adjacent streets and alleys, and any other driveways connected with the property. An application shall be approved and a permit issued only upon a determination of the Commissioner of Streets and Sanitation that the driveway will not (1) create undue safety hazards in the use of the street, parkway or sidewalk by vehicular or pedestrian traffic, nor (2) impede the safe and efficient flow of traffic upon the streets and sidewalks adjoining the property for which the driveway is proposed, and upon his determination that the existing and proposed use of the property to be connected by said driveway is in all respects in conformity with existing traffic, zoning, and building ordinances. The Commissioner of Streets and Sanitation shall refer applications (1) to the bureau of street traffic in the Department of Streets and Sanitation for investigation and report on the traffic aspects incident to such determination, and (2) to the [Commissioner of Buildings] *Commissioner of Inspectional Services* for advice as to the zoning and building aspects incident to such determination. Plans and specifications of such driveway in accordance with standard specifications established by the Commissioner of Streets and Sanitation, shall be filed with the Commissioner of Streets and Sanitation and shall be accompanied by a personal bond executed by the applicant, running to the city in the penal sum of $10,000, conditioned upon the faithful observance of each condition and provision of said permit, and conditioned further to indemnify, keep and save harmless the city against all liabilities, judgments, costs, damages and expenses which may in any way come against said city in consequence of the granting of said permit, or which may accrue against be charged to, or recovered from said city from, or by reason, or on account of any act or thing done by the grantee by virtue of the authority given in said permit or by reason or on account of any defect in the construction or design of said driveway or by reason or on account of the failure to maintain said driveway in good condition and repair and free and clear of snow, ice or obstruction of any kind. Said bond shall be kept in force throughout the life of said permit, and if at any time during the life of said permit said bond shall not be in full force, then the authority and privileges herein granted shall thereupon cease.

Prior to issuing a permit, the Commissioner of Streets and Sanitation shall give 20 days written notice of the proposed issuance of the permit to the alderman of the ward in which the proposed driveway is to be located, and no permit shall be valid unless such notice is delivered; provided, however, that the affidavit of the Commissioner of Streets and Sanitation showing delivery of such notice to such alderman in person or by mailing to such address as he may have filed with the City Clerk, shall be conclusive evidence of delivery of such notice.

If the Commissioner of Streets and Sanitation shall refuse to grant a driveway permit, the applicant may appeal to the Mayor. Such appeal shall be made within 20 days after the Commissioner of Streets and Sanitation sends written notice of such refusal to the applicant. Upon written notice by the applicant, the Commissioner of Streets and Sanitation shall transmit to the Mayor the application and all other relevant papers and data. The Mayor may then approve the application and issue such permit only if he makes the determination hereinbefore provided for the issuance of such driveway permit. A final administrative decision of the Mayor hereunder shall be subject to judicial review as provided by law.

The Commissioner of Streets and Sanitation be and he is hereby authorized and directed to refuse applications for driveway permits in all cases where frontage consents are required until such time as proof is made of the filing of said frontage consents with the [Department of Buildings] *Department of Inspectional Services.*

33-37. No part of the top or wearing surface of any sidewalk in any public way in the city shall be composed of tile, commonly called mosaic tile, smooth glass, smooth metal or any material having a polished wearing surface; provided, however, that upon the filing with the [Commissioner of Streets and Electricity] *Commissioner of Streets and Sanitation* of a bond in the penal sum of $10,000, with sureties to be approved by said Commissioner conditioned to indemnify, keep and save harmless the city against all liabilities, judgments, costs, damages and expenses which may in any wise come against said city by reason or on account of such construction or of any defect in the construction of said sidewalk or by reason or on account of the failure to maintain said sidewalk in good condition and repair, nothing in this paragraph shall be held to apply to any glass in prismatic lights whose greatest dimension does not exceed three and one-half inches, and the total surface area of glass in a square foot of walk does not exceed 60 square inches.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

Chapter 44 Concerning Capacity of Public Buildings Amusements, Multiple Dwelling Occupancy, Multiple Dwelling Violation.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 44 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

44-2. The [Commissioner of Buildings] *Commissioner of Inspectional Services* shall determine the number of persons which every building or room used for public purposes may accommodate according to the provisions of Chapter 48 of this code, and shall certify the same to the bureau of fire prevention and the city clerk. No more than the number so certified shall be allowed in such room at any time, in any building used for a hospital, business unit, theater, open air assembly unit, public assembly unit, church or school.

44-3. No license shall be issued to any person to produce, operate, or offer for gain or profit any theatricals, shows or amusements until the [Commissioner of Buildings] *Commissioner of Inspectional Services,* the board of health, the Fire Commissioner, and the [Commissioner of Streets and Electricity] *Commissioner of Streets and Sanitation* shall have certified in writing that the room or place where it is proposed to produce, operate, or offer such theatricals, shows, or amusements complies in every respect with the provisions of this code relating to their respective departments.

44-4. No multiple-dwelling hereafter erected, shall be occupied in whole or in part for human habitation until the issuance by the [Commissioner of Buildings] *Commissioner of Inspectional Services* of a certificate that the said building conforms to the general, special and structural requirements in the building provisions of this code applicable to new multiple dwellings. Within five days from the date of application for any such certificate, a certificate of occupancy shall be issued or the official concerned shall state in writing his reasons for his refusal to issue said certificate.

44-7. If a multiple-dwelling hereafter erected is occupied as a place of habitation in any of its parts in violation of this chapter, it shall forthwith be subject to notice from the [Commissioner of Buildings] *Commissioner of Inspectional Services,* and shall be vacated upon such notice, and shall not again be occupied until made to conform with the building provisions of this code, nor until after the issuance of the certificates required in this chapter.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

Chapter 61 Concerning Miscellaneous Buildings and Structure

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 61 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

61-14.2. (a) (1) A certificate executed by an approved recognized testing laboratory filed with the [Commissioner of Buildings] *Commissioner of Inspectional Services* certifying that such tent is flameproofed as evidenced by tests made by such laboratory within thirty days preceding the date of intended use.

61-18.3. It shall be unlawful to proceed with the construction, installation, enlargement or alteration of any private residential swimming pool and appurtenances within the city unless permits therefor shall have first been obtained from the [Commissioner of Buildings] *Commissioner of Inspectional Services,* [and] the Commissioner of the Department of Water [and Sewers], and the *Commissioner of the Department of Sewers.*

61-18.4. (a) All drawings and plans for the construction, installations, enlargement or alteration of any private residential swimming pool and appurtenances for which a permit is required shall first be presented to the [Commissioner of Buildings] *Commissioner of Inspectional Services* for examination and approval as to proper location, construction, and use, and thereafter shall be presented to the board of health, [and] the Commissioner of the Department of Water [and Sewers] and the *Commissioner of the Department of Sewers* for submission to the proper officials of those departments for examination and approval with regard to such provisions of the Municipal Code of Chicago as are within the duty of such office to enforce. After said drawings and plans have been examined and passed upon, the same shall be returned to the [Commissioner of Buildings] *Commissioner of Inspectional Services* where they shall be taken up for examination and approval by the [Commissioner of Buildings] *Commissioner of Inspectional Services.*

61-18.4. (c) No person shall construct, enlarge, alter or use any private residential swimming pool and appurtenances until plans have been examined and approved by the Board of Health, the Department of Water [and Sewers], *the Department of Sewers* and the [Department of Buildings] *Department of Inspectional Services,* and the necessary permits are issued by the Department of Water [and Sewers] *The Department of Sewers,* and the [Department of Buildings] *Department of Inspectional Services.*

61-19.2. Within two years after the erection or installation of any such exposed metal structure and its supports, permitted by this code upon or above the roof of any building, and within two years following the passage of this ordinance, and at least once every five years thereafter, every such exposed metal structure now existing or hereafter erected shall be subjected to a critical examination by a licensed architect or a registered structural engineer, employed by such owner or agent or person in charge, possession or control of any such building. Said licensed architect or registered structural engineer shall render a report in writing showing the structural condition of the structure and its supports. Two copies of the report shall in turn be submitted to the [Commissioner of Buildings] *Commissioner of Inspectional Services.* One copy of said report shall if satisfactory to the [Commissioner of Buildings] *Commissioner of Inspectional Services,* be returned to the owner, agent or person in charge, possession or control of said building, bearing a stamp of approval, signed by said [Commissioner of Buildings] *Commissioner of Inspectional Services.*

61-19.4. Every such structure found to be in an unsafe condition or in need of repairs or reinforcement or precautionary measures, shall be subject to notice by the [Commissioner of Buildings] *Commissioner of Inspectional Services* to the owner, agent or person in charge, control or possession of the building or premises where such structure is located, immediately to effect such repairs, reinforcements or precautionary measures, as will bring the structure in a good and safe condition and further without delay, to begin and complete the work of permanent repairs; reinforcement or removal, which may be required to make the premises conform to the building provisions of this code.

61-20.15. The [Commissioner of Buildings] *Commissioner of Inspectional Services* and the [Division Fire Marshal of the Bureau of Fire

Prevention] *Fire Commissioner* are authorized and directed to approve plans and to issue permits for the construction of parking facilities described herein when, in their judgment, plans and specifications of said parking facilities conform with the provisions of this ordinance.

Family Fallout Shelter
Application

61-21.1. Application for such permit shall be made to the [Department of Buildings] *Department of Inspectional Services* on forms to be provided by said department. Such application shall be accompanied by plans and specifications, subject to approval of the [Commissioner of Buildings] *Commissioner of Inspectional Services* and the Fire Commissioner.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

Chapter 70 Concerning Foundations

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 70 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

70-2.2. All applications for building permits for (1) the construction of a permanent structure, or (2) for the alteration of a permanent structure involving an increase in load on the foundations, or (3) for the underpinning of a structure, shall be accompanied by a statement from the architect or structural engineer as to the character of the soil, satisfactory to the [Commmissioner of Buildings] *Commissioner of Inspectional Services.* Where there is reasonable doubt as to the character or bearing capacity of the soil, the [Commissioner of Buildings] *Commissioner of Inspectional Services* may require such borings, test pits or test loads as may be necessary to determine the actual conditions.

70-2.4 (6) (3) Subject to the approval of the [Commissioner of Buildings] *Commissioner of Inspectional Services,* bearing values greater than those required in section 70-2.4 may be used if analysis based on laboratory tests, field loading tests or other pertinent information demonstrate that the greater values will not lead to excessive settlement.

70-5.1. For pile loads not exceeding twenty-five tons for timber piles, nor forty tons for concrete piles, concrete-filled steel pipe piles and rolled structural steel piles, the allowable pile loads may be determined by the value R obtained by one of the following formulas:

(a) For piles or mandrels whose weight is equal to or less than the weight of the striking parts.

(1) For single-acting steam hammers:

$$R = \frac{2WH}{S+0.1}$$

(2) For double-acting and differential steam hammers:

$$R = \frac{2E}{S+0.1}$$

in which:

R=allowable pile load in pounds.

W=weight of striking part of hammer in pounds.

H=effective height of fall in feet.

E=actual energy delivered by the hammer per blow in foot-pounds.

S=penetration of pile per blow, in inches, determined under conditions acceptable to the [Commissioner of Buildings] *Commissioner of Inspectional Services.*

70-12.4. (2) Continuous full time inspection of all phases of caisson construction shall be provided. Each caisson shall be inspected by an experienced inspector. The inspector shall be an employee of the Structural Engineer or Architect who prepared and sealed the design plans, or an employee of a firm engaged in soil and foundation engineering, approved by the Structural Engineer or Architect.

(b) Complete construction records shall be maintained showing all significant information relative to installation. These reports, signed by the Inspector and the Structural Engineer or Architect, shall be submitted to the [Building Commissioner] *Inspectional Services Commissioner.*

70-12.6. The Contractor's construction procedures must be submitted to the Structural Engineer or Architect for review and comments, which procedures and comments are thereafter to be submitted to the [Department of Buildings] *Department of Inspectional Services* for inclusion with the permit records prior to installation of the caissons.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

Chapter 86 Concerning Enforcement of Electrical Regulations

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The Municipal Code of Chicago, Chapter 86, is hereby amended by deleting the words in brackets below and substituting the words in Italics below as follows:

86-1. . . .

86-2. The [Chief electrical inspector of the bureau of electrical inspection] *Commissioner of the Department of Inspectional Services* shall administer the electrical regulations of this Code.

86-3. The electrical regulations of this Code shall not be construed to relieve from or lessen the responsibility of any person owning, operating, selling, offering for sale or installing any electrical wires, appliances, apparatus, construction, or equipment, for damages to anyone injured by any defect therein by reason of the inspection authorized herein or by any defect therein by reason of the inspection authorized herein or the certificate of inspection issued by the [Bureau of Electrical] *Department of Inspectional Services.*

86-4. In all cases where any action is taken by the [Chief Electrical Inspector] *Commissioner* to enforce the provisions of any of the sections contained in the electrical regulations of this Code, such acts shall be done in the name of and on behalf of the city, and the said [Chief Electrical Inspector] *Commissioner* in so acting for the city shall not render himself liable for any damage that may accrue to persons or property as a result of any such act committed in good faith in the dis-

charge of his duties, and any suit brought against said [Chief Electrical Inspector] *Commissioner* by reason thereof, shall be defended by the corporation counsel of said city until final termination of the proceedings contained therein.

86-5. The electrical regulations of this Code may be modified or waived by special permission in particular cases where such modification or waiver is specifically permitted or in particular cases where an advancement in the technology of electricity makes such modification or waiver advisable in the best interest of the people of Chicago. Such "Special Permission" shall in all cases be obtained from the [Chief Electrical Inspector] *Commissioner* in writing prior to the commencement of the work.

86-6. The [Chief Electrical Inspector] *Commissioner* or the [Electrical Inspectors] *inspectors of this department* shall have the power to enter any building or premises at any reasonable hour in the discharge of their duties, and it shall be competent for them, when necessary, to remove any exiting obstructions such as laths, plastering, boarding, or partitions which may prevent a perfect inspection of the electrical equipment; they shall also have the power to enter any building used in whole or in part for the purpose of public assemblage at any time when occupied by the public, in order to examine electrical equipment in such building, and it shall be unlawful for any person to interfere with them in the performance of their duties.

86-7. Whenever, in the opinion of the [Chief Electrical Inspector,] *Commissioner*, it shall be necessary to call upon the Department of Police for the aid and assistance in carrying out or enforcing any of the provisions of this Code governing the inspection of electrical equipment, he shall have the authority to do so, and it shall be the duty of any member of the Department of Police when called upon by said [Chief Electrical Inspector,] *Commissioner*, to act according to the instructions of and to perform such duties as may be required by such [Chief Electrical Inspector] *Commissioner* in order to enforce or put into effect the provisions of this code relating to the inspection of electrical equipment.

86-8. No registered electrical contractor shall install any electrical conduits, electrical wires, equipment, or apparatus in any building or structure for which a permit is required, until such permit shall have been secured. In case any work is begun on the installation of electrical conduits, raceways, or the installation, alteration, or repair of electrical wires or apparatus in any building or structure without a permit authorizing the same, being first issued therefor, or the aforesaid installations are being made in violation of the electrical regulations of this Code, the [Chief Electrical Inspector] *Commissioner* and the Electrical Inspectors shall have the power to stop such work at once and to order any and all persons engaged therein, to stop and desist therefrom until the proper permit is secured.

86-9. . . .

86-10. . . .

86-11. . . .

86-12. The [Chief Electrical Inspector of the Bureau of Electrical Inspection, or the Electrical Inspectors] *Commissioner of the Department of Inspectional Services* or his designee are hereby empowered to attach to electrical cabinets and equipment, any official notice or seal to prevent use of electricity, and it shall be unlawful for any other person to put or attach such seal, or to break, change, destroy, tear, mutilate, cover, or otherwise deface or injure any such official notice or seal posted by an inspector of the [Bureau] *Section* of Electrical Inspection.

86-13. . . .

86-14. . . .

86-15. . . .

86-16. . . .

86-17. Any person desiring to engage in the business of electrical contractor shall apply for registration to the [Chief Electrical Inspector] *Commissioner of the Department of Inspectional Services.*

Upon the filing of such application in proper form, and the payment of the registration fee as provided for in Section 86-19 the [Chief Electrical Inspector] *Commissioner of the Department of Inspectional Services* shall register the applicant as an electrical contractor, and shall issue to the applicant a certificate of registration which will authorize the applicant to engage in such business for the year in which it is issued. Provided, however before any permits shall be issued to such electrical contractor, he shall have complied with Section 86-20 of this Code.

86-18. . . .

86-19. . . .

86-20. . . .

86-21. Any person who has been appointed or employed to act as a Supervising Electrician for a registered electrical contractor, shall make application to the [Chief Electrical Inspector] *Commissioner of the Department of Inspectional Services* in writing on a form to be furnished by the [Bureau of Electrical Inspection] *Department of Inspectional Services.*

86-22. Applicants shall be not less than twenty-one years of age, and shall have had at least two years experience in the installation, alteration, repair, and maintenance of electrical wires, equipment, and apparatus, or an experience equivalent thereto. Applicants shall furnish the names and addresses of former employers, periods of time employed by each and in what capacity. Such information and all other required relevant information shall be provided upon forms available from the [Bureau of Electrical Inspection] *Department of Inspectional Services.*

The [Electrical Commission of the City of Chicago] *Department of Inspectional Services* shall prepare as many different examinations as are necessary to adequately provide for the number of applicants in different specialties. Each applicant shall be required to answer a reasonable number of questions in writing to indicate that he has sufficient knowledge and technical training to perform the work or to supervise the installation, alteration, repair or maintenance of electrical wires and apparatus authorized by permits issued by the [Bureau of Electrical Inspection] *Commissioner of the Department of Inspectional Services.* It shall be the responsibility of the [Electrical Commission] *Commissioner* to exercise control and supervision of such examinations.

(a) Each applicant shall pay an examination fee of ten dollars ($10.00) for each examination he takes. Such fee shall be paid to the Director of Revenue (through the Bureau of Electrical Inspection) prior to the day the examination is taken.

(b) Where the results of the first examination are unfavorable the applicant may reapply for a second examination after thirty (30) days have elapsed. If the results of the second examination are unfavorable, the applicant shall be required to wait a period of six (6) months before reapplication. A separate fee of ten dollars ($10.00) shall be paid for each examination.

86-23. When an applicant shall have complied with the requirements of Section 86-22, the [Chief Electrical Inspector] *Commissioner of the Depart-*

ment of Inspectional Services shall certify him as a Supervising Electrician to a registered electrical contractor by placing his name on both the registration certificate and identification card issued to the registered electrical contractor.

86-24....

86-25. Whenever a supervising electrician shall leave or be discharged from the employ of any person, who is required by this chapter to appoint or employ a Supervising Electrician, a notice in writing thereof shall be given within five days by both the employer and the Supervising Electrician to the [Bureau of Electrical Inspection] *Department of Inspectional Services* and the permit privilege of such a person, shall without further order or action by the [Bureau of Electrical Inspection] *Department of Inspectional Services* stand suspended until the employment or appointment by such person of a Supervising Electrician as provided for in Section 86-20.

86-26. Where a Supervising Electrician has not acted in the capacity of a Supervising Electrician in the city for a continuous period of three years, he shall be reexamined as provided for in Section 86-22 before he shall be certified as a Supervising Electrician.

Where a Supervising Electrician has not obtained a permit from the [Bureau of Electrical Inspection] *Department of Inspectional Services* for a continuous period of three years he shall be required to take another examination as provided for in Section 86-22 before he shall receive another permit.

86-27. No electrical equipment shall be installed or altered except upon a permit first issued by the [Bureau of Electrical Inspection] *Department of Inspectional Services* authorizing the installation, alteration, or repair of electrical equipment.

(a) Where an electrical installation has been started prior to the issuance of a permit for such work, the normal permit fee as required by this Code shall be increased by the amount of fifteen dollars ($15.00).

(b) Where a registered electrical contractor is found doing electrical work without a permit on three separate occasions in one calendar year, a hearing shall be held by the [Chief Electrical Inspector] *Commissioner of the Department of Inspectional Services* at which time the permit privileges of said electrical contractor may be suspended for a period of time not to exceed one year. (The members of the Electrical Commission shall be present at such hearings and shall act as advisors to the Chief Electrical Inspector in determining what course of action should be taken).

86-28. The [Bureau of Electrical Inspection] *Commissioner of the Department of Inspectional Services* shall issue permits for such installation and alteration of electrical equipment in all cases where application for such permit shall be made in accordance with the rules and regulations applicable thereto; provided, however, that no permit shall be issued for installing or altering by contract, electrical equipment, unless the person applying for such permit is registered as an electrical contractor as required in Section 86-16 of this chapter, and further provided, that the inspection fee as provided for in this chapter shall have been paid in advance upon filing the application.

86-29. The [Chief Electrical Inspector or the Electrical Inspectors of the Bureau of Electrical Inspection shall inspect] *Commissioner of the Department of Inspectional Services shall inspect or shall cause to be inspected* all electrical equipment installed or altered, except such electrical equipment as may be lawfully exempt, and shall require that it conform to the electrical regulations of this Code.

86-30. Upon completion of such installation or alteration in compliance with the electrical regulations of this Code, the [Chief Electrical Inspector] *Commissioner of the Department of Inspectional Services* shall, on request made by a registered electrical contractor, issue a certificate of inspection covering such installation or alteration; provided, however, that no such certificate shall be issued until all inspection fees for such installation have been paid.

86-31. The [Chief Electrical Inspector or the Electrical Inspectors of the Bureau of Electrical Inspection] *Commissioner of the Department of Inspectional Services or his Electrical Inspectors* are hereby empowered to reinspect any electrical equipment within the scope of the electrical regulations of this Code, and when said electrical equipment is found to be unsafe to life or property, shall notify in writing either the owner, his agent for the purpose of managing, controlling or collecting rents or any other person managing, controlling, using or operating the same to place such electrical equipment in a safe and secure condition in compliance with the electrical regulations of this Code within such time as the [Chief Electrical Inspector] *Commissioner* shall consider just and reasonable, but in no event shall this time exceed fifteen (15) days from the date of such notice. Refusal to comply with the requirements of such notice shall subject the person owning, managing, operating or using such electrical equipment to the penalties provided for in Section 86-123 of this Code. The [Chief Electrical Inspector and the Electrical Inspectors of the Bureau of Electrical Inspection are] *Commissioner of the Department of Inspectional Services is* hereby empowered to cut off and stop current to any electrical equipment found to be unsafe to life or property.

86-32. The [Bureau of Electrical Inspection] *Department of Inspectional Services* shall keep complete records of all permits issued and inspections made and other official work performed under the electrical regulations of this Code.

86-33. Whenever any electrical equipment has been installed or altered, no electrical current shall be used on such equipment, except as hereinafter provided, previous to the inspection of such equipment by the [Chief Electrical Inspector] *Commissioner of the Department of Inspectional Services* or by a city electrical inspector under his jurisdiction and the issuance of a temporary current permit covering designated portions or the entirety of such installation or alteration; provided, however, that in case of any installation or alteration, covered by permit authorizing such installation or alteration, the portion of such equipment comprising the service entrance equipment and wiring, the meter and meter connection cabinet and the meter wiring up to but not beyond the customer's disconnecting switch or other disconnecting device may be made electrically alive, prior to inspection and the issuance of a temporary current permit; and provided further that, in such case, the [Bureau of Electrical Inspection] *Department of Inspectional Services* shall be notified of the intention to make such portion of the equipment electrically alive and that the customer's disconnecting switch or other disconnecting device shall be sealed in the "off" position and tagged with a warning notice reading as follows:

"It shall be unlawful for any person to place this switch in the "on" or "closed" position or to use electricity on any wiring beyond this switch previous to the issuance, by the [Chief Electrical Inspector] *Commissioner of the Department of Inspectional Services* of a temporary current permit or a certificate of inspection authorizing the use of current on this installation."

86-34. Registered Generator Operator. No On-Site Generator shall be placed in operation until such time as one or more Registered Generator

Operators have been employed and have assumed the responsibility for the operation of the generators.

(a) Qualifications. Applicants for registration as a generator operator shall be at least 21 years of age; shall have successfully completed four (4) years of high school; shall have at least two (2) years of experience in the operation of machinery and electrical equipment, and shall pass an appropriate comprehensive examination administered by the [Bureau of Electrical Inspection] *Commissioner of the Department of Inspectional Services.*

(b) Certificates. Upon the successful completion of the required examination, the [Bureau of Electrical Inspection] *Commissioner* shall issue to the applicant a Certificate of Registration which shall be prominently displayed in the generator room of the building in which the Operator is employed.

(c) Registration Procedure. Applications shall be made upon forms provided by the [Bureau of Electrical Inspection] *Commissioner.* An examination fee of $5.00 shall be paid at the time the application is submitted and shall be paid for each succeeding examination if the results of the first examination are not satisfactory. The examinations given to applicants shall be prepared [by the Electrical Commission and the results shall be judged by them] *and graded by the Commissioner of the Department of Inspectional Services.*

(d) Annual Registration Fee. A registration fee of $25.00 per year, payable on January 1, each year, shall be charged for each Registered Generator Operator.

86-35. Failure on the part of any registered electrical contractor to correct any defect, error, or deficiency in any work installed under the authority of a permit issued to him by the [Bureau of Electrical Inspection] *Department of Inspectional Services* within ten calendar days after written notification thereof by the said bureau or within such further reasonable time as may, upon request, be prescribed, the [Chief Electrical Inspector] *Commissioner of the Department of Inspectional Services* shall, without further notice, stop the issuance of permits to such registered electrical contractor until such corrections have been made, inspected, and approved. In addition thereto the penalty provided in this chapter may be enforced.

The [Chief Electrical Inspector] *Commissioner of the Department of Inspectional Services* is hereby empowered to suspend the permit privileges of any registered electrical contractor who shall fail to pay any just indebtedness for inspection fees for electrical wires and apparatus as fixed by that part of this chapter dealing therewith, until such registered electrical contractor shall discharge and pay to the city all just indebtedness then due and owing from such registered electrician.

86-36. The [Chief Electrical Inspector of the Bureau of Electrical Inspection] *Commissioner of the Department of Inspectional Services* is authorized to revoke any permit or certificate obtained by fraud, misrepresentation, or in any way contrary to the provisions of the electrical regulations of this Code, for the installation, alteration, repair, and use of any electrical equipment.

86-37....

86-38....

86-39. It shall be unlawful for any person to change, add to, or mutilate so as to change the original wording, unless authorized by the [Chief Electrical Inspector,] *Commissioner,* of any written or printed form issued to registered electrical contractors by the [Bureau of Electrical Inspection] *Department of Inspectional Services.*

86-40. Any person violating any of Section 86-35 to 86-39, inclusive, shall be subject to the penalties provided for in the last section of this chapter, and in addition thereto, the permit, certificate, or any printed form issued to a registered electrical contractor shall be revoked by the [Bureau of Electrical Inspection] *Commissioner of the Department of Inspectional Services.* Notice of revocation shall be in writing to the person violating any of those sections.

86-41....

86-42. Before such a permit shall be issued to any person, he shall fill out an affidavit form of application to be furnished by the [Bureau of Electrical Inspection] *Department of Inspectional Services.*

86-43....

86-44. When the person employed or appointed to perform the work or supervise the installation, alteration, and repair of electrical wires and apparatus installed or altered under the authority of monthly permits, shall have complied with Sections 86-22, 86-24 and 86-26, the [Chief Electrical Inspector] *Commissioner of the Department of Inspectional Services* shall certify him as a Supervising Electrician by placing his name on the affidavit form filed by the person desiring to secure permits to perform electrical work. Such supervising electrician shall comply with Sections 86-24 and 86-25.

86-45. A complete record of all installations, alterations and repairs made during each calendar month shall be maintained by the supervising electrician, and a permit application shall be submitted to the [Bureau of Electrical Inspection] *Department of Inspectional Services* each and every month.

86-46. Any person violating any of the provisions of this chapter dealing with monthly permits, shall be subject to the penalties provided for in the last section of this chapter, and in addition thereto, the [Chief Electrical Inspector] *Commissioner of the Department of Inspectional Services* shall revoke such monthly permits. Notice of revocation shall be in writing to the person to whom such permit was issued.

86-47....

86-48. Application for maintenance listing for permit privileges shall be made in writing on affidavit form to be furnished by the [Bureau of Electrical Inspection] *Department of Inspectional Services.*

86-49....

86-50....

86-51. The locations of all buildings, premises, or property, where electrical work is to be installed, altered, repaired, or maintained, under authority of permits issued under the provisions of this chapter dealing with maintenance permits, shall be recorded with the [Bureau of Electrical Inspection] *Department of Inspectional Services.*

86-52....

86-53. When the person employed or appointed to supervise the installation, alteration, repair, and maintenance of electrical wires and apparatus installed, altered, or maintained under the authority of permits issued in conformity with this part of this chapter dealing with maintenance permits, shall have complied with Section 86-22, the [Chief Electrical Inspector] *Commissioner of the Department of Inspectional Services* shall certify him as a supervising electrician by placing his name on the affidavit form filed by the person desiring to secure permits to perform electrical work. Such Supervising Electrician shall comply with Sections 86-24 and 86-25 of this Code.

It shall be the responsibility of such supervising electricians to apply for an electrical permit each and every calendar month to cover all electrical installations, alterations and repair work done on the premises under his jurisdiction during that month. Where such permits are not obtained on a regular basis, the [Bureau of Electrical Inspection] *Department of Inspectional Services* shall consider that the registrant is inactive and his name shall be removed from the registration file.

86-54. Any person violating any of the provisions of this chapter dealing with maintenance permits, shall be subject to the penalties provided in the last section of this chapter, and in addition thereto, permit privileges shall be revoked by the [Chief Electrical Inspector] *Commissioner of the Department of Inspectional Services.* Notice of revocation shall be in writing to the person listed for maintenance permit privileges.

86-80. . . .

86-81. . . .

86-82. Any person desiring to install, alter, or repair any commercial electric lamp post on any public way in the city shall make an application to the [Bureau of Electrical Inspection] *Department of Inspectional Services* for that purpose on a form furnished therefor by the [Bureau of Electrical Inspection] *Department of Inspectional Services* setting forth therein such information as is required by such bureau. Such application when made shall be submitted to the Commissioner of Streets and [Electricity] *Sanitation* for his approval and when the same shall be approved by the Commissioner of Streets and [Electricity] *Sanitation* a permit in writing authorizing such applicant, providing such applicant is a registered electrical contractor as required by Section 86-16, to install, alter, repair, and maintain commercial electric lamp post or posts at the location or locations designated in such application, shall thereupon be issued. No work of any kind shall be started until such permit has been obtained.

86-83. No permit shall be issued for the erection of any commercial electric lamp posts, under the provisions of this chapter, until the Commissioner of Streets and [Electricity] *Sanitation* shall have approved the type and design of such posts and the location of such posts on the public way. All commercial electric lamp posts erected shall conform to the standards and specifications as prescribed in that part of Chapter 87 dealing with outside wiring.

86-84. . . .

86-85. . . .

86-86. Any commercial electric lamp post not maintained in strict conformity with all the electrical regulations of this Code, shall be declared to be abandoned and an obstruction upon public property. The [Bureau of Electrical Inspection] *Department of Inspectional Services* is hereby empowered to remove or cause to be removed any such abandoned commercial electric lamp post or posts.

86-87. No permit shall be issued to install, alter, repair, or maintain any electric lamp post until the person making an application for such permit shall have filed with the Commissioner of Streets and [Electricity] *Sanitation,* an indemnifying bond with good and sufficient sureties approved by said Commissioner equal to the sum of one hundred dollars for each electric lamp post installed or maintained. The aforesaid bond shall guarantee the installation and maintenance of any and all electric lamp posts specified in the application for a permit in accordance with the provisions, standards, and specifications of the electrical regulations of this Code applicable thereto. The aforesaid bond shall further guarantee the removal from the public way in a manner satisfactory to the Commissioner of Streets and [Electricity] *Sanitation* of any and all abandoned electric lamp posts, specified in any permit, within a period of thirty days after having received notice thereof. In the event of the failure of any person to comply with any of the electrical regulations of this Code applicable thereto, the Commissioner of Streets and [Electricity] *Sanitation* shall notify the guarantors and should any violation continue for a period of more than thirty days, he shall declare the bond applying to the electric lamp post in violation forfeited, and the Commissioner of Streets and [Electricity] *Sanitation* is hereby authorized to collect the full amount of such bond.

86-88. All commercial electric lamp posts installed on public property shall be inspected by the [Bureau of Electrical Inspection] *Department of Inspectional Services* after installation, and thereafter annually with regard to its mechanical and electrical safety, and when said commercial electric lamp post is found to be in compliance with the electrical regulations of this Code, and upon payment of the compensation and inspection fee as provided for in Section 86-122, the [Bureau of Electrical Inspection] *Department of Inspectional Services* shall issue to the person owning or operating said post or posts, a receipted bill which shall authorize the maintenance of such post or posts for the period of time stated in such receipt.

86-89. All commercial electric lamp posts erected under authority of this chapter or any ordinance passed previous to this Code shall be illuminated each and every evening from dusk until at least nine-thirty p.m. All burned-out lamps and broken or cracked globes shall be immediately replaced. Iron posts and iron parts of other posts shall be kept painted so that the original color will be retained and rust spots will not show. Posts which through wear or through accident have become cracked, chipped or damaged must be replaced in a condition satisfactory to the [Bureau of Electrical Inspection] *Department of Inspectional Services.* The posts and lamps shall be maintained in a good and safe condition and in strict conformity with all the electrical regulations of this Code. Any post which, through the settling of its foundation or as the result of an accident, has been displaced, shall be restored to its original upright position. No numbering, lettering, reflectors, signs, or objects of any description shall be attached to or placed upon the posts or glassware and only clear white or frosted incandescent lamps shall be used.

86-90. . . .

86-91. . . .

86-92. Any person desiring to install, alter, or repair any festoons or commercial street lighting equipment on or over any public way in the city shall make an application to the [Bureau of Electrical Inspection] *Department of Inspectional Services* for that purpose on a form furnished therefor by the [Bureau of Electrical Inspection] *Department of Inspectional Services* setting forth therein such information as is required by such bureau. Such application when made shall be submitted to the Commissioner of Streets and [Electricity] *Sanitation* for his approval and when the same shall be approved by the Commissioner of Streets and [Electricity] *Sanitation* a permit in writing authorizing such applicant, providing such applicant is a registered electrical contractor as provided for in Sections 86-16 and 86-17, to install, alter, repair and maintain festoons or decorative lighting equipment at the location or locations designated in such application, shall thereupon be issued by the Commissioner of Streets and [Electricity] *Sanitation* and no work of any kind shall be started until such permit has been obtained.

No permit shall be issued under the authority of this chapter for the installation of any festoons or decorative street lighting equipment other than such as conform to the standards and specifications for outside wiring prescribed in Chapter 87 of this code.

Permits for the maintenance of festoons or decorative street lighting equipment may be revoked by the Mayor or the City Council at any time.

86-93. The [Bureau of Electrical Inspection] *Department of Inspectional Services* shall remove or cause to be removed any festoon or decorative street lighting equipment for interference with the proper installation or operation of any equipment for any purpose whatsoever that the city has or may install or maintain on or over any public way.

86-94. Any festoon or decorative street lighting equipment not maintained in strict conformity with all the electrical regulations of this Code, shall be declared to be abandoned or a hazard over the public way, and the [Bureau of Electrical Inspection] *Department of Inspectional Services* is hereby empowered to remove or cause to be removed any such abandoned hazardous festoon or decorative street lighting equipment.

86-95. No permit shall be issued to install, alter, repair or maintain any festoon or decorative lighting equipment until the person making an application for such permit shall have filed with the Commissioner of Streets and [Electricity] *Sanitation* an indemnifying bond with good and sufficient sureties approved by the said Commissioner equal to the sum of one hundred dollars for each electric festoon or branch circuit for decorative lighting equipment installed or maintained. The aforesaid bond shall guarantee the installation and maintenance of any and all festoons or decorative lighting equipment specified in the application for a permit in accordance with the provisions, standards, and specifications of the electrical regulations of this Code applicable thereto. The aforesaid bond shall further guarantee the removal from the public way in a manner satisfactory to the Commissioner of Streets and [Electricity] *Sanitation* of any and all abandoned festoons or decorative street lighting equipment specified in any permit within a period of thirty days after having received notice thereof. In the event of the failure of any person to comply with any of the electrical regulations of this Code applicable thereto, the Commissioner of Streets and [Electricity] *Sanitation* shall notify the guarantors and should any violation continue for a period of more than thirty days, he shall declare the bond applying to the festoon or decorative lighting equipment in violation forfeited and the Commissioner of Streets and [Electricity] *Sanitation* is hereby authorized to collect the full amount of such bond.

86-96. All electric festoons or decorative lighting equipment installed on public property, shall be inspected by the [Bureau of Electrical Inspection] *Department of Inspectional Services* after installation, and thereafter annually with regard to its mechanical and electrical safety and when said festoons or decorative street lighting equipment is found to be in compliance with this electrical code, and upon payment of the Director of Revenue of the compensation and inspection fees, as provided for in Section 86-122, the [Bureau of Electrical Inspection] *Department of Inspectional Services* shall issue to the person owning or operating said festoons or decorative street lighting equipment, a receipted bill, which shall authorize the maintenance of such festoon or decorative street lighting equipment for the period of time stated in such receipt.

86-97....

86-98. No electrical equipment used as a part of any festoon or decorative street lighting equipment shall be attached to any city poles, unless permission in writing has been obtained from the Commissioner of Streets and [Electricity] *Sanitation.*

86-99. No person shall erect, construct, maintain, use, alter, or repair any pole, line or wire, underground conductors or electric conductors of any description whatever on, over or under any public way or public place within the city, without first having obtained a permit therefor from the [Department of Buildings] *Department of Inspectional Services* which permit shall be countersigned by the Commissioner of Streets and [Electricity] *Sanitation.*

86-100. Applications for permits shall be made in duplicate on a form to be approved by the Commissioner of Streets and [Electricity] *Sanitation.*

Applications shall be submitted to the Commissioner of Streets and [Electricity] *Sanitation* who shall cause the necessary inspection to be made.

All applications for permits to erect poles in the streets and alleys of the city shall provide that the city may use the poles to be so erected and may attach thereto such necessary cross arms, wires, or other electrical appliances as may be deemed necessary for the electrical service of the city, and no permit shall be issued by the Commissioner of Streets and [Electricity] *Sanitation* for the erection of such poles in which the application and permit does not provide for the privileges required by the city as herein contained.

86-101. All apparatus installed under authority of a permit issued in accordance with this part of this chapter dealing with poles, wires, and conductors shall be inspected by the [Bureau of Electrical Inspection] *Department of Inspectional Services.* The fee for such inspection shall be in conformity with Sections 86-107 to 86-116.

Said fees shall be paid to the Director of Revenue before the Commissioner of Streets and [Electricity] *Sanitation* countersigns any such permit.

86-102....

86-103....

86-104....

86-105. The work of removal and replacement of the pavements in any and all of the public ways and public places in and through which the wires of any company shall be laid, shall be subject to the control and supervision of the Commissioner of Streets and [Electricity] *Sanitation;* excavations in any and all of the unpaved public ways or public places shall also be subject to like control and supervision. The space selected for placing said wires, the same in every case being limited as to direction and general position by the foregoing provisions, shall be of sufficient size to permit the installation of the necessary conductors and equipment.

SECTION 1. That Chapter 120 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

120-3. An application for a wholesale drug, chemical, or paint license shall be made in conformity with the general requirements of this code relating to applications for licenses. The applicant shall also state the location and description of the premises where such wholesale drug, chemical, or paint store is to be conducted or operated.

[The bureau of heating, ventilation, and industrial sanitation] *The Mechanical Equipment Inspection—Ventilation of the Department of Inspectional Services* shall cause an investigation to be made of the premises names and described in such application, for the purpose of determining the fitness and suitability of such premises for such business from a sanitary standpoint, and of determining whether or not the said premises comply with all of the provisions of this code relating to health, safety, and sanitation so as properly to safeguard the lives and health of the employees engaged therein.

The [division marshall] *Director* in charge of the bureau of fire prevention shall investigate the premises named in such application to determine whether the premises comply with the fire regulations of this code applicable thereto.

120-9. [The bureau of heating, ventilation, and industrial sanitation] *The Mechanical Equipment Inspection Section—Ventilation of the Department of Inspectional Services,* in addition to making the initial inspection provided for in this chapter, shall visit or cause to be visited all such places of business as often as it shall deem necessary to see that the provisions of this chapter are complied with, and said [bureau of heating, ventilation and industrial sanitation] *Mechanical Equipment Inspection Section—Ventilation of the Department of Inspectional Services* shall have authority to require that such arrangements be made as may be deemed necessary for the safety and health of the employees, pursuant to the provisions of this code and such laws as may be in force concerning health and sanitary conditions.

It shall be the duty of every person licensed under this chapter to comply with the fire regulations of this code applicable thereto. The [division marshall] *Director* in charge of the bureau of fire prevention shall periodically inspect each such place of business to determine whether the fire regulations of this code applicable thereto are being complied with.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

Chapter 121 Concerning Dry Cleaners and Spotters

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 121 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

121-3. An application for said license shall be made in conformity with the general requirements of this code relating to applications for licenses. A separate application shall be made for each dry cleaning or spotting establishment engaged in by the applicant wherever located within the city.

At the time of filing such application, the applicant shall also file an affidavit specifying the type of cleaning solvent to be used, and stating that no cleaning solvent other than that specified in the affidavit will be employed. If at any time subsequent to the filing of the application and affidavit, the applicant desires to change the type of solvent specified in the affidavit, he may do so only upon the filing of an amendment to his application and affidavit describing the proposed change; provided, that compliance is made with all ordinances relating to the use of such solvent.

Every such application shall be approved by [the commissioner of Buildings] *Commissioner of Inspectional Services* and the division marshal in charge of the bureau of fire prevention as to compliance of the premises named therein with the [building] *inspectional services* provisions and fire regulations of this code, respectively, before a license shall be issued.

[The bureau of heating, ventilation and industrial sanitation] *The Section of Heating, the Section of Mechanical Inspection, and the Section of Industrial Sanitation* shall cause an investigation to be made of the premises named and described in such application for the purpose of determining whether the provisions of this code regulating health, safety and sanitation relating to such establishment have been complied with.

121-13.4. Any person establishing a dry-cleaning establishment of the coin-operated self-service type shall be required to submit to [the commissioner of buildings] *The Commissioner of Inspectional Services* for his approval a complete set of plans and specifications of the building in which any such dry-cleaning establishment is to be located and also a complete diagram of the floor plan of each room to be occupied by such dry-cleaning establishment, correctly showing the arrangement or setting of all machinery and equipment to be installed therein. Each such plan shall be explicit and complete.

121-14. It shall be the duty of the division marshal in charge of the bureau of fire prevention or his duly authorized officers and of [the bureau of heating, ventilation and industrial sanitation] *the Section of Heating, the Section of Mechanical Inspection, and the Section of Industrial Sanitation* and the department of health to inspect each dry cleaning or spotting establishment at least once every six months.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

Chapter 137 Concerning Hospitals.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 137 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

137.2. For the purpose of this chapter there is hereby created a hospital building board, which shall be composed of the president of the board of health, [The Commissioner of Buildings and the division Marshall in Charge of the Bureau of Fire Prevention.] *The Commissioner of The Department of Inspectional Services, and the Director of the Bureau of Fire Prevention.* The hospital building board shall meet upon call of the president of the board of health and shall make such recommendations to the city council as it may deem necessary or expedient for the construction and erection of new hospital building and for changes in building now being used or which may hereafter be used for hospital purposes.

137.18. Every hospital shall at all times be open to inspection by the board of health [and the Commissioner of Buildings] *The Bureau of Fire Prevention and the Plumbing, Ventilation and Electrical Sections of the Department of Inspectional Services*, whenever and as often as they shall deem proper. The dispensing or serving of food in a hospital shall comply with the health and sanitary requirements of chapter 130 of this code and subject to inspection as therein provided.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

Chapter 145 Concerning Laundries and Laundry Vehicles.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 145 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

145-3. An application for said license shall be made in conformity with the general requirements of this code relating to applications for licenses. In addition the applicant shall state the minimum number of persons to be employed therein. [The section of Mechanical Inspection of heating, ventilation, and industrial sanitation] *Mechanical Equipment Inspection Section—Ventilation of the Department of Inspectional Services* shall cause an investigation to be made of premises named and described in such application, for purpose of determing whether the sanitary conditions and other requirements of this chapter are fully complied with.

145-7. No laundry shall be conducted or operated in any room or place in which the clear height between the ceiling and the finished floor is less than ten feet or which not ventilated in accordance with the building provisions of this code. Every room in any laundry (except the room or rooms used for dying purposes) in which the temperature and humidity are such as might endanger the health of persons employed therein shall be provided with a mechanical ventilating system approved by the [bureau of heating, ventilation, and industrial sanitation] *Mechanical Equipment Inspection Section—Ventilation Department of Inspectional Services.*

145-22. It shall be the duty of the [board of health and bureau of heating, ventilation and industrial sanitation] *Mechanical Equipment Inspection Section—Ventilation of the Department of Inspectional Services*, and they are hereby authorized and empowered to inspect, or cause to be inspected from time to time, all premises wherein laundries are conducted, for the purpose of ascertaining whether the provisions of this code and the laws of the state, relative to the keeping and operating of laundries are being complied with, and it shall be their duty to cause all such provisions of this code and laws to be strictly enforced.

145-24.4. Any person establishing a laundry of the coin-operated self-service type shall be required to submit to the [Commissioner of Buildings for his approval] Commissioner of Inspectional Services and the Bureau of Fire Prevention and the *Mechanical Equipment Inspection Section—Ventilation of the Department of Inspectional Services for their approval,* a complete set of plans and specifications and a complete diagram of the floor plan of each room to be occupied by such establishment, showing the arrangement or setting of all machinery and equipment to be installed therein. Each such plan, shall be explicit and complete.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

Chapter 152 Concerning Massage Establishments and Massage Services.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 152 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

152-3. Every applicant for a permit to maintain, operate, or conduct a massage establishment shall file an application in duplicate, under oath, with the City Clerk upon a form provided by the City Clerk, and pay a non-refundable filing fee of $100.00 to the Department of Revenue, who shall issue a receipt which shall be attached to the application filed with the City Clerk. The City Clerk shall, within fifteen days thereafter, refer copies of such application and all additional information to the Board of Health, Fire Department, [Building Department] *Mechanical Equipment Inspection Sections-Ventilation, Plumbing and Electrical Sections of the Department of Inspectional Services, Bureau of Fire Prevention* and the Administrative Official. The City Agencies shall within 45 days, inspect the premises proposed to be operated as a massage establishment, and make recommendations to the Administrative Official concerning compliance with the Codes of the City of Chicago. Upon receipt of the recommendations of the respective City Agencies, the Administrative Official shall notify the applicant as to whether his application has been granted, denied, or held for further investigation. The period of such additional investigation shall not exceed an additional 30 days unless otherwise agreed to by the applicant. The Administrative Official shall advise the applicant in writing as to whether the application has been granted or denied. If the application is denied or held for further investigation, the Administrative Official shall advise the applicant in writing of the reason for such refusal.

152-6. Any license issued for a massage establishment may be revoked or suspended by the Administrative Official after a hearing for a good cause. The Administrative Official shall give to the licensee at least 15 days written notice of the charges and an opportunity for a public hearing before the Administrative Official, at which time the licensee may present evidence bearing upon the question. Cause for revocation or suspension shall include the violation of the provisions of this ordinance or of any criminal statute of the State of Illinois by the applicant, or by any employee of the licensee or any masseuse or masseur employed by the licensee; provided that the violation of this ordinance or any criminal law of the State of Illinois shall not be cause for revocation or suspension unless the licensee shall have had actual or constructive knowledge of such violations in the exercise of due diligence. It shall also be cause for revocation or suspension that the applicant has made a false statement on any application for permit under this ordinance, or in the event that the licensee shall refuse to permit an authorized police officer or authorized member of the Police Department. [Building Department] *Mechanical Equipment Inspection Sections—Ventilation, Plumbing and Electrical Sections of the Department of Inspectional Services, Bureau of Fire Prevention,* Board of Health or of the Fire Department of the City of Chicago to inspect the premises or the operations thereof at reasonable time.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

Chapter 158 Concerning Day Care Centers.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 158 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

158.6. The Director of Revenue upon the receipt of an application for license hereunder shall cause the Board of Health, the Bureau of Fire Prevention and [The Department of Buildings] *The Sections of Mechanical Inspection, Plumbing and Electrical of the Department of Inspectional Services* to make a thorough investigation of the premises and facilities proposed to be licensed. In addition the Director of Revenue shall cause the Public Vehicle Commission to make a thorough investigation of the transportation vehicle proposed to be used for the transportation of the children in the day care center. If provisions prescribed in Chapter 158-11 of the Municipal Code of Chicago are met, the applicant is otherwise qualified, and the above-named departments have submitted their approvals in writing, the Director of Revenue shall issue a license to the applicant to conduct a day care center at the location specified. License shall state the maximum number of children that may be accommodated at any one time.

158.8 The Mayor shall appoint a Hearing Board consisting of the President of the Board of Health, the Fire Commissioner, [The Commissioner of Buildings] *The Director of the Bureau of Fire Prevention, The Director of the Sections of Mechanical Inspection, Plumbing and Electrical of the Department of Inspectional Services,* the Corporation Counsel and the Director of Revenue of a duly qualified employee designated by the head of the department in which said person is employed. Said Board shall pass on applications for license for day care centers or similar units operating under any other name whatsoever with or without stated educational purpose, which have been denied for any of the following reasons:

158.15. Every day care center shall be open at all reasonable times to inspection by the board of health, [The Department of Buildings] *The Bureau of Fire Prevention, The Sections of Plumbing, Ventilation, and Electrical of the Department of Inspectional Services* and the fire department, as often as is deemed necessary.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

Chapter 162 Concerning Plumbers.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The Municipal Code of Chicago, Chapter 162, Sections 4, 5, 9, 10, 11, 12, 13, 14, 15, 16, and 17 are hereby amended by deleting certain language in brackets below and inserting certain language in Italics below, as follows:

162-1. . . .

162-2. . . .

162-3. . . .

162-4. An applicant for a plumber's license shall file his written application in the office of the [Board of examiners of plumber's] *Commissioner Department of Inspectional Services* on the form designated by the [board] *Commissioner* at least 15 days before the date set for the examination.

(2) The [Board] *Commissioner* shall promptly approve the application for examination if:

(a) the required examination fee has been paid and

(b) the applicant has submitted evidence that he is a citizen of the United States or has declared his intention to become a citizen, and

(c) the applicant has been engaged in plumbing as a plumber's apprentice for at least five years preceding the date of his application, including such work as may have been performed prior to July 13, 1953, [the applicant's own affidavit stating the time and place of such work shall be considered sufficient evidence for this subparagraph] or

(d) the applicant has submitted evidence that he has successfully completed an approved course of instruction in plumbing, sanitary engineering or plumbing engineering in a trade school, college or university.

(3) If the application is approved, the [board] *Commissioner* shall promptly notify the applicant in writing of such approval and of the place and time of examination. If the application is disapproved the [Board] *Commissioner* shall promptly notify the applicant in writing of such disapproval, stating the reasons for disapproval, and refund the examination fee if paid by the applicant.

162-5. The [board] *Commissioner* shall issue plumber's certificates to those applicants who pass the examination upon payment to the [board] *Commissioner* of the required license fee. Such license certificates shall be issued in the name of the [board] *Commissioner* with the seal thereof attached.

162-6. . . .

162-7. . . .

162-8. . . .

162-9. The [board] *Commissioner* shall reinstate a license which expires while a licensee is in the active military service of the United States upon application by the former licensee within two years after termination of such military service, payment of the annual license fee and submission of evidence of such military service. Such license shall be reinstated without examination and without payment of the lapsed renewal fee.

162-10. Any person who has been licensed by another state as a master plumber, journeyman plumber, or the equivalent thereof, may apply for a plumber's license under this ordinance. The [board] *Commissioner* shall issue such license, without examination, upon payment of the fee for the license certificate and the annual license fee provided herein if the educational or experience requirements for the issuance of the license by such other state are at least the equivalent of the requirements of this ordinance.

162-11. (1) No license shall be suspended or revoked until after an impartial hearing before the [board] *Commissioner.*

(2) No hearing for the suspension or revocation of any license shall be held until a written complaint is filed with the [board] *Commissioner* stating facts which if proved would constitute grounds for suspension or revocation of a license as provided in this ordinance.

(3) When a written complaint is filed, the [board] *Commissioner* shall set a date for a hearing thereon which shall be held in the City of Chicago. The [board] *Commissioner* shall promptly send to the licensee charged in the complaint by personal delivery or registered mail a correct copy of the complaint and notice when and where a hearing will be held. The licensee shall be given at least 20 days notice of the complaint and date and place of hearing.

(4) At the time and place specified in the notice the [board] *Commissioner* shall conduct a hearing on the complaint. A complaining party by himself or through counsel may aid in the presentation of evidence toward proving the charges alleged in the complaint. The accused may appear and defend, and may be represented by counsel. Full opportunity shall be afforded for hearing all evidence either in support of or against the charges. After completion of the hearing the [board] *Commissioner* shall if the findings are supported by a preponderance of the evidence, enter an order in accordance with such findings that the license of the respondent party be suspended or revoked or that the complaint be dismissed. If the [board] *Commissioner* believes for good cause upon application of respondent licensee that the complaint should again be referred to the [board] *Commissioner* for further hearing it may order a rehearing of the charges before the [board] *Commissioner.* A copy of the [board's] *Commissioner's* order dismissing the complaint or suspending or revoking any license shall be promptly sent to respondent licensee and other parties of record either by personal delivery or any other party to the record shall within 20 days after receipt of the [board's] *Commissioner's* order file a written motion with the [board] *Commissioner* for rehearing, specifying the reasons therefor. The filing of a motion for rehearing shall stay the order pending a final decision. The [board] *Commissioner* shall promptly either deny or allow the motion for rehearing. If allowed there shall be an additional hearing before the [board] *Commissioner* after a notice of 20 days by registered mail or by personal delivery to the licensee and all parties of record. Not more than one rehearing on any complaint shall be granted. The decision of the [board] *Commissioner* shall be final on issues of fact and final in all respects unless an appeal for judicial review is perfected as provided by law.

162-12. (1) The [board] *Commissioner* shall revoke or suspend a license after hearing before the [board]*Commissioner* when the findings show one or more of the following:

(a) That the license obtained or conspired with others to obtain a license by inducing the issuance thereof in consideration of the payment of money or delivery of any other thing of value or by and through a wilful misrepresentation of facts to the board.

(b) That the licensee wilfully violated any plumbing ordinance or resolution of the city of Chicago, or any law of this state regulating plumbing or plumbers.

(c) That the licensee has been guilty of negligence or incompetence in the performance of plumbing.

(d) That the licensee has been convicted of a felony.

(e) That the licensee has wilfully violated any provision of this code.

(f) That the licensee has wilfully loaned or in any manner transferred his license to another person to permit such person to engage illegally in plumbing contrary to this ordinance.

(2) No proceeding to suspend or revoke a license shall be held unless filed with the [board] *Commissioner* within 3 years next after the last date of violation. If a licensee is outside the state of Illinois subsequent to any violation by him as specified in this section, the time or duration of his absence from Illinois shall not be included as a part of such 3 years of limitation.

(3) The [board] *Commissioner* may suspend any license under this section for not less than 30 days or more than one year, but if the board determines that the findings so justify, it may revoke any license. If a license is suspended, the license certificate shall be surrendered to the [board] *Commissioner* but it shall be returned to the licensee upon the termination of the suspension period.

162-13. The [board] *Commissioner* may in its discretion reinstate a plumber's license not less than one year and not more than five years after such license has been revoked. Reinstatement by the [Board] *Commissioner* may be ordered only after a hearing before the [Board] *Commissioner* on the petition of the person whose license has been revoked. Whenever a petition for reinstatement is filed with the [Board] *Commissioner* the [Board] *Commissioner* shall set a hearing and either by personal delivery or registered mail serve a copy of the petition and notice of when and where the hearing will be held on all parties or record when the license in question was revoked. Such notice shall be served at least 20 days before the date set for the hearing. The [Board] *Commissioner* shall hear all material evidence in support of or against the petition and shall promptly allow or deny the petition for reinstatement of the license. The order of the [Board] *Commissioner* shall be served on the petitioner and all parties of record either by personal service or registered mail, sent to their addresses of record. If the petition for reinstatement if denied the petitioner may file his petition for rehearing within 20 days after receipt of the [Board's] *Commissioner's* order, whereupon, the [Board] *Commissioner* will then promptly order either a denial or allowance of the petition for rehearing. If such petition for rehearing is granted the entire record shall be referred to the [Board] *Commissioner* and a hearing held not less than 20 days after notice of the time and place of the rehearing to all parties of record. At the conclusion of such rehearing the [Board] *Commissioner* shall either grant or deny the petition for reinstatement.

No more than one rehearing on the same petition for reinstatement shall be allowed; and not more than one petition for reinstatement of the same license shall be considered or heard within one year. If the petition for reinstatement is granted by the [Board] *Commissioner* [it] *He* shall promptly issue a plumber's license certificate to the petitioner upon payment of the required annual license fee.

162-14. The [Board and each member of the Board] *Commissioner* shall have power to subpoena to any hearing authorized by this ordinance any person in this state to give testimony and evidence either orally or by deposition or both. The [Board and each member of the Board.] *Commissioner* may also issue subpoena duces tecum for production of any books and records and other documents for evidence at any authorized hearing under this ordinance. Witnesses subpoenaed as provided herein shall be paid the same witness fees and mileage as provided for witnesses who are subpoenaed to give testimony in any civil case in a court of record of this state. The [Board and any member of the Board] *Commissioner* is hereby empowered to administer oaths or affirmations to witnesses at any hearing authorized by this ordinance.

162-15. Any circuit or superior court or judge thereof either in term time or vacation upon the application of the [Board] *Commissioners* or any party of record to a hearing authorized by this ordinance may order the attendance of any witness and the production of any books, papers or documents in this state at any hearing authorized by this ordinance for the purpose of giving testimony or evidence. Any court or judge thereof as provided in this section may compel obedience to such order for appearance or production of records by proceedings for contempt.

162-16. The [Board] *Commissioner* at its expense shall provide a stenographer, take testimony and preserve a record of all proceedings at the hearing upon any complaint or petition for reinstatement. The complaint or petition and other documents in the nature of pleadings and motions filed in the case, the transcript of testimony, findings, and orders of the board shall constitute the record. The board shall furnish a transcript of such record to any person upon payment therefor of 75c per page for each original transcript and 25c per page for each carbon copy thereof.

162-1.1. . . .

162-1.2. Any licensed plumber desiring to engage in the business of plumbing contractor shall apply for registration to the [Board of Examiners of Plumbers] *Commissioner, Department of Inspectional Services.* Upon the filing of such application in proper form and the payment of registration fee fixed herein, the [Board of Examiners] *Commissioner, Department of Inspectional Services* of plumbers shall register the applicant as a plumbing contractor and shall issue to the applicant a certificate of registration which will authorize the applicant to engage in such business for the year in which it is issued; providing that such applicant has filed with the city clerk an indemnifying bond as hereinafter set forth. The [Board of Examiner of Plumbers] *Commissioner, Department of Inspectional Services,* shall keep a suitable record of such registration. (Passed. Coun. J. 7-2-53, p. 5157.)

162-1.3. . . .

162-1.4. . . .

162-1.5. . . .

SECTION 2. This ordinance shall be in full force and effect after December 31, 1979.

Chapter 171 Concerning Slaughtering Rendering and Packing Establishments.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 171 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

171-2. An application for said license shall be made in conformity with the general requirements of this code relating to applications for licenses. In such application shall also be described the location at which said business is proposed to be carried on, the plans and specifications of the building or buildings to be maintained and used therefor, the details of construction, devices, and appliances to be employed, and the proposed manner of operation. Such application shall be accompanied by evidence that the applicant, if an individual, or the person or persons in charge of the business, if a corporation, is or are persons of good character and reputation, and are suitable persons to be entrusted with the conduct of such business.

[The board of health and the Bureau of Heating, Ventilation and Industrial Sanitation] *Food and Dairy Inspection Section, and The Mechanical Inspection Section of the Department of Inspectional Services* shall investigate with relation to their respective jurisdiction, each application and the premises for which the license is sought to ascer-

tain whether the health and sanitation provisions of this code applicable thereto have been complied with.

171-20. In all cases where a nuisance shall be found in any building or upon any ground or other premises used for the slaughtering or rendering or for the conduct or operation of any business mentioned in this chapter, twenty-four hours' notice shall be given in writing, signed by the [president of the board of health] *Commissioner of the Department of Inspectional Services*, to the owner or occupant of such building or other premises, where he is known and can be found, to remove such nuisance. In case of this neglect or refusal to abate the same, in accordance with such notice, the [president of the board of health] *Commissioner of the Department of Inspectional Services* is hereby authorized in his discretion to cause the same to be summarily abated in such manner as he may direct, and such person shall be chargeable with the expenses which may be incurred.

SECTION 2. That Chapter 171 of The Municipal Code of Chicago Sections 171-4, 171-7, 171-10, 171-14, 171-16, 171-17 and 171-18 are hereby amended by deleting all reference to the board of health and substituting therefore the Department of Inspectional Services.

SECTION 3. This ordinance shall be in full force and effect on and after January 1, 1980.

Chapter 174 Concerning Stationary Engineers and Boiler Tenders.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The Municipal Code of Chicago, Chapter 174, Sections 3, 4, 5, 8, 9 and 10 are hereby amended by deleting certain language in brackets below and inserting certain language in Italics below, as follows:

174-1. . . .

174-2. . . .

174-3. An application for a license to engage in the business of an engineer or boiler or water tender shall be made on printed forms furnished by the [Board of Examiners of Stationary Engineers] *Commissioner Department of Inspectional Services* and shall set forth the name, age, and citizenship of the applicant, and the extent of his experience.

174-4. An applicant for an engineer's license shall be a machinist or engineer, having at least two years' practice in the management, operation, or construction of steam engines and boilers. An applicant for a boiler or a water tender's license shall be a person who has a thorough knowledge of the construction, management, and operation of steam boilers.

Each engineer and boiler or water tender so to be licensed shall be at least twenty-one years of age and shall be of temperate habits and good character, all of which shall be vouched for in writing by at least two citizens of this city or shall be verified under oath by the applicant when required by the [Board of Examiners] *Commissioner of Department of Inspectional Services.*

174-5. The [Board of Examiners of Stationary Enginers or a majority thereof] *Commissioner of Department of Inspectional Services* shall have power to examine into the qualifications of applicants for licenses as engineers and boiler or water tenders, and grant licenses, provided the superintendent of police has approved the application as to the good character of the applicant.

174-6. . . .

174-7. . . .

174-8. Every certificate of license issued to an engineer or boiler or water tender shall be signed by a majority of the [Board of Examiners] *Commissioner Department of Inspectional Services* sealed with an imprint of the commissioners seal.

174-9. The [Board of Examiners] *Commissioner, Department of Inspectional Services* shall have power to suspend or revoke the license of an engineer or a boiler or water tender for permitting water to get too low in the boiler, for carrying a higher pressure of steam than allowed by law, for an absence from his post of duty, or for any violation of any of the provisions of this chapter, or other neglect or incapacity; provided, however, that no license shall be suspended or revoked without first giving the accused person an opportunity to be heard in his own defense. When the license of an engineer or boiler or water tender shall be revoked for the first offense, no license shall be issued to him for thirty days thereafter; for the second offense, for ninety days; for any offense thereafter, his license shall be permanently revoked.

174-10. It shall be the duty of the [Board of Examiners] *Commissioners, Department of Inspectional Services* to see that each boiler plant in the city shall have a licensed engineer, or boiler or water tender, or both, as provided herein, in charge at all times when working under pressure, whose certificate of qualification shall be displayed in a conspicuous place in the engine or boiler room, and each engineer or boiler or water tender shall devote his entire time, while boilers are working under pressure, to the duties of the plant under his charge.

174-11. . . .

SECTION 2. This ordinance shall be in full force and effect on and from December 31, 1979.

—

Chapter 175 Concerning Steam Boiler Erectors and Repairers.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The Municipal Code of Chicago, Chapter 175, Sections 2, 4 and 5, are hereby amended by deleting certain language in brackets below and inserting certain language in Italics below, in the proper chronological sequence, as follows:

175-2. An application for a license under this chapter shall be made to the [Chief Inspector of Steam Boiler, Unfired Pressure Vessels and Cooling Plants.] *Commissioner of Inspectional Services.*

175-4. If the [Chief Inspector of Steam Boilers and Cooling Plants] *Commissioner of Inspectional Services*, after examination of the applicant, shall be satisfied that such applicant is competent, he shall issue a license to such applicant authorizing him to repair or erect steam boilers, steam kettles, pressure tanks, superheaters, or generators.

175-5. The fee for such examination, including the first years license fee, shall be [Sixty] *One Hundred Dollars*, and thereafter the annual renewal license fee shall be [Thirty] *Fifty Dollars.*

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

—

Chapter 176 Concerning Tanneries and Wool Pulling Establishments.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 176 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

176-2. An application for a license under this chapter shall be made in conformity with the general requirements of this code relating to applications for licenses.

Such application shall be referred to the [Bureau of Heating, Ventilation, and Industrial Sanitation] *Section of Mechanical Inspection of Department of Inspectional Services* which shall ascertain whether the proposed location of such tannery or wool-pulling establishment would be contrary to the provisions of this code or otherwise objectionable as constituting a nuisance or a menace to health.

176-5. Every person engaged in the business of tanning or wool-pulling within the city, or within one mile of the city limits, shall comply with the health, sanitation, and safety provisions of this code applicable to said business, and the [Bureau of Heating, Ventilation, and Industrial Sanitation] *Section of Mechanical Inspection of the Department of Inspectional Services* shall periodically inspect each such place of business to determine whether the said provisions are being complied with.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

—

Chapter 34 Concerning Structures On and Under Public Ways.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 34 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

34-15. Application for such permit shall be made to the Superintendent of Compensation, and shall contain the name and address of the applicant and the proposed location and dimensions of said canopy or marquee.

Plans and specifications of such canopy or marquee and of the part of the building or structure to which it is to be attached shall be filed with the Commissioner of Public Works. Such plans and specifications shall be submitted to the [Commissioner of Buildings] *Commissioner of Inspectional Services* and the Division Marshal in charge of Bureau of Fire Prevention for approval, and no permit shall be issued until such approval is obtained. No alteration or change from plans or specifications on file in the office of the Commissioner of Public Works shall be made without the written consent thereto of the Commissioner of Public Works, the [Commissioner of Buildings] *Commissioner of Inspectional Services,* and said Division Marshal.

No canopy or marquee that has been or may hereafter be authorized by any general or special ordinance, which projects over any public way or other public place, shall be equipped with or have attached thereto any illuminated or other sign, transparency, placard, streamer or other advertising matter or device of any kind. Provided, however, that no permit shall be issued for the erection, construction or maintenance of any such canopy or marquee attached to any building which shall extend over any boulevard, street or other public way taken over from the Chicago Park District by the City of Chicago by virtue of an Act entitled "An Act in relation to an exchange of certain functions, property and personnel among cities and park districts having co-extensive geographic areas and population in excess of 500,000" approved July 5, 1957, effective January 1, 1959; and provided further that the [Commissioner of Buildings] *Commissioner of Inspectional Services* may issue a permit for the construction and temporary use of a canvas canopy or awning for a particular event requiring its use over such boulevards, streets, and public ways.

34-20.1. No awnings shall be erected, constructed or maintained so as to extend over the surface of any public way, until a permit therefor is issued by the [Commissioner of Buildings] *Commissioner of Inspectional Services*. The fee for such permit shall be one dollar.

34-20.2. All such awnings shall have a minimum clearance of 6 ft. 6 in. at the lowest part thereof above the surface of the sidewalk. Supporting framework shall not be less than seven feet six inches from the sidewalk to the lowest part thereof when lowered for use. All structural parts of awnings shall be maintained in good and safe condition as is required by the [Commissioner of Buildings] *Commissioner of Inspectional Services,* and if not so maintained the permit may be revoked by said Commissioner.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

Chapter 37 Concerning Parks, Playgrounds and Airports.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 37 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

37.20. Each application and all information required to be furnished in connection therewith, or a copy thereof, shall be referred to the [Commissioner of Buildings] *Commissioner of Inspectional Services,* the Commissioner of Aviation and the Fire Commissioner. Each officer shall certify to the Mayor whether or not the proposed heliport complies with the applicable provisions of Law and Ordinance relating thereto. No license shall be issued without approval by the Mayor. (Added. Coun. J. 7-13-62, p. 7498.)

37.25. The [Commissioner of Buildings] *Commissioner of Inspectional Services,* the Commissioner of Aviation and the Fire Commissioner shall have the authority to make periodic inspections of heliports to see that all pertinent requirements of license are met and complied with. (Added. Coun. J. 7-13-62, p. 7498.)

37.26. The Commissioner of Aviation, the Fire Commissioner, and the [Commissioner of Buildings] *Commissioner of Inspectional Services* for proper administration and enforcement of this ordinance, may make such regulations pertaining hereto as may from time to time be deemed necessary or desirable and such regulations shall be available for public examination. (Added. Coun. J. 7-13-62, p. 7498.)

37.27. The Mayor may, upon recommendation of the Commissioner of Aviation, the [Commissioner of Buildings] *Commissioner of Inspectional Services* and the Bureau of Fire Prevention, or the Fire Commissioner, revoke any license issued herein if, after investigation, it is determined that alteration of the physical profile of the area surrounding a heliport renders its continued operation unsafe, or for the violation of any provision of law thereto pertaining. (Added. Coun. J. 7-13-62, p. 7498.)

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

Chapter 39 Concerning Enforcement of Building Regulations.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 39 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

39-10. Upon a report to the Mayor by the [Commissioner of Buildings] *Commissioner of Inspectional Services,* President of the Board of Health, the Fire Commissioner or the Commissioner of Police, or any other appropriate official that any

business for which a license is required by any provision of this Code is being conducted on premises wherein any requirement of the provisions of this Code enumerated in section 39-1 of this chapter, or any proper order given by any such official in regard thereto, has been violated, or not complied with, the Mayor may revoke the license of any such business and cause such business to be closed.

39-11. The [Commissioner of Buildings] *Commissioner of Inspectional Services,* the President of the Board of Health, the Fire Commissioner, and the Commissioner of Police, or any one of them, shall have the power, and it shall be their joint and several duty, to order any building or premises closed, or any structure or equipment thereof removed or its operation stopped, where it is discovered that there is any violation of any of the provisions of this Code enumerated in section 39-1 of this chapter which imperils life, safety or health, and to keep same closed, removed, or shut down until such provisions are complied with.

39-12. If any building shall be found in a dangerous and unsafe condition or uncompleted and abandoned, the [Commissioner of Buildings] *Commissioner of Inspectional Services* or the Fire Commissioner shall notify in writing the owner or owners thereof, directing said owner or owners to put such building in a safe condition or to demolish it. Where, upon diligent search the identity or whereabouts of the owner or owners of any such building shall not be ascertainable such notice shall be mailed to the person or persons in whose name such real estate was last assessed. If, after 30 days subsequent to the giving of such notice, said owner or owners fail to put such building in a safe condition or to demolish it, the [Commissioner of Buildings] *Commissioner of Inspectional Services* or Fire Commissioner may notify the Department of Law and recommend initiation of proceedings in accordance with this section, and upon receipt of such notification and recommendation, the Corporation Counsel is hereby authorized to apply to the Circuit Court of Cook County for an order authorizing the city to demolish, repair or enclose or to cause the demolition, repair or enclosure of said building.

The cost of such demolition, repair or enclosure shall be recoverable from the owner or owners of such real estate, and shall be a lien thereon as provided by law, provided that within 60 days after said cost and expense is incurred the city, or the person performing the service by authority of the city, shall file notice of lien as provided by law.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

Chapter 40 Concerning Frontage Consents

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 40 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

40-2. Whenever frontage consents are required to the construction of a building or for any occupation for which a building is about to be constructed or altered, under any section of this Code, such frontage consents shall be presented to the [Commissioner of Buildings] *Commissioner of Inspectional Services* before the issuance of a permit for the erection or alteration of a building for such purposes, unless otherwise expressly provided.

40-3. No permit shall be issued for the construction or remodeling of any building in any block in which the use of buildings is restricted or regulated by the provisions of this Code if such building is designed to be used for conducting therein any business or store, without first requiring the applicant for such permit to file with the [Commissioner of Buildings] *Commissioner of Inspectional Services* a plat showing the use to which all the property in such block is devoted.

40-4. In all cases where an application for a permit is made for the construction of a new building in any square in which a majority of the buildings are used exclusively for residence purposes, or in a square on the opposite side of the street from such square so used for residential purposes, if there shall be filed with the [Commissioner of Buildings] *Commissioner of Inspectional Services* a protest signed by not less than ten owners of property in such square so used for residential purposes, or in case the ownership of the frontage is in less than twenty persons then if signed by a majority of the owners according to frontage, the [Commissioner of Buildings] *Commissioner of Inspectional Services* shall withhold the issuance of the permit until the City Council shall have ordered a public hearing similar to that required in an act of the General Assembly entitled "An Act to confer certain additional powers upon City Councils in cities and presidents and boards of trustees and villages and incorporated towns concerning buildings and structures, the intensity of use of lot areas, the classification of trades, industries, buildings and structures with respect to location and regulations, the creation of districts of different classes, and the establishment of regulations and restrictions applicable thereto," in force June 28, 1921, as amended. For the purposes of this section a square shall be understood to be a plot of ground containing city lots surrounded by public ways, railway rights of way, natural boundaries, or public places.

40-19. No person shall erect or construct any billboard or signboard in any block on any public street in which one-half of the building on both sides of the street are used exclusively for residence purposes without first obtaining the consent in writing of the owners or duly authorized agents of said owners owning a majority of the frontage of the property on both sides of the street in the block in which such billboard or signboard is to be erected or constructed. Such written consents shall be filed with the [Commissioner of Buildings] *Commissioner of Inspectional Services* before a permit shall be issued for the erection or construction of such billboard or signboard.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

Chapter 41 Concerning Administration of Zoning, Building and Housing Provisions

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 41 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

41-1. The [Commissioner of Buildings] *Commissioner of Inspectional Services* shall institute such measures and prescribe such rules and regulations for the control and guidance of his subordinate officers and employes as shall secure the careful inspection of all zoning uses and all buildings, structures and mechanical installations which a permit is required, while in the process of construction, erection, repair, demolition or removal and the strict enforcement of several provisions of this code, relating to existing buildings and premises.

It shall be the duty of the [Commissioner of Buildings] *Commissioner of Inspectional Services*

to administer and enforce the provisions of this code that relate to zoning uses of property and to the erection, construction, alteration, repair, demolition or removal and safety of buildings and structures and their related mechanical installations, and the use of buildings and premises with the exception of those provisions which by their terms are to be under the direct and immediate supervision of the Board of Health or the Bureau of Fire Prevention, or of such other department, or offices of the city designated by such code provisions.

41-2. In all cases where any action is taken by the [Commissioner of Buildings] *Commissioner of Inspectional Services* to enforce the provisions of this code, whether such action is taken in pursuance of the express provisions of a particular section or in a case where discretionary power is given by this code to the [Commissioner of Buildings] *Commissioner of Inspectional Services*, such acts shall be done in the name of and on behalf of the city and the said [Commissioner of Buildings] *Commissioner of Inspectional Services* in so acting for the city shall not render himself liable personally, and he is hereby relieved from all personal liability from any damage that may accrue to persons or property as a result of any such act committed in good faith in the discharge of his duties, and any suit brought against said [Commissioner of Buildings] *Commissioner of Inspectional Services* by reason thereof shall be defended by the Corporation Counsel until the final termination of the proceedings therein. The [Commissioner of Buildings] *Commissioner of Inspectional Services* shall be saved harmless from all cost or fees arising from such legal action.

41-3. The [Commissioner of Buildings] *Commissioner of Inspectional Services* may adopt rules not inconsistent with the building, plumbing and ventilation provisions of this code with reference to materials and workmanship in construction, repair, equipment or maintenance of buildings, structures or premises except when the administration of any chapter or section is specifically placed in another official or department. Said rules shall be published and shall be kept always on file in the office of the [Commissioner of Buildings] *Commissioner of Inspectional Services* and copies of all such rules shall be transmitted to the City Council at the first regular meeting held after the adoption of same.

41-4. In case of any conflict between the provisions of the various chapters administered or enforced by the [Commissioner of Buildings,] *Commissioner of Inspectional Services*, the stricter provisions shall govern.

41-5. Whenever the [Commissioner of Buildings] *Commissioner of Inspectional Services* shall refuse to approve an application for a permit or a license because of a violation of the zoning provisions of this code, the said Commissioner shall issue upon request a written refusal to approve such application. Upon receipt of such a refusal, the said applicant may file an application for an appeal from the decision of the said Commissioner as provided by law.

41-6. It shall be the duty of the [Commissioner of Buildings] *Commissioner of Inspectional Services* to cause an investigation to be made of all complaints made to the department which come within its jurisdiction. A record of such investigation shall be kept on file together with the reports and findings signed by the inspector or inspectors.

41-7. When such investigation or investigations whether upon complaint or otherwise, shall disclose violation or violations of zoning provisions or of Chapters 39 to 92 inclusive, or Chapters 96, 99, 125, 129 and 129.1 of this Code do, in fact, exist and are likely to endanger life and safety in cases of fire, panic or other accident or endanger or impair the health of any occupants of any building, structure or place covered by the regulations of this Code, the [Commissioner of Buildings] *Commissioner of Inspectional Services* shall give notice in writing to the owner, occupant, lessee or person in possession, charge or control of such building, structure, premises or place to make such changes, alterations or repairs or to perform such work, or to take such actions as the provisions of the Code, or the safety or health of any person, in or about such building, structure, premises or place, may require within such time as shall be designated by the [Commissioner of Buildings] *Commissioner of Inspectional Services*, which shall in no event exceed fifteen days after the service of such notice.

In case the changes, alterations, repairs or requirements ordered by the notice of the [Commissioner of Buildings] *Commissioner of Inspectional Services* are not made or performed to the satisfaction of the [Commissioner of Buildings] *Commissioner of Inspectional Services* within the time specified in said notice, he shall make returns of such violations of this Code, or of any default of such notice, to the Corporation Counsel for prosecution.

The records of such investigations, including inspections of said building, structure, premises and contents thereof, shall be preserved as public records and shall be admitted in the trial of said cause as prima facie evidence as to the contents thereof.

Whenever an investigation or inspection, whether upon complaint or otherwise, or in conformance with the provisions of Chapter 46 of this code, show any building, structure or premises to be either in compliance with or in violation of the requirements of this code with respect to stairways, means of egress and all other respects, upon request of the owner or his agent, it shall be the duty of the [Commissioner of Buildings] *Commissioner of Inspectional Services* to issue or cause to be issued to the owner or his agent, after a complete and diligent examination of the public records preserved and kept on file together with the reports and findings signed by the inspector or inspectors a certificate setting forth the result of such investigation or inspection, containing the date thereof, and a statement to the effect that such building, structure or premises either complies in all respects with or is in violation of the building provisions of this code in the respects enumerated, such certificate to be a report of the information contained in the records of the [Department of Buildings] *Department of Inspectional Services* and not a finding, estoppel, or legal determination.

The fee for said certificate shall be payable to the Director of Revenue and shall be computed as follows:

(a) Twenty-five dollars ($25.00) for one dwelling unit and ten dollars ($10.00) for each additional dwelling unit.

(b) Twenty-five dollars ($25.00) for inspection by additional bureaus of the [Building Department] *Department of Inspectional Services* as requested by the owner or his agent.

41-8. Whenever an open excavation exists which constitutes a danger to the public by reason of its depth or proximity to public ways or walks, the [Commissioner of Buildings] *Commissioner of Inspectional Services* shall have power to order in writing the owner to fill such open excavation with solid dry fill only, or to fence such open excavation adequately, setting forth in said order a period of thirty days for compliance therewith. Any owner who fails to comply with said order shall be fined not less than ten dollars and not more than two hundred dollars for each day said order is not complied with after the expiration of the thirty days specified therein.

41-9. Whenever a building or structure or part thereof shall have been damaged by fire, deteriorated or other cause, or shows clear evidence of structural failures and where it constitutes an actual and imminent danger to the public, the [Commissioner of Buildings] *Commissioner of Inspectional Services* shall have the power to order said building, structure of part thereof vacated and closed and to order any licensed and bonded wrecking contractor forthwith to remove said building or structure or part thereof. When the [Commissioner of Buildings] *Commissioner of Inspectional Services* has ordered a building, structure or part thereof vacated and closed as provided in the first paragraph of the section or if the provisions of notice to the owner or owners as provided in Section 39-12 of this code have been complied with, the [Commissioner of Buildings] *Commissioner of Inspectional Services* may post or cause to be posted in a conspicuous place near each entrance to the building or structure in letters not less than two inches high, a notice substantially as follows:

"This Building Is In Dangerous Condition and Its Use or Occupancy Has Been Prohibited By the [Commissioner of Buildings] *Commissioner of Inspectional Services*".

Whenever any building, structure or part thereof shall have been vacated and shall have been posted with a sign as hereinbefore specified it shall be unlawful for any person to enter such building except for the express purpose of wrecking or removing or repairing the building shall be fined not less than twenty-five and no/100 dollars ($25.00) and not more than one hundred and no/100 dollars ($100.00) for such offense.

41-10. It shall be unlawful for any person to remove, cover or obliterate any notice or notices lawfully posted by the [Commissioner of Buildings] *Commissioner of Inspectional Services.*

41-11. Whenever any work such as wrecking, razing, tearing down, shoring or underpinning, cleaning up, filling, barracading or fencing shall have been done at city expense either by direct order of the [Commissioner of Buildings] *Commissioner of Inspectional Services* or under contract negotiated by the department of purchases, contracts and supplies, the commissioner shall cause a warrant for collection to be issued to the owner of record. No permits shall be issued for any work for which permit is required nor shall any license be approved for any such premises for which any such charge shall remain unpaid.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

Chapter 41.1 Concerning Building Standards and Tests

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 41.1 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

41.1. For the purpose of insuring public safety and for the purposes ascertaining the suitability of materials, methods, or systems of construction, or arrangements of materials, not permitted by, or varying from, the performance requirements established by the building provisions of this code but which are claimed to be equally as good as or superior to those permitted thereunder, the Mayor shall appoint a Committee on Standards and Tests consisting of ten members, of which committee one member shall be the [Commissioner of Buildings] *Commissioner of Inspectional Services,* who shall be its chairman, one member shall be the chairman of the City Council Committee on Buildings and Zoning, one member shall be the Chief Fire Prevention Engineer and seven other members, three of whom shall be architects, two members shall be structural engineers and two members shall be mechanical engineers, all of whom shall be licensed by the State, and each shall have been a resident of the city for a period of one year preceeding the date of appointment.

41.1-2. Any person desiring to submit any building materials, methods or systems of construction, or arrangements of material not provided for in the building provisions of this code and which have not been previously approved for use by the [Commissioner of Buildings] *Commissioner of Inspectional Services* or certified by the committee on standards and tests, for determining the adaptability or safety of such materials, methods, systems, or arrangements for building purposes, or to (be) establish the safety qualifications of any substance for occupancy purposes, shall make application in writing to the [Commissioner of Buildings] *Commissioner of Inspectional Services* setting forth the merits claimed, and the purpose desired, together with such laboratory tests and other supporting data as the applicant may wish to furnish. If, in the judgment of the [Building Commissioner] *Inspectional Services Commissioner,* further evidence is necessary of the adaptability or safety of such materials, methods, systems, arrangements, or safety qualifications, he may require further tests to be made or additional data to be submitted by the applicant.

The fee for such application shall be One Hundred dollars ($100.00) payable to the Director of Revenue of which fee fifty per cent shall be refunded to the applicant only in the event said application shall be disapproved.

41.1-3. Upon the completion of his investigation of the tests and data submitted, the [Commissioner of Buildings] *Commissioner of Inspectional Services* shall report to the Committee on Standards and Tests the results of such investigation and recommend whether or not the use of such materials, methods, systems or arrangement of materials for construction should be permitted in buildings erected under the provisions of this code. Such recommendation shall be in writing and shall set forth the reasons relied upon in making such recommendation.

41.1-4. If, on consideration of the report and recommendation of the [Commissioner of Buildings] *Commissioner of Inspectional Services,* and on the basis of such further investigation as it may deem necessary, the majority of all the members of Committee on Standards and Tests shall determine that such materials, methods, systems or arrangements of materials for construction are satisfactory for use in buildings constructed under this code, it shall certify this fact to the [Commissioner of Buildings] *Commissioner of Inspectional Services,* who shall record such certification in the records of the [Department of Buildings] *Department of Inspectional Services.* The committee may, in its judgment, also submit such recommendations as it deems necessary to the City Council.

In addition the Committee on Standards, upon the request of the [Commissioner of Buildings] *Commissioner of Inspectional Services,* is empowered and authorized to make such other analysis of recommendations of combinations of materials of standard practice in the building industry, and of mechanical equipment, devices and appurtenances relative to building construction and maintenance, and the procedure, testing and regulations as otherwise outlined in this chapter shall apply.

41.1-5. Wherever in the building provisions of this code materials used in construction, methods of installation, fire tests of materials, or other building operations are required to conform to or be at least equal to the standard specifications of materials or of practice, standard tests of materials, fire tests of construction or of materials, or any other standard specification requirement recognized and accepted by a federal or nationally recognized technical organization, or national board of fire underwriters, and the specifications or test of the bureau or society has been identified in the building provisions of this code by the designation of the said bureau or society and the date of its publication, the said documents, or so much of them as are adopted by the building provisions of this code, are hereby declared to be a part of the building provisions of this code the same as if the specifications, regulations or tests were herein fully set out; and it is further provided that authenticated copies of said documents shall be kept on file in the offices of the City Clerk and the [Commissioner of Buildings] *Commissioner of Inspectional Services.*

41.1-6. All building materials shall be of a quality to meet the intent of the building provisions of this code, and shall conform to requirements promulgated as rules by the [Commissioner of Buildings] *Commissioner of Inspectional Services* in accordance with the powers delegated to him by this code.

Except as hereinafter specified for particular materials every material permitted to be used in buildings or structures in the city shall meet the standards performance specifications for that material as prepared by the American Society for Testing Materials and as adopted by that Society in 1958. Where such standards require acceptance tests for the determination of the performance and properties of material, proper evidence of the making of such acceptance tests shall be submitted to the [Commissioner of Buildings] *Commissioner of Inspectional Services* upon request from him. Where in this code some other standard of performance is set up for any particular type of construction, the same shall take precedence over the said standard of the American Society for Testing Materials, but any standard requirements of the American Society for Testing Materials not in conflict with the same shall remain in full force and effect.

41.1-7. Workmanship in the fabrication, preparation, and installation of building materials shall meet the intent of the building provisions of this code, and shall conform to generally accepted standard practice or performance requirements promulgated as rules by the [Commissioner of Buildings] *Commissioner of Inspectional Services* in accordance with the powers delegated to him by this code.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

Chapter 42 Concerning Registration for Building Work

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 42 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

42-1. Every person, firm or corporation engaged in the business of constructing, altering repairing, removing, or demolishing the whole or any part of buildings or structures, or the appurtenances thereto in the city, shall before undertaking the erection, enlargement, alteration, repair, removal or demolition of any building or structure, for which permits are required by this code, register the name and address of such person, firm or corporation in a book kept by the [Commissioner of Buildings] *Commissioner of Inspectional Services* and used for this purpose. In the case of a firm or corporation the names or each individual comprising the firm and the names of each officer of a corporation alteration, repair, removal or demolition of any building or structure unless the name and address of the person that is about to undertake such work is contained in the registration book kept for that purpose.

42-5. If any person registered as provided by this chapter, shall fail in the execution of any work for which a permit was issued, to comply with the provisions of this code relative to the erection, enlargement, alteration, repair, removal or demolition of any building, or part thereof, either the [Commissioner of Buildings] *Commissioner of Inspectional Services* or the President of the Board of Health may bring suit and prosecute such person for such failure or violation, and in case of conviction, his name shall be stricken from the said registration book and shall not be re-entered or reinstated during such time as any violation exists or any judgment remains unsatisfied with regard to said conviction.

42-6. Any person that shall have been convicted under the preceding section and shall have had his name stricken from such registration book may have such name re-entered therein on filing with the [Commissioner of Buildings] *Commissioner of Inspectional Services* a certificate signed by the Corporation Counsel, the [Commissioner of Buildings] *Comissioner of Inspectional Services* and the President of the Board of Health to the effect that all violations of ordinances with reference to which conviction was secured have been corrected or are non-existent and that all claims and judgments arising from such convictions have been paid.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

Up to 150 square feet	[9.50]	*11.00*
151 to 225 square feet	[15.50]	*19.00*
226 to 375 square feet	[24.00]	*29.00*
For each additional 375 square feet or fractional part thereof	[24.00]	*29.00*

provided, however, . . .

SECTION 2. Chapter 43, Section 43-33 of the Municipal Code of Chicago, is hereby amended by deleting therefrom the language contained in brackets below and by adding thereto the language in Italics below, as follows:

43-33. Fees for the approval of floor load placards required by Chapter 68 shall be charged as follows: Twenty-four dollars for each ten thousand square feet of floor area, or less, for more than ten thousand square feet of floor area and not to exceed fifty thousand square feet of floor area, thirty-seven dollars; for each additional fifty thousand square feet of floor area in excess of the first fifty thousand square feet of floor area, thirty-seven dollars additional, and for issuing new placards in place of lost placards, the fee shall be: for ten thousand square feet or less [twelve] *fifteen* dollars; for more than ten thousand square feet, [nineteen] *twenty* dollars. For the purpose of determining the amount of the fee herein required to be paid, every part of a structure separated by dividing walls as required by Chapter 51 shall be considered as a separate building.

SECTION 3. Chapter 43, Section 43-34 of the Municipal Code of the City of Chicago, is hereby amended by deleting therefrom the language contained in brackets below and by adding thereto the language in Italics below, as follows:

43-34. The fee of [thirty-seven] *forty-one* dollars shall be paid to the Director of Revenue for the approval of plans, and inspection and test, of any plumbing within any building containing not more than five plumbing fixtures. An additional fee of [six] *seven* dollars shall be paid for every plumbing fixture in excess of five within such building.

SECTION 4. This ordinance shall be in full force and effect from and after January 1, 1980.

Chapter 45 Concerning Building Plans

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 45 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

45-1. All plans and drawings for buildings or for structures other than buildings shall be presented to the [Commissioner of Buildings] *Commissioner of Inspectional Services* for his approval, and each set of plans presented, shall be approved by the [Commissioner of Buildings] *Commissioner of Inspectional Services* before a permit will be granted. All such plans and drawings shall be drawn to a scale of not less than one-eighth of an inch to the foot, on paper or cloth, in ink, or by some process that will not fade or obliterate. All distances and dimensions shall be accurately figured, and drawings made explicit and complete, showing the lot lines and the entire sewerage and drain pipes and the location of all plumbing fixtures within such building or structure.

45-3. It shall be unlawful for any architect or structural engineer or professional engineer or other person permitted under the laws of the State to make drawings and plans, to prepare or submit to the [Commissioner of Buildings] *Commissioner of Inspectional Services,* for his approval, any final drawings or plans for any building or structure, which do not comply with the requirements in the building provisions of this code. It shall be the duty of the [Commissioner of Buildings] *Commissioner of Inspectional Services* to require that all drawings and plans submitted to him for approval, for any building or structure, shall be accompanied by a certificate of such architect or structural engineer or professional engineer preparing such drawings and plans, that said drawings and plans comply with the requirements in the building provisions of this code.

45-4. The [Commissioner of Buildings] *Commissioner of Inspectional Services* may, in his discretion, issue a permit for the construction of a building or structure, or part thereof, upon the approval of preliminary drawings and plans, a true copy of which shall be filed with the [Commissioner of Buildings] *Commissioner of Inspectional Services,*

and before the entire working drawings and plans and detailed statements of said building have been completed and submitted for approval, if such preliminary drawings and plans and detailed statements shall be of sufficient clarity to indicate the nature and character of the work proposed and to show their compliance with the building provisions of this code; provided, however, that the complete working drawings and plans shall be submitted to the [Commissioner of Buildings] *Commissioner of Inspectional Services* before construction is permitted. The [Commissioner of Buildings] *Commissioner of Inspectional Services* shall check the completed drawings and plans and if approved shall stamp his official approval thereon as provided by Section 43-7.

45-6. The [Commissioner of Buildings] *Commissioner of Inspectional Services* shall not issue any permit authorizing the construction, erection, repair, or alteration of any building or structure unless the drawings and plans submitted for his approval clearly show that such building or structure with all its appurtenances, foundations, and parts can be erected entirely within the limits of the lot or tract of land upon which it is proposed to erect such building or structure, except as otherwise provided by this code, and no permit to erect, repair, or alter any building or structure shall authorize the use of, or encroachment upon, any part of any public way or public place for the construction of, or maintenance of, such building or structure, except as hereinafter provided, and except as otherwise provided by this code; nor shall any permit be issued for the construction or maintenance of any balcony or canopy extending over any public way or public place unless permits therefor have been obtained from the department of public works pursuant to a special ordinance specifically authorizing the same. The drawings and plans of every building or structure which show that any part of said building or structure, or any of its appurtenances, or attachments thereto, extend over any part of any public way or public place than as hereinafter provided shall, previous to being submitted to the [Commissioner of Buildings] *Commissioner of Inspectional Services,* be submitted to the Commissioner of Public Works and notice thereby given to him of the proposed encroachment upon any public way or public place. Proof of such notice to the Commissioner of Public Works shall accompany drawings and plans when the same are presented to the [Commissioner of Buildings] *Commissioner of Inspectional Services.*

45-7. When the plans for new buildings or structures involve foundations, piles, piers, or footings extending lower than twenty-five feet below city datum, the plans for such foundations shall be submitted to the City Engineer for advice as to the presence or proximity of any public utility. Whenever application is made for a permit to erect any building or structure with a foundation, or part thereof, designed to extend to a depth of forty feet, or more, below city datum, the plans of said building or structure shall be submitted to the City Engineer and his approval secured before a permit is issued by the [Commissioner of Buildings] *Commissioner of Inspectional Services* for the erection of such building or structure.

45-9. True copies of the drawings and plans bearing the approval stamp of the [Commissioner of Buildings] *Commissioner of Inspectional Services* shall be filed with the [Department of Buildings] *Department of Inspectional Services* and shall remain on file in that office for a period of six months after the occupation of such building, after which upon demand, such drawings and plans shall be returned by the [Commissioner of Buildings] *Commissioner of Inspectional Services* to the person by whom they have been deposited. It shall not be obligatory upon the [Commissioner of Buildings] *Commissioner of Inspectional Services* to retain such drawings and plans in his custody for more than six months after the occupation of the building to which they relate.

45-11. It shall be unlawful to erase, alter, or modify any lines, figures, or coloring contained upon drawings or plans bearing the approval stamp of the [Commissioner of Buildings] *Commissioner of Inspectional Services* or filed with him for reference. If during the progress of the execution of such work, it is desired to deviate in any manner effecting the construction or other essentials of the building from the terms of the application or drawing, notice of such intention to alter or deviate shall be given to the [Commissioner of Buildings] *Commissioner of Inspectional Services* and an amended plan, showing such alteration or deviation shall be submitted for his approval, and his written assent shall first be obtained before such alteration or deviation shall be made.

45-12. At the time of applying for a permit for the erection of, alteration of, addition to, or moving of any building or structure, the applicant shall submit to the [Commissioner of Buildings] *Commissioner of Inspectional Services* a plat of the lot, showing the dimensions of the same and the position to be occupied by the proposed buildings, or by the building to be altered or added to, or by the buildings to be moved thereon, and the position of any other buildings that may be on the lot. The measurements shall in all cases be taken at the top of the first story and shall not include any portion of any public way or public place. Each application for a building permit shall be accompanied by a plat in duplicate, drawn to scale and in such form as may be prescribed by the [Commissioner of Buildings] *Commissioner of Inspectional Services,* showing the actual dimensions of the lot to be built upon, the size of the building to be erected, its position on the lot, and such other information as may be necessary to provide for the enforcement of the regulations contained in the building provisions of this code. A careful record of such applications and plats shall be kept in the office of the [Commissioner of Buildings] *Commissioner of Inspectional Services.*

45-13. No permit for a fire escape stairway shall be granted unless a detailed plan for such fire escape stairway approved by an architect or a structural engineer shall be submitted to the [Commissioner of Buildings] *Commissioner of Inspectional Services,* and a copy of such plans shall be filed with said commissioner. No change in the position or the removal of any existing fire escape or stairway shall be made, nor shall any change in the position of any stairway or fire escape be permitted unless the written consent of the [Commissioner of Buildings] *Commissioner of Inspectional Services* shall be first obtained.

45-14. Every application for a permit to install a tank or tanks for flammable liquids shall be made to the [Commissioner of Buildings] *Commissioner of Inspectional Services* and shall be accompanied by a plat of survey showing the location and dimensions of all the property coming within the frontage area, the name and address of the owner, or owners of each parcel of ground coming within such area, including the filling station site, and the total frontage in feet, with the consents of the required majority of such frontage.

45-15. Every application for a permit to construct, replace, or install any warm air heating furnace shall be made to the [Commissioner of Buildings] *Commissioner of Inspectional Services,* and shall be accompanied by drawings or plans, and such specifications or statements as shall be required to show all details of construction and mechanical devices for approval of the [Commissioner of Buildings] *Commissioner of Inspectional Services* before the issuance of such permit.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

—

Chapter 50 Concerning Fire Limits—
Locations Limitation

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 50 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

50-13.(b) Temporary platforms, reviewing stands, builders shanties and similar miscellaneous structures erected for a limited period of time as approved by the [Commissioner of Buildings] *Commissioner of Inspectional Services.*

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

—

Chapter 59 Concerning Storage Units.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 59 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

59-3.3(c) When garage is located in an Institutional use the four-hour fire resistive unpierced separation shall be protected with car stops approved by the [Commissioner of Buildings] *Commissioner of Inspectional Services.*

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

—

Chapter 62.1 Concerning High Rise Buildings Institutions and Assembly.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 62-1 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

62-1.6(d) Mechanical systems are to be designed to maintain a positive differential pressure from the non-fire side compartment as approved by the [Building] *Department of Inspectional Services* and Fire Department(s). Controls are to be operated by approved products combustion detectors.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

—

Chapter 62 Concerning Fire-Resistive Requirements.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 62 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

62-7.4 Exception: Pre-ordinance porches (erected prior to January 20, 1950) not exceeding four (4) stories height and erected less than six (6) feet from interior lot line may be replaced with respect to height, size and location, subject to approval of the [Commissioner of Buildings] *Commissioner of Inspectional Services.*

62-11.1(a) Sashes and frames of skylights which are inclined more than thirty degrees from the vertical shall be constructed of non-combustible materials, except, as provided by the [Commissioner of Buildings] *Commissioner of Inspectional Services* in buildings where acid fumes deleterious to metal are incidental to the use of the building.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

—

Chapter 63 Concerning Chimneys, Flues and Vents.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 63 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

63-1.4. The [Commissioner of Buildings] *Commissioner of Inspectional Services* may require tests of all chimneys, smoke-stacks, smoke pipes, and flues to insure gas, smoke and flame tightness.

63-9.(a) Chimneys shall be so designed and protected as to prevent a temperature rise under the conditions of their use of more than 160 degrees Fahrenheit above room temperature on the exterior surface. Chimneys shall be approved only when the fire resistance, insulation, durabiilty and other necessary qualities of the assembly have been determined by tests satisfactory to the [Commissioner of Buildings] *Commissioner of Inspectional Services.*

63-11.2(a)(3) Boilers and furnaces, except where specific approval is obtained from the [Commissioner of Buildings] *Commissioner of Inspectional Services* for the use of vent piping.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

—

Chapter 65 Concerning Fire Resistive Materials and Construction.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 65 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

65-7.1 Class A Roof Coverings shall be of material approved by the [Commissioner of Buildings] *Commissioner of Inspectional Services* after satisfactory evidence that it is effective against severe fire exposures. Under such exposure, Class A roof coverings shall not be readily flammable; shall not carry or communicate fires; shall afford a fairly high degree of heat insulation to the roof deck; shall not slip from position; shall possess nonflying brand hazard; and shall not require frequent repairs in order to maintain their fire-resistive properties.

65-7.2 Class B Roof Coverings shall be of fire-resistive material approved by the [Commissioner of Buildings] *Commissioner of Inspectional Services,* after satisfactory evidence that it is effective against moderate fire exposures. Under such exposures, Class B Roof coverings shall not be readily flammable; shall not readily carry or communicate fire; shall afford a moderate degree of heat insulation to the roof deck; shall not slip from position; shall possess no flying brand hazard; and shall require only infrequent repairs to maintain their fire-resistive properties.

65-7.3. Class C Roof Coverings shall be of material approved by the [Commissioner of Buildings] *Commissioner of Inspectional Services* after satisfactory evidence that it is effective against light fire exposures. Under such exposures, Class C Roof coverings shall not be readily flammable; shall not readily carry or communicate fire; shall afford at least a slight degree of heat insulation to the roof deck; shall not slip from position and shall possess no flying brand hazard; but may require occasional repairs or renewals in order to maintain their fire-resistive properties.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

—

Chapter 67 Concerning Exit Requirements.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 67 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

67-16. Fire escapes, when permitted, shall comply with the provisions of Section 67-16.1 and 67-16.2.

Fire escapes shall not be permitted except where such exits now serve existing buildings and except as approved by the [Commissioner of Buildings] *Commissioner of Inspectional Services* for existing buildings where additional exits are necessary and conditions do not permit the use of more adequate exit facilities.

67-16.2. Other means of fire escape exit, including ladders or other devices, shall comply with such requirements as the [Commissioner of Buildings] *Commissioner of Inspectional Services* shall prescribe. All metal structural members shall be adequately protected against corrosion and shall be scraped and painted at least once every three years.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

—

Chapter 68 Concerning Minimum Design Loads.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 68 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

68-2.8.(a) In every building or other structure, or part thereof, used for mercantile, industrial or storage purposes, the loads approved by the [Commissioner of Buildings] *Commissioner of Inspectional Services* shall be marked on placards of approved design which shall be supplied and securely affixed by the owner of the building, or his duly authorized agent, in a conspicuous place in each space to which they relate, provided, however, that such posting of floor loads shall not be required in buildings or portions thereof used exclusively for the production and distribution of electricity, gas or steam. Application of such placard shall be accompanied by a certification from a licensed architect or registered structural engineer that he personally inspected the building and that he computed the safe load in conformity with the provisions of this ordinance. Duplicate placards may be issued to replace lost or destroyed placards where the building department has records of the safe floor load limits of the particular building without such certification upon payment of a fee in accordance with section 43-33 of this code.

(b) Spaces in garages and parking facilities designed for the use of passenger automobiles only shall be placarded as follows "This floor to be used for the storage of passenger automobiles only".

68-3.2. Roofs used for terraces, promenades or similar uses shall be designed for a minimum live load of sixty pounds per square foot. Roofs to be used for other special purposes shall be designed for appropriate live loads as approved by the [Commissioner of Buildings] *Commissioner of Inspectional Services.*

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

—

Chapter 69 Concerning Materials, Methods and Tests.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 69 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

69-3.1. Controlled materials as applied to the requirements of this code means a building, structure, or part thereof which has been designed or constructed under the following conditions:

(a) All controlled materials shall be selected or tested to meet the special strength, durability and fire resistance requirements upon which the design is based.

(b) The design, preparation of working drawings, including details and the inspection of the work during construction shall be under the supervision of a registered architect or structural engineer.

The records of all tests, inspections and detail approvals shall be made available to the [Commissioner of Buildings] *Commissioner of Inspectional Services* at all times during the progress of the work, and such records as he may designate shall be filed with the [Department of Buildings] *Department of Inspectional Services.*

69-4. The regulations, specifications, standards and tests of the technical organizations which are referred to in this code are hereby incorporated herein by such reference with the same effect as though set forth. Authenticated copies of all such regulations, specifications, standards and tests shall be kept on file in the office of the [Commissioner of Buildings] *Commissioner of Inspectional Services,* available for public inspection and use.

69-5.3(a) When a structural assembly is not capable of design by accepted engineering analysis, or when there is reasonable doubt as to its strength or stability, the safe load-bearing capacity of such structural assemblies shall be determined by tests acceptable to the [Commissioner of Buildings] *Commissioner of Inspectional Services.*

69-5.5(a) Whenever there is reasonable doubt as to the stability or structural safety of a completed building or structure, or part thereof for the intended use, the [Commissioner of Buildings] *Commissioner of Inspectional Services* may require a load test of the building unit or portion of the structure.

69-6(a) Definition. A prefabricated assembly is a building unit, the parts of which have been built up or assembled prior to incorporation in the building.

(b) Performance Standards. Prefabricated construction shall comply with all requirements of this code and with accepted engineering practice as to structural strength, fire resistance, weather resistance, durability, sanitation and other required qualities.

(c) Tests. Tests shall be required as provided in section 69-5. The [Commissioner of Buildings] *Commissioner of Inspectional Services* may also require, when not available from existing authoritative test data, comparative tests of standard types of construction for similar uses.

69-8 When welded construction is used the owner or his representative shall furnish to the [Commissioner of Buildings] *Commissioner of Inspectional Services* a certificate from a laboratory of recognized standing certifying that all welding of all structural members was done under its inspection and meets all requirements of the architect's or structural engineer's design drawings and specifications, and further that all welders were certified by a laboratory of recognized standing.

Upon completion of all structural welding operations, the contractor responsible for the fabrication and erection of the structure shall furnish to the [Commissioner of Buildings] *Commissioner of Inspectional Services* a certificate showing that the fabrication and erection of such welded structure, including those welds not inspected by the testing laboratory, have fulfilled the requirements of the architect's or structural engineer's design drawings and specifications.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

—

Chapter 74 Concerning Steel and Metal Construction.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 74 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

74-4. Aluminum, magnesium and other lightweight metals and alloys shall be used for structural members of buildings and other structures only after approval by the [Commissioner of Buildings] *Commissioner of Inspectional Services* of working stresses in compliance with accepted engineering practice.

74-5.2. The minimum thickness of cast iron shall be not less than the following:

(a) Columns. One-twelfth the smallest dimension of cross section with a minimum thickness of three-fourths of an inch.

(b) Bases and Flanges. One inch and reinforced with fillets and brackets.

(c) Lintels. Three-fourths of an inch and limited to a maximum span of six feet.

Where required by the [Commissioner of Buildings] *Commissioner of Inspectional Services,* three-eighths inch round inspection holes shall be drilled in the section to exhibit the thickness.

74-6. Steel deck construction, using composite cold formed steel deck concrete slabs and non-composite concrete slabs on cold-formed steel decks shall be as provided in paragraphs (a), (b), (c), (d), and (e).

(a) Cold-formed steel decks shall conform to the requirements of the following document: Specification for the Design of Cold-Formed Steel Structural Members. AISI 1968 Edition as Modified by Addendum No. 1, November 19, 1970.

(b) Structural working drawings, presented to [Department of Buildings] *Department of Inspectional Services* for approval, and erection drawings of the steel deck supplier must contain a note indicating the construction loading assumed and reflect the effects of continuity used in designing the steel deck.

(1) The steel deck shall be proportioned to withstand the weight of the wet concrete, the weight of the steel deck, and an assumed uniformly distributed construction live load 20 pounds per square foot without causing maximum stresses exceeding 0.6 times the specified minimum yield strength of the steel deck.

(2) The steel deck shall also be proportioned to withstand the weight of the wet concrete, the weight of the steel deck, and an assumed 200-pound concentrated construction live load for a one-foot width without causing maximum stresses exceeding 0.8 times the specified minimum yield strength of the steel deck.

Where it is determined that the assumed loading criteria shown on the structural working drawings are to be exceeded, the Structural Engineer and [Building Department] *Department of Inspectional Services* shall be so notified by the Concrete Contractor. In accordance with Chapter 151 of the Chicago Building Code, it is the responsibility of the Concrete Contractor to provide a properly designed supporting system for carrying the actual construction loads.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

—

Chapter 76 Concerning Safeguards during Construction.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 76 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

76-3(c) Material. When the extent or location of scaffolding is such as to create an unusual fire hazard, the [Commissioner of Buildings] *Commissioner of Inspectional Services* may require the use of non-combustible material or of treated fire-resistive lumber.

Notification of [Commissioner of Buildings]

Commissioner of Inspectional Services

76-6.1. Notice stating the date on which work is to begin shall be given to the [Commissioner of Buildings] *Commissioner of Inspectional Services* of at least twenty-four hours before beginning the wrecking, demolishing or razing of any building or other structure.

76-6.3. All wrecking operations shall be completed within the time set by the [Commissioner of Buildings] *Commissioner of Inspectional Services.*

76-7.4. (b) Buildings or structures exceeding four stories or fifty feet in height and intended to be wrecked shall comply with the following protection requirements:

(1) The owner or his agent shall submit a drawing indicating fences, barricades, aprons, canopies and other safeguards which are to be used in connection with the wrecking program. This drawing shall be approved by the [Commissioner of Buildings] *Commissioner of Inspectional Services* before a permit is issued to wreck such building or structure, and the safeguards indicated on such drawing shall be erected in strict compliance therewith.

76-7.5. (a) When a permanent sidewalk is obstructed by a sidewalk shed, fence or barricade, temporary sidewalks shall be provided.

(b) Walkways and temporary sidewalks shall be not less than four feet wide, except that in congested districts the [Commissioner of Buildings] *Commissioner of Inspectional Services* may require additional width.

76-9. Before a permit is issued for the wrecking of a structure that has one or more party walls in common with one or more buildings, there shall be delivered to the [Department of Buildings] *Department of Inspectional Services* a certificate by a licensed architect or licensed structural engineer to the effect that the adjoining premises do not require anchorage, or if such certificate indicates that anchorage is necessary, the certificate shall be accompanied by a drawing signed and sealed by such architect or engineer and approved by the [Commissioner of Buildings] *Commissioner of Inspectional Services,* indicating adequate anchorage of floor and roof joists. The adjoining premises shall be anchored in compliance with such drawing. The written consent of the owner of the adjoining premises permitting the anchorage shown on such drawing shall also accompany the certificate.

76-10.1. Before a permit is issued for a material hoist and/or a personnel hoist for temporary use during construction, erection drawings prepared by a registered structural engineer shall be submitted to the [Department of Buildings] *Department of Inspectional Services* indicating that hoists are supported by an adequate foundation and that the hoist structure is anchored to the building or other structure so as to provide lateral and torsional stability at vertical intervals not exceeding 25 feet.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

—

Chapter 77 Concerning Use of Public Property.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 77 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

77-1.1. Such occupancy shall be limited to the storage and handling of building materials, the construction of temporary sidewalks and other uses incident to the erection, alteration or demolition of buildings as approved by the [Commissioner of Buildings] *Commissioner of Inspectional Services.*

77-2.1. Foundations may not project into nor encroach upon public ways except as herein provided. The [Commissioner of Buildings] *Commissioner of Inspectional Services* may issue permits for any building for which it is contemplated that there shall be projections of the foundation or a part thereof into a public way under the following conditions:

(a) The portions of foundations above a level twenty feet below city datum may project into a public way four and one-half inches per foot of depth below sidewalk or alley grade but not more than thirty-six inches.

(b) Except as provided in paragraph (d), in no case shall foundations extend within five feet of the center line of any public way.

(c) Except where sub-sidewalk space is permitted, no foundation, or any part thereof, shall project into a public way in such manner as to add to the floor area of any building or structure.

(d) Portions of foundations, constructed lower than twenty feet below city datum, may project into a public way such distance as the [Commissioner of Buildings] *Commissioner of Inspectional Services* may deem necessary for the stability of the building or structure of which they are a part.

77-2.2.(b) When additions to existing buildings are erected, the [Commissioner of Buildings] *Commissioner of Inspectional Services* may permit the extension of existing cornices, mouldings and belt courses which do not comply with the requirements of this section but which were legal at the time of the adoption of this code.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

—

Chapter 78 Concerning Existing Buildings.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 78 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

78-2. Maintenance Required. Every existing building shall be so kept and maintained in conformity with the applicable provisions of this code as to eliminate conditions hazardous to the public health and safety.

If there is any doubt as to the structural stability of any building or structure or parts thereof, the [Commissioner of Buildings] *Commissioner of Inspectional Services* may request such building or structure, or parts thereof, to be critically examined by a licensed architect or registered structural engineer employed by such owner, agent or person in charge, possession or control of any such building, structure or parts thereof.

Said licensed architect or registered structural engineer shall render a report in writing showing the structural condition of the building, structure or parts thereof. Two copies of the report shall in turn be submitted to the [Commissioner of Buildings] *Commissioner of Inspectional Services.* One copy of said report shall, if satisfactory, be retained by the [Commissioner of Buildings] *Commissioner of Inspectional Services* and one be returned to the owner, agent or person in charge; possession or control of said building, structure or parts thereof, bearing a stamp of approval signed by said [Commissioner of Buildings] *Commissioner of Inspectional Services.*

78-3. (f) (1) (c) The critical examination shall be in accordance with the most recent available guidelines for such critical examination, available from the [Commissioner of Buildings] *Commissioner of Inspectional Services.*

78-3. (f) (a) The extent of the aforementioned observation shall be documented in sufficient detail that a comparison of successive reports will give an indication of the exterior walls and enclosures.

(b) Two copies of the report shall be submitted to the [Commissioner of Buildings] *Commissioner of Inspectional Services,* and at least one copy to the owner, agent or person in charge of possession or control of the building. One copy of said report shall if satisfactory to the [Commissioner of Buildings] *Commissioner of Inspectional Services,* be returned to the owner, agent or person in charge of possession or control of said building, bearing a stamp of approval signed by said [Commissioner of Buildings] *Commissioner of Inspectional Services.*

(c) The report submitted to the [Commissioner of Buildings] *Commissioner of Inspectional Services* found unsatisfactory will be noted as incomplete, requesting additional information and/or corrections by said [Commissioner of Buildings] *Commissioner of Inspectional Services* and returned. Such unsatisfactory report shall not be considered in compliance with the provisions of Paragraph 78-3 (e).

78-3. (g) Exterior walls and enclosures found in an unsafe condition or in need of repairs or reinforcement or precautionary measures, shall be subject to notice by the [Commissioner of Buildings] *Commissioner of Inspectional Services* to the owner, agent or person in charge, control or possession of the building or premises where such exterior wall and enclosure is located, immediately to begin and complete such repairs, reinforcements or precautionary measures as may be required to make the building exterior walls and enclosures conform to the provisions of this code. Such required shall comply to the requirements for controlled materials, Chapter 69-3.1.

78-5.1 (a) In existing buildings where exits do not comply with the requirements of Chapter 67 and in which hazardous conditions exist because of the number, with, construction or location of exits, the [Commissioner of Buildings] *Commissioner of Inspectional Services and Fire Commissioner* may order additional exits to assure adequate safety of the occupants.

78-5.2 In pre-ordinance buildings, the [Commissioner of Buildings] *Commissioner of Inspectional Services and Fire Commissioner* may approve the following types of exits in lieu of the required means of vertical exit prescribed in Section 67-3.

78-6. Every existing building shall be so constructed and maintained as to support safely the loads prescribed in Chapter 68 of this code, except that buildings of Mercantile, Industrial or Storage occupancies the [Commissioner of Buildings] *Commissioner of Inspectional Services and Fire Commissioner* may permit occupancy of buildings having lower load-bearing capacity when he is satisfied that such capacity will not be exceeded by the specific occupant. Such approved floor loads shall be posted as required in Section 68-2.8.

In buildings where the safe load-bearing capacity is in doubt, owing to deterioration of materials or other reasons, the [Commissioner of Buildings] *Commissioner of Inspectional Services and Fire Commissioner* shall require load tests to determine the safe bearing capacity. Such load tests shall comply with the requirements of Sections 69-5.3.

78-7.7 When the combined total cost of alterations and repairs to any portion of an existing building or structure within any period of thirty months does not exceed twenty-five percent of the reproduction cost of the building or structure, all new construction required in such alterations or repairs shall comply with the requirements of this code for a new building or structure of like area, height and occupancy, except as follows:

(a) The [Commissioner of Buildings] *Commissioner of Inspectional Services* shall approve minor structural additions, alterations or repairs which may be made with material conforming in strength and fire resistance to the materials with which the building or structure is constructed.

Affidavits Required

78-7.9 Before the issuance of a permit for the alteration, repair or replacement of any part of an existing building or structure, the [Commissioner of Buildings] *Commissioner of Inspectional Services* may require that the owner or his agent shall file with the said Commissioner an affidavit stating the estimated cost of the proposed alteration, repair or replacement and the estimated cost of reproduction.

78-8. (e) In Type 1 schools having emergency or temporary classrooms with floors more than two feet below the building grade adjacent to such classrooms or study rooms, and also in Type 2 schools having emergency or temporary classrooms with floors more than two feet below the building grade adjacent to such classrooms or study rooms, said rooms shall be permitted to be used only until September 15, 1970; provided that each classroom or study room shall have a direct outside exit, or other means of exit as approved by the [Commissioner of Buildings] *Fire Commissioner*, and provided, further, that each classroom and study room shall have sufficient natural light or artificial illumination of 50 foot candle-power, and further that all other requirements of this code are met.

78-18.4 (b) From April 15 to November 15 of each year, every door opening directly from any family unit to the outdoors, and every window or other outside opening used for ventilation purposes, shall be supplied with a screen of not less than 16 mesh per inch and every screen door shall have a self-closing device in good working condition. However, no such screens shall be required for a family unit on a floor above the fourth floor, unless required by the [Department of Buildings] *Department of Inspectional Services and Fire Department* when unusual circumstances of insect prevalence exist.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

Chapter 79.1 Concerning Warm Air Heating Plants.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 79.1 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

79.1-11.(3) No smoke pipe shall project through any external wall or window except that there may be installed gas-fired room or space heaters which have a sealed combustion chamber and which are installed in such a manner that all air for combustion is derived from outside the building in which the heater is located and all products of combustion are discharged to the outside atmosphere through a roof, window, or exterior wall. Any portion of the vent which is less than ten feet above the abutting grade of the building shall be shielded by a guard adequate to protect any person from coming into contact with such vent. The vent shall not be installed in any exterior wall of a building which is the part of a boundary of an inner court, outer court, or through court less than six feet wide, or any other similarly restricted area. The vent shall be installed not less than three feet from any window or air inlet located in a room other than the room in which the heater is located. Unless otherwise provided for in this Code, such heater shall be designed and constructed in accordance with the standards prescribed in Volume IV of "American Standard Approval Requirements for Central Heating Gas Appliances" published by the American Gas Association on August 12, 1958, as amended July 21, 1959, a copy of which is on file with the City Clerk.

If any supplier of gas shall in the regular course of its business come upon any such heater which it has a reason to believe has been installed in violation of the provisions of this subsection, it shall notify the [Commissioner of Buildings] *Commissioner of Inspectional Services*. Upon receipt of a written request from the commissioner, such supplier shall discontinue service to any customer who has installed a heater in violation of the provisions of this subsection.

79.1-13.(1) It shall be unlawful for any person to construct, replace or install any warm-air-heating furnaces or appurtenances thereto within the city without first obtaining from the [Commissioner of Buildings] *Commissioner of Inspectional Services* a permit to do such work, for which said person shall pay to said [Commissioner of Buildings] *Commissioner of Inspectional Services*, for the use of said city, for each furnace installed, renewed or repaired the sum of twelve dollars and fifty cents.

Before a permit to install a forced-warm-air-heating plant is issued, a diagram of the premises and estimate of the type of furnace to be used and sufficient information showing that all provisions of this code are being complied with including the details of the mechanical devices for moving or forcing warm air shall be filed with the [Commissioner of Buildings] *Commissioner of Inspectional Services*. Provided however, that permission to install a warm-air-heating-plant shall not in any manner approve the installation of same until after tests of same have been made to the satisfaction of the [Commissioner of Buildings] *Commissioner of Inspectional Services*.

(2) No heating permit shall be required for minor repair work. By minor repair work is meant the incidental repairs to furnaces, which shall not affect the general action of the system, such as renewal of grates, smoke pipes and resetting old furnace in same location; or renewing of single warm air pipes in basement; but when additional runs or new stacks are installed, a permit shall be required, for which the person installing said additional runs or new stacks shall pay the [Commissioner of Buildings] *Commissioner of Inspectional Services*, for the use of the City of Chicago, the sum of ten dollars for each permit.

79.1-14.(1) It shall be the duty of the [Commissioner of Buildings] *Commissioner of Inspectional Services* to cause an inspection to be made of all warm air furnaces and the appurtenances thereto hereafter installed by an inspector who is an experienced journeyman sheet metal worker competent to determine and see that same is installed or constructed in conformity to the provisions of this chapter.

(2) Inspection of new work in new buildings shall be made as follows: When such work has proceeded to where the stacks to upper floors and heads for all side wall registers have been installed, boots connected thereto, the contractor or person obtaining permit for this work, shall notify the [Commissioner of Buildings] *Commissioner of Inspectional Services*, who shall make or cause to be made an inspection of such work. Upon finding that the work complies in all respects with the terms of this chapter there shall be affixed by said [Commissioner of Buildings] *Commissioner of Inspectional Services*, or his representative, to each stack register head a certificate stating that the work complies with the ordinance relating thereto.

(3) Inspection of new work in buildings already constructed, shall be made only after installation is completed.

(4) Final inspection of plant shall be made after the whole is connected up and ready to operate.

(5) It shall be unlawful for any person to lath over, plaster or cover up any warm air heating work before such work in new buildings or completed buildings where plaster and lath have been removed, has been inspected and certificates above referred to have been attached. The [Commissioner of Buildings] *Commissioner of Inspectional Services* shall have the right and authority to remove or order removed all such lath, plaster or other coverings which may have been placed over such work before same has been inspected. The person ordering or causing such work to be covered up, or in any way violating any section of this chapter as herein set forth, shall, upon conviction, be subject to the penalties set forth for violation of the terms of this chapter.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

Chapter 79 Concerning Elevators, Escalators, Etc.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 79 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

79-12.3.(d) When the test is made and the safety device and governor combination prove satisfactory, a tag, furnished by the [Commissioner of Buildings] *Commissioner of Inspectional Services,* shall be placed on the safety plank indicating the name of the person making the test and date of approval. The owner or agent shall have a similar inspection and test made every four (4) years thereafter.

79-2. Whenever any accident shall occur, causing injury to life or limb to any person requiring the services of a physician in or about an elevator, dumbwaiter, escalator, moving walk, or any device included under this chapter, or while getting on or off of same, or which shall in any way impair the safety of the equipment, such accident shall be reported promptly by the owner of the equipment, superintendent, lessee, or manager of the building or property to the [Commissioner of Buildings] *Commissioner of Inspectional Services.* No broken or damaged parts of such elevator, dumbwaiter, escalator, moving walk or other devices included under this chapter shall be moved or displaced nor shall repairs be made thereon nor shall the equipment be operated until an investigation into such accident has been made by the [Commissioner of Buildings] *Commissioner of Inspectional Services* or his duly authorized agent. A full report in writing of the result of such investigation shall be filed in the [Department of Buildings] *Department of Inspectional Services* and the [Commissioner of Buildings] *Commissioner of Inspectional services* shall keep a complete record of all accidents and reports thereon.

79-3.1. Wherever the term enforcing authority is used in the Elevator Safety Code, it shall refer to the [Commissioner of Buildings] *Comissioner of Inspectional Services.*

79-3.5. Rule 3 shall be modified by adding the words or whose power feed lines have been permanently disconnected as approved by the [Commissioner of Buildings] *Commissioner of Inspectional Services* after the words "barricaded in the hoistway side," and by adding the words "or moving walk" after the word "escalator".

79-4.5. Rule 110.7 shall include additional paragraphs "c" and "d" and reading as follows:

c. Where existing horizontally sliding center parting door panels are reused in conjunction with a change to automatic control operation, the distance for the hoistway face of the door to the edge of the hoistway landing still may be increased to a maximum of five (5) inches, providing a rigid metal guard is fastened for the full height and to the leading edges of the door panels between the hoistway face of the door panel and hoistway landing sill and where the distance exceeds three and one-half (3½) inches, a rigid bevelled metal guard extending to within one (1) inch of the landing sill and at sixty (60) degrees with the horizontal is fastened to the lower edges of the door panels. Where adjacent entrance panels overlap more than a total of four (4) inches when both panels are in the fully open position, the arrangement of metal guards shall be subject to the approval of the [Commissioner of Buildings] *Commissioner of Inspectional Services.*

79-12.1. All reference to enforcing authority shall refer to the [Commissioner of Buildings] *Commissioner of Inspectional Services* or his authorized elevator inspector as they apply.

79-12.2. In Rule 1000.2b it shall not be necessary to make an inertia application test on every safety providing the [Commissioner of Buildings] *Commissioner of Inspectional Services* is satisfied with previous tests of the safety involved. Each safety shall be inertia tested by pulling the return run governor rope sharply.

79-12.3(c) When a test is made, a report shall be submitted to the [Commissioner of Buildings] *Commissioner of Inspectional Services* on forms furnished by him and a record of the test shall be filed by the [Chicago Building Department] *Chicago Department of Inspectional Services.*

79-12.4. Sections 1100 and 1101 describe tests for buffers, interlocks and contacts. The [Commission of Buildings] *Commissioner of Inspectional Services* will accept certifications of tests covering this apparatus when such tests have been performed by a recognized acceptable laboratory.

79-17.1.(b) In cases of practical installation difficulty or new developments, exceptions for the literal requirements of the installation may be granted by the [Commissioner of Buildings] *Commissioner of Inspectional Services* to permit the use of other devices or methods, but only when it is clearly evident that equivalent protection is thereby secured.

79-18 All mechanical amusement devices shall be built of the material hereinafter enumerated, or of other materials approved by the [Commissioner of Buildings] *Commissioner of Inspectional Services,* substantially constructed and designed to withstand shocks and to afford adequate protection for passengers riding thereon; structural features shall meet the requirements prescribed elsewhere in this Code. Handrails, handles, safety straps or other protective devices of suitable design shall be provided in all cars of roller coasters, scenic railways, ferris wheels, ships and other riding, sliding, rotating and rolling devices of similar type. Each horse on a merry-go-round shall be equipped with a stirrup and a bridle, also a strap on the horse rod to snap or buckle under the arms of the rider.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

Chapter 80 Concerning Heating Provision.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 80 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

80-24.2. An application for a permit to install or connect any water heater shall be filed with the [Commissioner of Buildings] *Commissioner of Inspectional Services* upon a form furnished by said Commissioner containing the name of the applicant, the street number of the building in which the water heater is to be used (and if the building is an apartment building, the location of the apartment), the floor plan of the room the proposed position of the water heater, the location of the plumbing fixtures, the location and dimensions of the door and window openings, and the course of the gas duct or ventilating pipe to the outer air or to a chimney connection. No permit shall be issued until such application is approved by the [Commissioner of Buildings] *Commissioner of Inspectional Services.*

80-24.3. The [Commissioner of Buildings] *Commissioner of Inspectional Services* shall issue a permit upon the payment of a fee of twelve dollars for every domestic gas water heater to be installed or connected. The receipt for the payment of said fee, together with the approved application, shall constitute the permit required for such installation or connection.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

—

Chapter 81 Concerning Ventilation.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 81 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

81-13.1 A makeup-air heater is defined as a heater used to temper air supplied to only an industrial unit, as defined in 48.8 of this Code, to correct negative pressures caused by exhaust systems. Such a unit is not intended to supply any of the ventilating requirements set forth in section 81-7 or any of the regular heating requirements of the area into which it discharges; separate space heating equipment must be available for this purpose. A direct-gas-fired makeup-air heater is defined as a makeup-air heater in which all the heat and products of combustion generated by the gas burning device are released into the air stream being heated. Each manufacturer of a direct-gas-fired makeup-air heater (hereinafter referred to in this 81-13.1 as the "unit") shall submit test-data, results and catalogs, certified by a registered professional engineer, to the [Commissioner of Buildings] *Commissioner of Inspectional Services* for acceptance for use in the City of Chicago. No unit shall be accepted unless it complies with the following requirements:

81-21 (b) If plans submitted for permit approval include a direct-gas-fired makeup-air heater, the applicant shall certify that such model of direct-gas-fired makeup-air heater has been accepted by the [Commissioner of Buildings] *Commissioner of Inspectional Services* for use in the City of Chicago has provided in 81-13.1 (c) of this Code.

81-23 Compliance with mechanical ventilating requirements shall be determined by readings indicating the velocity of the air in feet per minute; they shall be taken with a calibrated anemometer unless the conditions surrounding the installation are not within the range of accuracy of this instrument, in which case a Pilot tube, or other device approved by the [Commissioner of Buildings] *Commissioner of Inspectional Services* shall be used.

81-26 (d) Measurement of air flowing into an opening less than four inches in any dimension shall be made by using an adapter with an anemometer as well as a K factor which has been established by a test method approved by the [Commissioner of Buildings] *Commissioner of Inspectional Services.* The air quantity shall be determined by multiplying the corrected anemometer velocity by the factor for the particular adapter.

81-26 (g) Measurement of the air flowing out of an opening equipped with a device such as a non-uniform non-flat surfaced grid, grille, register or diffuser, or an opening less than four inches in any dimension, shall be made using an adapter with an anemometer as well as a K factor which has been established by a test method approved by the [Commissioner of Buildings] *Commissioner of Inspectional Services.* The air quality shall be established by multiplying the corrected anemometer velocity by the factor for the particular adapter.

81-28. The inspection of mechanical ventilating or air conditioning systems shall be made as soon as possible after the person responsible for the installation and adjustment and testing of the system has notified the [Commissioner of Buildings] *Commissioner of Inspectional Services* in writing that the system has been adjusted and tested and is in good operation and that it fulfills all the requirements prescribed herein, and if such tests are found to fulfill all requirements contained in this ordinance, the [Commissioner of Buildings] *Commissioner of Inspectional Services,* upon written request, shall issue a letter of approval to the owner or contractor who made the installation. In the case of systems incorporating direct-gas-fired makeup-air heaters, the initial inspection shall include the conduct of tests by the installer in the presence of the city inspector, to determine that the system meets all requirements of section 81-13.1 and 81-20.1 and each annual inspection shall include similar tests by the owner.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

Chapter 85 Concerning Mechanical Refrigeration.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 85 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

85-2. The terms used in this chapter are hereby defined as follows: Approved. Official approval by the [Department of Buildings] *Department of Inspectional Services.*

85-5. It shall be the duty of the person in charge of the premises wherein any refrigerating system is located to exercise due diligence to see that the refrigerating system is properly maintained and operated at all times.

Two gas helmets or masks suited to the refrigerant used shall be provided with every Class A system and with every Class B system that operates above atmospheric pressure except when carbon dioxide is used.

Every gas helmet or mask shall be of a type approved by the [Commissioner of the Department of Buildings] *Commissioner of the Department of Inspectional Services* as being suit-

able for the refrigerant used, shall be inspected annually by said [Commissioner of Buildings] *Commissioner of Inspectional Services,* and shall be kept in operative condition in an easily accessible case or cabinet located outside of the entrance to the machinery room.

85-6. It shall be the duty of the installer or operator of any refrigerating system, except a class D and E system, to post and keep conspicuously posted as near as practicable to the pressure imposing element of such system a card giving operating directions for such system, including precautions to be observed in case of a breakdown or leak. The following shall be included in the instructions and information listed on such cards:

Instructions for shutting down system in case of emergency.

The name, address, and telephone number of every engineer or operator in charge.

The name, address, and day and night telephone number for service.

The location of the nearest fire alarm box.

The Telephone number of the [Department of Buildings] *Department of Inspectional Services* and instructions, to notify said department immediately in case of serious leakage or other emergency.

85-45(c). Coils or coolers shall be tested to the pressure specified for the refrigerant; provided, however, the [Department of Buildings] *Department of Inspectional Services* may accept from the manufacturer a certified copy of test report showing that tests of said apparatus, as required by this Code, were made at the place of manufacture.

85-46(e). Coils or coolers shall be tested to one and one-half times the test pressure specified for the refrigerant; provided, however, the [Department of Buildings] *Department of Inspectional Services* may accept from the manufacturer a certified copy of test report showing that tests of said apparatus, as required by this Code were made at the place of manufacture.

85-62. Compressors on Class A, B and C refrigerating systems, except those containing fifty pounds or less of non-irritant and non-flammable refrigerant shall be equipped with a pressure relief device located between the pressure imposing element and the stop valve on the discharge side. Such valves shall be set at not more than ninety per cent of test pressure specified for the refrigerant used. Where a flammable or irritant refrigerant or a Class 2 non-flammable refrigerant is used, this device shall be vented into the low pressure side of the system. Where a Class 1 non-flammable and non-irritant refrigerant is used, this device may discharge to the atmosphere by shall be piped to discharge toward the ceiling. not less than seven feet above the floor. Systems containing one hundred pounds or more of Class I non-flammable and non-irritant refrigerant shall be vented to outside atmosphere, or to suction side. In systems where the pressure imposing element is a compressor, the inlet pipe size of the relief devices shall be based on the gross displacement of the compressor, and shall conform to the following table:

Cubic Feet Per Minute	*Relief Device Size (Inches)*
Up to 25	3/8
26-100	1/2
101-200	3/4
201-350	1
351-580	1 1/4
581-850	1 1/2
851-1500	2

In systems where the pressure imposing elements is other than a compressor, the [Department of Buildings] *Department of Inspectional Services* shall determine the size of the relief devices to be used.

The discharge connection from these relief devices shall be equal to or greater than the inlet connection to the relief device.

85-71 Before any owner or agent shall proceed with the installation or alteration of any mechanical refrigerating system, he shall secure the approval of the [Department of Buildings] *Department of Inspectional Services,* and obtain a permit for the work. No refrigerating system shall be installed, erected, or maintained, nor shall any reconstruction of old apparatus or old system for mechanical refrigerating or cooling purposes be undertaken, unless plans and specifications for the same shall be filed in the office of the [Department of Buildings] *Department of Inspectional Services,* and approved by the Commissioner of said department. Such plans and specifications shall show the kind and amount of refrigerant used. Upon approval of the said plans, a duplicate set of which shall be left on file in the [Department of Buildings] *Department of Inspectional Services* and the payment of the required fees, the [Commissioner of Buildings] *Commissioner of Inspectional Services* shall issue a permit for the installation of said apparatus. No permit shall be required for emergency repairs. Where water is to be used for cooling the refrigerant or for other cooling purposes, no permit for the installation of a refrigerating plant shall be granted unless the plans and specifications have been submitted to the Department of Water and Sewers and the Board of Health and said departments have issued a permit for the use of water from the city water mains.

85-71.3. The [Commissioner of Buildings] *Commissioner of Inspectional Services* may, and he is hereby directed to remit all inspection fees charged, or that may hereafter be charged against any and all charitable, religious, and educational institutions, when the refrigerating system or other apparatus inspected is located in or upon premises used or occupied by such charitable, religious or educational institutions; provided, however, that such charitable, religious, or educational institution is not conducted or carried on for private gain or profit.

85-72. It shall be the duty of any person installing refrigerating systems to apply tests to said systems as required by the [Commissioner of Buildings] *Commissioner of Inspectional Services.*

Tests shall be made in the presence of an inspector of the [Department of Buildings] *Department of Inspectional Services* and shall be applied to every refrigerating system, or parts thereof, installed before being put into use; provided, however, that the [Department of Buildings] *Department of Inspectional Services* may accept from the manufacturer of a single unit system a certified copy of test report showing that test for said system, as required by the building provisions of this Code were made at at the place of manufacture.

It shall be the duty of every person installing refrigerating systems, as aforesaid to notify the [Commissioner of the Department of Buildings] *Commissioner of the Department of Inspectional Services* whenever any system has reached the stage of construction where it is ready for inspection tests.

85-74. It shall be the duty of the [Commissioner of the Department of Buildings] *Commissioner of the Department of Inspectional Services,* and his assistants to inspect all parts of all mechanical refrigerating systems employ-

ing any refrigerant which is expanded, vaporized, liquified, or compressed in its refrigerating cycle, including piping, machinery, boilers, tanks, jacketed kettles, generators, shell brine coolers, shell condensers, shell absorbers, purifiers, pipe condensers, compressors and pipes used therein, and the apparatus connected therewith and the extension thereunto. The said Commissioner or his assistants shall make such inspections once a year. The said [Commissioner of Buildings] *Commissioner of Inspectional Services* is further authorized and required to inspect any refrigerating system or apparatus whenever, in his judgment, inspection is necessary for the protection of life and property. Whenever such inspection discloses that on account of age, obsolescence, wear and tear or for any other cause such refrigerating system has become or is likely to become dangerous to life and health, the said Commissioner shall give notice in writing to the person owning, leasing or controlling such refrigerating system directing him to make such changes, alterations, or repairs as in the judgment of the Commissioner are necessary to make the said refrigerating system safe for the occupants of the premises; such notice shall specify the time in which the said work shall be completed, which shall be fixed by the [Commissioner of Buildings.] *Commissioner of Inspectioinal Services* upon consideration of the condition of such refrigerating system, or parts thereof and the danger to life or property which may result from its unsafe condition. Upon failure of such person to comply with the request set forth in such notice within the time certificate shall be framed and hung in a conspicuous place in the machinery room, fixed in such notice, the Commissioner is hereby authorized to order the system shut down and the refrigerant gas pumped from such system and to prohibit its further use until the aforesaid directions are complied with. Any expense or outlay incurred by the Commissioner in shutting down such refrigerating system shall be a charge upon and be collected from the owner, lessee, or person controlling such system by legal proceedings prosecuted by the Department of Law.

85-75. When an inspection of a mechanical refrigerating system has been made, and the same has been approved by the [Commissioner of Buildings] *Commissioner of Inspectional Services,* the said Commissioner shall make and deliver to the person for whom the inspection was made, upon the payment of the required fees, a certificate of inspection together with a general description of such apparatus stating for what purpose the appliances are to be used and the pressure in pounds at which they may be safely used. This certificate shall be framed and hung in a conspicuous place in the machinery room.

It shall be unlawful for any person to use or operate any refrigerating system required to be inspected under the building provisions of this Code until a certificate of inspection has been issued by the [Department of Buildings] *Department of Inspectional Services.* It shall be unlawful for any person to use or operate any refrigerating system that has been repaired, reconditioned, or reconstructed until a certificate shall have been procured from the [Department of Buildings] *Department of Inspectional Services* to the effect that the said person (system) is in such a condition it it can be safely used.

85-77. It shall be the duty of the [Commissioner of Buildings] *Commissioner of Inspectional Services* upon an application in writing, made by any person owning, leasing, or controlling the use of any mechanical refrigerating system, stating that the same is out of repair or has been repaired, to examine the same when so repaired, and determine if such repairing has been properly done; and it shall be unlawful for any person to use any mechanical refrigerating system after the same has been repaired until a certificate shall have been procured from the Commissioner to the effect that such repairing has been properly done and that such boiler, unfired pressure vessel, or mechanical refrigerating system may be safely used.

85-78. Any person manufacturing or dealing in the sale or erection of refrigerating systems or apparatus as defined by this chapter, shall, on the sale or delivery of any such system or apparatus at any point or locality within the city, notify the [Department of Buildings] *Department of Inspectional Services* giving the name of the purchaser, his street address, and the street address to which such system is to be delivered. Any person selling a second-hand or used refrigerating system shall before painting the same, have it inspected by the [Department of Buildings] *Department of Inspectional Services,* and before offering for sale any such system, shall have in his possession a certificate issued by the said department to the effect that the said system is in such condition that it can be safely used. The fee for such inspection shall be the same as provided for regular periodic inspections.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

Chapter 83 Concerning Water Supply Distribution Systems.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 83 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

83-42. All surge tanks, receiving reservoirs, gravity storage tanks, house storage tanks, or tanks of any description used for receiving or storing city water at atmospheric pressure shall be supplied through an approved slow acting automatic control valve, the discharge outlet of which shall be directly connected to the receiving unit at a distance of six (6) inches above the top of a horizontal overflow pipe. For a vertical overflow pipe the distance, shall be six (6) inches plus the diameter of the overflow pipe. The overflow pipe connection shall have an area of not less than twice that of the supply opening. Said overflow shall be screened with a twenty-four (24) mesh per inch bronze or stainless steel screen, and shall discharge through an indirect connection to the drainage system. With a minimum air gap of six (6) inches. The area of the screening shall be fifty percent (50%) greater than the overflow pipe area. Supply lines, or pump suction lines from such tanks shall be connected thereto in such a manner as will prevent any water stored within four (4) inches of the bottom of such tank from entering such lines. Each tank shall have a manhole or handholes for cleaning purposes and shall have a pitched bottom so as to facilitate sludge drainage. Each such tank shall be provided with a sludge drain pipe which shall be connected to such tank at the lowest level of the bottom section thereof and shall discharge through an indirect connection to the drainage system with a minimum air gap of six (6) inches. Each sludge drain pipe shall be equal in size to the inlet pipe but need not exceed two (2) inches and be provided with a control valve with a clear water way equal in area to that of the sludge drain pipe. Such tanks shall have bolted water tight covers of the same material as the tank, and shall be located and housed to prevent external pollution. Approval of the support for all such tanks shall be obtained from the [Department of Buildings] *Department of Inspectional Services* before the permit for their installation shall be issued.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

Chapter 86.1 Concerning Electric Signs and Signboards.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 86.1 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

86.1-1 Responsibility. It shall be the duty of the [Commissioner of Buildings] *Commissioner of Inspectional Services,* or such persons as may be appointed, to approve applications, issue permits and exercise supervision over Electric Signs and Signboards, as defined below, which are constructed, erected, or being maintained under the provisions of this Code.

86.1-3. Inspection Required. It shall be the duty of the [Commissioner of Buildings] *Commissioner of Inspectional Services;* or such persons as are appointed to exercise supervision over all electric signs, signboards and supporting structures erected or maintained under the provisions of this Code.

The [Bureau of Electrical Inspection] *Department of Inspectional Services* under the supervision of the [Commissioner of Buildings] *Commissioner of Inspectional Services,* shall issue permits, make original and subsequent annual inspections of all electric signs, illuminated signboard and such structures as are covered by this Chapter of the Code.

86.1-5. Permit Application. Applications for permits to erect, install or alter signs; or illuminate signboards; or maintain the electrical components of electrical signs shall be made by registered electrical contractors. Where applicable such applications shall be countersigned by bonded sign erectors. Applications for permits to erect, install or alter signboards or structures shall be made by bonded sign erectors. All such applications shall be in such form as is prescribed by the [Commissioner of Buildings] *Commissioner of Inspectional Services.*

86.1-10. Posting of Bonds. Every person erecting, maintaining or removing electric signs, signboards or structures shall submit to the [Commissioner of Buildings] *Commissioner of Inspectional Services,* a bond with surety to be approved by the [Commissioner of Buildings] *Commissioner of Inspectional Services* in the penal sum of twenty-five thousand dollars conditioned that such person shall faithfully comply with all provisions and requirements of this Code with respect to the alteration, location and safety and for the payment of the original permit fees required by this Chapter; and conditioned further to indemnify, save and keep the City and its officials harmless from any claims, damages, liabilities. losses, actions, suits or judgments which may be presented, sustained, brought or obtained against the City or any of its officials because of the maintenance, alteration or removal of any electric sign, signboards or structure, or by reason of any accident, caused by or resulting therefrom.

Individual annual $15,000 bond for each sign will be required on Items (h) and (i) of 86.1-6, except as described in 86.1-14(e). In lieu of such individual annual bond, any person, firm, or corporation owning, leasing, erecting, maintaining, or removing any sign or signs within the description of these items may file with the [Commissioner of Buildings] *Commissioner of Inspectional Services* a certificate of insurance issued by any casualty company authorized to do business in the State of Illinois evidencing coverage in favor of the City of Chicago, its officials, agents or servants, for any and all claims, demands, or suits for personal injury or property damage where the liability alleged against the City of Chicago for such injury or property damage arises out of the provisions of this Chapter. Such certificate of insurance shall provide applicable bodily injury limits of not less than $100,000.00 per person and $300,000.00 per accident and property damage limits of not less than $20,000.00 per accident; and shall further provide that the [Commissioner of Buildings] *Commissioner of Inspectional Services* be given 30 days notice by the insurer prior to any cancellation of the coverage.

86.1-18. Notice of Non-Compliance. Wherever it shall appear to the said [Commissioner] *Commissioner of Inspectional Services* that any such sign or structure has been erected in violation of the provisions of this code or is in an unsafe condition or has become unstable or insecure, or is in such a condition as to be a menace to the safety or health of the public, he shall thereupon issue, or cause to be issued, a notice in writing to the owner of such sign or structure, or person in charge, possession or control thereof, if the whereabouts of such person is known, informing such person of the violation of the provisions of this code or of the dangerous condition of such sign or structure, and directing him to make such alteration or repairs thereto, as shall be necessary to make the same comply with the requirements of this code within such reasonable time as may be stated in said notice.

86.1-19. Posting Non-Compliance Notice. If the owner of such sign or structure or the person in possession, charge or control thereof cannot be found, or his whereabouts cannot be ascertained, the [Comissioner] *Commissioner of Inspectional Services* shall attach, or cause to be attached, to said sign or structure, a notice of same import as that required to be sent to the owner or person in possession, charge or control thereof, when the owner is known; and if such sign or structure shall not have been made to conform to the provisions of this code and placed in a secure, safe and substantial condition, in accordance with the requirements of such notice, within thirty days after such notice shall have been attached to such sign or structure, the [Commissioner of Buildings] *Commissioner of Inspectional Services* may thereupon cause such sign or structure, or such portion thereof as in constructed and maintained in violation of the provisions of this code, to be torn down; provided, however that nothing herein contained shall prevent the [Commissioner of Buildings] *Commissioner of Inspectional Services* from adopting such precautionary measures as may be necessary or advisable in case of imminent danger in order to place such sign or structure in a safe condition, the expense of which shall be charged to and recovered from the owner of such sign or structure, or the person in charge, possession or control thereof, in any appropriate proceedings therefor.

86.1-21. Abandoned Signs. (a) Any illuminated sign, erected over public property, on which the annual inspection fee has not been paid in conformity with all the provisions of this code, shall be declared to be abandoned or a hazard over the public way and the [Department of Buildings] *Department of Inspectional Services* is hereby empowered to remove or cause to be removed, any such abandoned or hazardous illuminated signs.

86.1-22. Removal of Sign. It shall be the duty of the [Department of Buildings] *Department of Inspectional Services* to remove or cause the removal of any sign or structure not in compliance with any of the provisions of this chapter dealing with illuminated sign over public property, and any compensation or inspection fees paid to the City for such sign shall not be refunded.

86.1-23. Revoking of Permit. The [Commissioner of Buildings] *Commissioner of Inspectional Services* shall revoke the permit for any sign being constructed or erected in violation of any of the provisions of this Code.

86.1-24. Stopping of Current. Any person that shall violate any of the provisions of this chapter dealing with illuminated signs on buildings or

structures and not over public property, shall be subject to the penalty provided in Section 86.1-25, and in addition to such penalty, the [Department of Buildings] *Department of Inspectional Services* shall, for the violation of any of those provisions, compel the cutting off or the stopping of electrical current supplied to any electrical equipment on such sign.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

Chapter 104.1 Concerning Public Places of Amusement.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 104.1 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

104.1-4. Each application and all information required to be furnished in connection therewith or a copy thereof shall be referred to the [Commissioner of Buildings] *Commissioner of Inspectional Services,* the director in charge of the bureau of fire prevention, and the superintendent of police. Each officer shall certify to the mayor whether or not the applicant is qualified to receive the license applied for and whether or not the place complies in every respect with the applicable provisions of this code relating to his department. No license shall be issued without approval by the mayor.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

Chapter 129 Concerning Fume and Flammable Compressed Gases.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 129 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

129-7. General. Every fume or flammable compressed gas building shall be without any basement, except such a basement as is permitted for a hazardous chemical storage building.

Fume Hazard Gases. Type IA, IB, IC, II, IIIA, or IIIC construction shall be used for any building in which any fume hazard gas is manufactured, compressed air stored; provided, however, that a building may be of any type of construction permissible respectively for as Industrial Unit or a Storage Unit under the provisions of this Code, where any gas is permitted to be stored or used on the premises. Every such building of Type IIIA, IIIB, IIIC construction should be not more than one story above grade in height and shall have no mezzanine unless such building is equipped throughout with a standard system of automatic sprinklers.

Flammable Compressed Gases. Type IA, IB or IC construction shall be used for any building in which any flammable compressed gas is manufactured, compressed or stored; provided, however, that a building may be of any type of construction permissible respectively for an industrial unit or a storage unit under Chapter 51, where any such gas is permitted to be stored or used on the premises.

Refrigerating Systems. Any mechanical refrigerating system built in accordance with the provisions of Chapter 85 shall be exempt from the provisions of this Section.

Natural and/or Manufacturers Gas Holders. It shall be unlawful to take out of service any gas holders containing flammable compressed gases, or to make any connections thereto within the city without first notifying the [Commissioner of Buildings] *Commissioner of Inspectional Services* twenty-four hours in advance, and without first emptying and purging such gas holders of all explosive gases, and without first making a physical disconnection of all connecting piping, taking out sections thereof to make such disconnections. Before making such repairs, the contents of the gas holders shall be tested and the analysis of the mixture of air or inert gases therein shall be recorded and reported to the [Commissioner of Buildings] *Commissioner of Inspectional Services.* Every such gas holder or tank, containing more than twenty-five hundred cubic feet of gas, shall be inspected at least once every five years by a recognized authority employed by the owner and approved by the [Commissioner of Buildings] *Commissioner of Inspectional Services,* and a report of all such inspections showing the condition of said gas holder or tank, together with a statement of necessary repairs have been made and that said gas holder or tank is in a good and safe condition with an expectancy that this condition will endure for the succeeding term of five years, shall be submitted to the [Commissioner of Buildings] *Commissioner of Inspectional Services.* A non-corrosive metal tag containing the date of every such inspection and approval shall be attached to each such gas holder following every such inspection. The provisions of this paragraph shall not apply to cylinder or containers meeting the requirements of the Interstate Commerce Commission regulations for interstate shipments.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

Chapter 151 Concerning Mason Contractors.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The Municipal Code of Chicago, Chapter 151, Sections 3, 3.1 and 4 are hereby amended by deleting certain language in brackets below and inserting certain languag in Italics below, as follows:

151-1. . . .

151-2. . . .

151-3. An application for a mason contractor's or employing mason's license shall be made to the [board of examiners of mason contractors] *Commissioner, Department of Inspectional Services.* Where the applicant is a firm or corporation, such applicant shall state in writing the name or names of the person or persons connected therewith who will submit to examination as to qualifications. In case such firm or corporation receives a license and thereafter severs its connection with such person or persons, so that no member of said firm or officer of said corporation has qualified as a mason contractor or employing mason as required by this chapter, the license granted to such firm or corporation shall no longer be in force, and such firm or corporation shall be required to make a new application for a license in the same manner as before.

151-3.1 Every applicant for a mason contractor's or employing mason's license shall be at least twenty-one years of age, a citizen of the United States, and a person of good character, all of which shall be vouched for in writing by at least two citizens of this city or shall be verified under oath by the application when required by the [board of examiners] *Commissioner.* No application for a mason contractor's or employing mason's license

shall be filed unless the applicant is approved by the superintendent of police as to the good character of the applicant.

151-4. The applicant shall, at such time and place as the [board of examiners of mason contractors] *Commissioner, Department of Inspectional Services* may designate, undergo such examination as to his qualifications and competency to engage in any of the recognized branches of such business as the said [Board of examiners] *Commissioner, Department of Inspectional Services,* may direct. Said examination shall be made in whole or in part in writing and shall be of a practical and elementary character, sufficiently strict to test the qualifications of the applicant.

151-5. . . .

151-6. . . .

151-7. . . .

151-8. . . .

SECTION 2. This ordinance shall be in full force and effect after December 31, 1979.

Chapter 155 Concerning Motion Pictures.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The Municipal Code of Chicago Chapter 155, Sections 9, 12, 13, 16, 17, 18, 22.1 are hereby amended by deleting certain language in brackets below and inserting certain language in Italics below, as follows:

155-9. An application for said license shall be made to the [board of examiners] *Commissioner, Department of Inspectional Services* of motion picture projection machine operators.

155-10. . . .

155-11. . . .

155-12. Every qualified applicant shall be duly examined by said [board] *Commissioner, Department of Inspectional Services* as to his practical knowledge of the operation and maintenance of motion picture projecting machines and devices. Said examination may be made in whole or in part in writing, and shall be of a practical and elementary character, but sufficiently strict to test the ability of the applicant. If the applicant satisfactorily passes said examination, the applicant shall receive a certificate of competency from said [board] *Commissioner of Inspectional Services.* In the event that said applicant fails to pass the original examination, he shall be entitled to take two additional examinations without further payment. These examinations shall be taken within ninety days from the date of the original examination. If applicant fails to pass the third examination, the fee paid to the Director of Revenue, as provided for in Section 155-11, shall be claimed by said [board] *Commissioner of Inspectional Services,* for the city to defray the cost of examination.

155-13. The said [board] *Commissioner of Inspectional Services* shall have power to adopt such reasonable rules and regulations as to the time and manner of conducting examinations and the requirements thereof as will enable it to ascertain fully the competency and the fitness of each applicant.

155-14. . . .

155-15. . . .

155-16. It shall be unlawful for any person to act as an apprentice to a motion picture projecting machine operator in the handling, repairing, or manipulating of a motion picture projecting machine or device without first obtaining a permit from said [board] *Commissioner of Inspectional Services,* to act as such.

155-17. Said [board] *Commissioner of Inspectional Services,* shall issue such apprentice permit upon the payment of twenty-five dollars to the Director of Revenue, if the applicant for the same is not less than twenty-one years of age and presents to the said [board] *Commissioner of Inspectional Services* a letter from a regularly licensed motion picture projection machine operator and the proprietor of some place of amusement or other enterprise regularly licensed to conduct motion picture shows or to operate motion picture projecting machines or devices. The said letter must state that such applicant for a permit, upon the issuance of such permit, will be regularly employed as an apprentice by the person writing such letter. It shall be the duty of said [board] *Commissioner of Inspectional Services* to pass on the qualifications of all applicants for permits to act as apprentices to licensed operators.

Upon the issuance of such permit, which shall state the place of employment of the holder thereof, the person obtaining the same may act as such apprentice and shall be permitted to enter the booth containing a motion picture projecting machine or device at the designated place of employment, but the operation of such motion picture projection machine or device shall not be conducted by him during an exhibition open to the public.

155-18. An apprentice permit shall not admit the holder thereof into the booth of any motion picture projecting machine or device at any other place except the place of employment designated in said permit, and in case of a change of the place of employment as an apprentice, he shall be required to secure the approval for such change from said board.

Each operator shall notify said [board] *Commissioner of Inspectional Services* promptly in writing on transferring from one place of employment to another.

155-19. . . .

155-20. . . .

155-21. . . .

155-22. . . .

155-22.1. It shall be the responsibility of the chief electrical inspector and the [Board of Examiners of Motion Picture Projecting Machines] *Commissioner of Inspectional Services* to enforce the provisions of Sections 155-8 through 155-25.1. Any violation of said chapter shall be cause to suspend or revoke Entertainment License of said organization and the license of the motion picture projection operator. Such violation shall also be reported to the [Board of Examiners of Motion Picture Operators] *Commissioner of Inspectional Services.*

SECTION 2. This ordinance shall be in full force and effect after December 31, 1979.

Chapter 168 Concerning Second Hand Dealers.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 168 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

168-8. It is hereby declared to be a public nuisance, and it shall be unlawful, for any second-hand dealer to permit any debris, rubbish, dirt, or refuse to be accumulated on his licensed premises or to permit any dense smoke, cinders, dust, gas, or odor which shall be offensive or prejudicial to the health or dangerous to the life of any person to escape from his licensed premises, and the [Commissioner of Buildings] *Commissioner of Inspectional Services* or any officer designated by him shall take necessary action to abate such nuisance.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

—

Chapter 168 Concerning Building Inspections.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 168 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language underlined below:

168-4. It shall be unlawful to engage in the business of a secondhand dealer on any lot fronting on any public way in any block in which one-half of the buildings on both sides of the public way are used exclusively for residence purposes, or within fifty feet of any such public way, without the written consent of a majority of the property owners according to frontage on both sides of such public way. Such frontage consents shall be filed with the [Commissioner of Buildings] *Commissioner of Inspectional Services.*

168-8. It is hereby declared to be a public nuisance, and it shall be unlawful, for any second-hand dealer to permit any debris, rubbish, dirt, or refuse to be accumulated on his licensed premises or to permit any dense smoke, cinders, dust, gas, or odor which shall be offensive or prejudicial to the health or dangerous to the life of any person to escape from his licensed premises, and [The Commissioner of Buildings or any other officer designated by him] *The Bureau of Fire Prevention or any officer designated by the said bureau* shall take necessary action to abate such nuisance.

168-20. An application for said license shall be made in conformity with the general requirements of this code relating to application for licenses. In addition, the applicant shall give the location and description of the premises where such business is to be conducted.

The [Commissioner of Buildings] *Commissioner of Inspectional Services* shall make, or cause to be made, an investigation of the premises described in such application, for the purpose of determining the fitness and suitability of said premises for the conduct of such business from a sanitary standpoint.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

Chapter 48 Concerning Classification of Buildings by Occupancy.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 48 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

48-1. Each occupancy class shall include buildings or parts of buildings as hereinafter defined and those of similar character or use. Whenever there is any uncertainty as to the classification of the building, the [Commissioner of Buildings] *Commissioner of Inspectional Services* shall consult with the [division marshal] *Director* in charge of the Bureau of Fire Prevention and they shall jointly fix the classification within which it falls according to the relative fire hazard involved.

48-8.1. Industrial units designed or used for the manufacturing of generally non-combustible products shall, upon evidence in writing satisfactory to the [Commissioner of Buildings] *Commissioner of Inspectional Services,* be classified as Class G-1, Low Hazard Industrial Units shall include power plants, pumping plants, ice plants and plants for the manufacture and processing of asbestos, clay products, chalk and crayons, glass, ivory, metals, porcelain and pottery, stone and other materials of similar hazard classification.

48-9.1. Storage units designed or used for generally non-combustible goods shall, upon evidence in writing satisfactory to the [Commissioner of Buildings] *Commissioner of Inspectional Services,* be classified as Class H-1, Low Hazard Storage Units. Low Hazard Storage Units shall include buildings used for the storage of asbestos, clay products, chalk, glass, ivory, metals, porcelain or pottery, stone, and materials of similar hazard classification.

48-11. Miscellaneous structures and structures of a temporary character shall be constructed and equipped to meet the requirements of the code commensurate with the fire and life hazard incidental to their us; and where not specifically herein provided for the [Commissioner of Buildings] *Commissioner of Inspectional Services* shall adopt rules and regulations to fix the character of construction in relation to the fire limits and proximity of adjacent structures. Class J. Miscellaneous Buildings and Structures, shall include, among others, the following:

48-12.2 Rooms and spaces normally provided and incidental to the principal use of a building and under the same management and control shall be classified as auxiliary uses and shall not be considered as constituting a mixed occupancy.

Auxiliary uses shall not introduce any unusual hazard or danger unless in the judgment of the [Commissioner of Buildings] *Commissioner of Inspectional Services* such auxiliary use is indispensable to the principal use.

Auxiliary uses shall be limited to a maximum of five per cent (5%) of the area occupied by the principal use, provided however, that the [Commissioner of Buildings] *Commissioner of Inspectional Services* and the [Division Marshal in Charge of the Bureau of Fire Prevention] *Fire Commissioner* may jointly approve auxiliary uses exceeding said five per cent (5%) of the area of the principal use when in their opinion such auxiliary uses do not unduly increase the hazards.

48-21.5. Each occupancy in a building of mixed occupancy shall be separated horizontally and vertically from any adjoining occupancy by construction materials providing fire resistance as established in Table 48-12.5. Separation between Type III School and A.B.C-1, C-2, and E, occupancies may be reduced to one hour subject to the approval of the [Commissioner of Buildings] *Commissioner of Inspectional Services* and [Division Marshal in Charge, Bureau of Fire Prevention] *Fire Commissioner.*

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

Chapter 54 Concerning Assembly Units.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 54 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

54-6.4(f) Tests. Upon completion of the installation, every stage vent and all operating mechanisms and appurtenances shall pass a test conducted by the [Department of Buildings] *Department of Inspectional Services.* The test shall demonstrate that each of the devices for operation and control, required under this section, are properly operative.

54-6.5(f) Proscenium Fire Curtains — Type I Stages where a type I stage in an existing assembly unit has been abandoned for theatrical or similar performances, the [Commissioner of Buildings] *Commissioner of Inspectional Services* and the [Division Marshal in Charge of Fire Prevention] *Fire Commissioner* may jointly approve the mounting of a motion picture screen and its required sound equipment providing:

54-14. The owner, lessee or person in charge of every theater, public assembly unit or open air assembly unit shall submit to the [Department of Buildings] *Department of Inspectional Services* a diagram indicating the arrangement and number of tables, chairs, or seats, and dimensions of dancing space, stages, platforms, aisles and means of exit.

54-15.(a) In every theater, public assembly unit or open air assembly unit and in every room or in any portion of such units which is used as a place of assembly, there shall be conspicuously posted signs indicating the number of persons who may legally occupy such rooms and space. Such signs shall read as follows:

Occupancy by More Than .... Persons
Is Dangerous and Unlawful
[Commissioner of Buildings]
Commissioner of Inspectional Services
City of Chicago

(b) Such signs shall be furnished by the [Department of Buildings] *Department of Inspectional Services* and shall be fifteen inches in width by twelve inches in height. The lettering therein indicating the lawful occupancy shall be of bold gothic type in red on a background of white, shall not be less than one inch in height and the numerals shall be one and one-quarter inches in height, and such lettering and numerals shall be properly spaced to provide good visibility. The fee for each sign so issued shall be thirty dollars up to 300 occupants plus thirty cents for each additional occupant. Thirty dollars for issuance of duplicate cards.

54-16. The number of persons permitted to occupy theaters, public assembly units and open air assembly units shall be as approved by the [Department of Buildings] *Department of Inspectional Services* and shall be in conformity with the provisions of Chapter 48 of this code.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

Chapter 90 Concerning Bureau of Fire Prevention.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The Municipal Code of Chicago Chapter 90 is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

90-2.1. The Fire Commissioner shall cause to be inspected annually all theaters, churches, schools, public assembly units, and open air assembly units; and also all buildings over one story in height, except single dwellings, multiple use buildings consisting of business and dwelling units two stories or less in height, and multiple dwellings three stories less in height, unless such multiple dwellings in lodging or rooming houses with sleeping accommodations for twenty or more persons. Annual Inspections shall be conducted by the [Chief] *Director* of Fire Prevention Bureau and the employees of the Fire Department. It shall be the duty of every owner, agent, lessee or occupant of any such building and of the person in charge or control of the same to permit the making of such annual inspection by the [Chief] *Director* of the Fire Prevention Bureau or by a duly authorized member of the Fire Department at any time upon demand being duly made.

90-2.2. Where the result of such inspection shall show that such building fails in any respect to comply with the building provisions of this code, it shall be the duty of the [Chief] *Director*

of the Fire Prevention Bureau to notify the owner, agent, lessee, or occupant of such buildings of this effect and to specify wherein such building fails to comply with the requirements of the building provisions of this code; and it shall thereupon become the joint and several duty of such owner, agent, lessee, or occupant to proceed forth with to make whatever changes or alterations may be necessary to make such building provisions of this code, and to complete such changes and alterations within fifteen days after the receipt of such notice.

SECTION 2. That Chapter 90 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

90-39. Before installing a permanent fixed liquified petroleum gas tank greater than 2000 gallons individual water capacity or when the aggregate water capacity exceeds 4000 gallons, the owner, lessee or agent of the premises where the tank is to be installed shall file with the Bureau of Fire Prevention a written application for permission to install said tank. The application shall set forth the location of the tank the purpose for which the gas is to be used, the nature of occupancy, the dimensions, specifications and capacity of the tank and such other information as may be required. The application shall have affixed a statement, signed by the installer, stating that the tank, devices, equipment and safety clearances conform to the provisions of this code. Attached to the application shall be a plan, drawn to scale, showing the location of the tank, all adjoining streets, alleys, railroads, building, occupancies and premises within three hundred feet of the tank.

For installation of systems untilizing containers 2000 gallons water capacity or less or 4000 gallons aggregate capacity or less, the following procedure should be followed. A supplier having a valid liquified petroleum gas supplier's certification as hereinafter provided shall file within 3 days with the division marshal in charge of the Bureau of Fire Prevention a certification that the system and its installation complies with the requirements of this code. The system can be filled and used upon the filing of such certification.

If the tank is designed in accordance with the American Society of Mechanical Engineers, Boiler and Pressure Vessel Code, Section VIII Unfired Pressure Vessels, the division marshal shall, upon receiving the application and plat, submit the application to the [Department of Buildings] *Department of Inspectional Services* for Zoning approval, and [to the Department of Environmental Control] for approval of the tank and all equipment subject to pressure.

Upon receipt of the approval of the [Department of Buildings] *Department of Inspectional Services* and [of the Department of Environmental Control] if required, the [division marshal] *Director* shall make, or cause to be made, an inspection of the site where said tank is to be installed to determine whether or not said location provides the safety clearance required by Chapter 129.

Upon satisfactory evidence that the site, tank and equipment as described in the application, specifications and plan conform to the provisions of the chapter, the division marshal shall issue to said applicant a permit for the installation of the tank. Upon the completion of the installation and before any liquified petroleum gas has been put into the tank or container, the installer shall notify in writing the [Department of Environmental Control] *Department of Inspectional Services* and the Bureau of Fire Prevention that the installation is ready for final external inspection. Upon receipt of the reports from the aforesaid Department and the Bureau that the installation has been approved, the [Division Marshal] *Director* shall issue to the owner, lessee or agent or other person in charge of the property, a certificate stating that the installation conforms to the provisions of this code.

The [Department of Environmental Control] *Department of Inspectional Services* shall make an external inspection of each liquified petroleum gas tank and equipment, which they originally approved, every year to determine their satisfactory condition for the purpose for which it is used.

SECTION 3. This ordinance shall be in full force and effect from and after January 1, 1980.

Chapter 46 Concerning Building Inspections

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That Chapter 46 of the Municipal Code of Chicago is hereby amended by striking therefrom certain language appearing in brackets and adding certain language in Italics below:

46-1. The [Commissioner of Buildings] *Commissioner of Inspectional Services and Fire Commissioner* shall cause to be inspected annually or semi-annually, or otherwise, such buildings, structures, equipment, sites, or parts thereof, as shall be provided by this chapter, or as otherwise required in the building provisions of this code.

46-2. The [Commissioner of Buildings] *Fire Commissioner* and his assistants shall make an annual inspection of all theaters, churches, schools, public assembly units, and open air assembly units; and also all buildings over one story in height, except single dwellings, multiple use buildings consisting of business and dwelling units two stories or less in height, and multiple dwellings three stories or less in height, unless such multiple dwellings are lodging or rooming houses with sleeping accommodations for twenty or more persons. It shall be the duty of every

owner, agent lessee, or occupant of any such building and of the person in charge or control of the same to permit the making of such annual inspection by the [Commissioner of Buildings] *Fire Commissioner* or by a duly authorized [building inspector] *fire inspector* at any time upon demand being duly made.

46-4. It shall be the joint and several duty of the owner, agent, lessee, or occupant of every building described in Section 46-2 to provide a typical floor plan of such building reproduced on a sheet eight and one-half by eleven inches in size; provided, however, that no such typical plans shall be required for multiple occupancy buildings which have not been altered or converted into smaller units subsequent to the original construction in buildings not over three stories in height. Said plan shall be drawn on as large a scale as will be practicable on such sheet, and said sheet shall also state the street address of such building and shall give the class of the building, the kind of construction used therein, the height and number of stories contained therein, and the nature of the occupancy. It shall also be the joint and several duty of such owner, agent, lessee, or occupant to deliver a copy of said sheet and plan to the [Commissioner of Buildings] *Fire Commissioner* and to frame a copy of said sheet and place the same near the framed certificate hereinabove required. It shall also be the joint and several duty of the said owner, agent, lessee, or occupant to substitute a new sheet for the sheet on file with the [Commissioner of Buildings] *Fire Commissioner*, and also the sheet framed as above required, whenever such changes or alterations are made in such building as will affect the substantial accuracy of the sheet previously furnished said commissioner and framed as above required.

46-5. Where the result of such inspection shall show that such building fails in any respect to comply with the building provisions of this code, it shall be the duty of the [Commissioner of Buildings] *Commissioner of Inspectional Services and Fire Commissioner* to notify the owner, agent, lessee, or occupant of such building to this effect and to specify wherein such building fails to comply with the requirements of the building provisions of this code; and it shall thereupon become the joint and several duty of such owner, agent, lessee, or occupant to proceed forthwith to make whatever changes or alterations may be necessary to make such building comply in all respects with the requirements of the building provisions of this code, and to complete such changes and alterations within fifteen days after the receipt of such notice.

46-9. The [commissioner of buildings] *commissioner* shall inspect, or cause to be inspected, all buildings to be used for purposes of exhibition, amusement, or entertainment, which are attended by the public, that are within or connected with an amusement park, each year before said buildings are open to the public, for the purpose of ascertaining whether they comply with the provisions of this code and the rules and regulations of the [department of buildings] *department of inspectional services and fire department*. The fee for such annual inspection shall be ten dollars for each building so inspected.

46-10. The [Commissioner of Buildings] *Commissioner of Inspectional Services* shall inspect, or cause to be inspected annually and periodically, all amusement riding devices, mechanisms and structures and such other mechanical structural devices or contrivances which will permit the movement of a person by mechanical means in any direction for amusement where such devices are erected and operated within a building, amusement park, fair or carnivals situated on any lot, tract of land or public way, before said devices will be opened to the public. A fee for each annual inspection of a mechanical amusement riding device in an amusement park, other than coin operated riding device, shall be $50.00.

Where said devices are taken down, removed, re-assembled or re-erected in another location, the [Commissioner of Buildings] *Commissioner of Inspectional Services* shall inspect or cause to be inspected said devices after each removal and before said devices are opened to the public for the purpose of ascertaining whether they comply with the provisions of this code and the rules and regulations of the [Department of Buildings] *Department of Inspectional Services*. No device shall be operated unless they do comply with the provisions of this code and the rules and regulations of the [Department of Buildings] *Department of Inspectional Services*. Load test, where required, shall be performed in the presence of the enforcing authority.

Every permit application for a mechanical amusement riding device shall be accompanied by a certificate of insurance, which will include coverage of the City of Chicago, the [Commissioner of Buildings] *Commissioner of Inspectional Services* and his agents, in an amount of $100,000.00 for any one person and $200,000.00 for any one accident, and filed with the [Commissioner of Buildings] *Commissioner of Inspectional Services*.

A permit as required in Chapter 43-15 for every new or previously unregistered mechanical amusement riding device installed or altered, a fee as provided in Chapter 43-26 shall be paid. Where amusement riding devices are erected within a building above the lowest floor, a plan shall be either made or checked and certified by an architect or structural engineer approving the strength of the floor load.

Every permit application for a mechanical amusement riding device shall be accompanied by a letter from the organization sponsoring the carnival, a letter from the owners of the property where the rides are to be located, an alderman's letter of permission, and a description of the toilet facilities; also a street permit when a mechanical amusement riding device is to be located upon a public way, as required in Chapters 34-49.1, 34-49.2, 34-49.3, 34-49.4, 34-49.5 and 34-50.

Every carnival permit and inspection for a mechanical amusement riding device shall be for a term of not more than 14 days. A renewal of every carnival permit and inspection for a mechanical amusement riding device shall be made every 14 days. A fee as provided in Chapter 43-26 shall be paid.

A permit and inspection for each location shall be required annually for every coin operated mechanical amusement riding device. A fee as provided for in Chapter 43-26 shall be paid.

46-11. Every elevator, movable stage, movable orchestra floor, platform lift, dumbwaiter, or escalator now in operation, or which may hereafter be installed, together with the hoistway and all equipment thereof, shall be inspected under and by the authority of the [Commissioner of Buildings] *Commissioner of Inspectional Services* at least once every six months, and in no case shall any new equipment be placed in operation until an inspection of the same has been made. It shall be the duty of every owner, agent, lessee, or occupant of any building wherein any such equipment is installed, and of the person in charge or control of any such equipment to permit the making of a test and inspection of such elevator, dumbwaiter, or escalator, and all devices used in connection therewith upon demand being made by the [Commissioner of Buildings] *Commissioner of Inspectional Services,* or by his authorized elevator inspector within five days after such demand has been made.

46-12. Whenever any elevator, movable stage, movable orchestra floor, platform lift, dumbwaiter, or escalator has been inspected and the tests herein required shall have been made of all safety devices with which such equipment is required to be equipped and the result of such inspection and tests shows such equipment to be in good condition, and that such safety devices are in good working condition and in good repair, it shall be the duty of the [Commissioner of Buildings] *Commissioner of Inspectional Services* to issue or cause to be issued a certificate setting forth the result of such inspection and tests and containing the date of inspection, the weight which such equipment will safely carry and a statement to the effect that the shaft doors, hoistway, and all equipment, including safety devices, comply with all applicable provisions of Chapter 79 of this code, upon the payment of the inspection fee required by the building provisions of this code. It shall be the joint and several duty of the owner, agent, lessee or occupant of the building in which such equipment is located and of each person in charge or control of such equipment to frame the certificate and place the same in a conspicuous place in each elevater and near each dumbwaiter, movable stage, movable orchestra floor, platform lift, or escalator. The words "safe condition" in this section shall mean that it is safe for any load up to the approved weight named in such certificate.

46-14. Whenever any Elevator Inspector finds any elevator or dumbwaiter, its equipment and hatchway, including doors, or any escalator, movable stage, movable orchestra floor, or platform lift in an unsafe condition, he shall immediately report the same to the elevator inspector in charge, who shall report it to the [Commissioner of Buildings] *Commissioner of Inspectional Services,* together with a statement of all the facts relating to the condition of such equipment. It shall be the duty of the [Commissioner of Buildings] *Commissioner of Inspectional Services,* upon receiving from the elevator inspector in charge a report of the unsafe condition of such equipment and hatchway, including doors, to order the operation of such equipment to be stopped and to remain inoperative until it has been placed in a safe condition and it shall be unlawful for any agent, owner, lessee, or occupant of any building, wherein any such equipment is located, to permit or allow the same to be used after the receipt of a notice from the [Commissioner of Buildings] *Commissioner of Inspectional Services,* which notice is in writing, that such equipment is in an unsafe condition and until it has been restored to a safe and proper condition as required by the building provisions of this code.

46-16. The [Commissioner of Buildings] *Fire Commissioner* shall inspect, or cause to be inspected, all tiers of seats and grandstands each year before the same are opened to the public for the purpose of ascertaining whether they comply with the provisions of this code and the rules and regulations of the [Department of Buildings] *Fire Department.*

46-18. It shall be the duty of the [Commissioner of Buildings] *Commissioner of Inspectional Services* to exercise supervision over all billboards and signboards, other than signs and signboards covered by the provisions of Chapter 86.1 of this Code, erected or being maintained under the building provisions of this Code, and to cause inspection by inspectors in his department of all such billboards and signboards to be made once each year and oftener where the condition of such boards so requires.

46-21. If the owner of such billboard or signboard, or the person in charge, possession, or control thereof cannot be found, or his whereabouts cannot be ascertained, the commissioner shall attach, or cause to be attached to said billboard or signboard, a notice of the same import as that required to be sent to the owner or person in charge, possession, or control thereof, where the owner is known; and if such billboard or signboard shall not have been made to conform to the building provisions of this Code and placed in a secure, safe, and substantial condition, in accordance with the requirements of such notice, within thirty days after such notice shall have been attached to such billboard or signboard, it shall be the duty of the [Commissioner of Buildings] *Commissioner of Inspectional Services* thereupon to cause such billboard or signboard or such portion thereof as is constructed and maintained in violation of the building provisions of this Code to be torn down; provided, however, that nothing herein contained shall prevent the [Commissioner of Buildings] *Commissioner of Inspectional Services* from adopting such precautionary measures as may be necessary or advisable in case of imminent danger in order to place such billboard or signboard in a safe condition, the expense of which shall be charged to and recovered from the owner of such billboard or signboard, or the person in charge, possession, or control thereof in any appropriate proceedings therefor.

46-22. Every person constructing and erecting billboards or signboards shall file with the city clerk a bond, with sureties to be approved by the [Commissioner of Buildings] *Commissioner of Inspectional Services,* in the penal sum of twenty-five thousand dollars ($25,000.00) conditioned that such person shall faithfully comply with all the provisions and requirements of this chapter with respect to the construction, alteration, location, and safety of billboards or signboards and for the payment of the inspection fees required by this chapter, and conditioned further to indemnify, save and keep the city and its officials harmless from any claims, damages, liabilities, losses, actions, suits, or judgments which may be presented, sustained, brought, or obtained against the city or any of its officials because of the construction, maintenance, alteration, or removal of any of the said billboards or signboards, or by reason of any accidents caused by or resulting therefrom.

46-30. The [Commissioner of Buildings] *Commissioner of Inspectional Services* shall make an annual inspection of canopies and marquees attached to buildings or other structures which shall extend into or over any public way or public place.

46-34. Every revolving door now in operation, or which may hereafter be installed, together with all the equipment and mechanism thereof, shall be inspected annually under the authority of the [Commissioner of Buildings] *Commissioner of Inspectional Services.*

46-35. Whenever such inspection shows a revolving door to be in good working order and in compliance with this code, the [Commissioner of Buildings] *Commissioner of Inspectional Services* shall issue, or cause to be issued, a certificate to that effect.

46-40. Every mechanical ventilating system shall be inspected annually by the [Commissioner of Buildings] *Commissioner of Inspectional Services.*

46-42. Every tank or gas holder containing more than twenty-five hundred cubic feet of explosion hazard gases within the city shall be inspected at least once every five years, as required by Chapter 90 under the direction of a building inspector appointed by the [Commissioner of Buildings] *Commissioner of Inspectional Services.*

46-44. Every tank having a capacity of more than two hundred fifty gallons and located above the roof or above the floors of any building, or on any other structure, except as provided by Sections 46-37 to 46-39, 46-42 and 46-43, shall be inspected annually by the [Commissioner of Buildings] *Commissioner of Inspectional Services* as provided by this chapter.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

County Clerks of Cook and Du Page Counties Directed to Reduce Amount of 1979 Tax Levy for City of Chicago on Public Building Commission Revenue Bonds, Series of 1963.

The Committee on Finance submitted a report recommending that the City Council pass the following proposed ordinance transmitted therewith:

WHEREAS, The City of Chicago and the County of Cook, have reallocated the space occupied by each in the Chicago Civic Center, with the consent of the Public Building Commission of Chicago, whereby the County now occupies approximately 80% of the space in said Chicago Civic Center, as contrasted with an approximate 69% occupancy in the original lease of July 1, 1963; and

WHEREAS, There is agreement between the City of Chicago, County of Cook and the Public Building Commission of Chicago, whereby the County of Cook will pay additional rental to the Public Building Commission of Chicago for the increased space, and the Public Building Commission of Chicago will thereupon credit the City of Chicago with said amount paid by the County of Cook; and

WHEREAS, The City of Chicago has by ordinance provided for the levy and collection of a direct annual tax sufficient to pay the annual rental payable under its lease agreement with the Public Building Commission of Chicago dated July 1, 1963, for space in the Civic Center, which space has now been reduced, creating an overpayment by the City, which overpayment is being paid by the County; and

WHEREAS, The 1979 tax levy for Public Building Commission of Chicago, Public Building Revenue Bonds, Series of 1963, is overstated by $1,485,442 plus reserve for loss and cost of collection of taxes of $165,049 for a total of $1,650,491; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The County Clerks of Cook and DuPage Counties, Illinois, be and they are hereby directed and authorized to reduce the total amount of 1979 taxes to be extended for the purpose of providing revenue for the payment of rent for those portions of the Chicago Civic Center allocated for the use of the City of Chicago, by the sum of $1,485,442 plus reserve for loss and cost of collection of taxes of $165,049 or a total tax abatement of $1,650,491 for the year 1979.

SECTION 2. The City Clerk be and he is hereby directed to present to and file with the County Clerks of Cook and DuPage Counties, Illinois, a copy of this ordinance duly certified by said City Clerk.

SECTION 3. This ordinance shall take effect and be in force from and after its passage.

On motion of Alderman Frost the foregoing proposed ordinance was *Passed,* by yeas and nays as follows:

County Clerks of Cook and Du Page Counties Directed to Reduce 1979 Tax Levy for City of Chicago on Public Building Commission Revenue Bonds, Series "B" of 1971.

The Committee on Finance submitted a report recommending that the City Council pass the following proposed ordinance transmitted therewith:

WHEREAS, The City of Chicago entered into a lease dated June 30, 1971, with the Public Building Commission of Chicago for the construction of two (2) Law Enforcement Facilities, 4th Area Police Headquarters and Courts Facility located at S. Kedzie Avenue and W. Harrison Street, and 6th Area Police Headquarters and Courts Facility at W. Belmont and N. Western Avenues, together with

twelve (12) other City Facilities under Public Building Commission of Chicago Building Revenue Bonds, Series "B" of 1971; and

WHEREAS, The City of Chicago did by ordinance provide for the levy and collection of a direct annual tax sufficient to pay the rentals due under said lease, as and when the same became due and payable; said lease and said tax levying ordinance having been filed with the County Clerks of Cook and DuPage Counties; and

WHEREAS, Subsequent to the above events, the City of Chicago approved the Public Building Commission of Chicago entering into a lease with the County of Cook for the exclusive use and occupancy of the Court Facilities in said two (2) Law Enforcement Facilities, whereby the County of Cook will pay rent to the Public Building Commission of Chicago, said rental being approved by the City of Chicago; and the Public Building Commission of Chicago will forthwith give credit to the City of Chicago upon receipt of this rental; and

WHEREAS, In the year 1979, the County has paid the Public Building Commission of Chicago $368,641 in rental for these facilities, and this amount should be abated; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The County Clerks of Cook and DuPage Counties, Illinois, be and they are hereby directed and authorized to reduce the total amount of 1979 Taxes to be extended for the purpose of providing revenue for the payment of rent on behalf of the City of Chicago for Public Building Commission of Chicago Building Revenue Bonds Series "B" of 1971, by the sum of $368,641, plus reserve for loss and cost of collection of $40,960, for a total tax abatement of $409,601 for the year 1979.

SECTION 2. The City Clerk be and he is hereby directed to present to and file with the County Clerks of Cook and DuPage Counties, Illinois, a copy of this ordinance duly certified by said City Clerk.

Authority Granted for Filing of Grant Application with Illinois Law Enforcement Commission for Funds Needed for "Bomb and Arson Control Project".

The Committee on Finance submitted a report recommending that the City Council pass the following proposed ordinance transmitted therewith:

WHEREAS, The Federal Omnibus Crime Control and Safe Streets Act of 1968 authorizes the Law Enforcement Assistance Administration of the United States Department of Justice to make grants of federal funds available to municipalities for the purpose of developing programs and acquiring equipment necessary to facilitate the expanded role of law enforcement in our nation's cities; and

WHEREAS, The Illinois Law Enforcement Commission is the federally designated vehicle for the disbursement to municipalities of the above described federal funding; and

WHEREAS, The Chicago/Cook County Criminal Justice Commission is desirous of submitting an application for such federal funds through the Illinois Law Enforcement Commission for a federal-state grant entitled, "Bomb and Arson Control Project." Said grant to be in the amount of $198,440; and

WHEREAS, Said application for the grant will require a local contribution amounting to approximately $22,049; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That the Mayor of the City of Chicago is hereby authorized to file an application with the Illinois Law Enforcement Commission for the purpose of enabling the Chicago/Cook County Criminal Justice Commission for the program "Bomb and Arson Control Project," said application to provide for a total federal-state grant amounting to $198,440.

SECTION 2. That the Mayor of the City of Chicago is authorized in the making of said application to commit a local contribution for the aforesaid program amounting to $22,049.

SECTION 3. That the Mayor and the Executive Director of the Chicago/Cook County Criminal Justice Commission are authorized to supply assurances, data and any other supportive information necessary and required by the Illinois Law Enforcement Commission or the United States Department of Justice to assist them in the consideration of the said grant application.

SECTION 4. That the Mayor, as the applicant in the aforesaid application, is hereby authorized to accept in and for the City of Chicago and the Chicago/Cook County Criminal Justice Commission any grant which the Illinois Law Enforcement Commission may authorize pursuant to said application.

SECTION 5. This ordinance shall become effective immediately upon its passage.

The following is said ordinance as passed:

WHEREAS, Pursuant to the provisions of Sections 7-80 through 7-84 of The Municipal Code of the City of Chicago, as amended, the City Council of the City has prescribed the procedure to be followed to enable the temporary borrowing of funds in advance of permanent financing to permit interim financing of estimated costs and expenses necessary and incident to the making of public improvements, and has further ordered and directed that the Mayor and the City Comptroller negotiate on behalf of the City of Chicago with financial institutions who may be interested in making such temporary loan in advance of permanent financing for the public improvement; and

WHEREAS, The Mayor of the City of Chicago, and the City Comptroller have negotiated the form of an Agreement to be entered into between the City of Chicago, Illinois, and certain banks to be named by the Mayor and City Comptroller under the terms of which the Financing Agreement has provided that up to June 30, 1982, said banks would commit themselves to loan to the City of Chicago an amount not to exceed $18,000,000 and upon compliance with various terms and conditions as set forth in said Agreement; and

WHEREAS, It is necessary that the terms and conditions of such Financing Agreement be submitted to and approved by the City Council of the City of Chicago, and the execution of such Agreement for and on behalf of the City of Chicago be authorized and directed; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That the Interim Note Financing Agreement providing for the temporary loan to the City of Chicago on or before June 30, 1982, for the temporary financing of public improvements and in the amount of not to exceed $18,000,000, and which Agreement is substantially in the form of the Agreement attached hereto, be entered into between the City of Chicago, Illinois, the banks to be named by the Mayor and City Comptroller with Continental Illinois National Bank and Trust Company of Chicago acting as agent for such Banks and such Agreement be and the same is hereby approved and the same shall be immediately executed for and on behalf of the City of Chicago by being signed by the Mayor of the City and the City Comptroller, be attested by the City Clerk, and the corporate seal of the City be affixed thereto.

SECTION 2. This ordinance shall be in full force and effect immediately and forthwith upon its passage by the City Council and its approval by the Mayor of the City.

Authority Granted for Issuance of Interim Notes Needed for the Purchase of Snow Removal Equipment.

Alderman Stemberk moved to *Reconsider* the foregoing vote. The motion was *Lost.*

The following is said ordinance as passed:

WHEREAS, Section 6(a) of Article VII of the 1970 Constitution of Illinois provides that "any municipality which has a population of more than 25,000 (is) a Home Rule Unit" and the City of Chicago with a population in excess of 3,000,000 is therefore a Home Rule Unit and may, under the power granted by Section 6(a) of Article VII "exercise any power and perform any function pertaining to its government and affairs including, but not limited to, the power to . . . incur debt"; and

WHEREAS, Section 6(d) of Article VII of the 1970 Constitution of Illinois grants constitutional authority for the City of Chicago to incur debt payable from ad valorem property tax receipts maturing within 40 years from the time it is incurred; and

WHEREAS, Section 6(k) of Article VII of the 1970 Constitution of Illinois grants constitutional authority for the City of Chicago to incur debt payable from ad valorem tax receipts without prior referendum approval and without imposing any limitations upon the rate or amount of taxes to be levied for the payment of the indebtedness incurred; and

WHEREAS, It is deemed necessary, essential and in the public interests of the City of Chicago and for the welfare of the inhabitants of said City that certain snow removal equipment be acquired for the use of the Department of Streets and Sanitation of the City of Chicago, such equipment consisting of rubber tired high lifts, tow trucks with wrecker and wrecker bodies, dump trucks with salt spreaders and plows, Bombardier snowmobiles, snow blowers, tandem axel road graders, calcium chloride dispensing systems, diesel powered force-feed loaders, truck chassis with utility bodies, 6 X 4 truck chassis with articulated cranes, 6 X 4 truck chassis with tanker bodies, tow trucks with 40-ton wreckers, flatbed trailers, van-type trucks and gasoline tanks (the "Equipment") for the use of the Department of Streets and Sanitation of the City of Chicago, and necessary in order to provide safe and efficient service to the inhabitants of the City; and

WHEREAS, It has heretofore been determined and is now hereby determined that the estimated cost and expenses of purchasing and acquiring the Equipment and including the amount necessary

to pay the interest accruing on the amount to be borrowed during the period of time necessary for the acquisition of the Equipment, will be not less than $18,000,000 and there are not sufficient funds on hand and available to pay the cost thereof, and it is hereby determined that the purchase and acquisition of the Equipment, as above described, is a public improvement and serves a public purpose, is in the public interest, and is necessary and for the welfare of the government and affairs of the City of Chicago and that the acquisition of the Equipment, as above described, can be permanently financed, wholly or in part, from the proceeds of general obligation bonds to be hereafter authorized and issued by the City of Chicago pursuant to the provisions of Sections 7-58 through 7-65, of Chapter 7 of the Municipal Code of Chicago, as amended, or from the proceeds of general obligation bonds to be hereafter authorized and issued in such manner as may then be provided by law, or from other moneys which may be then on hand and legally available, or from proceeds to be received from taxes to be hereafter duly levied and extended against all taxable property within the City of Chicago; and

WHEREAS, Pursuant to the provisions of Sections 7-80 through 7-84, of Chapter 7 of the Municipal Code of Chicago, as amended, certain procedures were established to permit the temporary borrowing of funds in advance of permanent financing to permit the interim financing of the estimated costs and expenses necessary and incident to the making of public improvements in and for the City of Chicago; and

WHEREAS, An Interim Note Financing Agreement will be entered into between the City of Chicago and a consortium of banks to be named by the Mayor and City Comptroller, such Agreement providing for the temporary borrowing by the City of Chicago from said banks of sums of money for the purpose of financing necessary public improvements and which Agreement by its terms obligates the banks designated therein to make money available to the City for the period from its date to and including June 30, 1982, and which said Interim Note Financing Agreement (hereinafter referred to as "Interim Note Financing Agreement"), sets forth the terms and conditions to be complied with incident to such borrowing and prescribes the form of Interim Note to be issued by the City to evidence such borowing; and

WHEREAS, Pursuant to said Interim Note Financing Agreement, the aggregate amount permitted to be borrowed for the temporary financing of projects is the sum of $18,000,000; and

WHEREAS, It is hereby deemed necessary, and for the best interests of the City, that a temporary loan be secured by the City for the purpose of acquiring the Equipment hereinabove referred to and described and in evidence thereof that an Interim Note or Notes be issued, all as proved for by the provisions of Sections 7-80 through 7-84, Chapter 7 of the Municipal Code of Chicago, as amended, and also as provided in the Interim Note Financing Agreement, as above referred to; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That a public hearing has heretofore been held on this ordinance by the Finance Committee of the City Council, pursuant to a proper notice having been given of such public hearing, such notice describing the subject matter of this ordinance and having been published at least once in the newspaper "Chicago Sun-Times", the same being a newspaper published in and having a general circulation within the City of Chicago, the date of such publication being not less than ten days prior to the date set for said public hearing.

SECTION 2. That pursuant to said public hearing and in accordance with the finding and recommendation of the Finance Committee of the City Council, the making of the public improvement in and for the City and as referred to and described in the preamble hereof be and the same is hereby found and determined to be for a public purpose, is in the public interests and is necessary and for the welfare of the government and affairs of the City, and that the cost of making such public improvement or any part of such costs can be permanently financed from the proceeds of general obligation bonds to be hereafter authorized and issued by the City pursuant to the provisions of Sections 7-58 through 7-65, of Chapter 7 of the Municipal Code of Chicago, as amended, referred to in the preamble hereof, or to be authorized and issued in such other manner as may then be provided by law, or from such other moneys which may then be on hand and legally available, or from proceeds to be received from taxes to be hereafter duly levied and extended against all taxable property within the City, and it is hereby further determined that the purchase and acquisition of the Equipment, as referred to and described in the preamble hereof, be commenced and that the cost and expense of commencing such improvement be paid from a temporary loan to be made pursuant to the Interim Note Financing Agreement referred to in the preamble hereof.

SECTION 3. That the City improvement as herein provided for will provide more efficient, effective and safe maintenance of streets throughout the City by making available to the City the snow removal equipment described in detail above.

SECTION 4. That is hereby determined that the total estimated cost and expense of the making of the public improvement as referred to and described in the preamble hereof, including the interest that will accrue on the amount of the moneys necessary to be borrowed during the period required to complete the purchase and acquisition of the Equipment and the expenses necessary and incidental to such borrowing is not less than the sum of $18,000,000 and such amount be and the same is hereby appropriated for such purpose notwithstanding the provisions of any other resolution or ordinance which may have heretofore been adopted by the City Council.

SECTION 5. That the Mayor and the City Comptroller be and they are hereby authorized and directed to temporarily borrow funds for the making of the public improvement as hereinabove described in the preamble hereof and including all costs and expenses incident thereto and such moneys to be temporarily borrowed pursuant to the provisions of the Interim Note Financing Agreement and also in accordance with the provisions of Sections 7-80 through 7-84, of Chapter 7 of the Municipal Code of Chicago, as amended, the amount of such borrowing to be within the estimated cost of the project as herein set forth and the rate of interest to be paid on such temporary borrowing not to exceed 10% per annum and to be computed in accordance with the applicable provisions contained in said Interim Note Financing Agreement, and pending the application of the proceeds of such Interim Note to the project, the City may, through lawful interfund borrowing, use such proceeds for any lawful purpose of the City, and such monies to be borrowed from time to time as the same may be needed, and in evidence thereof, the full faith and credit Interim Notes of the City be issued such Interim Notes to be executed in the manner, to be dated, to become due, to bear interest at the rates and to be in the form as provided by said Sections 7-80 through 7-84, of Chapter 7 of the Municipal Code of Chicago, as amended, and also as provided in said Interim Note Financing Agreement and also to be responsive to the provisions of this ordinance. That such Interim Note or Notes herein authorized to be issued shall constitute a direct

obligation of the City for the payment of which the full faith and credit of the City is pledged and such Interim Note or Notes shall be paid simultaneously from proceeds to be received from the sale of bonds of the City to be hereafter authorized and issued for the permanent financing of the public improvement herein authorized.

In the event that bonds may not be issued, or may not be issued in an amount sufficient to pay all the costs and expenses of making such public improvement, the City of Chicago covenants and agrees with the holder or holders of such Interim Note or Notes to make payment thereof from any other moneys which may then be on hand and legally available or will provide for the appropriation of moneys and the levy of taxes sufficient to pay such outstanding Interim Note or Notes, both as to principal and interest thereon at its maturity, which taxes shall be duly extended for collection without limit as to rate or amount against all taxable property situated within the City.

SECTION 6. That the provisions of the Interim Note Financing Agreement are in all respects applicable to the public improvement herein authorized and in the Interim Notes to be issued shall be obligations of the City under the terms and conditions of said Agreement and which said terms and conditions of said Agreement are hereby expressly made applicable to the making of such public improvement herein designated as the "Snow Removal Equipment Project" and to the terms and conditions of the Interim Note or Notes to be issued to evidence such temporary borrowing and as provided to be issued in accordance with the terms and provisions of said Sections 7-80 through 7-84, of Chapter 7 of the Municipal Code of Chicago, as amended, and said Interim Note Financing Agreement, all as referred to in the preamble hereof.

SECTION 7. That the proceeds of the Notes hereby authorized shall be expended for the purpose of effecting the purchase and acquisition of the Equipment, as herein provided, the details of the Equipment to be so acquired being shown on the report describing the same prepared by the Department of Streets and Sanitation and the Purchasing Agent of the City of Chicago and which is presently on file in the office of the City Clerk of the City of Chicago, and pending the application of the proceeds of such Interim Note to the project, the City may, through lawful interfund borrowing, use such proceeds for any lawful purpose of the City.

SECTION 8. That all ordinances, resolutions and orders, or parts thereof, in conflict with the provisions of this ordinance, be and the same are hereby repealed and forthwith upon the passage of this ordinance and its approval by the Mayor, the same shall be published by the City Clerk, in pamphlet form, by preparing at least 100 copies of this ordinance, which copies are to be made available in his office for public inspection and distribution to members of the public who may wish to avail themselves of a copy of this ordinance, and this ordinance shall be in full force and effect immediately upon its publication as herein provided.

The following is said ordinance as passed:

WHEREAS, Section 6(a) of Article VII of the 1970 Constitution of Illinois provides that "any municipality which has a population of more than 25,000 (is) a Home Rule Unit" and the City of Chicago with a population in excess of 25,000 is therefore a Home Rule Unit and may, under the power granted by Section 6(a) of Article VII "exercise any power and perform any function pertaining to its government and affairs including, but not limited to, the power to . . . incur debt"; and

WHEREAS, Section 6(d) of Article VII of the 1970 Constitution of Illinois grants constitutional authority for the City of Chicago to incur debt payable from ad valorem property tax receipts maturing within 40 years from the time it is incurred; and

WHEREAS, Section 6(k) of Article VII of the 1970 Constitution of Illinois grants constitutional authority for the City of Chicago to incur debt payable from ad valorem tax receipts without prior referendum approval and without imposing any limitations upon the rate or amount of taxes to be levied for the payment of the indebtedness incurred; and

WHEREAS, It is deemed necessary, essential and in the public interests of the City of Chicago and for the welfare of the inhabitants of said City that the City finance the estimated costs and expenses of operating and maintaining the City of Chicago Sewer System (the "System") and of constructing extension improvements, or both to the System, all of which is necessary in order to provide safe and efficient sewer service to the inhabitans of the City; and

WHEREAS, It has heretofore been determined and is now hereby determined that the estimated cost of such operating and maintenance expenses and such construction will be not less than $30,000,000 and there are not sufficient funds on hand and available to pay the cost thereof, and it is hereby determined that it is necessary and for the welfare of the government and affairs of the City of Chicago that such costs, as above described, be paid; and

WHEREAS, Pursuant to the provisions of Sections 7-99 through 7-102, of Chapter 7 of the Municipal Code of Chicago, as amended, certain procedures were established to permit the borrowing of funds for the purposes as described above; and

WHEREAS, An Interim Note Financing Agreement will be entered into between the City of Chicago and a consortium of banks to be named by the Mayor and City Comptroller, such Agreement providing for the temporary borrowing by the City of Chicago from said banks of sums of money for the purpose of financing such operating and maintenance expenses and necessary public improvements and which Agreement by its terms obligates the banks designated therein to make money available to the City for the period from its date to and including June 30, 1982, and which said Note Financing Agreement (hereinafter referred to as "Note Financing Agreement"), sets forth the terms and conditions to be complied with incident to such borrowing and prescribes the form of Note to be issued by the City to evidence such borrowing; and

WHEREAS, Pursuant to said Note Financing Agreement the aggregate amount permitted to be borrowed for such financing is the sum of $30,000,000; and

WHEREAS, It is hereby deemed necessary, and for the best interests of the City, that a loan be secured by the City for the purpose of paying the costs of such operating and maintenance expenses and such contruction hereinabove referred to and described and in evidence thereof that a Note or Notes be issued, all as provided for by the provisions of Sections 7-99 through 7-102, of Chapter 7 of the Municipal Code of Chicago, as amended, and also as provided in the Note Financing Agreement, as above referred to; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That a public hearing has heretofore been held on this ordinance by the Finance Committee of the City Council, pursuant to a proper notice having been given of such public hearing, such notice describing the subject matter of this ordinance and having been published at least once in the newspaper "Chicago Sun-Times", the same being a newspaper published in and having a general circulation within the City of Chicago, the date of such publication being not less than ten days prior to the date set for said public hearing.

SECTION 2. That pursuant to said public hearing and in accordance with the finding and recommendation of the Finance Committee of the City Council, the financing in and for the City and as referred to and described in the preamble hereof be and the same is hereby found and determined to be for a public purpose, is in the public interests and is necessary and for the welfare of the government and affairs of the City and such costs, as

hereinabove described, shall be paid from a loan to be made pursuant to the Note Financing Agreement referred to in the preamble hereof.

SECTION 3. That the borrowing as herein authorized will provide for the more efficient and economical rendering of sewer services to the residents of the City of Chicago.

SECTION 4. That it is hereby determined that the total estimated costs of paying such operating and maintenance expenses and such construction expenses as referred to and described in the preamble hereof, is not less than the sum of $30,000,000 and such amount be and the same is hereby appropriated for such purpose notwithstanding the provisions of any other resolution or ordinance which may have heretofore been adopted by the City Council.

SECTION 5. That the Mayor and the City Comptroller be and they are hereby authorized and directed to borrow funds for such purposes as hereinabove described in the preamble hereof and including all costs and expenses incident thereto and such moneys to be borrowed pursuant to the provisions of the Note Financing Agreement and also in accordance with the provisions of Sections 7-99 through 7-102, of Chapter 7 of the Municipal Code of Chicago, as amended, the amount of such borrowing to be within the estimated costs as herein set forth and the rate of interest to be paid on such temporary borrowing not to exceed 10% per annum and to be computed in accordance with the applicable provisions contained in said Note Financing Agreement, and pending the application of the proceeds of such Interim Note to the Project, the City may, through lawful interfund borrowing, use such proceeds for any lawful purpose of the City, and such moneys to be borrowed from time to time as the same may be needed, and in evidence thereof, the full faith and credit Notes of the City be issued, such Notes to be executed in the manner, to be dated, to become due, to bear interest at the rates and to be in the form as provided by said Sections 7-.... through 7-...., of Chapter 7 of the Municipal Code of Chicago, as amended, or as provided in said Note Financing Agreement and also to be responsive to the provisions of this ordinance. That such Note or Notes herein authorized to be issued shall constitute a direct obligation of the City for the payment of which the full faith and credit of the City is pledged.

The City of Chicago covenants and agrees with the holder or holders of such Note or Notes to make payment thereof from any moneys which may be on hand and legally available or will provide for the appropriation of moneys and the levy of taxes sufficient to pay such outstanding Note or Notes, both as to principal and interest thereon at its maturity, which taxes shall be duly extended for collection without limit as to rate or amount against all taxable property situated within the City.

SECTION 6. That the provisions of the Note Financing Agreement are in all respects applicable to the borrowing herein authorized and the Notes to be issued shall be obligations of the City under the terms and conditions of said Agreement and which said terms and conditions of said Agreement are hereby expressly made applicable to the terms and conditions of the Note or Notes to be issued to evidence such borrowing and as provided to be issued in accordance with the terms and provisions of Sections 7-99 through 7-102, of Chapter 7 of the Municipal Code of Chicago, and said Note Financing Agreement, all as referred to in the preamble hereof.

SECTION 7. That the proceeds of the Notes hereby authorized shall be expended for the purpose as herein provided, the details of such purposes to be so acquired being shown on the report describing the same prepared by the Department of Water and Sewers of the City of Chicago and which is presently on file in the office of the City Clerk of the City of Chicago, and pending the application of the proceeds of such Interim Note to the Project, the City may, through lawful interfund borrowing, use such proceeds for any lawful purpose of the City.

SECTION 8. That all ordinances, resolutions and orders or parts thereof, in conflict with the provisions of this ordinance, be and the same are hereby repealed and forthwith upon the passage of this ordinance and its approval by the Mayor, the same shall be published by the City Clerk, in pamphlet form, by preparing at least 100 copies of this ordinance, which copies are to be made available in his office for public inspection and distribution to members of the public who may wish to avail themselves of a copy of this ordinance, and this ordinance shall be in full force and effect immediately upon its publication as herein provided.

Alderman Vrdolyak was excused from voting under the provisions of Rule 14 of the Council's Rules of Order.

Action Deferred—ON PROPOSED ORDINANCE AUTHORIZING FILING OF GRANT APPLICATION WITH ILLINOIS LAW ENFORCEMENT COMMISSION FOR PROJECT ENTITLED "MUNICIPAL SECURITY PROJECT".

The Committee on Finance submitted the following report, which was, on motion of Alderman Bertrand and Alderman Frost, *Deferred* and ordered published:

CHICAGO, December 10, 1979.

To the President and Members of the City Council:

Your Committee on Finance to which was referred a communication from the Office of the Mayor transmitting a proposed Ordinance authorizing the Filing of a Grant Application with the Illinois Law Enforcement Commission for a Project entitled "Municipal Security Project" in the amount of $129,750.00 having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Pass* the proposed ordinance transmitted herewith.

This recommendation was concurred in by a viva voce vote of the members of the committee.

Respectfully submitted,
(Signed) WILSON FROST,
Chairman.

The proposed ordinance transmitted with the foregoing committee report reads as follows:

Whereas, The Federal Omnibus Crime Control and Safe Streets Act of 1968 authorizes the Law Enforcement Assistance Administration of the United States Department of Justice to make grants of federal funds available to municipalities for the purpose of developing programs and acquiring equipment necessary to facilitate the expanded role of law enforcement in our nation's cities; and

Whereas, The Illinois Law Enforcement Commission is the federally designated vehicle for the disbursement to municipalities of the above described federal funding; and

Whereas, The Chicago/Cook County Criminal Justice Commission is desirous of submitting an application for such federal funds through the Illinois Law Enforcement Commission for a federal-state grant entitled, "Municipal Security Proj-ect". Said grant to be in the amount of $129,750; and

Whereas, Said application for the grant will require a local contribution amounting to approximately $131,682; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

Section 1. That the Mayor of the City of Chicago is hereby authorized to file an application with the Illinois Law Enforcement Commission for the purpose of enabling the Chicago/Cook County Criminal Justice Commission for the program "Municipal Security Project," said application to provide for a total federal-state grant amounting to $129,750.

Section 2. That the Mayor of the City of Chicago is authorized in the making of said application to commit a local contribution for the aforesaid program amounting to $131,682.

Section 3. That the Mayor and the Executive Director of the Chicago/Cook County Criminal Justice Commission are authorized to supply assurances, data and any other supportive information necessary and required by the Illinois Law Enforcement

Commission or the United States Department of Justice to assist them in the consideration of the said grant application.

Section 4. That the Mayor, as the applicant in the aforesaid application, is hereby authorized to accept in and for the City of Chicago and the Chicago/Cook County Criminal Justice Commission any grant which the Illinois Law Enforcement Commission may authorize pursuant to said application.

Section 5. This ordinance shall become effective immediately upon its passage.

Placed on File—MONTHLY PROGRESS REPORT NO. 390 FROM DEPARTMENT OF PUBLIC WORKS.

The Committee on Finance submitted a report recommending that the City Council *Place on File* report No. 390 received from the Department of Public Works concerning the monthly progress of construction on Sewer Bond Issue Projects for the month of October, 1979.

On motion of Alderman Frost the committee's recommendation was *Concurred In* and said report was *Placed on File.*

COMMITTEE ON BUILDINGS AND ZONING.

Chicago Zoning Ordinance Amended to Reclassify Particular Area Shown on Map No. 2-F.

The Committee on Buildings and Zoning submitted the following report:

CHICAGO, December 6, 1979.

To the President and Members of the City Council:

Your Committee on Buildings and Zoning begs leave to recommend that your Honorable Body *Pass* the proposed ordinance transmitted herewith (referred to Your Committee on September 12, 1979), to amend the Chicago Zoning Ordinance for the purpose of reclassifying particular areas, as follows:

To classify as Business Planned Development instead of a B6-7 Restricted Central Business District, the area bounded by

W. Jackson Boulevard; S. LaSalle Street; W. Van Buren Street; and S. Sherman Street (Map No. 2-F).

This recommendation was concurred in by 12 members of the committee, with no dissenting vote.

Respectfully submitted,
(Signed) EDWARD R. VRDOLYAK,
Chairman.
(Signed) FRED B. ROTI,
Vice-Chairman.

The following is said proposed ordinance, transmitted with the foregoing committee report:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That the Chicago Zoning Ordinance be amended by changing all the B6-7 Restricted Central Business District symbols and indications as shown on Map No. 2-F in the area bounded by W. Jackson Boulevard; S. LaSalle Street; W. Van Buren Street; and S. Sherman Street, to the designation of a Business Planned Development which is hereby established in the area above described, subject to such use and bulk regulations as are set forth in the Plan of Development herewith attached and made a part thereof and to no others.

[Plan of Development printed on pages 1505-1511 of this Journal]

SECTION 2. This ordinance shall be in force and effect from and after its passage and due publication.

On motion of Alderman Vrdolyak the foregoing proposed ordinance was *Passed,* by yeas and nays as follows:

Yeas—Aldermen Roti, Barnett, Kenner, Evans, Bloom, Sawyer, Bertrand, Humes, Shaw, Vrdolyak, Huels, Majerczyk, Madrzyk, Burke, Brady, Barden, McFolling, Kellam, Sheahan, Kelley, Sherman, Stemberk, Lipinski, Shumpert, Marzullo, Nardulli, Ray, Davis, Hagopian, Kuta, Mell, Frost, Marcin, Aiello, Casey, Cullerton, Laurino, Rittenberg, Pucinski, Natarus, Oberman, Young, Clewis, Axelrod, Schulter, Volini, Orr, Stone—48.

Nays—None.

Alderman Natarus moved to *Reconsider* the foregoing vote. The motion was *Lost.*

Action Deferred—ON PROPOSED ORDINANCES FOR AMENDMENT OF CHICAGO ZONING ORDINANCE TO RECLASSIFY PARTICULAR AREAS.

The Committee on Buildings and Zoning submitted the following report which was, on motion of Alderman Vrdolyak and Alderman Roti *Deferred* and ordered published:

CHICAGO, December 6, 1979.

To the President and Members of the City Council:

Your Committee on Buildings and Zoning begs leave to recommend that Your Honorable Body *Pass* twenty-six proposed ordinances (under separate committee reports) transmitted herewith (referred to your committee on July 11, August 10, September 12 and 26, October 10 and 24, and November 15, 1979) to amend the Chicago Zoning Ordinance for the purpose of reclassifying particular areas.

This recommendation was concurred in by 12 members of the committee, with no dissenting vote.

Respectfully submitted,
(Signed) EDWARD R. VRDOLYAK,
Chairman.
(Signed) FRED B. ROTI,
Vice-Chairman.

The following are descriptive summaries of said twenty-six proposed ordinances transmitted with the foregoing committee report:

UNFINISHED BUSINESS.

Authorization for Acceptance of Grant Easement for Facade Preservation on Building Located at Nos. 39-41 E. Schiller St. in Astor Street Landmark District.

On motion of Alderman Frost the City Council took up for consideration the report of the Committee on Finance deferred and published in the Journal of the Proceedings of November 15, 1979, pages 1286-1288, recommending that the City Council pass a proposed ordinance to authorize the acceptance of a grant of easement for facade preservation on a building located at Nos. 39-41 E. Schiller Street in the Astor Street Landmark District.

On motion of Alderman Frost the said proposed ordinance was *Passed*, by yeas and nays as follows:

Yeas—Aldermen Roti, Barnett, Kenner, Evans, Bloom, Sawyer, Bertrand, Humes, Shaw, Vrdolyak, Huels, Majerczyk, Madrzyk, Burke, Brady, Barden, McFolling, Kellam, Sheahan, Kelley, Sherman, Stemberk, Lipinski, Shumpert, Marzullo, Nardulli, Ray, Davis, Hagopian, Kuta, Mell, Frost, Marcin, Aiello, Casey, Cullerton, Laurino, Rittenberg, Pucinski, Natarus, Oberman, Young, Clewis, Axelrod, Schulter, Volini, Orr, Stone—48.

Nays—None.

Alderman Natarus moved to *Reconsider* the foregoing vote. The motion was *Lost*.

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That the Mayor of the City of Chicago is authorized to accept on behalf of the City of Chicago, and the City Clerk is authorized to attest to such acceptance, subject to approval of the Corporation Counsel as to form, grant of interest in property in the nature of a preservation or facade easement for property located at No. 39 and No. 41 East Schiller Street. The grant of easement shall be in substantially the following form:

Grant of Easement made as of the .... day of ....., 1979, by Bank of Ravenswood, a corporation in Illinois, as Trustee under Trust Agreement dated December 26, 1974, and known as Trust No. 1247 ("Grantor").

WITNESSETH:

Whereas, The City Council of the City of Chicago has enacted an ordinance providing for the preservation, protection, enhancement and perpetuation of the districts and buildings which constitute historical or architectural landmarks;

Whereas, Pursuant to said ordinance, the City Council of the City of Chicago has designated the area known as Astor Street as a protected landmark district;

Whereas, Grantor is the record owner of the two adjoining parcels of property (collectively the "Property") and commonly known as No. 39 E. Schiller Street, Chicago, Illinois, and legally described as follows:

The east 73.9 feet of the west 100.0 feet of Lot 35 in Astor's Addition to Chicago in the North Fractional Quarter of Section 3, Township 39 North, Range 14 East of the Third Principal Meridian (except that part of the west 11.4 feet thereof lying below an inclined plane having an elevation of 32.85 feet at the west boundary of said west 11.40 feet and descending in an even slope to an elevation of 28.85 feet on the east boundary of said west 11.40 feet being in relation to Chicago City Datum) in Cook County, Illinois,

and No. 41 East Schiller Street, Chicago, Illinois, legally described as follows:

The east 25.0 feet of the west 125.0 feet of Lot 35 in Astor's Addition to Chicago in the North Fractional Quarter of Section 3, Township 39 North, Range 14 East of the Third Principal Meridian, in Cook County, Illinois.

Whereas, The Property is located within said Astor Street district;

Whereas, Astor Binderton Limited Partnership, an Illinois limited partnership ("Grantee") is the sole beneficiary of Grantor and has a principal interest in the development of the Property;

Whereas, Grantor, Grantee and the City of Chicago desire to preserve the historical, aesthetic, cultural and visual character of the district and to preserve the contribution the Property makes to said district;

Whereas, Grantor and Grantee desire to use the Property in a manner compatible and consistent with the Astor Street district, and in doing so, Grantor and Grantee agree to surrender their right to develop the Property to the fullest extent possible under the existing laws and ordinances;

Whereas, On or about the date hereof, Grantee shall convey to the City of Chicago a Grant of Easement in all major respects identical to the Grant of Easement which is contained herein;

Whereas, The gift and grant of the easement as described herein and in the easement from the Grantee to the City of Chicago will limit the fullest possible development of the Property, will act to preserve and enhance the future usage of the Property within the Astor Street district, and will help to ensure that surrounding parcels within the Astor Street district will have a sufficient supply of air and light;

Whereas, The gift and grant of said easements will limit and diminish the Grantor's and Grantee's estate in the Property and will prevent such future development on the part of Grantor and Grantee as would otherwise maximize Grantor's and Grantee's economic utilization of the Property; and

Whereas, Grantor and Grantee by these gifts and grants seek to limit their estate in the Property in such a way that future development will be consistent and compatible with the uses and visual character of the Astor Street district;

Now, Therefore, in consideration of the foregoing, Grantor hereby covenants as follows:

1. Grantor hereby grants, conveys, and transfers to Grantee, its successors and assigns, a restrictive easement, for the purpose set forth in Paragraph 2, in all that certain part of the Property described in Exhibit "A" attached hereto and made a part hereof (the "Easement Parcel").

2. Grantor, its successors and assigns, shall not construct or make any alterations, additions or improvements, or cause any of same to be done, in any part of the Easement Parcel. However, Grantor reserves in itself, its successors and assigns the right to install a television antenna provided such antenna does not unreasonably extend into the Easement Parcel.

3. Grantor, its successors and assigns, further covenant not to alter, add to, reconstruct or demolish any improvement upon the Property without obtaining all necessary permits and approvals under the applicable laws and ordinances in effect at such time. Grantor further covenants and represents that it will not materially or substantially alter or change the facade of the building commonly known as 41 East Schiller Street, Chicago, Illinois, and lying below Parcel 3 of the Easement Parcel, without first obtaining the consent and approval thereto of the Commission of Chicago Historical and Architectural Landmarks and that it will maintain said facade in at least as good condition as is its present condition.

4. The easement and rights hereby created shall be perpetual in duration. Said easement is in gross, is assignable, and runs with the land as an incorporeal property interest in the property enforceable by Grantee with respect to the Property and the Easement Parcel and against the Grantor and all of Grantor's successors and assigns. This Grant shall also be appurtenant to and shall benefit the publicly owned streets, alleys, and other public rights of way adjacent to the Property.

5. Every person accepting a deed to or other interest with respect to the Property shall be deemed to accept said deed or other interest with the understanding that he is also bound by the provisions herein contained, and every person by acceptance of such deed or other interest shall thereby consent and agree to be bound by the covenants herein contained to the same extent as though he has signed this Grant.

6. Upon any breach of the terms of this Grant by Grantor, or its successors in interest, Grantee shall have the right to order the removal of all alterations, additions, or improvements upon the Easement Parcel. In addition to, but not in limitation or derogation of the foregoing, Grantee may enjoin any breach or enforce any covenant of this Grant by means of an injunction. All rights and remedies of Grantee shall be cumulative and shall be in addition to any other rights and remedies available to Grantee, at law or in equity. All provisions of this Grant shall be enforceable by Grantee without the necessity of Grantee's showing any financial or pecuniary harm to itself or to the public, it being acknowledged by Grantor that a breach of this Grant might possibly adversely affect the Astor Street district.

7. Any failure by Grantee to enforce any provision of this Grant shall not be deemed a waiver of that provision or of any other provision of this Grant.

8. Grantee may terminate this Grant by recording a release in recordable form with directions for delivery of same to Grantor at its last known address, whereupon all rights, duties and liabilities hereby created shall terminate. At the option of Grantee, such instrument may run to "the owner or owners and parties in interest" in the Property.

9. This Grant is executed by Grantor not personally, but solely as Trustee as aforesaid, in the exercise of the power and authority conferred upon and vested in it as Trustee. All the terms, provisions, stipulations, covenants and conditions to be performed by Grantor are undertaken by it solely as Trustee, as aforesaid, and not individually. All statements herein made are made on information and belief and are to be construed accordingly, and no personal liability shall be enforceable against Grantor by reason of any of the terms, provisions, stipulations, covenants and/or statements contained in this Grant.

Nays—Aldermen Bloom, Kelley, Sherman, Davis, Oberman, Young, Orr—7.

The following is said Annual Appropriation Ordinance for the Year 1980 as passed:

THE ANNUAL APPROPRIATION ORDINANCE OF THE CITY OF CHICAGO FOR THE YEAR 1980.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The following sums of money set apart according to departments and other separate agencies of the City Government are appropriated from the respective funds designated in this ordinance for the objects and purposes stated herein to defray necessary expenses and liabilities of the City of Chicago to be paid or incurred during the fiscal year beginning January 1, 1980.

SECTION 2. The estimates of current assets and liabilities as of January 1, 1980, the estimates of the amounts of such assets and of the revenues of 1980 available for appropriation, the amounts appropriated, the objects and purposes of such appropriations and the salary rates of all City officers and employees are shown in detail hereinafter.

SECTION 3. In any appropriation where three asterisks (***) appear immediately after the department code number, expenditures thereunder shall be accounted for under statutory standard accounts, as expended, designating objects and purposes of operation and administration.

SECTION 4. Included in the appropriation for Personal Services in applicable departments, bureaus and agencies is an account appearing as Code No. ".015 Schedule Salary Adjustments" provided for the purpose of implementing the compensation plan for classified city employees adopted by the City Council, the Salary Schedules of which plan, class grades one to twenty-one, both inclusive, are made a part hereof. The amounts set up under account .015 for "Schedule Salary Adjustments" are for the adjustment of Salaries (a) of all employees who are at the entrance rate indicated in the schedule for the grade level of their positions and who after six months of satisfactory service are entitled to a salary increase under Schedule B; (b) of employees who are entitled to adjustments to Intermediate Rates or Maximum Rates prescribed in Schedule B for the grade level of his position after completing the additional periods indicated; and (c) of employees who are entitled to salary adjustments under Schedule C after completing the periods of service specified in said Schedule C; and (d) base salary schedules for uniformed Firefighters and Sworn Police Personnel, as set forth in Schedule D; and (e) Base salary schedules for Registered Nurses as set forth in Schedule S; and (f) Base salary schedules for Physicians and Dentists as set forth in Schedule M; and (g) Base salary schedule for Technical Employees as set forth in Schedule G and defined in the classification and pay plan as adopted by the Personnel Board; and (h) Schedule E Executive Service Salary Plan. The class grade for each class of positions is set forth in Department of Personnel Schedule A as on file at Department of Personnel. The resolution setting forth employee benefits, and the Classification and Compensation plan for city employees, adopted by the City Council, is by reference thereto incorporated herein and made a part hereof.

SECTION 5. The appropriations for liabilities at January 1, 1980, shall not be construed as approval of any such liabilities, but shall be regarded only as appropriations for the payment thereof when they have been found to be valid and legal obligations against the City of Chicago and have been properly vouchered and audited.

SECTION 6. The appropriations herein made for personal services shall be regarded as maximum amounts to be expended from such appropriations. Such expenditures shall be further limited to employment of personnel only as needed, or as may be required by law, not to exceed the specified maximum number designated in this ordinance for any office or position by title. When there is no limitation as to the maximum number that may be employed for any office or position by title, one person may be employed or more than one person may be employed with the approval of the Budget Director and the Comptroller regardless of whether such title is printed in the singular or plural. The salary or wage rate fixed shall be regarded as the maximum salary or wage rate for the respective offices or positions provided that wage rates fixed on a daily, weekly or monthly basis are subject to change by the City Council during the fiscal year in accordance with the prevailing wage rates in private employment for such employees. The salary or wage rates fixed are on a yearly basis unless otherwise indicated. Abbreviations or symbols used in this ordinance are as follows: m. monthly; w. weekly; d. daily; h. hourly; v. visits; p.t. part-time.

No officer or employee shall have the right to demand continuous employment or compensation by reason of any appropriation if upon the determination of the Department Head, his services are not needed and it becomes necessary to lay him off on account of lack of work or lack of funds. In case of a vacancy in any office or position, the head of a department in which the vacancy occurs shall not be required to fill such office or position if, in his judgment and discretion, there is no necessity therefor.

On or before the first day of February 1980, and on or before the first day of August 1980, the head or acting head of each department, commission, or board covered by this ordinance shall file with the City Comptroller for public inspection, a report showing all federal funds received or administered by it during the preceding months of July 1979, through December 1979 and the months of January 1980 through June 1980, respectively, the amounts disbursed, purposes for which disbursements were made and a list of any pending applications for federal grants of credits or funds to his department, commission or board.

The report shall include funds received or administered (1) directly from the Federal Government and (2) from the State of Illinois as a grant or disbursement made out of federal funds or grants.

A department head whose department receives or administers no federal funds shall be deemed to satisfy this requirement by filing a report stating that fact, which report shall be deemed to continue in effect as a continuing report of no federal funds until such time as there is a change.

SECTION 7. Any employee who is required and is authorized to use his personally owned automobile regularly in the conduct of official City business shall be allowed and paid sixteen ($.16) cents per mile allowance for the number of miles per month use of such privately owned automobile, to a maximum amount of One Hundred Fifty Dollars ($150.00) per month.

Estimates of assets and liabilities as of January 1, 1980 and estimates of the amount of such assets and revenues which are appropriable for the year 1980.

DEPARTMENT OF PURCHASES, CONTRACTS AND SUPPLIES

The Department of Purchases, Contracts and Supplies is responsible for all purchasing, including contracts for public works for all City departments, and the Public Library. It exercises general supervision over storerooms, yards and warehouses, and the salvaging of obsolete and usable material. A Board of Standardization establishes standard specifications for items of common usage. The Department operates a reproduction and reprographics center for all city departments and agencies.

GENERAL STORES REVOLVING FUND

The General Stores Revolving Fund is established for the purpose of providing a central agency for the purchase of material and supplies, stationery, postage, printing and miscellaneous items and commodities that are of common or general use in departments or other agencies of the City government; and also for the maintenance of stock in connection therewith for the use and benefit of departments and other agencies of the City government; and the expense for the purchase of which is to be reimbursed from appropriations of City funds.

This account shall be maintained and used subject to the conditions and limitations of Sections 7-24.1 to 7-24.10 of the Municipal Code of Chicago and the conditions and limitations herein set forth.

The charges for the goods or services furnished shall be based upon the average cost or such other basis as shall be approved by the Comptroller.

Expenditures are authorized for purchases for the purposes designated above.

All administrative expense of operating this account shall be paid from appropriations made to the Department of Purchases, Contracts and Supplies.

DEPARTMENT OF HEALTH

The function of the Department of Health is to enforce all laws of the State and ordinances of the City relating to public health. It determines when a disease is epidemic and carries out necessary public health control programs for the protection of citizens. The Department performs the function of planning all aspects of health systems within its jurisdiction.

All City employees under the Workmen's Compensation Act are eligible to receive medical examination and emergency treatment from the Department's Medical Examination and Emergency Treatment section, and all hospital and medical bills for such employees are approved by a physician of the Department of Health. The Department of Health, when requested by heads of bureaus or departments, may visit and examine City employees and report on their physical condition.

BOARD OF HEALTH

It shall be the duty of the Board of Health to be well informed regarding all matters affecting the health of the citizens of Chicago. It shall formulate policies and otherwise advise the Mayor and the Commissioner of Health on all health issues. It shall also be a function of the Board to formulate regulations for the implementation of health ordinances and, when required, to pass emergency regulations.

ELECTRICAL CONSTRUCTION CAPITAL ACCOUNT

The Electrical Construction Capital Account is established for the purpose of constructing, maintaining and repairing street lighting and other public electric facilities, and for the purpose of purchasing and maintaining a stock of material and supplies in connection therewith, the expense of which is to be reimbursed from appropriations of City funds, from funds of other governmental agencies or by private persons.

This account shall be maintained and used subject to the conditions and limitations of Sections 7-24.1 to 7-24.10 of the Municipal Code of Chicago and the conditions and limitations herein set forth.

Charges shall be based on the cost of furnishing construction labor, material and services, rented equipment, engineering labor and any applicable overhead including general and administrative overhead as determined by semi-annual, annual or other periodic rate studies initiated and/or approved by the Chairman of the Committee on Finance, City Comptroller and the Budget Director; further provided that charges for the use of trucks, compressors, mixers and other rolling and mechanical equipment shall be made on a unit rate per day or other unit as shall be determined by the Commissioner of Streets and Sanitation and approved by the Comptroller. Such unit rate or other basis of charge shall be determined and shall be adjusted from time to time on the basis of actual cost for furnishing the use of such equipment, which cost shall include expense incidental to the maintenance, housing and operation of such rolling and mechanical equipment and an appropriate charge for depreciation. The rates or other basis as determined from time to time shall be reported to the Committee on Finance of the City Council showing the various details included as parts of the total rate or other basis.

A reserve for depreciation shall be set up for all charges for depreciation included in the costs. Amounts equivalent to the periodic charges for depreciation shall be transferred from the general cash of the Electrical Construction Capital Account to a depreciation reserve fund and expended therefrom for the replacement of rolling and mechanical equipment.

BUREAU OF ELECTRIC WIRING AND COMMUNICATIONS

ELECTRIC SERVICE CAPITAL ACCOUNT

The Electric Service Account is established for the purpose of purchasing and maintaining a stock of material and supplies used in the installation, maintenance and repair of electrical equipment, communications equipment, and appliances and fixtures, and for the purpose of operation of a communications center, and furnishing services to install, maintain or repair electrical equipment, appliances and fixtures for any department of the City government, including subway lighting but exclusive of City street lighting and police and fire alarm systems under the jurisdiction of the Department of Streets and Sanitation, the expense of which is to be reimbursed from appropriations of City funds, from funds of other governmental agencies or by private persons.

This account shall be maintained and used subject to the conditions and limitations of Sections 7-24.1 to 7-24.10 of the Municipal Code of Chicago and the conditions and limitations herein set forth.

Charges shall be based upon the total definitive direct labor cost (except materials and supplies) plus an overhead rate not to exceed forty per cent plus a rate not to exceed fifteen per cent of the cost of materials and supplies. The overhead rates will be determined by audit and approved by the Chairman of the Committee on Finance, City Comptroller and the Budget Director.

Expenditures are authorized for the following items and are to be charged as overhead expense:

Office supplies and stationery, equipment, tools, instruments and charges and expense for maintaining a stock of material and supplies.

BUREAU OF EQUIPMENT SERVICE

Equipment Service Account

The Equipment Service Account is established for the purpose of maintaining, repairing, housing and operating rolling equipment, such as trucks, tractors, trailers and steam rollers and such other activities as this account may be equipped to furnish.

This account shall be maintained and used subject to the conditions and limitations of Sections 7-24.1 to 7-24.10 of the Municipal Code of Chicago and the conditions and limitations herein set forth.

Charges for the use of such rolling equipment shall be made on a unit rate per day or other unit as shall be determined by the Commissioner of Streets and Sanitation and approved by the Comptroller. Such unit rate or other basis of charge shall be determined and shall be revised and adjusted from time to time on the basis of actual cost for furnishing the use of such equipment which cost shall include expense incidental to the maintenance, housing and operation of such rolling equipment and a reasonable and proper charge for depreciation. The rates or other basis as determined from time to time shall be reported to the Committee on Finance of the City Council showing the various details included as parts of the total rate or other basis.

A complete cost record shall be kept showing the cost of maintaining and repairing the rolling equipment, the charges for depreciation and the cost of operating such equipment by each piece, or by type or group.

A reserve for depreciation shall be set up for all charges for depreciation included in the costs. Amounts equivalent to the periodic charges for depreciation shall be transferred from the general cash of the Equipment Service Account to a depreciation reserve fund and expended therefrom for the replacement of equipment and machinery.

Expenditures from this account are authorized for all expense for material, supplies, fuel, repairs, services and other expense and for maintenance of necessary stock, incident to the maintenance, housing and operation of rolling and other equipment.

Expenditures for salaries and wages are authorized for the following employes, at not to exceed the rate or number specified, for such period of time as may be necessary; including increments for schedule salary adjustments; and for vacation relief for Foremen.

Department of Public Works—*Continued*

PUBLIC WORKS REVOLVING FUND

The Department of Public Works Revolving Fund is established for the purpose of providing architectural, engineering and construction services in connection with projects under the supervision of the Department of Public Works of the City of Chicago for the study, research, design, construction, maintenance, rehabilitation and repair of these facilities, the expense of which is to be reimbursed from appropriations of the City funds, from funds of other governmental agencies, or by private persons.

This account shall be maintained and used subject to the conditions and limitations of Section 7-24.1 to 7-24.10 of the Municipal Code of Chicago and to the conditions and limitations herein set forth.

Charges shall be based on the total cost of furnishing the services including not to exceed forty percent for overhead and incidental expenses, provided that the overhead and incidental expenses, engineering and drafting furniture, machinery and equipment used in the furnishing of services shall be charged for at fair rates as determined by audit and approved by the Chairman of the Committee on Finance, the City Comptroller and the Budget Director. Personnel transferred in this budget to the Public Works Revolving Fund from the former Bureau of Architecture and Building Maintenance shall be limited to an overhead charge of ten percent. Such rates shall be determined and adjusted from time to time on the basis of actual cost of overhead and incidental expense, the cost of furnishing the use of equipment, which cost shall include the expense incidental to the maintenance and operation of such equipment and an appropriate charge for depreciation. Upon approval, the rates or other basis as determined from time to time shall be filed with the Committee on Finance of the City Council showing the various details included as parts of the total rate or other basis.

A reserve for depreciation shall be set up for all charges for depreciation included in the costs. Amounts equivalent to the periodic charges for depreciation shall be transferred from the general cash of the Public Works Revolving Fund to a Depreciation Reserve Fund by the City Comptroller and expended therefrom for the replacement of equipment; including automotive equipment.

Expenditures are authorized for all items as may be necessary, as shall enter into or become a part of the cost of furnishing the services herein authorized.

Expenditures for salaries and wages, and compensation for use of personally-owned automobiles are limited to such positions, such number of positions, and rates of compensation as are specified hereunder, or where no numbers of positions is shown, only one employee may be hired for such position except with the written permission of the Budget Director and the Comptroller.

Additional compensation of twenty-five cents per hour is authorized to be paid to employes during such periods as they may work under compressed air.

Overtime at established rates is authorized to be paid to employes.

BUREAU OF WATER DISTRIBUTION—Continued

WATER DISTRIBUTION REVOLVING FUND

The Water Distribution Revolving Fund is established for the purpose of doing necessary work in connection with paving projects, laying mains under Section 185-17 of the Municipal Code of Chicago, and other work in connection with construction and maintenance of the Water Works Distribution System of the City of Chicago, the expense of which is to be reimbursed from appropriations of City funds, from funds of other governmental agencies or by private persons.

This account shall be maintained and used subject to the conditions and limitations of Sections 7-24.1 to 7-24.10 of the Municipal Code of Chicago and the conditions and limitations herein set forth.

Charges shall be based on the total cost of furnishing the material, services and incidental expense, including overhead at a rate approved by the City Comptroller, provided that machinery, trucks and other equipment used in the furnishing of services shall be charged for at fair rates as established by the department, subject to the approval of the Comptroller; the rates shall be reported to the Committee on Finance of the City Council showing the various details, included as parts of the total rate; and further provided that material charged to other than Water Fund appropriations shall be charged on the basis of average cost, the last purchase price or the known replacement price, whichever is greater.

Expenditures are authorized for all items, as may be necessary, as shall enter into or become a part of the cost of furnishing the services herein authorized.

Expenditures for salaries and wages and compensation for use of personally owned automobiles are limited to such positions, such number of positions, and rates of compensation as are specified in the appropriations for the Water Distribution Division and the employment of the following:

WATER DISTRIBUTION STOCK ACCOUNT

The Water Distribution Stock Account is established for the purpose of maintaining a necessary stock of material and supplies in connection with the Water Distribution System of the City of Chicago, the expense of which is to be reimbursed from appropriations of City funds, from funds of other governmental agencies or by private persons.

This account shall be maintained and used subject to the conditions and limitations of Sections 7-24.1 to 7-24.10 of the Municipal Code of Chicago and the conditions and limitations herein set forth.

The charges for materials and supplies shall be based on the average cost, the last purchase price or the known replacement price, whichever is greater when materials and supplies are furnished to other than Water Fund Appropriations plus an overhead rate not to exceed forty percent to cover administrative, inspection and incidental expense, except that when materials and supplies are furnished to Water Fund Appropriations the charges shall be based on the average cost thereof plus an overhead rate not to exceed forty percent to cover administrative inspection and incidental expense. The overhead rates will be determined by audit and approved by the Chairman of the Committee on Finance, City Comptroller and the Budget Director.

Expenditures are authorized for the purchase of material and supplies and for freight or other transportation charges on material and supplies received.

Expenditures are authorized for all items, as may be necessary, as shall enter into or become a part of the cost of furnishing the services herein authorized.

Expenditures for salaries and wages and compensation for use of personally owned automobiles are limited to such positions, such number of positions, and rates of compensation as are specified in the appropriations for the Bureau of Water Distribution and the employment of the following:

DEPARTMENT OF STREETS AND SANITATION
BUREAU OF STREETS

The Vehicle Tax Fund shall be reimbursed for the total cost of restoring street pavements in connection with street openings and for the inspection thereof, including not to exceed ten per-cent for overhead and incidental expense. The charges therefor shall be in accordance with a standard schedule of rates or upon such other basis as shall be established from time to time by the Commissioner of Streets and Sanitation and approved by the Comptroller.

The rates or other basis as determined from time to time shall be reported to the Committee on Finance of the City Council showing the various details included as parts of the total rate or other basis established.

The salaries and wages of employes when assigned to Motor Fuel Tax projects or to other public work projects payable from other than the Vehicle Tax Fund, together with other expense in connection with such projects, shall be charged directly to the Motor Fuel Tax Fund or other funds made available therefor or shall be reimbursed to the Vehicle Tax Fund.

The Bureau of Streets is responsible for the maintenance and repair of streets and alleys, including curbs and gutters; and the designing and planning of new pavements. The bureau issues permits for use of streets, alleys, sidewalks, including permits for opening of streets by public utilities and others.

ASPHALT PLANT CAPITAL ACCOUNT

The Asphalt Plant Capital Account is established for the purpose of manufacturing and delivering asphalt for street pavements, the expense for which is to be reimbursed from appropriations of City funds or funds of other governmental agencies.

This account shall be maintained and used subject to the conditions and limitations of Sections 7-24.1 to 7-24.10 of the Municipal Code of Chicago and the conditions and limitations herein set forth.

Asphalt and the delivery thereof to jobs shall be made on standard schedules of rates as determined by the Commissioner of Streets and Sanitation and approved by the City Comptroller. The rates as determined from time to time shall be reported to the Committee on Finance of the City Council showing the various details included as parts of the total rate. Such rates shall be revised and adjusted from time to time on the basis of the total cost, including maintenance and depreciation of the asphalt plant buildings and equipment, and plus not to exceed ten per cent for general administrative, overhead and other expense.

Expenditures are authorized for salaries and wages of authorized titles, material and supplies, truck service and other expense incident to the manufacture and delivery of asphalt.

BUREAU OF STREET TRAFFIC

The Bureau determines the need for those improvements of streets and intersections that will facilitate the movement of traffic. It checks engineering designs of such facilities, from the traffic engineering standpoint. It determines the need for, and orders installation of traffic signals, traffic and directional street signs. The Bureau analyzes traffic accident records, develops accident prevention measures, and otherwise promotes traffic safety.

*Includes loss in collection of taxes.

General expense includes appropriations for expenditures for operation, maintenance, ordinary repairs and miscellaneous items of expense, and also includes some amounts classifiable as capital outlay such as engineering and other services on construction projects.

Capital outlay includes appropriations for expenditures for purchase of additional and replacement equipment; permanent improvements including rehabilitation and replacement; purchase of land and expenditures incidental to acquisition of land.

Debt Service includes appropriations for redemption of debt and interest on debt, and for required reserves.

Pension Funds appropriations represents the gross amounts of general property taxes to be levied for the City's contribution to the pension funds without any deduction for loss in the collection of taxes.

Loss in collection of taxes represents the amounts appropriated as a reserve against the gross amount of general property taxes to be levied for potential losses in tax collections.

REPORTS AND COMMUNICATIONS FROM CITY OFFICERS.

Tribute to Late George Halas, Jr.

Honorable Jane M. Byrne, Mayor, on behalf of herself and all the Members of the City Council presented the following proposed resolution:

WHEREAS, Almighty God, in His Infinite Mercy and Wisdom called George Halas, Jr. to his eternal reward on December 16, 1979; and

WHEREAS, Mr. Halas was a well-known and prominent Chicagoan who served as president of the Chicago Bears from 1963 until his death; and

WHEREAS, Mr. Halas was respected among his colleagues for his business acumen and inspired ideals; and

WHEREAS, Mr. Halas also served the Bear organization ably during his impressive tenure as general manager from 1960 to 1975; and

WHEREAS, The Chicago Bears, in a fitting tribute to Mr. Halas, overcame insurmountable odds to clinch a playoff berth on Sunday, December 16, 1979; and

WHEREAS, Mr. Halas, through his organizational skills and foresight, has brought joy and hope to the City of Chicago and to its numerous Bear fans; and

WHEREAS, The energy and accomplishments of Mr. Halas did not begin and end with the Chicago Bears but extended to vocations and causes dedicated to the betterment of the City of Chicago; and

WHEREAS, The citizens of the City of Chicago join with the family of Mr. Halas in a sense of great loss at the passing of George Halas, Jr.; now, therefore,

Be It Resolved, That the Mayor of the City of Chicago, and the Members of its City Council, duly assembled this 20th day of December, 1979, A.D. do hereby express their deepest sympathy at the passing of George Halas, Jr., and do also extend to his family deepest condolences on the occasion of their profound loss; and

Be It Further Resolved, That a suitable copy of this Resolution be prepared and presented to the family of George Halas, Jr.

Alderman Natarus moved to *Suspend the Rules Temporarily* to permit immediate consideration of and action upon the foregoing proposed resolution. The motion *Prevailed.*

On motion of Alderman Natarus (seconded by Alderman Vrdolyak) the forgoing proposed resolution was *Adopted,* unanimously, by a rising vote.

Abatement of Taxes Authorized for Year 1979.

The Committee on Finance submitted a report recommending that the City Council pass the following proposed ordinance transmitted therewith:

WHEREAS, On the 19th day of January, 1979, taxes were duly levied by the City Council of the City of Chicago, Illinois, for the fiscal year 1979, such taxes being levied in the aggregate amount of $372,014,972 for such several purposes as were specifically enumerated in and by such Tax Levy Ordinance, a copy of such Tax Levy Ordinance having been filed with the County Clerk of Cook County; and

WHEREAS, The constitutionality of recently enacted legislation of the legislature of the State of Illinois in which the legislature provided for additional revenues to replace the recently abolished personal property taxes has been upheld by the decision of the Illinois Supreme Court, such decision being entered on November 21, 1979, in the case entitled *Continental Illinois National Bank and Trust Company of Chicago, et al.* v. *James B. Zagel, Director of Revenue, et al.* Docket Nos. 52339, 52366 cons.; and

WHEREAS, As a result of such personal property replacement taxes which will be received, it is necessary and advisable and for the best interests of the City of Chicago, Illinois, that a portion of the taxes heretofore levied for the fiscal year 1979, as above referred to, be abated by the estimated amount which will become available to the City of Chicago from such personal property replacement taxes; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That of the total taxes heretofore levied by the City of Chicago, Illinois, for the fiscal year 1979, for various purposes, there be abated from such taxes and there should be extended for collection, the following:

Supplemental Levy of Taxes Authorized for Year 1979.

The Committee on Finance submitted a report recommending that the City Council pass the following proposed ordinance transmitted therewith:

WHEREAS, On the 19th day of January, 1979, taxes were duly levied by the City Council of the City of Chicago, Illinois, for the fiscal year 1979, such taxes being levied in the aggregate amount of $372,014,972 for such several purposes as were specifically enumerated in and by such Tax Levy Ordinance, a copy of such Tax Levy Ordinance having been filed with the County Clerk of Cook County; and

WHEREAS, The constitutionality of recently enacted legislation of the legislature of the State of Illinois in which the legislature provided for additional revenues to replace the recently abolished personal property taxes has been upheld by the decision of the Illinois Supreme Court, such decisions being entered on November 21, 1979, in the case entitled *Continental Illinois National Bank and Trust Company of Chicago, et al.* v. *James B. Zagel, Director of Revenue, et al.* Docket Nos. 52339, 52366 cons.; and

WHEREAS, As a result of such personal property replacement taxes which will be received, it is necessary and advisable and for the best interests of the City of Chicago, Illinois, that a portion of the taxes heretofore levied for the fiscal year 1979, as above referred to, be abated by the estimated amount which will become available to the City of Chicago from such personal property replacement taxes; and

WHEREAS, As a result of the lost personal property tax total estimated revenues for 1979, including personal property replacement taxes, are inadequate in the amount of $29,010,250; and

WHEREAS, The 1979 budget overestimated revenues in the amount of $24,609,883; and

WHEREAS, It is necessary, in order to avoid a deficit for the fiscal year 1979 to increase the total levy on property by $53,620,133 in addition to the amount levied January 19, 1979; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The sum of Fifty-Three Million Six Hundred Twenty Thousand One Hundred and Thirty-three Dollars ($53,620,133) ascertained by the City Council as the total amount of revenue necessary, together with the amount heretofore levied on January 19, 1979, for the enumerated corporate purposes, is hereby levied for the year 1979 upon all property within the City of Chicago subject to taxation. Said supplemental tax levy shall be in addition to the Three Hundred Seventy-two Million Fourteen Thousand Nine Hundred and Seventy-two Dollars ($372,014,972) levy for all corporate purposes for the year 1979 by ordinance passed January 19, 1979.

SECTION 2. The City Clerk is directed to file certified copies of this ordinance with the County Clerk of Cook County and with the County Clerk of DuPage County.

SECTION 3. This ordinance shall be effective upon its passage.

On motion of Alderman Frost the foregoing proposed ordinance was *Passed,* by yeas and nays as follows:

Alderman Natarus moved to *Reconsider* the foregoing vote. The motion was *Lost.*

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The Municipal Code is hereby amended by adding thereto a new Chapter 18.1, as follows:

18.1-1. There is hereby established an executive department of the municipal government of the City which shall be known as the Department of Neighborhoods. The said department shall embrace the Commissioner of Neighborhoods and such deputies, assistants and other employees as the City Council may provide by annual appropriation ordinance.

18.1-2. There is hereby created the Office of Commissioner of Neighborhoods. The Commissioner shall be appointed by the Mayor, by and with the advice and consent of the City Council.

18.1-3. It shall be the duty of the Commissioner of Neighborhoods to provide information and assistance in response to requests concerning governmental services; to inform the general public of the availability of governmental services and to assist the public in obtaining such services; and to coordinate neighborhood improvement and self-help programs.

18.1-4. In the performance of his duties the Commissioner of Neighborhoods shall consult with community and neighborhood organizations throughout the City, and shall promote communication between such organizations in order to become aware of and assist in the resolution of neighborhood concerns; and shall coordinate programs of such organizations and the various agencies and departments of the City, designed to resolve neighborhood concerns; and shall provide educational services to such organizations and the general public concerning services provided by the City.

18.1-5. The Department of Neighborhoods shall include such divisions as may be necessary to enable the Commissioner of Neighborhoods to perform his duties as herein set forth.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

Chapter 18 of Municipal Code Amended Concerning Establishment of Dept. of Housing.

The Committee on Finance submitted a report recommending that the City Council pass the following proposed ordinance transmitted therewith (referred to the committee on November 15, 1979):

On motion of Alderman Frost the said proposed ordinance was *Passed,* by yeas and nays as follows:

Yeas—Aldermen Roti, Barnett, Evans, Bloom, Sawyer, Bertrand, Humes, Vrdolyak, Huels, Madrzyk, Brady, Barden, McFolling, Kellam, Sheahan, Sherman, Stemberk, Lipinski, Shumpert, Marzullo, Nardulli, Ray, Davis, Hagopian, Kuta, Gabinski, Frost, Marcin, Aiello, Casey, Cullerton, Laurino, Rittenberg, Pucinski, Natarus, Oberman, Young, Clewis, Axelrod, Schulter, Volini, Orr, Stone—43.

Nays—None.

Alderman Natarus moved to Reconsider the foregoing vote. The motion was *Lost.*

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The Municipal Code is hereby amended by deleting in its entirety existing Chapter 18 and substituting therefore new Chapter 18, as follows:

18-1. There is hereby established an executive department of the municipal government of the City which shall be known as the Department of Housing. The said department shall embrace the Commissioner of Housing and such deputies, assistants and other employees as may be provided by annual appropriation ordinance.

18-2. There is hereby created the office of the Commissioner of Housing. The Commissioner shall be appointed by the Mayor, by and with the advice and consent of the City Council.

18-3. It shall be the duty of the Commissioner of Housing to enforce the provisions of Chapter 198.7B, and to supervise and coordinate the formulation and execution of projects and programs affecting housing within the City of Chicago, including projects and programs relating to construction, purchasing, financing, leasing, maintenance, rehabilitation and relocation services, and to render necessary related service, as requested, to the Mayor, the City Council and its committees.

18-4. In the performance of his duties the Commissioner of Housing shall consult with such units and agencies of local, state and federal government, and with such community organizations, labor and business organizations, professional and technical organizations and other groups and agencies as may provide assistance to the Department of Housing in the formulation and execution of the programs herein described.

18-5. The Department of Housing shall include such divisions as may be necessary or desireable to enable the Commissioner of Housing to perform his duties as herein set forth.

18-6. The Commissioner shall have the authority to designate any appropriate citizen participation process and procedure which will ensure the involvement of residents in the activities of the Department. Said process shall include the solicitation of advice, guidance and assistance from residents in the areas of activity in which department is involved.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

Chapter 24 Added to Municipal Code of Chicago Concerning Establishment of Dept. of Public Safety.

The Committee on Finance submitted a report recommending that the City Council pass the following proposed substitute ordinance for an ordinance referred to the committee on November 15, 1979:

On motion of Alderman Frost the said substitute proposed ordinance was *Passed*, by yeas and nays as follows:

Yeas—Aldermen Roti, Barnett, Kenner, Evans, Sawyer, Bertrand, Humes, Vrdolyak, Huels, Madrzyk, Brady, Barden, McFolling, Kellam, Sheahan, Sherman, Stemberk, Lipinski, Shumpert, Marzullo, Nardulli, Ray, Davis, Hagopian, Kuta, Gabinski, Mell, Frost, Marcin, Aiello, Casey, Cullerton, Laurino, Rittenberg, Pucinski, Natarus, Clewis, Axelrod, Schulter, Stone—40.

Nays—Aldermen Bloom, Oberman, Young, Volini, Orr—5.

Alderman Natarus moved to *Reconsider* the foregoing vote. The motion was *Lost*.

The following is said substitute ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The Municipal Code of the City of Chicago is hereby amended by the adoption of a new Chapter 24 as follows:

24.1 There is hereby established an executive department of the municipal government of the City which shall be known as the Department of Public Safety. The Department shall be headed by a Director of Public Safety and shall include a Deputy Director of Public Safety and such other officers and employees as are necessary and for which provision is made in the annual appropriation ordinance.

24.2 The Department of Public Safety shall include a Division of Administration and a division of Operations. All officers and employees of said divisions shall be under the supervision of the Director of Public Safety and shall perform such duties as may be required of them by the Director or by provisions of the Municipal Code of Chicago.

24.3 There is hereby created the office of Director of Public Safety. He shall be appointed by the Mayor by and with the advice and consent of the City Council. He shall have the management and control of all matters and things pertaining to the Department of Public Safety. He shall be the Director of the Emergency Preparedness and Disaster Services Organization and shall also serve as the Coordinator in carrying out the requirements of the Illinois Emergency Services and Disaster Agency Act of 1975.

There is hereby created the office of Deputy Director of Public Safety. He shall be appointed by the Director of Public Safety and shall have authority under and subject to the order, direction, supervision and control of the Director of Public Safety to act for the Director and to perform such duties as may be required of him by the Director. He shall also serve as the Co-Director of the Emergency Preparedness and Disaster Services Organization.

The Director and Deputy Director shall be conservators of the peace within the meaning of Article 3, Section 3-9-4 of the Illinois Municipal Code of 1961 as amended.

24.4 The Department of Public Safety shall have the powers and duties hereinafter enumerated in paragraphs A through F hereof:

A. To coordinate, under direction of the Mayor, activities of the departments of police, fire, health, streets and sanitation, and any other City departments in order to:

1. Preserve law and order and enforce state laws and ordinances of the City; and

2. Investigate acts of arson and other causes of fires; and

3. Plan and develop policies regarding emergency medical services in various City agencies; and

4. Prevent, minimize, repair and alleviate injury or damage resulting from national emergencies or from disasters caused by fire, flood or other catastrophes.

B. To review and coordinate all federal and state public safety programs including, but not limited to, programs of the Law Enforcement Assistance Administration, the Federal Emergency Management Act and the Illinois Law Enforcement Commission.

C. To evaluate public safety programs and policies by keeping abreast of new methods and conducting studies of public safety operations.

D. To receive and act upon recommendations of officers and other personnel within the public safety agencies.

E. To maintain coordination of public safety programs involving activities of all agencies of the City including, but not limited to, the Department of Police, the Fire Department, the Department of Streets and Sanitation and the Department of Health.

F. To confer with officials and community groups to foster public safety.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

Chapters 21 and 198.7B of Municipal Code of Chicago Amended Concerning the Commission on Human Relations.

The Committee on Finance submitted separate reports recommending that the City Council pass two proposed ordinances transmitted therewith, to amend Chapters 21 and 198.7B of the Municipal Code of Chicago concerning the Commission on Human Relations (which were referred to the committee on November 15, 1979).

On separate motions of Alderman Frost, *each* of the proposed ordinances was *Passed,* by yeas and nays as follows:

Yeas—Aldermen Roti, Kenner, Evans, Bloom, Sawyer, Bertrand, Humes, Vrdolyak, Huels, Madrzyk, Barden, McFolling, Kellam, Sheahan, Kelley, Stemberk, Lipinski, Shumpert, Marzullo, Nardulli, Ray, Davis, Hagopian, Kuta, Gabinski, Frost, Marcin, Aiello, Casey, Cullerton, Laurino, Pucinski, Natarus, Oberman, Young, Axelrod, Schulter Volini, Orr, Stone—40.

Nays—None.

The following are said ordinances as passed:

Alderman Natarus moved to *Reconsider* the foregoing vote. The motion was *Lost.*

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Sections 21-49, 21-50 and 21-52 of Chapter 21 are hereby amended by inserting the langauge in Italics and deleting the language bracketed as follows:

21-49. The City Council finds that prejudice and the practice of discrimination against any individual or group because of race, color, sex, creed, national origin or ancestry menace peace and public welfare; that to eliminate such prejudice and discrimination an instrumentality should be established through which the citizens of Chicago may be kept informed of developments in human relations, the officers and departments of the City may obtain expert advice and assistance in ameliorative practices to keep peace and good order and private persons and groups may be officially encouraged to promote tolerance and good will toward all people.

There is hereby established a commission to be known as the commission on human relations consisting of fifteen members, to be appointed by the mayor by and with the advice and consent of the City Council. The mayor shall designate one of the members as chairmen. The members shall be appointed and hold office as follows: five to be appointed for one year, five for two years, and five for three years. Members thereafter appointed or reappointed shall hold office for a term of three years from the date of their appointments and until their successors shall be appointed and qualified. They shall serve without compensation but may be reimbursed for any personal expense incurred in the performance of their duties. [The commission shall appoint, according to law, an executive director and such other persons as are provided for in the annual appropriation ordinance to direct its activities.] *The mayor shall appoint an Executive Director of said commission. The Executive Director shall appoint such other assistants as are provided for in the annual appropriation ordinance to direct the activities of the commission.*

21-50. The Commission shall cooperate with the mayor, City Council, city departments, agencies and officials in securing the furnishing of equal services to all residents, and where the need is greater, in meeting that need with added services; training city employees to use methods of dealing with intergroup relations which develop respect for equal rights and which result in equal treatment without regard to race, color, sex, creed, national origin or ancestry; assuring fair and equal treatment under the law to all citizens; protecting the rights of all persons to enjoy public accommodations and facilities and to receive equal treatment from all holders of licenses, contracts or privileges from the city, and maintaining equality of opportunity for employment and advancement in the city government.

The services of all city departments and agencies shall be made available by their respective heads to the commission at its request. All departments and agencies of the City shall cooperate with the commission, and information in the hands of any department or agency shall be furnished to the commission when requested. Upon receipt of recommendation in writing from the commission, each department or agency shall submit a reply in writing indicating the disposition of and action taken with regard to such recommendations.

The commission shall advise and consult with the Mayor and City Council on all matters involving racial, religious, sex, or ethnic prejudice or discrimination and recommend such legislative action as it may deem appropriate to effectuate the policy of this ordinance. The commission shall render an annual report to the mayor and City Council which shall be published.

21-52. The commission [shall receive and investigate complaints and] may, from time to time, initiate its own investigations of tensions, practices of discrimination and acts of prejudice against any person or group because of race, sex, religion or ethnic origin and may conduct public hearings with regard thereto; carry on research, obtain factual data and conduct public hearings to ascertain the status and treatment of racial, religious and ethnic groups in the city, and the best means of progressively improving human relations in the entire city; and issue such publications and such results of investigations and public hearing and make such recommendations to the mayor and City Council as in its judgment will effectuate the policy of this ordinance.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Chapter 198.7B of the Municipal Code is hereby amended by inserting the language in Italics and deleting the language bracketed as follows:

[Section 1. The Municipal Code of Chicago is hereby amended pursuant to the provisions of the Illinois Constitution of 1970 by deleting in its entirety existing Chapter 198.7B and by substituting therefor new Chapter 198.7B, as follows.]

[Section 2.] *198.7B-1* It is hereby declared the policy of the City of Chicago to assure full and equal opportunity to all residents of the City to obtain fair and adequate housing for themselves and their families in the City of Chicago without discrimination against them because of their race, color, sex, marital status, religion, national origin or ancestry.

[Section 3] *198.7B-2* It is further declared to be the policy of the City of Chicago that no owner, lessee, sublessee, assignee, managing agent, or other person, firm or corporation having the right to sell, rent or lease any housing accommodation, within the City of Chicago, or any agent of any of these, should refuse to sell, rent, lease, or otherwise deny to or withhold from any person or group of persons such housing accommodations because of the race, color, sex, marital status, religion, national origin or ancestry of such person or persons or discriminate against any person because of his race, color, sex, marital status, religion, national origin or ancestry in the terms, conditions, or privileges or the sale, rental or lease of any housing accommodation or in the furnishing of facilities or services in connection therewith.

[Section 4] *198.7B-3* [In order to effectuate this policy and to eliminate as far as legislatively permissible, all forms of discrimination and segregation in the field of housing, it] *It* shall be an unfair housing practice and unlawful for any owner, lessee, sub-lessee, assignee, managing agent, or other person, firm or corporation having the right to sell, rent, lease or sublease any housing accommodation, within the City of Chicago, or any agent of any of these, or any real estate broker licensed as such [by the City of Chicago]:

A. To make any distinction, discrimination or restriction against any person in the price, terms, conditions or privileges of any kind relating to the sale, rental, lease or occupancy of any real estate used for residential purposes in the City of Chicago or in the furnishing of any facilities or services in connection therewith, predicated upon the race, color, sex, marital status, religion, national origin or ancestry of the prospective or actual buyer or tenant thereof.

B. To publish, circulate, issue or display, or cause to be published, circulated, issued or displayed, any communication, notice, advertisement, sign or other writing of any kind relating to the sale, rental or leasing of any residential real property within the City of Chicago which will indicate or express any limitation or discrimination in the sale, rental or leasing of such residential real estate, predicated upon the race, color, sex, marital status, religion, or the national origin or ancestry of any prospective buyer, lessee or renter of such property.

C. To refuse to sell, lease or rent, any real estate for residential purposes within the City of Chicago because of the race, color, sex, marital status, religion national origin or ancestry of the proposed buyer or renter.

D. To discriminate or to participate in discrimination in connection with borrowing or lending money, guaranteeing loans, accepting mortgages or otherwise obtaining or making available funds for the purchase, acquisition, construction, rehabilitation, repair or maintenance of any residential housing unit or housing accommodation in the City of Chicago because of race, color, sex, marital status, religion, or national origin or ancestry.

E. To solicit for sale, lease or listing for sale or lease, residential real estate within the City of Chicago on the ground of loss of value due to the present or prospective entry into any neighborhood of any person or persons of any particular race, color, sex, marital status, religion, or national origin or ancestry.

F. To distribute or cause to be distributed, written material or statements designed to induce any owner or residential real estate in the City of Chicago to sell or lease his property because of any present or prospective change in the race, color, sex, marital status, religion, or national origin or ancestry of persons in the neighborhood.

G. To deliberately and knowingly refuse examination of any listing of residential real estate within the City of Chicago to any person because of race, color, sex, marital status, religion, or national origin or ancestry.

H. To construct, place, maintain or install a "For Sale" sign or "Sold" sign of any shape, size or form on premises located in Residential Districts, zoned R1 through R8 under Chapter 194A of this Code. For purposes of this subsection, the "signs" above mentioned are hereby defined to mean any structure, and all parts composing the same, together with the frame, background or supports therefor which are used for advertising or display purposes, or any statuary sculpture, molding or casting used for advertising or display purposes, or any flags, bunting or material used for display or advertising purposes, including, but not limited to, placards, cards, structures or areas carrying the following or similar words: "For Sale", "Sold", "Open House", "New House", "Home Inspection", "Visitors Invited", "Installed by", or "Built by".

[Section 4.1] *198.7B-4* It shall be an unfair housing practice and unlawful for any owner, lessee, sublessee, assignee, managing agent, or any other person, firm or corporation having the right to sell, rent, lease or sublease any housing accommodation within the City of Chicago, or any agent of these, or any real estate broker licensed as such [in the City of Chicago], to refuse to sell, rent, lease or sublease any such housing accommodation to any blind, deaf or otherwise handicapped person on the grounds that such person is handicapped or that such handicapped person functions with the constant attendance of a guide dog.

[Section 5.] *198.7B-5.* Any owner, lessee, sublessee, assignee, managing agent, or other person, firm or corporation having the right to sell, rent or lease any housing accommodation within the City of Chicago who shall exercise any function of selling, renting, leasing or subleasing any housing accommodation within the City of Chicago shall be deemed subject to all applicable provisions hereof. Any real estate broker [not licensed by the City of Chicago] who shall exercise any function of a real estate broker within the City of Chicago shall be [deemed a broker hereunder and] subject to all applicable provisions hereof.

[Section 6.] *198.7B-6* It shall be the duty of the [Commission on Human Relations] *Commissioner of Housing* to:

A. Initiate or receive and investigate complaints charging unlawful housing practices [;], and seek conciliation of such complaints;

[B. Seek conciliation of such complaints, hold hearings make findings of fact, issue orders and publish its findings of fact and orders in accordance with the provisions of this ordinance and with the ordinance establishing the Commission;]

[C.] *B.* Render from time to time, but not less than once a year, a written report of its activities and recommendations with respect to fair housing practices to the Mayor [and to the City Council]; and

[D.] *C.* Adopt such rules and regulations as may be necessary to carry out the purposes and provisions of this ordinance. *Such rules and*

regulations shall be adopted only after prior notice to the general public and publication of the rules and regulations proposed to be adopted in one or more newspapers of general circulation in the City no fewer than 10 and no more than 30 days prior to the effective date of such rules and regulations. Upon adoption, such rules and regulations shall be maintained on file in the Department of Housing and shall be made available for public inspection during regular business hours.

[Section 7.] *198.7B-7.* Any person aggrieved in any manner by any violation of any provisions of the above ordinance may file a written complaint setting forth his grievance with the [Chicago Commission on Human Relations] *Commissioner of Housing.* Said complaint shall state the name and address of the complainant and of the *person or* persons against whom the complaint is brought and shall also state the alleged facts surrounding the alleged violation of this ordinance.

[Section 8. Said Commission is hereby fully authorized immediately to investigate every such complaint thus filed. If the Commission determines that the respondent has not engaged in any unlawful practice, it shall state its findings of fact in writing and dismiss the complaint. If the Commission determines after such investigation that probable cause exists for the allegations made in the complaint, the Commission shall set a date for a conciliation hearing. At such hearing, the Commission or any member thereof shall interview the complainant and the person or persons against whom the complaint has been directed and shall attempt to resolve the complaint by all proper methods of conciliation and persuasion. If such attempts at conciliation are not successful within sixty days after the date of filing of the complaint, the Commission shall then proceed promptly with full hearing of the complaint.]

[Section 9. Such hearing shall be conducted by the Commission, or any member thereof, upon due and reasonable notice to all parties. The Commission shall have full power to subpoena witnesses and pertinent documents, which power may be enforced by the Commission by proper petition to any court of competent jurisdiction. The Commission shall have power to administer oaths and to take sworn testimony. At the conclusion of the hearings, the Commission shall render a written report and recommendations, which shall be served by mail upon the complainant and the respondent. No report shall be delayed more than sixty days after the date of issuance of notice for commencement of the first hearing.]

198.7B-8. The Commissioner of Housing shall immediately investigate every such complaint thus filed. If after his investigation the Commissioner determines that no respondent has engaged in any practice prohibited by this ordinance, he shall notify all parties to the complaint of his decision, in writing. If the Commissioner determines after his investigation that probable cause exists for the allegations made in the complaint, he shall invite all parties to the complaint to participate in conciliation of all matters alleged in the complaint. At a conciliation hearing the Commissioner shall interview all parties to the complaint and shall attempt to resolve the complaint by all proper methods of conciliation and persuasion.

198.7B-9. If any party refuses to participate in conciliation, or if attempts at conciliation are not successful within 60 days after the date of filing of the complaint, the Commissioner of Housing shall recommend to the Corporation Counsel that an ordinance violation action be taken against the respondent or respondents.

[Section 10. The Commission shall be empowered at the conclusion of such proceedings and as part of its report, to recommend to the Corporation Counsel that an ordinance violation action be taken against any respondent, and, in addition thereto in case of a real estate broker, to recommend to the Mayor of the City of Chicago the suspension or revocation of the broker's license of any broker licensed by the City of Chicago who shall have been a respondent to any proceedings thus filed and found guilty of violation of any applicable provision of the within ordinance. Any broker whose license has been suspended or revoked by the Mayor, or any complainant aggrieved by the decision of the Mayor, shall have full right to appeal from such order of suspension or revocation in accordance with procedure specified in the Administrative Review Act of Illinois. The order of the Mayor shall be final and transmitted to the Commission as part of its record and it shall serve a copy thereof upon the respondent, and any appeal may be taken thereafter.]

[Section 11. In addition thereto, the Mayor may direct the Corporation Counsel to file with the Department of Registration and Education of the State of Illinois a complaint against any real estate broker found guilty of violating any provision of this ordinance, seeking suspension or revocation of the license issued to such broker by the State of Illinois.]

198.7B-10. Wherever used in this ordinance the term "Commissioner of Housing" shall include any deputy or agent of said Commissioner authorized by him to enforce the provisions of this ordinance.

[Section 12.] *198.7B-11.* If any section, subdivision, paragraph, sentence or clause of this ordinance is for any reason to be invalid or unconstitutional, such decision shall not affect any remaining portion, section or part thereof.

[Section 13.] *198.7B-12.* Any owner, lessee, sublessee, assignee, managing agent, or other person, firm, corporation, or real estate broker who shall violate or fail to comply with any of the provisions of this ordinance shall be punished by a fine in any sum not exceeding five hundred dollars ($500.00). Nothing herein contained shall be construed so as to preclude any aggrieved person from pursuing such other and further legal and equitable relief to which he may be entitled.

[Section 14. This ordinance shall take effect from and after ten days from the date of its due passage and publication.]

198.7B-13. The Corporation Counsel shall file with the Department of Registration and Education of the State of Illinois a notice of the conviction of any licensed real estate broker or salesperson found guilty of violating this ordinance.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

Alderman Natarus moved to *Reconsider* the foregoing vote. The motion was *Lost*.

The following are said ordinances as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Chapter 7 of the Municipal Code is hereby amended by adding thereto new Sections 7-7 and 7-8, as follows:

7-7. License fees, inspection fees, permit fees, compensation for franchises and all other payments of money to the city not otherwise specifically provided for shall be paid directly to the city comptroller, and such payments shall be transmitted daily by the city comptroller to the city treasurer. The city comptroller shall establish, maintain and preserve statistical records of revenue, taxes, license and permit fees under each revenue, tax, license or permit measure and to report thereon to the Mayor from time to time, or as often as the Mayor may deem necessary.

7-8. In addition to the other powers conferred on him, the city comptroller shall have the powers enumerated in paragraphs A through F hereof:

A. To administer and enforce all the responsibilities, powers and duties delegated to him in every tax ordinance presently contained in or to be included in the Municipal Code of Chicago; provided, however, that where said tax revenues are now and are continued to be collected by the State of Illinois for and in behalf of the City of Chicago and remitted to the City of Chicago, the Department shall act solely in an advisory capacity with respect to such collections.

B. To succeed to all responsibilities, powers and duties pertaining to the collection of taxes, license fees, inspection fees, permit fees, compensation for franchises, and all other payments of money to the City previously or currently delegated to the Department of Revenue or to the Commissioner of Revenue under provisions of the Municipal Code.

C. To investigate, analyze and propose new revenue programs for the City of Chicago toward the end that revenue, tax, license and permit fee financial burdens may be equitably distributed among the citizens of the City of Chicago.

D. To require the production and examination of books, papers, records and documents pertinent to any tax liability, or license and permit fee, or revenue question as well as to institute investigations, inquiries or hearings consistent with the requirements of due process of law and to take testimony and proof under oath at such hearings.

E. To make and enforce such reasonable rules and regulations as may be necessary to effectively administer any of the powers granted in the Municipal Code. All such rules and regulations shall be adopted only after notice to the general public and publication of the rules and regulations proposed to be adopted in one or more newspapers of general circulation in the City, no fewer than 10 and no more than 30 days prior to the effective date of such rules and regulations. Upon adoption such rules and regulations shall be maintained on file in the Department of Finance and shall be made available for public inspection during regular business hours.

F. To receive, hear and decide all protests and challenges to the determinations of tax liability of any taxpayer and to issue tentative and final determinations of such claims.

SECTION 2. Whatever rights, powers and duties vested in or exercised by any officer, board, commission, institution, or department, or any deputy, inspector, or subordinate officer thereof, are, by this ordinance, transferred either in whole or in part, to or vested in the city comptroller by this ordinance, such rights, powers and duties shall be vested in, and shall be exercised by the city comptroller, and not otherwise, and every act done in the exercise of such rights, powers and duties shall have the same legal effect as if done by the former officer, board, commission, institution or department, or any deputy inspector or subordinate officer thereof. Every person and corporation shall be subject to the same obligations and duties and shall have the same rights, arising from the exercise of such rights, powers, and duties, as if such rights, powers and duties were exercised by the officer, board, commission, department or institution, or deputy, inspector or subordinate thereof. Every person and corporation shall be subject to the same penalty or penalties for failure to perform any such obligation or duty, or for doing a prohibited act, as if such obligation or duty arose from, or such act were prohibited in, the exercise of such right, power or duty arose from, or such act were prohibited in, the exercise of such rights, power or duty pursuant to this ordinance. All books, records, papers, documents, property, real and personal, unexpended appropriations, and pending business in any way pertaining to the rights, powers, and duties so transferred to or vested in the city comptroller by this ordinance, shall be delivered to and transferred to the comptroller.

SECTION 3. This ordinance shall not affect any act done, ratified or confirmed, or any right accrued or established, or any action or proceeding had or commenced in a civil or criminal cause before this ordinance takes effect; but such actions or proceeding may be prosecuted and continued by the department having jurisdiction of the subject matter to which such litigation or proceeding pertains.

SECTION 4. This ordinance shall be in full force and effect from and after January 1, 1980.

—

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The Municipal Code is hereby amended by deleting in its entirety existing Chapter 200.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

CHAPTER 16—DEPARTMENT OF CONSUMER SERVICES

16-1. There is hereby created and established an executive department of the municipal government of the City of Chicago which shall be known as the Department of Consumer Services. The said department shall embrace a Commissioner of Consumer Services and such deputies, assistants, and employees as the City Council may provide by the annual appropriation ordinance.

16-2. There is hereby created the office of Commissioner of Consumer Services. The Commissioner shall be the head of the Department of Consumer Services, and shall have supervision over the said department. The Commissioner shall be appointed by the Mayor, by and with the advice and consent of the City Council.

16-3. All employees of the Department of Consumer Services shall be under the direction and supervision of the Commissioner and shall perform such duties as may be required of them by the Commissioner by the provisions of this code.

16-4. The duties and powers of the Commissioner of Consumer Services shall be as follows:

1. To investigate complaints to ascertain whether any person has engaged in, is engaging in, or is about to engage in, any illegal, fraudulent or other deceptive practices in connection with the sale for cash or on credit or advertisement of any merchandise to any consumer, any practices which violate any law governing or regulating such sales and advertisements, and to report forthwith to the corporation counsel, the state's attorney, the attorney general, and such other governmental agency as may have jurisdiction or an interest in the subject matter, the names and places of business of all persons suspected of having engaged in fraud, false pretense, misrepresentation and other deceptive practices as described herein.

2. To be in control of the administration and enforcement of all ordinances relating to public passenger vehicles and ambulances, and make such investigations as the Commissioner deems necessary for the proper performance of his functions.

3. To adopt such orders, rules and regulations as he may deem expedient for the proper administration and enforcement of the provisions of this code and ordinances governing public chauffeurs and public passenger vehicles and their operation. The Commissioner shall give public notice of any proposed rule or regulation, prior to its effective date, in one or more newspapers of general circulation and in no case shall

the publication be before ten days prior to the effective date of the proposed rule or regulation, or an amendment to any rule or regulation. Such public notice shall include information concerning where the rule or regulation can be reviewed and where comments may be directed. Notice of every such order, rule and regulation shall be given to all persons affected, and copies of all such rules and regulations shall be published and kept on file in the Department.

4. Alderman Natarus moved to *Reconsider* the foregoing vote. The motion was *Lost.*

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The Municipal Code of the City of Chicago is amended by adding a new Chapter 185.1, as follows:

185.1-1. A separate fund is hereby established designated the Sewer Revenue Fund which shall be supported by sewer usage fees established from time to time by the City Council. The revenues of the Sewer Revenue Fund shall be reserved and utilized exclusively for the operation, maintenance, rehabilitation or reconstruction of the sewer system of the City of Chicago.

185.1-2. (a) A charge for sewer service and use of the sewerage system of the City is hereby established. The charge shall be an amount equal to 55% of the amount charged for water service pursuant to Chapter 185 of this Code, whether such water service is metered or otherwise; property which is exempt from payment of a water service charge pursuant to Chapter 185, Section 185-47 of this Code shall not be exempt from payment of a sewer usage fee, but shall pay an amount equal to 55% of the water rate which would be otherwise applicable, but for an exemption pursuant to Chapter 185, Section 185-47.

(b) Those furnished with sewer service only and not connected with, or supplied with water from, the City water supply system shall pay an annual sewer service fee based upon a calculated estimate of the volume of use at the rate established in sub-section (a) hereof.

(c) Those furnished with water service only and not connected with or supplied with sewer service by the City's sewer system shall pay only the water rates and charges established by Chapter 185 of this Code.

(d) Nothing contained in this section shall be deemed to limit the authority of the City of Chicago to negotiate or fix rates, by contract, for users of sewer service outside the City of Chicago.

185.1-3. The rates and charges calculated and applied to the user of service shall be added to and separately recited upon a statement of charges for water consumption and sewer use. Such statement shall be prepared and mailed to the consumer at least every six months. All revenues received in payment of sewer use rates, charges, and penalties shall be deposited to the Sewer Revenue Fund. Whenever any sewer use charges shall remain unpaid after the expiration of ten days from the date of such statement the water supply for the premises so serviced and delinquent shall be subject to termination, and the service shall not be resumed until all sewer bills in arrears shall have been paid, including accrued penalties, and a service fee of twenty-five dollars paid for termination and resumption of water supply service. The superintendent of water collections or his designee shall enforce the provisions of this ordinance.

185.1-4. Charges for sewer service shall be a lien upon the premises served pursuant to the law thereto pertaining. When such charges have been delinquent for a period of sixty days the superintendent of water collections shall cause a statement of lien to be recorded against the premises served and delinquent in the form and manner provided by law. The failure to record such a lien or to mail notice thereof shall not affect the right of the City to foreclose or adjudicate such lien, by an equitable action in accordance with the statutory requirements therefor and in the same manner as provided for water service in Chapter 185, Section 185-45 et seq. The superintendent of water collections shall execute releases of such liens on behalf of the City upon receipt of payment thereof.

SECTION 2. The Commissioner of Sewers is directed to propose to the City Council, on or before June 1, 1980, guidelines for adjustments to the charge imposed by paragraph 185.1-2 herein so that such charge may be made to reflect actual use of the sewerage system; the Commissioner is further directed to consult with appropriate consulting engineers as the Commissioner deems necessary in order to prepare such guidelines.

SECTION 3. (a) The service period of the sewer service charge shall be January 1 through June 30, 1980, and subsequent six-month periods for assessed water accounts, January 1 through February 29, 1980, and subsequent two-month periods for bimonthly metered water accounts, and January 1 through January 31, 1980, and subsequent one-month periods for monthly metered water accounts. Notwithstanding the actual period of water use covered by the billing cycle of an account, the sewer service charge as provided in Section 185.1-2 of the Municipal Code shall be applied at the full rate to the first water bill for any water consumed during the service period and shall be construed to be in payment for sewer service for the appropriate service period as identified above except that all assessed water customers issued a water bill prior to January 1, 1980, for water service to be provided in 1980, shall, prior to May 1, 1980, be issued a bill for sewer service in an amount equal to 55% of the amount charged on that water bill, such bill being construed to be payment for sewer service for the service period January 1 to June 30, 1980.

SECTION 4. This ordinance shall be in full force and effect from and after January 1, 1980, provided that paragraph 185.1-1 set out above shall be in full force and effect from and after passage.

The following are said ordinances as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The Municipal Code is hereby amended by adding thereto new Chapter 8.3, as follows:

8.3-1. There is hereby established an executive department of the municipal government of the City, which shall be known as the Department of Sewers. The said department shall embrace the Commissioner of Sewers and such assistants, engineers and employees as are herein designated and as the City Council may provide by annual appropriation ordinance.

8.3-2. There is hereby created the office of Commissioner of Sewers. He shall be appointed by the Mayor, by and with the advice and consent of the City Council.

8.3-3. It shall be the duty of the Commissioner of Sewers, subject to the provisions hereof and the ordinances of the City to take special charge and superintendence of the following: The operation and maintenance of all sewers and works pertaining thereto and all sewerage permits and licenses; the extension, installation, repair or relocation of sewer pipes, except those installations to be constructed by contract with the City or by the Department of Public Works; the making of recommendations with respect to street grades to the City Council from time to time as the requirements of the City and public improvements being made therein may demand; the establishing of the city bench marks from and referring to city datum and after they have been confirmed by the City Council; the making and keeping of a record of all street grades established by the City Council; the designation from among the corps of engineers in his department of an experienced engineer to be known as the bench engineer whose duty it shall be to establish and record city standard bench monuments and their precise elevations.

8.3-4. The Commissioner of Sewers shall have supervision and control of all matters relating to drains and sewers set forth in Chapter 31 of this code; and he shall have charge of the issuance of all permits for connection with, repairs to, or ex-

tensions of the sewerage system of the City, subject to the restrictions of the provisions of this code.

8.3-5. The Commissioner of Sewers shall keep a record in which he shall enter the names of all persons from whom he may receive money for permits granted for connections for sewers or drains and the amount received from each person, and the time when it was received.

8.3-6. It shall be the duty of the Commissioner to cause the receipts and expenditures of the department to be kept in books of account in such manner as to show the same with entire accuracy and so that the same may be readily understood and investigated. He shall also preserve on file in said department duplicate vouchers of all the expenditures of the department.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Sections 31-1, 31-1.1, 31-1.3, 31-1.9, 31-2, 31-4 and 31-8 of the Municipal Code are hereby amended by inserting the language in Italics and deleting the language bracketed, as follows:

31-1. All sewers and drains in any of the public ways or public places in the city shall be under the charge of the department of [water and] sewers, and they shall be kept in good order and condition and clean and free from obstruction. The commissioner of [water and] sewers shall cause such repairs of the sewers and drains and of the receiving basins, culverts and openings connected therewith, to be made as may from time to time become necessary.

The commissioner of [water and] sewers shall prescribe the mode of piercing or opening any of such sewers or drains, and the form, size and material of the connections made therewith, and shall be authority to grant permission to make lateral connections with such sewers.

31-1.1. No person shall build, construct or lay a sewer by private contract in any public way or connecting with any city sewer, river, lake, canal, slip or waterway in the city unless he first shall have made application to and obtained a permit from the department of [water and] sewers. Such application shall be accompanied by drawings, plans and specifications of the proposed sewer system and must be approved by the [deputy for] *commissioner of* sewers before a permit is issued. He shall also obtain a permit from the department of streets and sanitation authorizing the opening of any public way required for the sewer construction, subject to all of the provisions governing openings in public ways for other purposes.

31-1.3. All sewers laid by private contract in public ways shall be of extra heavy cast iron pipe, vitrified clay pipe, concrete sewer pipe, reinforced concrete sewer pipe, concrete molded in place, segmental vitrified tile, concrete with vitrified tile liners, corrugated wrought iron, or brick. Material used in the construction of culverts shall be subject to the approval of the [deputy for] *commissioner of* sewers. All material used in any sewer system or part thereof shall be free from defects and shall conform to the requirements of this chapter. The material for any sewer to be built by private contract shall be subject to the approval of the [deputy for] *commissioner of* sewers, as to its adaptability to the size and location of the sewer and the nature of the effluent. The abbreviation "A.S.T.M." hereinafter employed refers to the American Society for Testing Materials.

31-1.9. Every sewer laid in any public way must be constructed in strict compliance with the plans and specifications filed in the office of the [bureau] *department* of sewers, and in accordance with this chapter and with the permit issued by that [bureau] *department* and shall not be used for sewage purposes until the same has been approved by the [deputy for] *commissioner of* sewers.

31-2. No sewers or drains shall be laid in any public way and no connection shall be made with any public sewer or drain without the written permission of commissioner of [water and] sewers; nor shall any person drain from any point within the limits of the city into the Chicago river or any of its branches, or into any slip connecting therewith, or into any canal or canals constructed under the authority of said city, without first obtaining a permit for such drainage from the commissioner of [water and] sewers; and said commissioner is hereby authorized to grant such permits and to exact a permit fee therefore to be fixed by said commissioner, which said permit fee shall be equal to an amount sufficient to defray the expense imposed upon the city in consequence of granting such permission. The said permit fee, however, shall not be less than ten dollars for each connection.

31-4. It shall be unlawful for any person to uncover or excavate under or around any public sewer in this city, for any purpose whatsoever, without the written consent of the commissioner of [water and] sewers.

31-8. It shall be unlawful to lay, alter or disturb any part of a house drain or drains, catch basin or strainer of such drain or drains, cesspool or water closet connecting with any public sewer belonging to the city, without having obtained a permit therefore from the commissioner of [water and] sewers. No such permit shall be issued unless the work is to be done by a licensed plumber.

It shall be the duty of any person constructing or using any private drain, sewer, cesspool, water closet pipe or other pipe connecting with or emptying into any public drain or sewer belonging to the city, to construct and use the same strictly in conformity with the orders and directions of the commissioner of [water and] sewers and the board of health.

It shall be the duty of any person using any private drain or house sewer connecting with or emptying into any public sewer belonging to the city to keep said private drain or house sewer in good repair. When any such private drain or house sewer appears to be defective as indicated by a depression or subsidence of the pavement, curb, walk or ground surface above the said private drain or house sewer, the person using it shall promptly make the necessary repairs to said private drain or house sewer after securing permits from the commissioner of [water and] sewers and commissioner of streets and sanitation. If such repairs are not made promptly, the commissioner of [water and] sewers shall notify the person using said private drain or house sewer to make the repairs at once. If such repairs are not made within five days after the date of the notice, the commissioner of [water and] sewers shall make the repairs and collect the entire cost of such repairs from the person using said private drain or house sewer, provided that, if the condition of the private drain or house sewer when uncovered for repairs shows that it had been damaged by the construction or installation of some utility or improvement in the street, the commissioner of [water and] sewers shall collect the cost of said repair from the person or persons or corporation responsible for said damage.

The commissioner of [water and] sewers and his authorized agents shall have free and unobstructed access to any part of any premises where house drains, cesspools or water closets connected with

or draining into the public drains or sewers of the city are laid, for the purpose of examining the construction, condition and usage of the same and making necessary alterations or repairs. Such entry may be made at any time of the day between the hours of seven o'clock a.m. and six o'clock p.m.

No owner, occupant or other person shall refuse to allow any officer of the city, or agent of said commissioner, access to the premises for such purposes.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

The following are said ordinances as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The Municipal Code is hereby amended by deleting in its entirety existing Chapter 8.1 and by substituting therefor new Chapter 8.1, as follows:

8.1-1. There is hereby established an executive department of the municipal government of the City, which shall be known as the Department of Water. The said department shall embrace the Commissioner of Water, and such other assistants and employees as may be provided by annual appropriation ordinance.

8.1-2. There is hereby created the office of Commissioner of Water. He shall be appointed by the mayor by and with the advice and consent of the City Council.

8.1-3. It shall be the duty of the Commissioner of Water, subject to the provisions of this Code, to take special charge and superintendence of the following: the operation and maintenance of the waterworks of the City; the extension, installation, repair or relocation of water pipes, except those installations to be constructed by contract with the City or by the Department of Public Works; the collection of all water rates and fees for use of water and sewers; and the issuance of permits in connection with the waterworks system.

8.1-4. It shall be the duty of the Commissioner to cause the receipts and expenditures of the department to be kept in books of account in such manner as to show the same with entire accuracy and so that the same may be readily understood and investigated. He shall also preserve on file in said department duplicate vouchers of all the expenditures of the department.

8.1-5. The Commissioner of Water shall cause to be opened in the general ledger of the Department of Water two accounts, to be known as the suspense accounts number 1 and number 2. In suspense account number 1 shall be shown the totals of all of the accounts and items which may be ordered transferred under any section relating to frontage rates accounts; and in suspense account number 2 shall be shown the totals of all the items which may be ordered transferred under any section relating to meter rates accounts.

The Commissioner of Water shall provide suitable detailed ledgers, in which the detailed accounts of suspense accounts number 1 and number 2 shall be kept and shown. All accounts affected by order of court and recommendations of the corporation counsel shall come within the scope of this section.

8.1-6. The Commissioner of Water shall, once in each day, report to the City Treasurer all monies received by him, and at the same time pay over to him all such monies, with a statement of the same and to what accounts they belong, and shall take a receipt and duplicate receipt for all monies so paid over.

8.1-7. In all cases where provision is made by this Code that the consent of the Commissioner of Water shall be obtained to authorize any act to be done, he may grant a permit therefor subject to the restrictions of the provisions of this Code in relation thereto.

8.1-8. No account in any book of the Department of Water shall be altered in any manner either by increasing or decreasing the amount assessed, except at the direction of the Commissioner of Water, and only upon written report made by a person so authorized to make reports or read meters.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

136.2-16c Every home shall be open at all reasonable times to inspection by the [Board] *Department* of Health [The Building Department] *the Bureau of Fire Prevention, the Plumbing Inspection Section, Electrical Inspection Section, and Mechanical Equipment Inspection Section—Ventilation of the Department of Inspectional Services* and the Fire Department, as often as is deemed necessary.

SECTION 2. This ordinance shall be in full force and effect from and after January 1, 1980.

Chapter 17 of Municipal Code Amended for Creation of New Chapter 17 Entitled "The Chicago Environmental Control Ordinance".

The Committee on Finance submitted a report recommending that the City Council pass a proposed ordinance transmitted therewith, to authorize amendment of the Municipal Code of Chicago concerning the establishment of a new Chapter 17 (which was referred to the committee on November 15, 1979).

On motion of Alderman Frost the said proposed ordinance was *Passed,* by yeas and nays as follows:

Yeas—Alderman Roti, Kenner, Evans, Bloom, Sawyer, Bertrand, Humes, Vrdolyak, Huels, Madrzyk, Barden, McFolling, Kellam, Sheahan, Kelley, Stemberk, Lipinski, Shumpert, Marzullo, Nardulli, Ray, Davis, Hagopian, Kuta, Gabinski, Frost, Marcin, Aiello, Casey, Cullerton, Laurino, Pucinski, Natarus, Oberman, Young, Axelrod, Schulter, Volini, Orr, Stone—40.

Nays—None.

Alderman Natarus moved to *Reconsider* the foregoing vote. The motion was *Lost.*

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The Municipal Code of Chicago is hereby amended by deleting in its entirety the current Chapter 17 and substituting in its place a new Chapter 17 as set forth in Italics below:

CHAPTER TITLE

17-1. This Chapter shall be known, cited and referred to as "The Chicago Environmental Control Ordinance".

Article 1. Organization

17-1.1 The provisions of this chapter, known as the Chicago Environmental Control Ordinance, shall be enforced by the Commissioner of the Department of Inspectional Services. All duties and powers granted herein shall be exercised by the Commissioner of the Department of Inspectional Services.

17-1.2 Duties of Commissioner

Duties of the Commissioner shall be:

(1) To supervise the execution of all laws, ordinances, rules and regulations pertaining to environmental control as provided in this chapter;

(2) To institute necessary proceedings to prosecute violations of this chapter and to compel the prevention and abatement of the issuance of smoke or gases, solids or liquids or other matter causing air or water pollution, noise or earthshaking vibrations and nuisances arising therefrom;

(3) To examine and approve the plans of fuel-burning, combustion or process equipment or devices, furnaces, and smoke prevention, air pollution, water pollution and noise control devices installed, constructed, reconstructed, repaired or added to in any building, location or on any premises within the City of Chicago as herein provided to assure that they are in accordance with the requirements of this chapter;

(4) To make inspections of newly installed, constructed, reconstructed, repaired or altered fuel-burning, combustion or process equipment or devices, furnaces, and smoke prevention, air pollution, water pollution and noise control devices and to make annual or periodic inspections to determine whether compliance is being had with the provisions of this chapter;

(5) To investigate complaints of violations of this chapter and to make inspections and observations of environmental conditions;

(6) To encourage and conduct studies, investigations and research relating to the physical, chemical, engineering and meteorological aspects of environmental control, as he may deem advisable and necessary;

(7) To develop plans and proposals for joint cooperative investigation and research with the public and private agencies and organizations on methods for eliminating or reducing air and water pollution and noise and vibrations;

(8) To enlist voluntary cooperation by the public, municipalities, counties, communities, and civic, technical, scientific and educational societies;

(9) To advise, consult and cooperate with other agencies of the state and federal governments in the furtherance of the purposes of this chapter;

(10) To collect, publish and disseminate appropriate educational literature and other information to the public for the purpose of advising of the necessity, purpose and methods for air and water pollution prevention and securing cooperation in the reduction of emission of smoke, air pollution, water pollution and noise and vibrations;

(11) To make all need for rules and regulations, with the advice and consent of the Advisory Committee, necessary or proper to accomplish the purposes of this chapter, and to promulgate and publish with the advise and consent of the Advisory Committee, a Code of Recommended Practices under which this chapter is to be administered, providing with clarity and in detail the necessary information by which the public is to be guided, as may be deemed necessary or advisable, not inconsistent with the provisions of this chapter with respect to any requirements of such chapter; and, with the advice and consent of the Advisory Committee to establish standards of quality and to regulate the application of material and combination of materials not inconsistent with the provisions of this chapter; and to determine, with the advice and consent of the Advisory Committee, a specified volume ratio or other suitable index of various pieces, types or classes of equipment in each industry; and with the advice and consent of the Advisory Committee, to establish standards of limitation on the emission or escape into the atmosphere, water or earth of any acids, fumes, oxides, gases, vapors, odors, dusts, radio-active substances, sound or vibration, waste or other solid, liquid or gaseous matter which in specified concentrations or levels in the atmosphere, earth or water may be or become noxious, obnoxious or toxic. He shall not enact any rule, regulation or standard until he first holds a public hearing thereon, at which time all interested persons may appear. He shall give not less than 10 days' notice of the time and place of such hearing by publication in a newspaper of general circulation published within the city, and he shall recommend to the City Council in writing any standards on the basis of which the basic limitation of emission of pollutants or other matter or energy may be determined or adjusted. If and when the City Council, by ordinance, approves such rules, regulations or standards, they shall take effect and be incorporated by reference into this chapter; provided, however, the Commissioner shall have the power to make reasonable administrative and procedural regulations or rules interpreting or clarifying the requirements which are definitely prescribed in this chapter, without notice or hearing.

The Department shall publish in a convenient form and as a unit the provisions of this chapter, the Code of Recommended Practices and rules, regulations and standards which have been adopted. A copy of the same shall be kept always on file in the offices of the Department, the City Clerk and the Municipal Reference Library;

(12) To prepare and maintain records of all orders issued by the Department and the Appeal Board;

(13) To issue all permits, certificates, notices or other matters required under the provisions of this chapter; and to notify all persons concerned of any decision he may render and to provide such persons with an opportunity to be heard as herein set forth;

(14) To investigate and make recommendations from time to time to the City Council with respect to needed additions or revisions of this chapter or any other ordinance pertaining to environmental control;

(15) To do any and all other acts which may be necessary for the successful prosecution of the purposes of this chapter and such other acts as may be specifically enumerated herein as his duties;

(16) To prepare recommendations to be approved by the City Council for the designation of noise sensitive zones which contain noise sensitive activities. Existing quiet zones shall be considered noise sensitive zones until otherwise designated. Noise sensitive activities include, but are not limited to, operations of schools, libraries open to the public, churches, hospitals and nursing homes;

(17) To initiate proceedings to bring about the summary abatement of pollution sources which pose an imminent and serious threat to the health and welfare of the people or which constitute a public nuisance as herein defined.

17-1.3 Supplies

The city shall provide such instruments, books, papers and equipment as shall be necessary for the proper performance of the duties of the Department, which shall be the property of the city, and which shall be delivered by the Commissioner to his successor in office.

17-1.4 Environmental Control Committee

There is hereby established an Advisory Committee to consult with, assist and advise the Commissioner of the Department of Inspectional Services on all matters relating to the jurisdiction and responsibility of the Department. The Advisory Committee shall consist of eight members—one member shall be the Commissioner of the Department of Inspectional Services—one member shall be the Commissioner of Streets and Sanitation—one member shall be the Commissioner of the Department of Water—one member shall be the Commissioner of the Department of Health—one member shall be the Commissioner of the Department of Sewers —and three members shall be appointed by the Mayor from the community at large. All shall be residents of the City of Chicago.

The committee shall:

(1) Aid and advise the Commissioner with respect to obtaining the active support and cooperation of industry, commercial enterprises, municipal and governmental agencies and other organizations interested in or affected by the provisions of this chapter;

(2) Advise and consult with the Commissioner with respect to amendments to this chapter considered appropriate by reason of research conducted in accordance with section 17-1.5 hereof, or otherwise;

(3) Advise and consult with the Commissioner with respect to the membership of the Advisory Committee;

(4) Attend meetings called by the chairman from time to time;

(5) Institute, support and encourage such programs for research and education in the field of environmental control and raise and administer funds contributed therefor; and

(6) With the Commissioner, appoint appropriate sub-committees to carry out research programs as provided in section 17-1.5 hereof.

17-1.5 Policy Research Programs

The policy of the City of Chicago is hereby declared to be that concerted effort shall henceforth be made by the Commissioner and the Advisory Committee working in conjunction with representatives of all affected groups and industries constantly to maintain and improve environmental control practices.

To effectuate the foregoing policy, the Commissioner and the Advisory Committee shall appoint sub-committees representative of affected groups and industries in the city to conduct continuing programs of research on all phases of environmental control, inducing but not limited to the following:

(1) Emissions from metallurgical processes;

(2) Emissions from by-product coke plants;

(3) Emissions from locomotives and steamships;

(4) Wind-borne dust and particulate matter;

(5) Emissions of motor vehicles;

(6) Design and operation of and emissions from incinerators;

(7) Emissions of noxious gases, fumes and odors;

(8) Emissions of substances which reduce the purity of water;

(9) Emissions of noise and earth-shaking vibrations.

Such sub-committees shall make annual reports of their findings and recommendations to the Commissioner and the Advisory Committee.

17-1.6 Participation in Research Programs

All persons responsible for the operation within the city of any of the processes or equipment set forth in section 17-1.5 of this chapter shall undertake and participate in any program of research to determine feasible methods of measuring and controlling emissions therefrom.

17-1.7 Appeal Board

(a) Appointment

An Appeal Board, consisting of five members, is hereby established. The members shall be appointed for a term of two years, by and with the consent of the City Council, and one of said members shall be designated as chairman by the Mayor. A secretary of the board shall be designated by the chairman. One of the initially appointed Appeal Board, two members shall serve for one year, two members for two years, and one member for three years. The compensation of each member of the Appeal Board shall be as set forth in the annual appropriation ordinance.

(b) Qualifications

The members of the Appeal Board shall be chosen from among the following professions and occupations: law, medicine, engineering, science, business and labor. Each member shall have no less than five years experience in his particular profession or occupation and where license or permits are required in order to pursue said profession or occupation, he shall be the possessor of a current State of Illinois or City of Chicago license or permit or both where required.

(c) Meetings and Hearings

Meetings and hearings of the Appeal Board shall be held at the call of the chairman and at such other times as the Appeal Board may determine. The Appeal Board shall have the power to adopt and enforce such rules and regulations as it may deem necessary to carry into effect the appeal powers herein provided and in connection herewith may request technical assistance and advice from the Advisory Board and any city department. All meetings and hearings conducted by the Appeal Board shall be open to the public. The Appeal Board may hear an appeal en banc or may designate an individual member or members to conduct hearings. The Appeal Board may also employ and compensate, out of available appropriations, one or more hearing officers to hear appeals and said hearing officers shall be attorneys licensed to practice law in the State of Illinois.

(d) Witnesses and Evidence

At the hearing, any party or person may appear in person, or by agent or attorney, and may present evidence, both written and oral, pertinent to the questions and issues involved, and, in the discretion of the chairman, may be permitted to examine and cross-examine witnesses. The Appeal Board may issue subpoenas in connection with said hearings, requiring the attendance of witnesses and production of evidence reasonably related to said hearing, and shall have the power to cause to be instituted in court appropriate legal proceedings to compel compliance with said subpoenas.

(e) Record of Proceedings

The Appeal Board at its expense shall provide a stenographer to take testimony and preserve a record of all proceedings involved in said hearings. The notice of appeal, the notice of hearing, all other documents in the nature of affidavits, pleadings and written motions filed in the proceedings, the transcript of testimony and the findings of fact and decisions shall constitute a record of proceedings. The Appeal Board shall furnish a transcript of such record to any person interested as a party to such hearing upon payment to the board of current standard costs of each page as prevails among court reporting services in the City of Chicago, both for the original transcript or copies thereof. The Appeal Board shall not be required to certify any record, file any answer or otherwise appear at any proceeding for judicial review unless the party filing the appeal shall deposit the sum of the current standard costs per page of original transcript as prevails among court reporting services in the City of Chicago. Upon judicial review, the secretary of the Appeal Board shall be empowered to certify the record.

(f) Decisions and Determinations

The Appeal Board shall keep minutes of its proceedings. No member shall be entitled to vote upon an issue unless he has read the transcript of the hearing and has examined all exhibits received in relation thereto and shall have executed an affidavit to the effect that he has read the transcript and examined the exhibits, which affidavit shall be made a part of the record. A quorum shall consist of three members and a majority of the members present and voting shall determine all issues before the board. The minutes of all hearings before the Appeal Board shall show the vote of each member upon each determination, and, if he is absent or otherwise fails to vote, the minutes shall reflect such fact. Every rule and regulation, amendment thereunder or repeal thereof; every order, requirement, decision or determination of the Appeal Board; and

all records required by law to be kept by the Appeal Board, shall be filed forthwith in the office of the Department of Inspectional Services and shall become a public record.

(g) Time for Decision

Beginning with the date of filing of a notice of appeal with the Appeal Board, said board shall set a date for the hearing within 10 days thereafter, which hearing shall be held within the following 21 days. The Appeal Board shall have given written notice of said hearing by certified mail to the interested parties. The Appeal Board may, in its discretion, grant continuances. The Appeal Board shall affirm, modify or reverse the decision, rule, requirement, regulation or order of the Commissioner of Inspectional Services, or shall enter an order upon him to act, no later than 60 days after the filing of the notice of appeal. The decision of the Appeal Board shall be binding on the Commissioner. The provisions of the Administrative Review Act, (Ill. Rev. Stat. 1969, ch. 110, pars, 264 et seq) and all amendments and modifications thereof, and the rules adopted pursuant thereto shall apply and govern all proceedings for the judicial review of final administrative decisions made by the Appeal Board.

17-1.8 Jurisdiction

The Appeal Board provided for in Section 17-1.7 shall have the following jurisdiction and authority:

(a) To decide appeals from any decision, ruling, regulation, determination or order made by the Commissioner under this chapter, or failure of the Commissioner to act upon request within a reasonable period of time. The Appeal Board shall consider all standards applicable to the subject matter of the appeal as set forth in this chapter and, where applicable, as set forth in the Code of Recommended Practices of the Department of Inspectional Services.

(b) To consider and decide applications for extensions of time for compliance or for exemptions or variances. The Appeal Board shall consider all standards applicable to the subject matter of such applications as set forth in this chapter and, where applicable, as set forth in the Code of Recommended Practices of the Department of Inspectional Services.

(c) To decide all matters referred to it or upon which it is required to pass under this chapter.

17-1.9 Appeals—Procedure

Notice of Appeal.

Any person taking exception to and affected by any final decision, ruling requirement, rule, regulation or order or failure of the Commissioner to act upon a request within a reasonable period of time may take an appeal to the Appeal Board as established by this chapter. Such appeal shall be taken within 30 days after receiving notice of such decision, ruling, requirement, rule, regulation or order, or failure to act upon request within a reasonable period, by filing with the Commissioner a notice of appeal directed to the Appeal Board, specifying the grounds thereof and the relief prayed for. The Commissioner shall forthwith furnish to the Appeal Board all the papers relating to the case.

The Appeal Board may order that the notice of appeal operate as a superseded only upon motion of the appellant for good cause shown, with notice and a copy of said motion being served upon the Commissioner prior to the entry of such order.

17-1.10 Severance Clause

If any provision, clause, sentence, paragraph, section, or part of this chapter, or application thereof to any person, firm, corporation or circumstance shall, for any reason, be adjudged by a court of competent jurisdiction to be unconstitutional or invalid, said judgment shall not affect, impair or invalidate the remainder of this chapter and the application of such provision to other persons, firms, corporations or circumstances, but shall be confined in its operation to the provision, clause, sentence, paragraph, section or part thereof directly involved in the controversy in which such judgment shall have been rendered and to the person, firm, corporation or circumstance involved. It is hereby declared to be the legislative intent of the City Council that this chapter would have been adopted had such invalid provision or provisions not been included.

17-1.11 Definitions

Acoustical Terminology: Definitions of all acoustical terminology shall be that contained in ANSI SI.1 Acoustical Terminology.

Advisory Board: The Technical Advisory Board established pursuant to section 17-1.51.

Air Contaminant: Any smoke, soot, fly ash, dust, cinders, dirt, noxious or obnoxious acids, fumes, oxides, gases, vapors, odors, toxic or radioactive substances waste, particulate, solid, liquid or gaseous matter or any other materials in such place manner or concentration as to cause injury, detriment, nuisance or annoyance to the public, or to endanger the health, safety or welfare of the public or as to cause or have a tendency to cause injury or damage to business or property.

Air Furnace: A horizontal furnace, externally fired with a natural draught stack, which is used to melt or treat ferrous materials for production of castings.

Air Jets: Any apparatus operated by steam or compressed air or a mechanically-driven blower for the purpose of causing high velocity air to be introduced into a furnace and to cause a more complete mixture of oxygen with the gases of combustions above the fuel bed.

Air Quality Standard: Ambient air quality goal established for the purpose of protecting the public health and welfare.

Animal and Marine Matter: Any product or derivative of animal life.

ANSI: American National Standards Institute or its successor bodies.

Appeal Board: The Appeal Board established pursuant to Section 17-1.7.

Architectural Coating: Any coating used for residential, commercial or industrial buildings and their appurtenances that is on site applied.

ARI: Air Conditioned and Refrigeration Institute or its successor bodies.

Asbestos: A fibrous, rock-forming mineral including, but not limited to, such amphibole varieties as tremolite, actinolite, anthophllite, grunerite, richterite, edenite, amosite, crocidolite and such serpentine varieties as amianthus and chrysolite as well as synthetic asbestos fibers including, but not limited to fluor-tremolite, fluor-richerite and fluor-edenite.

Ashes: Shall include cinders, fly ash or any other solid material resulting from combustion, and may include unburned combustibles.

ASHRAE: American Society of Heating, Refrigeration and Air Conditioning Engineers or its successor bodies.

ASME: The American Society of Mechanical Engineers.

ASTM: The American Society for Testing Materials or its successor bodies.

Atmosphere: See definition of Open Air.

Atmospheric Pollution: The discharging from stacks, chimneys, exhausts, vents, ducts, openings, buildings, structures, premises, open fires, portable boilers, vehicles, processes or any other source of any smoke, soot, fly ash, dust, cinders, dirt, noxious or obnoxious acids, fumes, oxides, gases, vapors, odors, toxic or radioactive substances, waste, particulate, solid, liquid or gaseous matter or any other materials in such place, manner or concentration as to cause injury, detriment, nuisance or annoyance to the public or to endanger the health, comfort, repose, safety or welfare of the public or in such a manner as to cause or have a natural tendency to cause injury or damage to business or property.

Atmospheric Pollution Source: Any and all sources of emission of atmospheric pollution, whether privately or publicly owned or operated. Without limiting the generality of the foregoing, this term includes all types of business, commercial and industrial plants, works, shops and stores, and heating power plants and stations, building and other structures of all types, including single and multiple family residences, apartment houses, office buildings, hotels, restaurants, schools, hospitals, churches and other institutional buildings, automobiles, trucks, tractors, buses and other motor vehicles, garages, vending and service locations or stations, railroad locomotives, ships, boats and other waterborne craft, portable fuel-burning equipment, incinerators of all types both indoor and outdoor, refuse dumps and piles and all stack and other chimney outlets from any of the foregoing.

Authorized Representative: Any individual, firm or corporation designated by a "person", as defined in this section, who shall be given authority to act for such "person" in all matters pertaining to the Department of Inspectional Services. Such authorization must be transmitted to such Department in writing.

Automobile and/or Truck Sales Lot: Any land area used or intended to be used for the display or sale of passenger automobiles or commercial vehicles.

Auxiliary Fuel Firing Equipment: Equipment to supply additional heat, by the combustion of an auxiliary fuel, for the purpose of attaining temperatures sufficiently high (a) to dry and ignite the waste material, (b) to maintain ignition thereof, and (c) to promote complete combustion of combustible solids, vapors and gases.

Baffling: Any row, rows, plane, planes or refractory or other material that causes the gases in a steam boiler or other vessel, duct or device to assume a definite or predetermined path of travel before reaching the chimney or smoke stack.

Bessemer Converters and Pneumatic Steel Making Processes: Processes by which steel is made directly from molten iron or scrap metal by forcing gases through or over the molten metal to oxidize and carry off the carbon and other impurities in the metal.

Beverage Equipment: See definition of Dairy Equipment.

Blast Furnace and Auxiliary Equipment: The furnace and equipment used in connection with the smelting process of reducing metallic ores to molten metal in order to remove, primarily, the oxygen from the ore and producing gas as a by-product. The furnace and equipment consists of, but is not limited to, the furnace proper, charging equipment, stoves, bleeders, gas dust catcher, gas cleaning devices and other auxiliaries pertinent to the process.

Board: Technical Advisory Board or Appeal Board of Inspectional Services, depending on the context, as hereinafter provided.

Boiler Burning Fuel in Suspension: A "boiler burning fuel in suspension" is any fuel-burning device in which fuel is conditioned or pulverized previous to admitting the fuel into the furnace for combustion. The combustion process is completed with the fuel in suspension.

Breeching: Any conduit for the transport of products of combustion or processes to the atmosphere or to any intermediate device before being discharged into the atmosphere. It does not include the chimney or stack.

Bridgewall: Any wall at the rear of the gate or stoker that acts as a deflector or radiant heat reflector for the furnace gases and as a stop to the fuel bed or a rear wall of the ash pit.

British Thermal Unit: The quantity of heat required to raise one pound of water from 59°F. to 60°F. (Abbreviated B.T.U. or BTU).

Building Fires: The term "a new fire being built" shall be held to mean the period during which a fresh fire is being started and does not mean the process of replenishing an existing fuel bed with additional fuel.

By-Product Coke Plant: A plant used in connection with the distillation process to produce coke in which the volatile matter in coal is expelled, collected and recovered. Such plant consists of, but is not limited to, coal and coke handling equipment, by-product chemical plant and other equipment associated with and attendant to the coking chambers or ovens making up a single battery operated and controlled as a unit.

Cell: That portion of compacted solid wastes in a landfill that is enclosed by natural soil or cover material during a designated period. The volume of compacted solid waste enclosed by natural soil and/or cover material in a sanitary landfill.

Chimney or Stack: Any conduit, duct, vent, flue or opening of any kind whatsoever arranged to conduct any products of combustion to the atmosphere. It does not include breeching as defined herein.

Cinders: Particles not ordinarily considered as fly ash or dust because of their greater size, consisting essentially of fused ash and unburned matter.

Cleaning Fires: The act of removing ashes from the fuel bed or furnace.

CCH/1000 Linear Feet: (Coefficient of Haze per 1000 linear feet) A measure of the optical density of a filtered deposit of particulate matter as given in ASTM Standard D 1704-61:

coh/1000 linear feet =

$$\frac{(\text{area tape ft}^2)\ (100{,}000)}{(\text{Vol. of Air Sample, ft}^3)} \quad \frac{\log 100}{\%\ \text{transmission}}$$

Combined Sewer: A sewer receiving both surface run-off and sewage.

Combustible Refuse: Any combustible waste material containing carbon in a free or combined state other than liquids or gases.

Combustion Equipment or Device: See Fuel-burning, combustion or process equipment or device.

Commissioner: Commissioner of Inspectional Services of the City of Chicago.

Committee: The Inspectional Services Advisory Committee established pursuant to section 17-1.4.

Condensed Fumes: Fumes which have cooled and returned to a liquid or solid.

Conservation Vent Valve: A weight-loaded valve designed and used to reduce evaporation losses of volatile organic substances by limiting the amount or air admitted to or vapors released from the vapor space of a closed storage vessel.

Control Apparatus: Any device which prevents, eliminates or controls the emission of any air contaminent.

Construction: The installation or erection of any fuel-burning combustion or process equipment or device.

Cover Material: Soil or other suitable material that is used to cover compacted solid waste in a sanitary landfill.

Criteria: Information used as guidelines for decisions when establishing air quality goals, air quality standards and the various air quality alert levels. In no case are criteria to be confused with air quality standards or goals.

Cupola: A vertical furnace in which alternate layers of basic material and coke are charged to produce molten ferrous and non-ferrous metal for the production of castings. Auxiliary equipment consists of, but is not limited to blowers, charging mechanism, collection equipment, heat exchangers and slagging equipment.

Dairy equipment, Beverage equipment and Food processing equipment: That equipment used in the production of milk and dairy products, foods and beverages, including the processing, preparation or packaging thereof for consumption.

Damper, Automatic or Manuals Any device for regulating the volumetric flow of gas or air.

Decibel: A unit for measuring the volume of a sound, equal to the logarithm of the intensity of the sound to the intensity of an arbitrarily chosen standard sound; abbreviated dB.

Department: Department of Inspectional Services of the City of Chicago.

Detergent: See definition Synthetic Detergent.

Domestic Heating Plant: A plant generating heat for a single family residence, or for two residences either in duplex or double house form or for multiple-dwelling units in which such plant serves fewer than four apartments. Under this designation are also hot water heaters, stoves, and space heaters used in connection with the foregoing establishments, or to heat shacks and other temporary buildings, such as used by the railroad and construction industries; provided, however, that like equipment used in multiple-dwelling units other than herein described, or used in permanent buildings of commercial or industrial establishments are not to be construed to be included under this designation.

Domestic Refuse-Burning Equipment: Any refuse-burning equipment or incinerator used for a single family residence, or for two residences either in duplex or double house form or for multiple-dwelling units in which such equipment or incinerator serves fewer than four apartments.

Down-Draft Furnace: A furnace with two separate grates, one above the other; the top grate consists of water tubes, the bottom grate consists of common grate bars and is fed by half consumed fuel falling from the upper grate. The air for combustion enters the upper fire door and passes through the bed of green fuel on the upper grate and then over the incandescent fuel on the lower grate.

Dryer: A device for drying by heat, forced ventilation or both; an apparatus such as a furnace, oven or revolving kiln for expelling moisture or volatiles by evaporation or volatization.

Dust: Particulate matter released into the air by natural forces, or any fuel-burning, combustion or process equipment or device, or by construction work, or by mechanical or industrial processes, such as crushing, grinding, filling, drilling, demolishing, shoveling, bagging, sweeping, covering, conveying, transferring, transporting and the like.

Dust-Separating Equipment: Any device for separating dust from the air or gas medium in which it is carried.

Electric Furnace: A furnace in which the melting and refining of metals is accomplished by means of electrical energy.

Engineer: The person who designed or is responsible for the design of the equipment and who conceived, developed, executed or who is responsible for the design or preparation of the plan documents. He shall be a registered professional engineer as defined in Illinois Professional Engineering Act approved July 20, 1945, as amended.

Equipment: See definition of Process or Process Equipment.

Excess Air: That air supplied in addition to the theoretical quantity necessary for complete combustion of all fuel and/or combustible waste material present.

Extension Furnace (Dutch Oven): Any masonry structure or combination of masonry and metal built on the front of a boiler or other combustion device for the purpose of obtaining additional furnace volume.

Final Cover: Cover material that represents the permanently exposed final surface of a sanitary landfill.

Fire Tubes: Those tubes surrounded by a cooling medium through which the hot gases of combustion pass.

Fluctuating Noise: A noise whose sound pressure level varies significantly but does not equal the ambient environmental level more than once during the period of observation.

Fly Ash: Particulate matter capable of being gas-borne or air-borne and consisting essentially of fused ash and burned or unburned material.

Food Processing Equipment: See definition Dairy Equipment.

Food Service Establishment: Any fixed or mobile restaurant, coffee shop, cafeteria, short order cafe, luncheonette, grill, tea room, sandwich shop, soda fountain, tavern, bar, cocktail lounge, nightclub, roadside stand, industrial feeding establishment, private, public or non-profit organization or institution routinely serving food, catering kitchen, commissary or similar place in which food is placed for sale or served on the premises or elsewhere and any other eating or drinking establishment or operation where food is served or provided for the public, with or without charge.

Foundries-Ferrous and Non-Ferrous: The processes, devices and equipment used for the purpose of production of castings, other than die-castings, from basic material. Such processes, devices, and equipment consist of, but are not limited to, charging equipment, furnaces, collection equipment and cleaning operations. Basic materials used include, but are not limited to, iron, brass, aluminum and magnesium.

Fuel: Any form of combustible matter-solid, liquid, vapor or gas.

Fuel-Burning, Combustion or Process Equipment or Device: Any furnace, incinerator, compactor, fuel-burning equipment, refuse-burning equipment, boiler, apparatus, device, mechanism, fly ash collector, electrostatic precipitator, smoke arresting or prevention equipment, stack, chimney, breeching or structure, used for the burning of fuel or other combustible material, or for the emission of products of combustion, or used in connection with any process which generates heat and may emit products of combustion; and shall include process furnaces, such as heat-treating furnaces, by-product coke plants, coke-baking ovens, mixing kettles, cupolas, blast furnaces, open hearth furnaces, heating and reheating furnaces, puddling furnaces, sintering plants, Bessemer converters, electric steel furnaces, ferrous foundries, non-ferrous foundries, kilns, stills, dryers, roasters and equipment used in connection therewith and all other methods or forms of manufacturing, chemical, metallurgical or mechanical processing which may emit smoke or particulate, liquid, gaseous or other matter.

Fuel Dealer: Any person who sells or delivers solid fuel or fuel oil directly to the ultimate consumer, without regard to price, quantity or frequency of delivery.

Fuel Oil: Oil commonly used as a fuel.

Fumes: Gases, vapors or particulate matter that are of such character as to cause atmospheric pollution.

Furnace: An enclosed space provided for the ignition or combustion of fuel.

Furnace Volume: The volume of the chamber or enclosure in which the combustion process takes place.

Garbage: Animal and vegetable matter such as that originating in houses, kitchens, restaurants, hotels, produce markets, food service, processing establishments, greenhouses, solid wastes from the preparation, cooking and dispensing of food and from the handling, storage or sale of meat, fish, fowl, fruit or vegetables and condemned food.

Goal: The level of air quality which is expected to be obtained.

Gross Vehicle Weight Rating (GVWR): The value specified by the manufacturer as the maximum recommended loaded weight of a single vehicle.

Ground or Comminuted Garbage: Wastes from the preparation, cooking and dispensing of foods that have been comminuted to such a degree that all particles will be carried freely in suspension under conditions normally prevailing in public sewers, with no particle greater than one-half inch in any dimension.

Heating and Reheating Furnace: A furnace in which metal is heated to permit shaping or forming or to achieve specific physical properties.

Heating Boiler: A boiler in which the steam or vapor pressure is not more than 15 pounds per square inch above atmospheric pressure or at a temperature not exceeding 250°F. (This includes steam heating, hot water heating and hot water supply boilers which are directly fired with oil, gas, electricity or coal and for operations at or below the pressure and temperature limits set forth in Section 4 of the American Society of Mechanical Engineers Boiler and Pressure Vessel Code).

Heating Surface: Any surface having steam, water or other fluid on one side and hot gases on the other side as found in a boiler or a warm air heating furnace not excepting any surface covered by arches or refractory.

Heating Value: The heat released by combustion of one pound of waste or fuel measured in BTU's on an as received basis. For solid fuels the heating value shall be determined using ASTM Standard D 2015-66.

High Pressure Boilers: See Power Boilers.

Impulsive Noise: Impulsive noise is characterized by brief excursions of sound pressure (acoustic impulses) which significantly exceed the ambient environmental sound pressure. The duration of a single impulse is usually less than one second.

Incinerator: Combustible apparatus designed for high temperature operation in which solid, semi-solid, liquid, or gaseous combustible wastes are ignited and burned efficiently and from which the solid residues contain little or no combustible material and for which a current annual Certificate of Operation has been obtained.

Industrial Cleaning Equipment: Machinery and other tools used in cleaning processes during the course of industrial manufacturing, production and assembly.

Indirect Heat Exchanger: Equipment in which fuel is burned for the primary purpose of producing steam, hot water, hot air or other indirect heating liquids, gases or solids, in which the products of combustion do not come into direct contact with process materials. Fuels may include, but are not limited to coal, coke, lignite, coke breeze, gas, fuel oil and wood but do not include refuse. When any products or by-products of a manufacturing process are burned for the same purpose or in conjunction with any fuel, the same maximum limitations shall be governed by the most stringent limitation when refuse burning and indirect heat exchanger emissions are both considered.

Inedible Rendering Process: The provisions of this ordinance shall not apply to any device, machine, equipment or other contrivance used exclusively for the processing of food for human consumption and to food service establishments.

Intermittent Noise: An intermittent noise is a noise whose sound pressure level equals the ambient environmental level two or more times during the period of observation. The period of time during which the level of the noise remains at an essentially constant value different from that of the ambient is on the order of one second or more.

Intercepting Sewer: Any sewer built or maintained by The Metropolitan Sanitary District of Greater Chicago for the purpose of receiving sewage or combined sewage and storm flow from one or more local sewers.

Internal Combustion Engine: An engine in which combustion of gaseous, liquid or pulverized solid fuel takes place within one or more cylinders.

IEC: International Electrotechnical Commission or its successor bodies.

ISO: International Organization for Standardization or its successor bodies.

Kiln: A furnace or a heated chamber used for the purpose of hardening, burning or drying in the manufacturing of such products as: clay, brick, cement, pottery, ceramics, limestone, etc.

Leachate: Leachate includes liquid that has come in contact with or percolated through waste materials and has extracted or dissolved substances therefrom.

Liquid Wastes: Refuse which maintains the physical state of continuous volume relatively independent of pressure and which takes the shape of its container at ambient temperature.

Liquid Waste Handing Facility: Includes those facilities engaged in the commercial disposal of liquid waste by treating, processing, incinerating, deep well injection or landfilling without creating nuisance or hazards to the public health, safety or welfare.

Low Pressure Boilers: See Heating Boilers.

Machine Dishwasher: Equipment manufactured for the purpose of cleaning dishes, glassware and other utensils involved in food preparation, consumption or use, using a combination of water agitation and high temperatures.

Manufacturing Process: Any action, operation or treatment embracing chemical, industrial manufacturing or processing factors, methods or forms including, but not limited to, furnaces, kettles, ovens, converters, cupolas, kilns, crucibles, stills, dryers, roasters, crushers, grinders, mixers, reactors, regenerators, separators, filters, re-boilers, columns, classifiers, screens, quenchers, cookers, digestors, towers, washers, scrubbers, mills, condensers or absorbers.

Maximum Allowable Emission Rate: The maximum amount of an air contaminent which may be emitted into the outdoor air during any prescribed interval of time.

Mechanical Combustion Equipment or Mechanically Fired Apparatus: Fuel-burning, combustion or process equipment or devices in which the fresh fuel or combustion material is mechanically introduced from outside the furnace into the zone of combustion, the same being actuated by controls; provided, however, that where the Commissioner finds as a fact and so certifies that any surface-burning type (handfired) equipment is so designed as automatically to burn the fuel or combustible materials in a manner not to violate the provisions of this chapter, such equipment will be considered as mechanical combustion equipment or mechanically fired apparatus within the meaning of this chapter.

The Metropolitan Sanitary District of Greater Chicago: The municipal corporation organized and existing under the laws of the State of Illinois enacted by the Illinois State Legislature July 1, 1889, entitled "An Act to Create Sanitary Districts and to Remove Obstructions in the Des Plaines and Illinois Rivers" as amended, and shall hereafter be referred to as the Sanitary District.

Motorcycle: Every motor vehicle having a seat or saddle for the use of the rider and designated to travel on not more than three wheels in contact with the ground but excluding a tractor.

Motor-Driven Cycle: Every motorcycle, every motor scooter, or every bicycle with motor attached with less than 150 cubic centimeter piston displacement.

Motor Vehicle: A motor vehicle is any passenger vehicle, truck, truck-trailer or semi-trailer propelled or drawn by mechanical power.

Natural Outlet: Any outlet into a water-course, pond, ditch, lake or other body of surface water.

New Equipment: Equipment, the design of which was less than 50 per cent completed on July 1, 1970.

Noise Disturbance: Any sound which (a) endangers or injures the safety or health of humans or animals, or (b) annoys or disturbs a reasonable person of normal sensitivities, or (c) endangers or injures personal or real property, or (d) unnecessarily interferes with the enjoyment of life or property, including outdoor recreation.

Non-Steady Noise: A non-steady noise is a noise whose level shifts significantly during the period of observation.

Noxious Acids: Anhydrous or hydrous acid forms in concentration high enough to be toxic, to cause atmospheric pollution or to constitute a nuisance as defined in this chapter.

Odor Concentration: The number of cubic feet that one cubic foot of sample will occupy when diluted to the odor threshold. It is a measure of the number of odor units in one cubic foot of the sample. It is expressed in odor units per cubic foot.

Odor Unit: One cubic foot of air at the odor threshold.

Odor Nuisance: Any noxious odor in sufficient quantities and of such characteristics and duration as to be injurious to human, plant or animal life, to health, or to property or to unreasonably interfere with the enjoyment of life or property.

Oil-Effluent Water Separator: Any tank, box sump or other container or group of such containers in which any organic material floating on, entrained or contained in water entering such containers is physically separated and removed from such water prior to the exit from the container of such water.

Other Wastes: Decayed wood, sawdust, shavings, bark, lime, refuse, ashes, garbage, offal, oil, tar, chemicals and all other substances except sewage and industrial wastes.

Particulate Matter: Material, other than water, which is suspended in or discharged into the atmosphere in finely divided form as a liquid or solid.

Period of Observation: The period of observation is the time interval during which acoustical data are obtained. The period of observation is determined by the characteristics of the noise being measured and should also be at least 10 times as long as the response time of the instrumentation. The greater the variance in indicated sound level, the longer must be the observation time for a given expected accuracy of the measurement.

Person: Any individual natural person, trustee, court appointed representative, syndicate, association, partnership, firm, club, company, corporation, business trust, institution, agency, government corporation, municipal corporation, city, county, municipality, district or other political subdivision, department, bureau, agency or instrumentality of federal, state or local government, contractor, supplier, vendor, installer, operator, user or owner, or any officers, agents, employees, factors, or any kind of representatives of any thereof, in any capacity, acting either for himself, or for any other person, under either personal appointment or pursuant to law, or other entity recognized by law as the subject of rights and duties. The masculine, feminine, singular or plural is included in any circumstances.

Phosphorous: See definition Polyphosphate Builder.

Pollution: The discharge or deposit in or upon such waters of sewage, industrial wastes or other wastes containing soluble or insoluble solids of organic or inorganic nature which may deplete the dissolved oxygen content of such waters, contribute settleable solids that may form sludge deposits, contain oil, grease or floating solids which may cause unsightly appearance on the surface of such waters, or contains soluble material detrimental to aquatic life, all beyond the content of such like substances present in an equal volume of the effluent discharge from the sewage treatment works of the Sanitary District into similar receiving waters.

Polyphosphate Builder or Phosphorous: A water softening and soil suspending agent made from condensed phosphates, including pyrophosphates, triphosphates, tripolyphosphates, metaphosphates and glassy phosphates, used as a detergent ingredient, but shall not include polyphosphate builders or phosphorous which is essential for medical, scientific or special engineering used under such conditions and regulation as may be prescribed, after hearing, by the Commissioner of Inspectional Services.

Portable Boiler: A boiler used separately or in connection with a power shovel, a road roller, a hoist, a derrick, or a pile driver, steam locomotives, diesel locomotives, steamboats, tugboats, tar kettles, asphalt kettles, all other portable equipment capable of emitting smoke, particulate or other matter.

Power Boilers: A boiler in which the steam or vapor pressure is more than 15 pounds per square inch above atmospheric pressure. Power boilers also include electric boilers, miniature boilers, high temperature boilers and organic fluid boilers, in which the temperature exceeds 250°F. as set forth in Section 1 of the American Society of Mechanical Engineers Boiler and Pressure Vessel Code.

Premises: Any real estate or real property.

Pressure Tank: A tank in which fluids are stored at a pressure greater than atmospheric pressure.

Processes or Process Equipment: Any action operation or treatment embracing chemical, industrial or manufacturing factors, such as heat treating furnaces, by-product coke plants, core-baking ovens, mixing kettles, cupolas, blast furnaces, open hearth furnaces, heating and reheating furnaces, puddling furnaces, sintering plants, Bessemer converters, electric steel furnaces, ferrous and non-ferrous foundries, kilns, industrial waste treatment systems, stills, dryers, roasters and equipment used in connection therewith, and all other methods or forms of manufacturing or processing which may emit smoke, particulate matter, other matter or other waste.

Process Weight Rate: The actual weight or engineering approximation thereof of all materials except liquid and gaseous fuels and combustion air, introduced into any process per hour. For a cyclical or batch operation, the process weight rate shall be determined by dividing such actual weight or engineering approximation thereof by the number of hours of operations excluding any time during which the equipment is idle. For continuous processes, the process weight rate shall be determined by dividing such actual weight or engineering approximation thereof by the number of hours in one complete operation, excluding any time during which the equipment is idle.

Public Nuisance: A violation of any emission limitation or performance standard set forth in this chapter shall be deemed and is hereby declared to be a public nuisance and as such is subject to be summarily abated as provided for in Section 17-1.2(17). Such abatement may be in addition to the administrative proceedings, fines and penalties herein provided.

Public Right-of-Way: Any street, avenue, boulevard, highway, sidewalk, alley or similar place which is owned or controlled by a governmental entity.

Pure Tone: Any sound which can be distinctly heard as a single pitch or a set of single pitches. For the purpose of this ordinance, a pure tone shall exist if the one-third octave band sound pressure level in the tone exceeds the arithmetic average of the sound pressure levels of the two contiguous one-third octave bands by five dB center frequencies of 500 Hz and above, and by eight dB for center frequencies between 160 and 400 Hz, and by 15 dB for center frequencies less than or equal to 125 Hz.

Recommended Use Level: The amount of synthetic detergent or detergent which the manufacturer thereof recommends for use per wash load, at which said synthetic detergent or detergent will effectively perform its intended function.

Reconstruction: Any material change or alteration of any existing fuel-burning combustion or process equipment or device from the physical or operating condition for which approval was last obtained: or the addition, removal or replacement of any appurtenances or devices which materially affect the method or efficiency of preventing the discharge of pollutants into the atmosphere.

Refuse: Includes garbage, rubbish and trade wastes.

Rendering: Any heating process, including cooking, drying, dehydrating, digesting, evaporating, leaving protein concentrations of animal or marine matter.

Ringelmann Chart: The chart published and described in the U. S. Bureau of Mines Information Circular 8333.

Roaster: A device used to effect the expelling of volatile matter or to effect oxidation as required in the manufacturing of such products as prepared meats, grain, coffee beans, nuts, etc.

RPM: The engine crankshaft revolutions per minute.

Sandblasting: The abrasive cleaning of any architectural surface with the use of sand, shot or other grit removing substances.

SAE: Society of Automotive Engineers or its successor bodies.

Sanitary Landfill: The disposal of refuse on land without creating nuisances or hazards to the public health, safety or welfare, by confining the material to the smallest practical volume and covering it, when appropriate, with a layer of earth or inert material at the conclusion of each day's operation or such more frequent intervals as may be necessary.

Sewage: A combination of water carried wastes from residences, business buildings, institutional and industrial establishments, together with such ground surface and storm waters as may be present.

Sewage Treatment Works: The arrangement of devices and structures for treating sewage and industrial wastes.

Sewage Works: All facilities used for collecting, pumping, treating and disposing of sewage and industrial wastes.

Sewer: Any pipe or conduit for carrying sewage or other waste liquids.

Sewage System: Any network of sewers and appurtenances for collection, transportation and pumping of sewage and industrial wastes.

Sintering Plant: The plant used in connection with the process of fusing fine particles of metallic ores causing agglomeration of such particles. Such plants consist of, but are not limited to, sintering machines, handling facilities, wind boxes, stacks and other auxiliaries pertinent to the process.

Smoke: Small gas-borne particles other than water that form a visible plume in the air from a source of atmospheric pollution.

Smoke Monitor: A device using a light source and detector which can automatically measure and record the light obscuring power of smoke at a specific location in the flue or stack of a source. Measuring and recording to be at intervals of not less than 15 seconds.

Solid Waste or Wastes: All putrescible or non-putrescible solid and semi-solid wastes, such as refuse, garbage, rubbish, paper, ashes, industrial wastes, demolition or construction wastes, abandoned vehicles and parts thereof, discarded home and industrial appliances, manure, vegetable or animal solid and semi-solid waste, and other discarded solid and semi-solid and also includes liquid wastes disposed of in conjunction with solid wastes at solid waste transfer stations or disposal sites, but excludes:

(1) sewage collected and treated in a municipal or regional sewerage system, or

(2) materials or substances having commercial value which have been salvaged for reuse, recycling or resale.

Sound Level (Noise Level): For air-borne sound, sound level (noise level) is a weighted sound pressure level, obtained by the use of metering characteristics and the A-weighting as specified in the reference standards ANSI S1.4. Section 3.1.3. When the A-weighting is employed, it must be indicated.

Sound Pressure Level: The sound pressure level, in decibels, of a sound is 20 times the logarithm to the base of 10 of the ratio of the pressure of the sound to the reference sound pressure. Unless otherwise specified, the effective (rms) pressure is to be understood. The reference sound pressure is 20uN/m².

Spark Ignition Powered Motor Vehicle: A vehicle which is self-propelled by a spark ignition type of internal combustion engine, which includes, but is not limited to, engines fueled by gasoline, propane, butane and methane compounds.

Solid Fuel: Any material in its solid state capable of being consumed by combustion process.

Soot: Agglomerated particles consisting essentially of carbonaceous material.

Stack or Chimney: A flue, conduit or opening designed and constructed for the purpose of emitting air contaminants into the outdoor air.

Stack Spray: A nozzle or series of nozzles installed in a stack above the breeching used to inject wetting agents at high pressure to suppress the discharge of particulate matter from the stack.

Standard Cubic Foot (scf): The standard cubic foot is a measure of the volume of gas under standard conditions.

Standard Conditions: A gas temperature of 70°F. and a gas pressure of 29.92 inches mercury.

Steady Noise: A noise whose level remains essentially constant (i.e., fluctuations are negligibly small) during the period of observation is steady noise.

Storm Sewer: Any pipe or conduit which carries storm surface water and drainage but excludes sewage and industrial wastes. It may, however, carry cooling waters and unpolluted waters.

Submerged Loading Pipe: Any loading pipe the discharge opening of which is entirely submerged when the liquid level is six inches above the bottom of the tank. When applied to a tank which is loaded from the side, any loading pipe the discharge of which is entirely submerged when the liquid level is 18 inches or two times the loading pipe diameter, whichever is greater, above the bottom of the tank. This definition shall also apply to any loading pipe which is continuously submerged during loading operation.

Synthetic Detergent or Detergent: Any cleaning compound which is available for household use, laundry use, other personal uses or industrial use, which is composed of organic and inorganic compounds, including soaps, water softeners, surface active agents, dispersing agents, foaming agents, buffering agents, builders, fillers, dyes, enzymes and fabric softeners, whether in the form of crystals, powders, flakes, bars, liquid sprays or other form.

Trade Waste: All solid or liquid material or rubbish resulting from construction, building operations or the prosecution of any business, trade or industry such as, but not limited to, plastic products, chemicals, cinders and other forms of solid or liquid waste materials.

Transfer Station: Those facilities utilized to receive solid wastes, temporarily store, separate, convert or otherwise process the materials in the solid wastes, or to transfer solid wastes directly from smaller to larger vehicles for transport to their final place of disposition.

Toxic Substances: Any substance whether gaseous, liquid or solid which when discharged into the sewer system in sufficient quantities will interfere with any sewage treatment process, or will constitute a hazard to human beings or animals, or will inhibit aquatic life or create a hazard to recreation in the receiving waters of the effluent from the sewage treatment works of the Metropolitan Sanitary District of Greater Chicago.

True Vapor Pressure: The equilibrium partial pressure exerted by a petroleum liquid as determined in accordance with methods described in American Petroleum Institute Bulletin 2517, Evaporation Loss From Floating Roof Tanks, 1962.

Unfired Pressure Vessel: Any tank or pressure vessel used to contain air, water or other substance under pressure, except tanks containing only water under pressure in the city mains, unless otherwise prescribed in other section in the building provisions of this code.

Unit Operation: Methods where raw materials undergo physical change; methods by which raw materials may be altered into different states, such as vapor, liquid or solid without changing into a new substance with different properties and composition.

Unit Process: Reactions where raw materials undergo chemical change, where one or more raw materials are combined and completely changed into a new substance with different properties and composition.

Vehicle: A self-propelled over the road mechanism such as a truck, machine, tractor, roller, derrick, crane, trencher, portable hoisting engine or automobile, or any conveyance used for carrying persons or things, trailer, semi-trailer, boat, tug or other apparatus which is not ordinarily permanently installed in one location but is used in various places over a wide area, except electrically powered vehicles.

Waters: All waters of any river, stream, water course, pond or lake wholly or partly within the territorial boundaries of the City of Chicago.

Water Course: Any channel, natural or artificial, whether lined or unlined for drainage of storm water, ground water or clear water.

Zoning District: Those districts established by the City Zoning Ordinance (Municipal Code of Chicago, Chapter 194A).

Permit Fee

17-1.12 Fees for the inspection of plans and issuing installation permits for the installation, erection, construction, reconstruction, alteration of, or addition to, steam boilers, unfired pressure vessels, fuel or refuse-burning equipment, compactors, combustion or process equipment or devices and installation of apparatus or devices for the prevention or arresting of the discharge of smoke, particulate, liquid, gaseous or other matter shall be as follows:

Filing fee for the evaluation of plans of steam boilers, unfired pressure vessels, fuel- or refuse-burning equipment, compactors, combustion or process equipment or devices and installation of apparatus or devices for the prevention or arresting of the discharge of smoke, particulate, liquid, gaseous or other matter $10.00

Permits for the installation, erection, construction, reconstruction, alteration of, or addition to any boiler, fuel-burning, combustion or process equipment or device, dustloading device or chimney.

Boilers, fuel-burning equipment used for space heating, steam and hot water generation for each unit:

Of a capacity of less than 288,000 BTU/Hr. net output rating of boiler or furnace ..... $ 15.00

Of a capacity of 288,000 BTU/Hr. and less than 960,000 BTU/Hr. net output rating of boiler or furnace.... $ 20.00

Of a capacity of 960,000 BTU/Hr. and less than 2,880,000 BTU/Hr. net output rating of boiler or furnace.... $ 25.00

Of a capacity of 2,800,000 or more net output rating of boiler or furnace..$ 35.00

Refuse-burning equipment, for each unit:

With less than five square feet of grate area .....$ 10.00

With five square feet and less than 10 square feet of grate area.....$ 15.00

With 10 square feet and less than 15 square feet of grate area .....$ 20.00

With 15 square feet and less than 20 square feet of grate area .....$ 25.00

With 20 or more square feet of grate area .....$ 30.00

Per one unit operation of one unit process creating atmospheric pollution or any device controlling atmospheric pollution or any compactor .....$ 15.00

Sandblasting:

The fee for an annual permit to conduct sandblasting operations shall be $25.00 per contractor per calendar year.

Sanitary Landfill:

25 acre tract or less .....$ 2,500

More than 25 acres but less than 50 acres .....$ 5,000

50 acres to 75 acres .....$ 6,800

75 acres or over .....$ 10,000

The City of Chicago shall be exempt from payment of such fees.

Unfired Pressure Vessels:

For each unfired pressure vessel ....$ 20.00

Liquid Waste Handling Facility Fees:

New facility .....$ 2,500.00

Subsequent year, under 100,000 gal/day intake .....$ 2,000.00

Subsequent year, over 100,000 gal/ intake .....$ 4,000.00

Transfer Station Fees:

New or existing facility .....$ 2,500.00

Original Inspection Fees

17-1.13 Fees shall be as follows for the examination or inspection of any new or reconstructed steam boiler, unfired pressure vessel, fuel or refuse-burning equipment, combustion or process equipment or device after its erection or reconstruction and before its operation and maintenance:

Boiler, fuel-burning equipment used for space heating, steam and hot water generation for each unit:

	Conversion of Fuel-Burning Equipment	*New Boiler and Fuel-Burning Equipment*
Of a capacity of less than 288,000 BTU/Hr. net output rating of bolier or furnace	*$ 15.00*	*$ 20.00*
Of a capacity of 288,000 BTU/ Hr. and less than 960,000 BTU/Hr. net output rating of boiler or furnace	*$ 25.00*	*$ 30.00*
Of a capacity of 960,000 BTU/Hr. and less than 2,880,000 BTU/Hr. net output rating of boiler or furnace	*$ 35.00*	*$ 40.00*
Of a capacity of 2,880,000 BTU/Hr. or more net output rating of boiler or furnace..	*$ 45.00*	*$ 55.00*

A permit is required for alteration of boilers or unfired pressure vessels but no fee shall be paid.

Refuse-burning equipment for each unit:

With less than five square feet of grate area .....$ 15.00

With five square feet and less than 10 square feet of grate area .....$ 25.00

With 10 square feet and less than 15 square feet of grate area .....$ 35.00

With 15 square feet and less than 20 square feet of grate area .....$ 45.00

With 20 or more square feet of grate area .....$ 55.00

Per one unit operation or one unit process creating atmospheric pollution or any device controlling atmospheric pollution or any compactor .....$ 15.00

Unfired Pressure Vessels:

For each unfired pressure vessel.....$ 25.00

Periodic Inspection Fees

17-1.14 Fees shall be as follows for the periodic inspection of steam boilers, unfired pressure vessels, fuel or refuse-burning equipment or compactors, combustion or process equipment or devices, boilers, fuel-burning equipment used for space heating, steam and hot water generation for each unit:

Of a capacity of 288,000 BTU/Hr. and less than 2,400,000 BTU/Hr. net output rating of boiler or furnace .....$ 20.00

Of a capacity of 2,400,000 BTU/Hr. and less than 6,000,000 BTU/Hr. net output rating of boiler or furnace .....$ 30.00

Of a capacity of 6,000,000 BTU/Hr. or more net output rating of boiler or furnace .....$ 35.00

Refuse-burning equipment for each unit:

With less than seven square feet of grate area .....$ 10.00

With seven square feet and less than 20 square feet .....$ 15.00

With 20 square feet and less than 50 square feet .....$ 17.00

With 50 square feet or more of grate area .....$ 20.00

Per one unit operation or one unit process creating atmospheric pollution or any device controlling atmospheric pollution or any compactor .....$ 10.00

The fee for periodic inspection shall include the issuing of a Certificate of Operation provided any defects are corrected.

Unfired pressure vessels:

For each unfired pressure vessel less than 18 inches in diameter .....$ 15.00

For each unfired pressure vessel 18 inches or more in diameter and less than 36 inches in diameter .....$ 20.00

For each unfired pressure vessel 36 inches or more in diameter .....$ 25.00

Saturday, Sunday and Holiday Inspection:

A fee of $50.00 per inspectional visit will be charged when any boiler inspection is made on a Saturday, Sunday or a legal holiday.

Boiler reinspection fee:

A fee of $20.00 will be made for each reinspection of a boiler or other apparatus made at any site during the course of a regular work week.

ASME Code Work Fees

17-1.15 Fees shall be as follows for the survey or inspection of any required ASME code work, or for other work not included under existing scheduled fees:

For each eight-hour day .....$ 150.00

For each four hours or fraction thereof .....$ 75.00

Payment of Fees

17-1.16 All fees or penalties prescribed for the issuance of permits, licenses or certificates or for the inspection of plans, premises or equipment, under any provision of this chapter, shall be paid to the Commissioner, who shall render to the person making such payment a receipt stating the amount and purpose for which such fee or penalty has been paid, a duplicate of which shall be made part of the records of Inspectional Services. All fees and penalties thus received shall be deposited with the Director of Revenue for the corporate fund.

Fees are Debt Due the City

17-1.17 All fees or penalties prescribed for the payment required under any provision of this chapter shall constitute a debt due the city. The Corporation Counsel shall, at the request of the Commissioner, institute civil suit in the name of the city to recover the amount of any such unpaid fee or penalty. No civil judgment, or any act by the Corporation Counsel, the Commissioner, or the violator, shall bar or prevent a criminal prosecution for each and every violation of this chapter.

Refund of Permit Fees

17-1.18 In the event the installation of the fuel-burning, combustion or process equipment or device is not completed or that the Commissioner or any other authorized officer of any department of the city refuses issuance of a permit for the erection or construction of any building or structure in which such equipment, process or device is to be located, the fee which has been paid for the permit or the Certificate of Operation may be refunded upon proper presentation of the facts; provided, however, that no refund shall be made after a period of one year from the payment of the fee.

Remittance of Fees

17-1.19 The Commissioner shall remit all inspection or examination fees charged against any charitable, religious or educational institution when the furnace or other combustion equipment, device or apparatus inspected is located in or upon premises used and occupied exclusively by such institution; provided, however, that such charitable, religious or educational institution is not used or connected with any institution conducted for private gain or profit. The Commissioner may require every application for the remission of such fee to be verified by affidavit of one or more taxpayers of the city.

Penalties

17-1.20 Any person found guilty of violating, disobeying, omitting, neglecting, refusing to comply with or resisting or opposing the enforcement of any of the provisions of this chapter, except when otherwise specifically provided, upon conviction thereof, shall be punished by a fine of not less than $100.00 nor more than $300.00 for the first offense, and not less than $300.00 nor more than $500.00 for the second and each subsequent offense, in any 180-day period; provided, however, that all actions seeking the imposition of fines only shall be filed as quasi criminal actions subject to the provisions of the Illinois Civil Practice Act (Ill. Rev. Stat. 1969, ch. 110, pars. 1 et seq). Repeated offenses in excess of three within any 180-day period may also be punishable as a misdemeanor by incarceration in the county jail for a term not to exceed six months under the procedure set forth in Section 1-2-1.1 of the Illinois Municipal Code (Ill. Rev. Stat. 1969, ch. 25, par. 1-2-1.1) and under the provisions of the Illinois Code of Criminal Procedure (Ill. Stat. 1969, ch. 38, pars. 100-1, et seq) in a separate proceeding. A separate and distinct offense shall be regarded as committed each day on which such person shall continue or permit any such violation or failure to comply is permitted to exist after notification thereof. In addition to such fines and penalties, the permit, or Certificate of Operation of such person, or of the offending property may be suspended or revoked as hereinbefore provided.

Installation Permit Required

17-1.21 It shall be unlawful for any person to install, erect, construct, reconstruct, alter or add to, or cause to be installed, erected, constructed, reconstructed, altered or added to any fuel-burning, refuse-burning, compactor, any drain outlet or other facility for the discharge into any water or water course, combustion or process equipment or device, or any equipment pertaining thereto, or any stack or chimney connected therewith, within the city, excepting domestic heating plants, locomotive, steamships and internal combustion engines; or to make, or cause to be made, major repairs to any high-pressure boiler furnace or the brickwork on or about the same in said city until an application for installation and operating permits on forms supplied by the Department including suitable plans and specifications of the fuel-burning, refuse-burning, compactor, combustion or process equipment or device, or high-pressure boiler furnace repair, and the structures or buildings used in connection therewith, has been filed in duplicate by the owner, contractor, or other person, or his agent, in the office of, and has been approved by, the Commissioner as being so designed that the same can be managed and operated to conform to the provisions of the chapter and an installation permit issued by him for such installation, erection, construction, reconstruction, alteration, addition to or repair.

Provided, however, that maintenance or repairs or alterations which are minor in scope or do not change the capacity of such fuel-burning, refuse-burning, compactor, combustion or process equipment or device and which do not involve any change in the method of combustion or materially affect the emission of smoke, dust, fumes or other products of combustion therefrom may be made without an installation permit; provided further that an emergency repair may be made prior to the application for, and the issuance of, a required installation permit in the event an emergency arises and serious consequences would result if the repair were to be deferred. When such repair is made in emergency, application for an installation permit or an operating permit therefor shall be filed in duplicate by the person or his agent in the office of the Commissioner within a reasonable time after the start of such work. Each installation permit shall be posted in a conspicuous place at or near the work for which it was issued.

17-1.22 It shall be unlawful for any person to install or to construct any new liquid waste handling facility, industrial liquid waste handling facility or hazardous or toxic waste handling facility, or such facility that will cause the pollution of air, waters or water courses, sewers or land, within or adjoining the City of Chicago, for the final or ultimate disposal site of such wastes, without having obtained a written permit from the Commissioner. No changes, additions or extensions to any such existing facility for disposal shall be made without having obtained a written permit for the same from the Commissioner.

17-1.23 No person shall cause or allow the operation of any new emission source or new air pollution control equipment of a type for which an installation permit is required unless an application for a Certificate of Operation is secured. Application for a Certificate of Operation shall be made at such times and contain such information, data, plans, drawings, calculations as specified in the application in the construction permit.

No Certificate of Operation shall be valid for more than one calendar year or until the next periodic inspection.

Violations of any of the conditions of a permit or the failure to comply with any rule or regulation of this chapter shall be grounds for revocation of the permit, as well as for other sanctions provided in the chapter. Such sanctions shall be sought by filing a complaint with the Appeal Board.

The Department of Inspectional Services shall have the owner or operator of any emission source or air pollution control equipment provide, without charge to Inspectional Services, necessary holes in stacks, ducts and other safe and proper testing facilities, including scaffolding, but excluding instruments and sensing devices as may be necessary for the conduct of a stack test.

Contents of Plans and Specifications

17-1.24 The plans and specifications, submitted pursuant to section 17-1.21 of the fuel-burning, combustion equipment or device other than process or process equipment shall show the type of installation, the form and dimensions of such equipment or device, more particularly the proposed boiler, furnace, fuel burner, refuse burner, stack and ducts, together with the description and dimensions of the building or part thereof in which such equipment is to be located, the amount of work and the amount of heating to be done by such equipment, including all provisions made for the purpose of securing complete combustion of the fuel or refuse to be used and the manner in which it is to be burned for the purpose of preventing emissions in excess of the limitations established by or under this chapter. Said plans and specifications shall also show the character of the fuel or refuse to be burned, the maximum quantity of the same to be burned per hour, the operating requirements and the use of such equipment; and that the room or premises in which such equipment shall be located is provided with adequate means of ventilation to provide sufficient air to complete the combustion process. Such plans and specifications shall further show the dimensions of such room in which such equipment is to be located, the location and dimensions of all stacks used in connection with or as a part of said equipment, the locations and dimensions of all stacks of any buildings or structures immediately adjoining and contiguous to the premises in question, the frequency and duration of emissions, composition of effluents and range of collector efficiency. The Commissioner may require such additional data as he deems necessary for the purpose of issuing a permit for the installation or operation of any such equipment.

The plans and specifications, submitted pursuant to section 17-1.21 of process or process equipment, shall contain such information and data as the Commissioner may deem necessary to determine the emission potential of such process or process equipment, including, but not limited to, the frequency and duration of emissions except composition of effluents and range of collector efficiency.

Plan Approval by Registered Engineers

17-1.25 The plans and specifications submitted pursuant to Section 17-1.21 shall be prepared under the direction of, or approved by, a registered professional engineer and bear his seal. The Commissioner shall have the power to exempt plans involving minor repairs, replacement of existing equipment, fuel conversion units or other equipment not requiring original engineering work from this provision.

17-1.26 Conformity to Plans and Specifications

Without the approval of the Commissioner, no installation, erection, construction, reconstruction, alteration of, or addition to any fuel-burning, combustion or process equipment or device, or major repair to any high pressure boiler furnace for which an installation permit has been issued, shall be made which is not in accordance with the plans, specifications and other pertinent information upon which such permit was issued.

17-1.27 Acting on Application—Issuance of Permit —Ten Days

Any application pursuant to Section 17-2.21 shall be approved or rejected within 10 days after it is filed in the office of the Commissioner. Upon the inspection and approval of said plans and specifications by the Commissioner and upon the payment of the fees hereinafter provided, and if such plans and specifications shall show that adequate provisions to insure compliance with the provisions of this chapter have been made, a permit for the installation, erection, construction, reconstruction, alteration of or addition to such fuel-burning, combustion or process equipment or device, or repair of high-pressure boiler furnaces shall be issued. The issuance of an installation permit for any fuel-burning equipment or device may be conditional upon the agreement of owner or operator or both to operate such equipment or device only with fuels of a specified volatile content or in such specified manner as may be appropriate to insure that such equipment or device can be operated in a manner which will not result in emission of smoke, particulate or other matter in excess of the maximum limitations established by or under this chapter. As soon as the Commissioner has issued the permit as above provided, it shall be the duty of the various departments of the city having charge of the inspection of the premises wherein such equipment or process is located to cooperate with the Commissioner to see that the execution of the work so authorized by said permit shall be done in conformity with the approved plans and specifications and the Code of Recommended Practices.

17-1.28 Secret process—Plans for, Suspended When Affidavit Filed

The requirement of filing plans and specifications involving the installation, erection, construction, reconstruction, alteration of, or addition to, any fuel-burning combustion or process equipment or device or the building of pilot plants or processes, or repair to any high pressure boiler furnace to be used in or to become a part of a secret process is hereby suspended upon the filing with the Department in lieu of the filing of plans and specifications of an affidavit of a responsible person to the effect that such equipment or process is to be so used. Such person may also be required to furnish bond or other proof of financial responsibility in accordance with Section 17-1.34. The suspension of the filing of such plans and specifications shall in no way relieve the person or persons responsible for the secret process from complying with all other provisions of this chapter.

17-1.29 Show Cause

Whenever the Commissioner shall determine that any pollution standard in this chapter is continually violated said Commissioner may order whomsoever causes such violation to occur to show cause before him why such violation should not be immediately abated. The offenders shall be notified in writing of the specific time and place of such hearing. In addition, the notice shall be served personally or by certified mail at least 10 days before such hearing. This last notice herein provided shall be directed to the last known address of the person to be notified, or if such person or his whereabouts is unknown, then by posting a notice on or near the premises at which the violation is occurring. Upon the date specified in the notice, such person may appear at such hearing in person or by representative. The Commissioner or his authorized representative may take evidence with reference to said offense at such hearing. If the offender or his representative fails to appear at such hearing or if upon conclusion of such hearing the Commissioner finds that there are violations of this chapter, he may enter an order revoking any Certificate of Operation or permit outstanding and direct that the offending process or equipment be sealed by an inspector or other authorized agent of the Commissioner.

17-1.30 Notice of Violation

The Commissioner is hereby authorized to issue notices of violation for the purpose of giving notice to persons allegedly violating any of the provisions of this chapter or other ordinances relating to pollution. If at the time of any original inspection or annual inspection or any other inspection, it is found that any fuel-burning, combustion or process equipment or device or premises is being operated or managed or is in such a condition or so installed that it is in violation of any emission limitation or other requirement or jurisdiction provided in this chapter, the Commissioner may give notice in writing to any or all persons owning, operating, or in charge of such equipment or device, or premises of the defective equipment or device, condition, operation or violation. Such notice may be given by any inspector or other properly trained authorized agent of said Commissioner by delivering such notice to any person owning, operating or in charge of the equipment or device, or premises involved or by leaving a copy thereof with a person in charge of such equipment, device, or premises or by mailing a copy directed to the last known address of the person to be notified. Such notices shall contain a demand upon such person or persons to discontinue use of such equipment or device, or premises until the correction thereof has been approved by the Commissioner. Such notice shall allow up to 10 days time to correct the equipment or device or condition or operation and report compliance to the Commissioner.

Failure to comply with such notice within 10 days from its date or within any extension of time granted under Section 17-1.50 hereof, shall be a violation of this section and, upon such failure, the Commissioner may revoke any existing Certificate of Operation or permit for such equipment or device.

17-1.31 Sealing

The Commissioner may order that the use of a violating process or device be discontinued and may seal such equipment or process as provided for below:

1. *As provided in Section 17-1.37*
   or
2. *Following the revocation of a permit or Certificate of Operation pursuant to Section 17-1.29 or Section 17-1.30*
   or
3. *When a Certificate of Operation is refused in the case of any original, periodic or subsequent inspection because the person required to procure such certificate has not complied with the provisions of this chapter*
   or
4. *In the case of movable equipment or portable boilers or vehicles, when immediate correction of a condition causing a violation of this chapter is not made by the operator of such equipment, portable boiler or vehicle when ordered to do so by the Commissioner or his authorized representative*
   or
5. *As provided in Section 17-1.2(17).*

17-1.32 Breaking Seal

Whenever, in connection with the enforcement of this chapter, any fuel-burning, combustion, process equipment or device, or any plant, building, structure, premises, portable boiler or vehicle has been sealed at the direction of the Commissioner, the seal shall not be broken or removed, except on written order of the Commissioner. The breaking or removal of this seal without such order shall be a violation of this chapter, and each day such seal remains broken or removed shall constitute a separate offense.

17-1.33 Power of Commissioner to Enter Premises for Inspection—Interference With Inspection

The Commissioner, or anyone authorized to act for him, in the performance of his duties and for the purpose of enforcing and administering this chapter or any order, regulation or rule promulgated pursuant thereto, or for the purpose of obtaining facts with respect to any complaint or non-compliance, is hereby authorized and empowered to enter into any building, structure, establishment, premises or enclosure or other place at all reasonable hours for the purpose of inspecting any fuel-burning, combustion or process equipment or devices situated therein; or to stop, detain and inspect any portable boiler or vehicle; and shall collect and preserve any and all evidence pertaining to any alleged violation of any provision of this chapter. If any person in any way denies, obstructs or hampers such entrance or inspection, the Commissioner is hereby authorized to refuse the issuance of any certificate or permit for any fuel-burning, combustion or process equipment or device with respect to which entrance or inspection has been denied in the event one has not been issued; or to revoke any outstanding certificate or permit issued for such equipment or device.

17-1.34 Proof of Responsibility Bond

Proof of responsibility will be required in the following enumerated instances, in the forms specified:

1. *If the proposed plans and specifications submitted pursuant to Section 17-1.24 are not sufficiently complete in the judgment of the Commissioner to show that the equipment or device for which such plans and specifications were submitted can consistently comply with and can be operated within the provision of this chapter, either because the design or process is unconventional or untried, or because the person has elected to omit confidential details, or because there are insufficient data on which to estimate the pollution potential, the Commissioner is authorized to require as a condition precedent to the issuance of an installation permit or certificate of operation, proof of financial responsibility and of ability to make any changes that may be required after construction to insure compliance with the provision of this chapter.*

Such proof, in the discretion of the Commissioner, may be a written statement to such effect, signed by the owner or a responsible officer of a financially sound organization, or a written guarantee of performance signed by a responsible supplier or contractor or other responsible person. The responsibility of any such person or soundness of any such organization shall be a matter within the judgment of the Commissioner, subject to the right of appeal.

The Commissioner may require any such person as owner, lessee, operator, supplier, contractor, vendor or other person to file with the Commissioner a surety bond running to the City of Chicago in the sum or not to exceed $100,000, executed by such person or persons as principal and two or more sureties, or a surety company authorized to do business in this state said bond to be approved as to form and amount in accordance with the provisions of this code, assuring compliance with the conditions of the permit and any agreement or guarantee and ability to make changes necessary for compliance with the provisions of this chapter.

2. *Prior to the issuance of a permit for liquid waste handling facilities, sanitary landfills or transfer stations, the Commissioner shall require the posting of a $100,000 indemnification bond with good and sufficient sureties approved by the City Comptroller and Corporation Counsel. The posting of such bond assures that the said applicant will comply with the regulations of this code and the rules and regulations of the Commissioner pertaining to the dumping, depositing, treating, incinerating, processing and transferring of the materials described in Section 17-6.2.*

No indemnification bond shall be required of the City of Chicago. Prior to the issuance of said permits, the Commissioner may request the approval of such application by any other department of the City of Chicago.

17-1.35 Issuance of Permit—Sanitary Landfill

Upon the posting of an indemnification bond with good and sufficient sureties approved by the City Comptroller and Corporation Counsel, in the penal sum of $100,000 so conditioned that the said applicant will comply with the regulations of this code and the rules and regulations of the Commissioner of Inspectional Services pertaining to the dumping and depositing of the abovementioned substances, the Commissioner of Inspectional Services shall issue a permit for a sanitary landfill if there is compliance with all other sections of this chapter and any other chapter of the Municipal Code of Chicago applicable thereto. No indemnification bond shall be required of the City of Chicago. Prior to the issuance of said permits, the Commissioner may request the approval of such application by any other department of the City of Chicago.

17-1.36 Notification of Completion of Installation —Issuance of Certificate of Operation

Upon completion of any work for which an installation permit was issued, the Department shall be notified by the person or persons responsible theretofor, and, if upon inspection it is found that such work is in conformity with the plans and specifications and is found to operate within the provisions of Sections 17-2.3, 17-2.4 and 17-2.6, the Commissioner shall issue a Certificate of Operation forthwith.

17-1.37 No Installation Permit or Non-Compliance with Plans—Authority to Seal

If an installation permit for which an application is required by Section 17-1.21 is not procured prior to the start of any work for which such a permit is required or if any work for which an installation permit has been issued fails to comply with the plans and specifications filed in connection therewith or with the terms of such permit, the Commissioner shall have authority to stop all work and seal the installation or equipment and further work or operation shall not proceed until the Commissioner has issued an installation permit and has been assured that the work will proceed in accordance with the installation permit. Persons responsible for such equipment may also be required to furnish bond or other proof of responsibility in accordance with Section 17-1.34.

17-1.38 Penalty for Lack of Installation Permit

Any person who has started or completed the installation, erection, construction, reconstruction, alteration of or addition to any fuel-burning, combustion or process equipment or device, or any equipment pertaining thereto, or any stack or chimney connected therewith, or has started or completed, or caused to be started or completed the major repair of any high pressure boiler furnace or the brickwork on or about the same without first having obtained a permit for such work from the Commissioner pursuant to Section 17-1.27 shall be subject to the fines and penalties herein provided.

17-1.39—Requirements for Completion of Installation

If the installation, erection, construction, reconstruction, alteration, addition or repair is not completed within one year of the date of issuance of the installation permit, or any extended period allowed by the Commissioner, the permit shall become void and all fees paid shall be forfeited.

17-1.40 Thirty Days to Report Discontinuance

It shall be the duty of any person responsible for any discontinued or dismantled fuel-burning, refuse-burning, compactor, combustion or process equipment or device coming under the jurisdiction of the permits or fees provisions of this chapter to report to the Department within 30 days the permanent discontinuance or dismantlement of such equipment or device.

No person shall cause or allow the continued operation of an emission source or related air pollution control equipment if such operation would cause a violation of the standards or limitations as set forth in Chapter 17 and shall be reported, telephoned or telegraphed at the time of occurrence. A request for permission to continue to operate during a malfunction or breakdown, a full and detailed explanation of why such continued operation is necessary, the anticipated nature, sources and quantities of emissions which will occur during such continued operation, the anticipated length of time during which such operations will continue and complete records and reports shall be maintained and submitted to the Commissioner.

No person shall cause or allow the start-up of any emission source or related air pollution equipment without first filing a notice of start-up with the Commissioner of Inspectional Services.

17-1.41 Sanitary Landfill Inspection—Jurisdiction and Supervision

Inspection at all sanitary landfill operations shall be under the jurisdiction of the Commissioner of Inspectional Services. Inspections as necessary shall be supervised by an engineer who is qualified by both education and experience.

17-1.42 Periodic Inspections—Certificate of Operations

A periodic inspection shall be made by the Department of all fuel-burning, refuse-burning, compactor, combustion or process equipment or devices, coming under the provisions of this chapter, whether or not a Certificate of Operation or allowable fuel certificate allowing use of such equipment

or process has been previously issued by the Commissioner, to see that such equipment or process can be so managed and operated that no smoke, particulate or other matter shall be emitted therefrom in violation of any emission limitation or other requirement provided under this chapter; provided, however, that no periodic inspection shall be required of locomotives, ships, boats, tugs, internal combustion engines or domestic heating plants; and provided, also, that where any fuel-burning, refuse-burning, compactor, combustion or process equipment or device has been installed, erected, constructed, reconstructed, altered, added to, or repaired pursuant to a permit issued under Section 17-1.27 has been inspected in accordance with the requirements of Section 17-1.35 hereof, and has been in operation less than six months, an inspection will not be required until six months from the date such equipment was first put under fire after the completion of such work.

Each Certificate of Operation shall be effective from the date thereof for a period of one year or until the next inspection.

17-1.43 Certificate of Operation to be Posted—Contents

Upon a finding that any fuel-burning, refuse-burning, compactor, combustion or process equipment or device inspected, on any original, annual, or subsequent inspection has been found to comply with the provisions of this chapter, and after payment of the prescribed fee, the Commissioner shall issue a Certificate of Operation which shall be posted in a conspicuous place.

17-1.44 Certificate of Operation Required

It shall be unlawful for any person or his agent to use or operate any fuel-burning, refuse-burning, compactor, combustion or process equipped or device which is subject to periodic inspection, as hereinabove set forth, without having an effective Certificate of Operation therefor.

17-1.45 Government and Municipal Fuel-Burning, Refuse-Burning, Compactor, Combustion, or Process Equipment

The Commissioner shall have the same power and jurisdiction over all fuel-burning, refuse-burning, compactor, combustion or process equipment or devices owned or operated by any branch of the federal, state or local governments and any municipal corporation as over all other fuel-burning, refuse-burning, compactor, combustion or process equipment or devices subject to the terms of this chapter and all such branches and corporations shall be subject to the requirements of this chapter.

It shall be the duty of the Commissioner to inspect periodically all such installations and also to preserve a record of the condition with respect to the requirements of this chapter of such installations as shown by such inspection. No fee shall be charged or paid to the Department or to any of its employees for any original or periodic inspection of any such installation or for the Certificate of Operation therefor issued by the Department.

17-1.46 Persons Liable for Violations

All persons causing, participating in, or permitting any violation of any provision of this chapter shall be severally or jointly liable therefor and as such subject to the fines and penalties provided by this chapter.

17-1.47 Prosecution for Violations

Prosecutions under this chapter shall be instituted by the Commissioner and shall be prosecuted in the name of the city.

The issuance and delivery by the Commissioner of any permit, certificate for installation, erection, construction, reconstruction, repair, alteration, or addition thereto of any fuel-burning, combustion or process equipment or device, or any appurtenance thereto, or certificate for use or operation of any such property, or permit to maintain an open fire, or permit to operate any portable boiler or vehicle shall not be held to exempt any person to whom any such permit or certificate has been issued or delivered, or who is in possession of any such permit or certificate, from prosecution on account of the emission of smoke, particulate or other matter in violation of this chapter, caused or permitted by any such person or persons, or any other violation of the provisions of this chapter by such person or persons.

Saving Clause

17-1.48 Any prosecution arising from a violation of any ordinance or part of ordinance repealed herein (or hereby) whether expressly or by implication, which prosecution may be pending at the time this chapter becomes effective, or any prosecution which may be started within one year after the effective date of this chapter, in consequence of any violation of any ordinance or part of ordinance so repealed, which violation was committed previous to the effective date of this chapter, shall be tried and determined exactly as if such ordinance or part thereof had not been repealed.

Interpretation

17-1.49 This article shall not be considered or construed as in any way repealing, modifying or nullifying any other ordinances of the city or the provisions of this code or any rules and regulations thereunder, except those ordinances or provisions expressly repealed hereby. This article shall be deemed to be concurrent with supplemental to any ordinance of the city or any provisions of this code.

Period of Grace

17-1.50 In the event any person is compelled to, or deems it advisable to, install any new equipment, process or device, appliance, means or methods, including needed control equipment in order to comply with any provision of this chapter and exemption from the operation of this chapter is reasonably necessary in order to allow sufficient time for such installation, such exemption may be granted by the Commissioner on good cause shown. Upon complaint in writing by any person, setting forth that it is impossible in the operation of any plant, fuel-burning, combustion or process equipment or device, or apparatus to operate the same in complete compliance with the requirements of this chapter, and stating evidence satisfactory to the Commissioner that such person has taken or will take all steps necessary to provide for future compliance with the provisions of this chapter, and giving assurance to the Commissioner that the acquisition and installation of the proper equipment, process, device, or appliance or control equipment will be effected within a reasonable period of time, stating specifically the nature and extent thereof, and upon the finding by the Commissioner upon investigation by him of the facts, that said complaint is well grounded, the Commissioner is authorized to permit the operation of such plant, fuel-burning, combustion or process equipment or device or apparatus for a reasonable period of time within which period the necessary equipment, process, device, appliance, means or methods or control equipment is to be acquired and installed; provided, however, that the Commissioner is empowered to grant further reasonable extensions of time upon proof of extenuating circumstances; and that an order of the Commissioner denying a complaint for a period of grace or an extension of time shall be subject to review by the Appeal Board, as hereinabove provided. During any such granted period, such persons shall not be subject to the fines and penalties hereinafter provided for the non-compliance sought to be remedied. If, however, such person willfully fails in the time allowed to conform with applicable provision or provisions of this chapter or to comply with his assurance and agreement,

he shall be subject to all applicable fines and penalties herein provided dating from the beginning of the said period or periods.

It shall be the duty of such person to notify the Commissioner immediately of the completion of such installation.

Technical Advisory Board

17-1.51 For the purpose of aiding the Commissioner in establishing a Code of Recommended Practices and in reaching technically correct decisions on all matters pertaining to the enforcement of the provisions of this chapter, a Technical Advisory Board, to be appointed by the Mayor, by and with the consent of the City Council, is hereby established. The Advisory Board shall consist of seven members, one of whom shall be designated by the Mayor as chairman and four of whom shall constitute a quorum. They shall be appointed for a term of four years, or until their respective successors are appointed and qualified, except that of the initially appointed board, two members shall serve for one year, two members for two years, two members for three years and one member for four years. Six members shall be scientists or registered engineers acquainted with at least one phase of air pollution and its control as well as with industrial processes and equipment, whose experience and training qualify them to give competent technical advice to the Commissioner. They shall not be interested in the sale to the public of any fuel-burning, combustion or process equipment or device, water pollution control device or noise abatement device. Members appointed to fill vacancies shall have the same general qualifications required for their predecessors.

It shall be the duty of the Advisory Board to work with the Commissioner in the promulgation and adoption of the Code of Recommended Practices. It shall be the further duty of the Advisory Board to advise the Commissioner and the Appeal Board with respect to the technical points concerned with the enforcement of the provisions of this chapter; but neither the Commissioner nor the Appeal Board shall be required to act on the advice of the Advisory Board if, in their respective opinions, there is good and sufficient reason to believe that such advice will not serve the best interests of the public.

Meetings of the Advisory Board shall be held at such times as deemed necessary by the chairman or by the Commissioner. The compensation of each member shall be as set forth in the annual appropriation ordinance.

Episode Alert Program

17-1.52 (a) Whenever atmospheric and pollution conditions create circumstances which may cause acute harmful health effects, the Commissioner shall implement the Rules for Controlling Air Pollution Episodes as promulgated by the State of Illinois Pollution Control Board, PCB-R71-23, set forth in Chapter IV of the Rules and Regulations Governing the Control of Air Pollution, as amended from time to time.

(b) The Commissioner is hereby empowered to adopt such plans as may be necessitated in cooperation with appropriate state and federal authorities for the purpose of eliminating the circumstances tending to cause acute harmful health effects as aforesaid, including, but not limited to, the implementation of an air pollution watch, an alert procedure and an emergency procedure.

(c) The Commissioner is hereby empowered to request and approve acceptable episode action programs on all designated Standard Industrial Classifications group designations. Approved plans shall be kept on file and amended as required.

17-2.1 Definitions relating to Article II will be found in Article I Section 17-1.11.

Refuse Burning

17-2.2 It shall be unlawful to burn refuse, garbage or other debris in any boiler or any unit which has not been specifically designed for that purpose and for which an effective Certificate of Operation has not been issued.

Opacity Limitations

17-2.3(a) It shall be unlawful within the City of Chicago and within one mile of the corporate limits thereof, for any person, owner, agent, operator, firm or corporation to permit, cause, suffer or allow the emission of any smoke from any source whatever of a density, shade or capacity greater than that described as No. 1½ on the Ringelmann Chart, as published by the United States Bureau of Mines, provided that the following exceptions to the provision of this section shall be permitted for fuel-burning, combustion or process equipment:

(1) For a period or periods aggregating four minutes in any 30 minutes of a density, shade or capacity equal to but not greater than that described as No. 2 on the Ringelmann Chart. Except emissions of water and water vapor shall not apply to emissions under this provision.

(2) For a period or periods aggregating four minutes in any 60 minutes of a density, shade or opacity equal to but not greater that that described as No. 3 on the Ringelmann Chart when building a new fire, banking fires and soot blowing.

(b) Determination of violations of Section 17-2.3(a).

(1) By qualified certified smoke reader through visual observation.

(2) By the use of a calibrated smoke evaluation device approved by the Commissioner.

(3) By the use of a smoke monitor located in the stack with recording devices attachment approved by the Commissioner.

(c) The Commissioner may require any person, owner, agent operator, firm or corporation whom he believes to be in violation of this Section 17-2.3 to provide a smoke monitor which shall be installed in such a manner that it will continuously monitor the density of smoke emission from the stack in question. Measurments of the smoke monitor shall be automatically transmitted to a recording device capable of maintaining a record of the data, which shall be made available to the Commissioner upon request.

Emission of Particulate Matter

17-2.4 Subject to the provisions of Section 17-2.12 it shall be unlawful within the City of Chicago and within one mile of the corporate limits thereof for any person owning or in charge of any fuel-burning, combustion or process equipment or device, or any portable boiler, to cause, suffer or allow the emission from any such source of any particulate matter except in conformity with the limits set forth below, as follows:

(1) The limitation for all new industrial particulate emissions shall be 0.10 grains per standard cubic foot, with the exception of indirect heat exchanger emissions and incinerator emissions on industrial processes up to 100,000 pounds to 500,000 pounds per hour, 0.03 grains per standard cubic foot from over 500,000 to 750,000 pounds per hour, and 0.02 grains per standard cubic foot from over 750,000 pounds to 1,000,000 pounds per hour. All

emission limitations shall be from a stack, with the exception of indirect heat exchanger emissions and incinerator emissions. Calculations of allowable emissions for new industrial process rates up to 450 tons per hour shall be accomplished by the use of the equation E=rate of emissions in pounds per hour and P=process weight rate in tons per hour. Calculation of allowable emissions for industrial process rates greater than 450 tons per hour shall be accomplished by use of the equation E=24.8(P) exp 0.16.

The limitation for all existing industrial particulate emissions shall be 0.10 grains per standard cubic foot, with the exception of indirect heat exchanger emissions and incinerator emissions on industrial processes up to 100,000 pounds per hour, 0.05 grains per standard cubic foot on industrial processes from over 100,000 pounds to 500,000 pounds per hour, 0.03 grains per standard cubic foot from over 500,000 to 750,000 pounds per hour, and 0.02 grains per standard cubic foot from over 750,000 pounds to 1,000,000 pounds per hour. All emission limitations shall be from a stack, with the exception of indirect heat exchanger emissions and incinerator emissions. Calculation of the allowable emissions for existing industrial process rates up to 30 tons per hour shall be accomplished by the use of the equation E=4.10(P) exp 0.67 where E=rate of emissions in pounds per hour and P=process weight rate in tons per hours shall be accomplished by the use of the equation E=(55.0(P) exp 0.11−40.0 Where the nature of any process or operation or the design of any equipment is such as to permit more than one interpretation of this regulation, the interpretation that results in the minimum value for allowable emissions shall apply. Compliance test shall be performed and assumed at the cost to the owners. The exception is sinter processes. No person shall cause or allow the emission of particulate matter into the atmosphere from the main windbox of any sinter process to exceed 1.2 times the allowable emission rate for new industrial processes. For the breaker stack, the emissions shall not exceed the allowable emissions for new processes.

(2) The emissions from indirect heat exchangers shall be limited as follows:

No person shall cause or allow the emission of particulate matter into the atmosphere from any new or existing fuel combustion source using solid and/or liquid fuel to exceed 0.1 pounds of particulate matter per million BTU's of actual heat input in any one hour period.

(3) A specified volume radio or other suitable index or particulate bearing gas shall be established in accordance with section 17-1.2, subparagraph (11) for various pieces, types or classes of fuel-burning, combustion or process equipment or devices, which constitute potential sources of emission of particulate matter; provided, however, that with respect to coal burning combustion equipment, the basic limitations set forth in subparagraph (1) of this section shall be adjusted to a gas volume based upon 50 per cent excess air.

(4) Emissions of particulate matter from all fuel-burning combustion or process equipment or devices shall not exceed emissions which would result from operations in accordance with limitations set forth in this chapter.

(5) The basic limitation on the average emission into the atmosphere of particulate matter from an incinerator shall be 0.20 grains per cubic foot of dry flue gas, corrected to 12 per cent carbon dioxide. Per cent carbon dioxide in flue gas used in correction equation shall be carbon dioxide resulting from combustion of refuse only.

(6) The emissions, other than water vapor, from any source that is liable to generate or evolve into particulate form through phase change or other transformation shall be deemed to be particulate matter at the emitted point.

Tests of Fuel Burning, Combustion or Process Equipment

17-2.5 The Commissioner is hereby authorized to conduct or cause to be conducted any test or tests as may be necessary to determine the extent of emission process equipment or device, if and when, in his judgment, there is evidence that any such equipment, process or device is exceeding any emission limitation prescribed by or under this chapter. The result of any test shall be made available to the person responsible for such property tested.

Tests shall be made in accordance with Federal Register Vol. 36, No. 247, Part II, Dec. 1971, as revised from time to time or in accordance with modified procedures as approved by this Department. All tests and calculations shall be made under the direction of a competent engineer. Any test or tests to be conducted on the premises where such equipment or device is located shall be made during reasonable hours, after written notice to, and with the cooperation of, the owner or operator. Test ports are required on all process equipment and incinerators burning more than 500 pounds of refuse per hour. The cost of any test or tests and calculations shall be a debt due the city from any person responsible as owner, operator, or otherwise of such fuel-burning, refuse-burning, compactor, combustion or process equipment or device in all cases when such test or tests shall have proven any emission of particulate matter in violation of any provision of this chapter. In all such cases, the costs of the test shall be an unpaid debt and shall be recoverable in any court of competent jurisdiction.

Atmospheric Pollution Prohibited

17-2.6 It shall be unlawful within the City of Chicago and within one mile of the corporate limits for any person, owner, agent, operator, firm or corporation to permit, to cause, suffer or allow the discharge, emission or release into the atmosphere from any source whatsoever of such quantities of soot, fly ash, dust, cinders, dirt and oxides, including metallic trace elements such as lead, cadmium, zinc, vanadium, beryllium, nickel, mercury, organic materials, solvents and gases which include carbon monoxide, hydrogen sulfide, nitrogen oxides, vapors, toxic or radioactive substances, waste, particulate, solid, liquid or gaseous matter or any other materials in such place, manner or concentration as to constitute atmospheric pollution.

17-2.7 Any emission of smoke, particulate matter or other matter from any single such source in excess of the limitation established in or pursuant to Section 17-2.3, 17-2.4 and 17-2.12 shall be deemed and is hereby declared to be a public nuisance and may be summarily abated by the Commissioner. Such abatement may be in addition to the administrative proceedings, fines and penalties herein provided.

The Commissioner is further empowered to institute legal proceedings for the abatement or prosecution of emissions of smoke, particulate or other matter which cause injury, detriment, nuisance or annoyance to the public, or cause or has a natural tendency to cause injury or damage to business or property. Such abatement may be in addition to the administrative proceedings, fines and penalties herein provided.

17-2.8 Nuisance Preservation of Common Law Rights

Nothing in this chapter shall be construed to impair any cause of action or legal remedy therefor, of any person or the public for injury or damage arising from the discharge, emission or release into the atmosphere from any source whatsoever of such quantities of smoke, soot, fly ash, dust, cinders, dirt, noxious or obnoxious acids, fumes, oxides, gases, vapors, odors, toxic or radioactive substances, waste, particulate, solid, liquid or gaseous matter or any

other materials in such place, manner or concentration as to constitute atmospheric pollution or a common law nuisance.

17-2.9 Failure of Owners and Operators

Failure of any person as owner or agent, operator, member of any operating crew, engineman, fireman, janitor or a person in any other capacity to comply with any provision of this chapter shall be deemed a violation of this chapter and shall be subject to the fines and penalties as hereinafter provided. It shall be the duty of owners or agents of any fuel-burning combustion or process equipment or device to instruct or cause to be instructed, the operators, operating crews, enginemen, firemen, hostlers, janitors or any other person operating such equipment or device about the proper operation of such combustion equipment or device.

17-2.10 Demolition Safeguards—Dust and Asbestos

(1) No demolition of structure shall be initiated unless all safeguards necessary and practicable to minimize the emissions of airborne dust and asbestos are taken.

(a) Notice of intention to demolish shall be made to the Department of Inspectional Services 10 days prior to the commencement of demolition. Such notice shall include the following information: name of owner or wrecker, address of owner or wrecker, description of the building, structure, facility of installation schedule starting and completion dates of demolition, method of demolition to be employed, procedures to be employed to meet the requirements of these regulations and extent of asbestos materials described in (b).

(b) Boilers, pipes and steel members insulated or fireproofed with asbestos containing material shall be adequately wetted and stripped before any demolition or toppling is begun. This procedure shall be followed as to all other asbestos coated surfaces. Such asbestos waste shall be immediately bagged and placed in fiber or steel drums and provisions made for disposal at a sanitary landfill.

(c) Adequate wetting to suppress the dust shall be employed before and during the demolition or toppling of any section or wall of the structure.

(d) Partial demolition is permitted without complete stripping of asbestos materials from the entire structure, provided the provisions of (a), (b) and (c) are observed for the section to be demolished.

(e) Debris shall be transported through dust-tight chutes or in buckets and shall not be dropped or thrown from any floor. Any debris in chutes or buckets shall be sufficiently wetted to preclude dust dispersion at the point of discharge.

(f) All debris shall be thoroughly wetted before loading into trucks, vehicles or other containers. During transport, such waste shall be enclosed or covered to prevent dust dispersion.

(g) Dust and debris from the demolition operations shall be removed daily from adjacent streets, sidewalks and alleys.

(h) Materials which contain asbestos physically bound to the parent material in such a manner that there will be no emission of airborne dust are exempt from the provisions of this section. Examples of such materials are wall and ceiling tile, shingles and caulking materials.

(i) Any wrecker of a demolition operation who intends to demolish a building, structure, facility or installation to which the provisions of Section 17-2.10(1)(a) would be applicable, but which has been declared by proper state or local authority to be structurally unsound and which is in danger of imminent collapse is exempt from the requirements of this paragraph, other than the handling of debris as specified in (g) and (h).

17-2.11 Spraying of Substances Containing Asbestos Prohibited

It shall be unlawful within the City of Chicago, and within one mile of the corporate limits thereof, for any person, firm or corporation to cause or to permit the spraying of any substance containing asbestos, as defined in this Article, in or upon any building, structure, column, frame, floor, ceiling or other portion, part or member thereof during its construction, reconstruction, alteration or repair; provided, however, that such enclosed factories, buildings or structures in which the fabrication or manufacture of products containing asbestos is carried on shall not be subject to this provision.

17-2.12 Other Opacity Limitations

The following provisions shall be applicable to the processes and equipment hereinafter set forth in lieu of the limits upon the emission of smoke and particulate matter contained in Sections 17-2.3 and 17-2.4 hereof:

(1) Railroad Locomotives—Diesel

(a) Immediately after starting the engine of a diesel locomotive, smoke of an appearance, density or shade in excess of No. 2 of the Ringelmann Chart shall be prohibited except that No. 3 smoke shall be allowed for a period or periods aggregating not more than four minutes during the first 15 minute period.

(b) Immediately after starting the steam generator on a diesel locomotive, smoke of an appearance, density or shade in excess of No. 2 of the Ringelmann Chart shall be prohibited except that No. 3 smoke shall be allowed for a period or periods aggregating not more than two minutes but not thereafter.

(c) After a diesel yard or switching locomotive is in service or ready for service, smoke of an appearance, density or shade in excess of No. 2 of the Ringelmann Chart shall be prohibited except that No. 3 smoke shall be allowed for a period or periods aggregating not more than one minute in any 15 minute period.

(d) After a diesel road or transfer locomotive is in service or ready for service, smoke of an appearance, density or shade in excess of No. 2 of the Ringelmann Chart shall be prohibited except that No. 3 smoke shall be allowed for a period or periods aggregating not more than one minute in any 15 minute period.

(2) Steamships and other Vessels

(a) When building, banking or cleaning fires or when maneuvering or ballasting, smoke of an appearance, density or shade in excess of No. 2 of the Ringelmann Chart shall be prohibited except that No. 3 smoke shall be allowed for a period or periods aggregating not more than six minutes in any 60 minute period.

(b) When building original fires at the start of seasonal operations or under emergency conditions when it is necessary to operate a boat with a fluctuating load upon the boilers to prevent danger to life or property, the foregoing restrictions on emissions shall not apply.

(c) When a steamship or other vessel is in service, except as provided to cover particular conditions stated in this section, the provisions of Section 17-2.3 hereof shall apply.

The following provisions shall be applicable to all processes and equipment in addition to the limits upon the emission of smoke and particulate matter contained in Section 17-2.3 and 17-2.4 hereof.

(3) Sulfur Limits in Fuel

(a) No person within the City of Chicago or within one mile of the corporate limits thereof shall cause or permit the use, or, if intended, for use in the City of Chicago or within one mile of the corporate limits thereof, the purchase, sale, offer for sale, storage or transportation of fuel, which, as determined by the Methods of the American Society for Testing and Materials, contains more than the following percentages of sulfur by weight in the following use classifications:

(i) All new space heating equipment shall be limited to the use of fuels containing no more than 1.0 per cent sulfur by weight.

(ii) All existing space heating equipment shall be limited to the use of fuels containing no more than 1.0 per cent sulfur by weight.

(b) Upon the application of any person engaged in the operation of fuel-burning equipment, the Commissioner with the approval of the Appeal Board may issue a Certificate of Operation in accordance with Section 17-1.44 of this chapter in those cases wherein the applicant shall establish that the fuel-burning equipment is operated in such a manner or is equipped with such control apparatus as to continually prevent the emission of any sulfur compound or compounds in amounts greater than those that would be emitted from the burning (in the same fuel burning equipment without such control apparatus) of fuel containing any amount of sulfur by weight not in excess of the maximum amount permitted at the applicable time by this section.

(4) Sulfur Dioxide Concentration

No person shall cause or permit the emission into the atmosphere from any new or existing source gases containing more than 500 parts per million by volume of sulfur dioxide nor more than 15 milligrams per cubic meter of sulfuric acid or sulfur trioxide or any combination thereof; provided, however, that the foregoing limitations shall not apply to those emissions in which fuel is burned primarily to product heat and the sulfur compound emission is due primarily to the sulfur in the fuel burned.

(4a) Emission of sulfur dioxide from sources in which fuel is furned to produce heat and the sulfur compound is due primarily to the fuel burned in accordance with the regulations promulgated by the State of Illinois Pollution Control Board, PCB-R7-123, as set forth in the Illinois Pollution Control Board Rules and Regulations, Chapter 2: Air Pollution, Part II, Rule 204: Sulfur Standards and Limitations, as amended from time to time.

(5) Hydrogen Sulfide Concentration

No person shall cause or permit the emission into the atmosphere from any new or existing source of hydrogen sulfide in such manner and amounts that the concentrations thereof at the stack exceed a concentration of 0.01 parts per million by volume for a maximum period of one hour at any time.

(6) Methods for sampling gas to detect the presence of sulfur compounds shall be as follows:

(a) The method of measuring sulfur trioxide and sulfuric acid or any combination thereof in stack gases shall be:

Particulates (H_2SO_4—Acid Mists) Part II Federal Register Vol. 36 No. 247, Part II, Dec. 1971, method 8 except standard Greenburg-Smith impingers shall be used in place of midget impingers, turbidimetric method using barium chloride or other methods as approved by the Department.

(b) The method of measuring hydrogen sulfide in the ambient atmosphere shall be:

(1) Lead-Acetate-Impregnated Filter Paper Procedure. Ref. Sensenbaugh, J. D., and Hemeon, E. C. L.: A Low Cost Sampler for Measurement of Low Concentration of Hydrogen Sulfide. Air Repair 4:5 (May, 1954).

(2) Methylene Blue Method. Ref. Stem, A. C., Ed.—"Air Pollution, Vol. II, Second Edition (1968), pp. 78, 79 and 80.

(3) The method of measuring hydrogen sulfide from stationary sources shall be: Method II of Federal Register Vol. 38, No. 111, June 1973, except Greenburg-Smith impingers shall be used in place of midget impingers. Method II as above with modifications in absorbing solution (hydrogen sulfide-zinc sulfied method).

(4) Other methods as approved by this Department.

(c) The method of measuring sulfur dioxide in stack gases shall be:

Gaseous (SO_2-SO_3). Federal Register Vol. 36, No. 247, Part II, Dec. 1971, Method VI except include SO_3 and Greenburg-Smith impingers shall be used in place of midget impingers. Other methods as approved by this Department.

(d) The method of measuring sulfur trioxide and sulfuric acid or any combination thereof suspended in the ambient atmosphere shall be: Particulate (H_2SO_4) Ref. Commons, B. T., Determination of Particulate Acid in Town Air, Analyst, 88, 364-67 (May, 1963).

17-2.13 Carbon Monoxide Emissions

No person shall cause or allow the emission of carbon monoxide into the atmosphere to exceed 200 pounds per minute, corrected to 50 per cent excess air from petroleum and petrochemical processes, sintering plants, blast furnaces and basic oxygen furnaces. This paragraph 17-2.13 shall not apply to blast furnaces during abnormal movement of the furnace burden when it is necessary to relieve pressure for safety reasons, cupolas with a manufacturers rated melt rate less than five tons per hour, fuel combustion sources with an actual heat input under 10 million B.T.U.'s per hour and existing incinerators burning less than 2,000 pounds of refuse per hour. The carbon monoxide concentrations in an effluent stream shall be measured by the nondispersive infrared method or by other methods approved by the Department of Inspectional Services.

17-2.14 Nitrogen Oxide Emissions

The Commissioner is hereby empowered to implement rules for controlling air pollution as promulgated by the State of Illinois Pollution Control Board set forth in Chapter 2, Part II, Rule 207, as amended from time to time.

17-2.15 Fugitive Particulate Emissions

No person shall cause or allow emissions in excess of the limitations promulgated by the State of Illinois Pollution Control Board, PCB-R71-23, as set forth in the Illinois Pollution Control Board Rules and Regulations, Chapter 2: Air Pollution, Part II, Rule 203(f) Fugitive Particulate Matter, as amended from time to time.

17-2.16 Surfacing of Lots and Roadways

No person shall maintain or conduct or cause to be maintained or conducted any parking lot or automobile or truck sales lot or use any real property for a private roadway unless such real property is covered or treated with a surface or substance or otherwise maintained in such manner as to minimize atmospheric pollution.

17-2.17 Open Fires Prohibited

It shall be unlawful to burn paper, wood, garbage, leaves, building construction, demolition debris or any other combustible material in open fires or in metal containers.

The Commissioner shall implement the Rules and Regulations set forth in Chapter V, PCB-R70-11, April 14, 1972, Open Burning, as promulgated by the State of Illinois Pollution Control Board and subject to amendment from time to time.

17-2.18 Dilution or Concealment of Emissions Prohibited

It shall be unlawful for any person to build, erect, install or use any article, machine, equipment or other contrivance that dilutes, reduces or conceals an emission without reducing the quantity of pollutants released into the atmosphere and which, in its unaltered condition, would constitute a violation of Sections 17-2.3, 17-2.4 or 17-2.6 of this chapter.

17-2.19 Smoke and Gases from Internal Combustion Engines of Vehicles

No person shall operate or cause to be operated upon any street, highway, public place, stream or waterway or private premises within the City of Chicago any internal combustion engine of any motor vehicle, boat, tug or other vehicle, while stationary or moving, which emits from any source any particulate material, smoke, obnoxious or noxious gases, fumes or vapors or any other atmospheric pollutant in violation of Sections 17-2.3, 17-2.4 or 17-2.6 of this chapter provided the foregoing shall not apply to the operation of aircraft at municipal airports.

The Commissioner shall implement the Rules and Regulations set forth in Chapter VII, PCB-R71-23, April 14, 1972, Emission Standards and Limitations for Mobile Sources promulgated by the State of Illinois Pollution Control Board and subject to amendment from time to time.

17-2.20 Handling of Materials Susceptible to Becoming Wind Borne

It shall be unlawful for any person to cause or permit the handling, loading, unloading, reloading, storing, transferring, placing, depositing, throwing, discarding, or scattering of any ashes, fly ash, cinders, slag or dust collected from any combustion process any dust, dirt, chaff, wastepaper, trash, rubbish, waste, or refuse matter of any kind or any other substance or material what ever, including sandblasting materials, likely to be scattered by the wind or susceptible to being wind borne without taking reasonable precautions or measures so as to minimize atmospheric pollution.

17-2.21 Storage of Materials Susceptible to Becoming Wind Borne

Subject to the provision of Section 17-2.16 hereof, it shall be unlawful for any person to operate or maintain or cause to be operated or maintained, any building, structure, or premises, open area, right of way, storage pile of materials, yard, vessel or vehicle or construction, sandblasting alteration, building, demolition or wrecking operation or any other enterprise which has or involves any matter, material or substance likely to be scattered by the wind, or susceptible to being wind borne without taking reasonable precautions or measures so as to minimize atmospheric pollution.

17-2.22 Jurisdiction of Wind Borne Violations

The Commissioner shall have jurisdiction and authority over the sources of any matter, material or substance likely to be scattered by the wind or susceptible to becoming air borne or a contributing factor to atmospheric pollution and shall have authority to abate wind borne nuisances and to instigate prosecutions for violations of any provision of this chapter or any other chapter of this code relating to the eradication or control of matter susceptible to being wind borne. For the purpose of minimizing atmospheric pollution, he shall, with the advice and consent of the Advisory Board, prescribe reasonable, specific operating and maintenance practices for buildings, structures, premises, open areas, automobiles and/or truck parking and sales lots, private roadways, rights of way, storage piles of materials, yards, vessels, vehicles, construction, sandblasting, alteration, building, demolition or wrecking operations and any other enterprise which has or involves any matter, material or substance susceptible to being wind borne and for the handling, transportation, disposition or other operation with respect to any material subject to being wind borne, which practices shall be embodied in the Code of Recommended Practices.

17-2.23 Breakdown of Equipment—Report of Immunity from Prosecution

In the event of unavoidable failure or breakdown of any fuel burning, combustion or process equipment or device or other circumstances beyond the control of any person owning or operating such equipment, including necessary shutdowns of smoke abatement or dust collection equipment for purposes of maintenance or repair, which tends to produce unlawful emission of smoke, particulate or other matter, the owner or managing agent of such equipment or process shall immediately notify the Department of such failure, breakdown or other circumstance together with all pertinent facts relating thereto and a statement of the date upon which the condition will be rectified and shall also report to it when such defect has been removed. Immunity from prosecution under such circumstances shall be at the discretion of the Commissioner.

17-2.24 Refuse-Burning Equipment—Sale of

It shall be unlawful for any person to sell, offer for sale, expose for sale, exchange, deliver or install for use in the city:

(1) Any make, model or type of domestic refuse-burning equipment which has not been approved by the Commissioner; or

(2) Any make, model or type of approved domestic refuse-burning equipment for the burning of any type of refuse other than the types for which the refuse-burning equipment has been approved by the Commissioner. The delivery or transportation of any refuse-burning equipment by railroad companies and other common carriers in the course of their common carrier business shall not be deemed to be a violation of the provisions of this section.

17-2.25 Refuse-Burning Equipment—Types of, Plates or Tags for; Tests of

Prior to approval, plans of each make, model or type of domestic refuse-burning equipment shall be submitted to the Department and such equipment be subjected to such tests as may be deemed necessary to establish its air pollution potential. For this purpose the Commissioner may rely, in whole or in part, upon tests of such equipment previously conducted by nationally recognized associations.

(1) The Commissioner shall list each make, model, or type of domestic refuse-burning equipment which he has approved and shall designate the approval as being limited to one of the following two categories:

Type A. Domestic burning equipment for ordinary paper or similar material only.
Type B. Domestic incinerators for burning rubbish and garbage.

(2) Any approved domestic refuse-burning equipment that is sold, offered for sale, exchanged, delivered or installed for use in the city shall bear a plate or tag in accordance with the regulations of the Department which identifies the equipment and the category for which it is approved.

(3) Any person, firm or corporation whose domestic refuse-burning equipment is submitted for tests by the Department must pay all reasonable expenses necessary to the attendant tests and the Department shall furnish the submitter a copy of the results of such tests.

17-2.26 No person shall sandblast any building, structure or other architectural surface without having first been issued a permit by the Commissioner of Inspectional Services as provided in Section 17-2.44 of this code.

17-2.27 Applications for sandblasting permits shall be in such form as shall be prescribed by the Commissioner of Inspectional Services. Every such application for a permit to sandblast a building, structure or architectural surface four stories in height or less shall be accompanied by a sworn statement that the applicant shall notify at least 48 hours prior to the commencement of any sandblasting all the occupants of every residential building or less than 10 dwelling units and the owners, managing agent or occupants of every residential building of 10 or more dwelling units and every non-residential structure located within a 75 (150) foot radius of the surface to be sandblasted. With respect to surfaces more than four stories in height, the radius of the notice shall be determined by the Commissioner of Inspectional Services, giving due consideration to the public interest. Said notification shall be in writing and shall be by mail or otherwise and shall include the following information:

(a) Address of the location to be sandblasted

(b) The estimated dates(s) of the sandblasting operation and

(c) The estimated time period of the entire sandblasting operation

The Commissioner of Inspectional Services shall assure that the applicant has complied with these requirements before the permit is issued.

17-2.28 In the event the applicant cannot perform the sandblasting on the estimated date(s) contained in the application or within 72 hours thereafter, the applicant shall notify the Commissioner of Inspectional Services and the owners and occupants of property at least 24 hours prior to the commencement of the rescheduled sandblasting operation.

Article IIA

Boilers and Unfired Pressure Vessels

17-2A.1. Definitions relating to Article IIA will be found in Article I Section 17-1.20.

17-2A.2. The material and construction of boilers shall be in accordance with the American Society of Mechanical Engineers Rules for the Construction of Stationary Boilers, as follows:

Section I. Power Boilers, dated 1977 or later.

Section II. Material Specifications, dated 1977 or later.
Part A. Ferrous.
Part B. Non-ferrous.

Section III. Nuclear Vessels, dated 1977 or later.

Section IV. Heating Boilers, dated 1977 or later.

Section IX. Welding Qualifications, dated 1977 or later.

Section X. Fiber Glass and Reinforced Plastic Pressure Vessels, dated 1977 or later.

Section XI. In-Service Inspection of Nuclear Reactor Coolant System, dated 1977 or later.

17-2A.3. The material and construction of tanks and other vessels under pressure shall be in accordance with the American Society of Mechanical Engineers Rules for the Construction of Unfired Pressure Vessels, Section VIII, Pressure Vessels, Division 1 dated 1977, Division 2 dated 1977 or later.

Plans and Specifications Required, Penalty, Certificate, Alterations or Enlargements

17-2A.4. Before any owner or agent shall proceed with the installation or alteration of any boiler or unfired pressure vessel, he shall place on file in the Department of Inspectional Services plans and specifications of the same. Upon approval of such plans and specifications, a duplicate set of which shall be left on file in said office and the payment of fees and hereinafter provided, the said Department of Inspectional Services shall issue a permit for the installation or alteration of such apparatus.

17-2A.4. If such owner or agent shall proceed with the installation of any boiler or unfired pressure vessel and shall fail to place on file with the Department of Inspectional Services plans and specifications of the same and shall fail to obtain a permit for the installation of such apparatus, he shall be liable to a fine of $25.00 for each day on which he shall have operated such installation without said permit, and each day's violation shall constitute a separate offense.

It shall be unlawful for any person to use any boiler or tank or tanks subject to pressure, other than the pressure in the city water mains, until he shall first have procured a certificate from the Department of Inspectional Services that such apparatus may be safely used. If such owner, agent or person using a boiler or tank shall fail to notify the said Department of Inspectional Services of his intention to make any alteration or enlargement of such boiler or tank and shall fail to file plans and specifications for the enlargement or alteration of the same and shall proceed to make such alterations or enlargement without a permit therefor, he shall be liable to a fine of $100.00 for each day on which he shall have prosecuted such alterations or enlargement without said permit and each day's violation shall constitute a separate offense.

Duty to Inspect—Hydrostatic Test

17-2A.5 It shall be the duty of the Commissioner of the Department of Inspectional Services and his deputies to inspect all boilers, tanks, jacketed kettles, generators or other apparatus used for generating or transmitting steam for power or using steam under pressure for power or using steam under pressure for heating or steaming purposes and all other tanks, jacketed kettles and reservoirs under pressure of whatsoever kind, except as hereinafter provided as often as once a year by making a hydrostatic pressure test where such test shall be deemed necessary; provided, however, that the hydrostatic pressure used in such test shall not exceed the max-

imum working pressure of such apparatus by more than 50 per cent and by making a careful external and internal examination. In all cases where hydrostatic pressure test is used, an internal examination of such apparatus shall afterwards be made.

Drilling of Vessels to Determine Thickness

17-2A.6. Any boiler, tank, jacketed kettle, generator or reservoir having been in use eight years or more and in such condition that in the opinion of the inspector the same should be drilled in order that the exact thickness and condition may be ascertained, shall be reported to the Department of Inspectional Services which shall serve the owner or agent with a written notice to show cause to the said Department of Inspectional Services within five days why such boiler, tank, jacketed kettle, generator or reservoir should not be drilled. If, after the owner or agent has been heard or at the end of five days, the Department of Inspectional Services deems it necessary, then such boiler, tank, jacketed kettle, generator or reservoir may be drilled at points near the water line and at the bottom of the shell of the boiler or at such other points in the boiler, tank, jacketed kettle, generator or reservoir as the inspecting officer may direct and the thickness of said material shall be determined thereafter at such periodic inspection as the inspecting officer may deem necessary and the steam pressure or other pressure allowed shall be governed by such ascertained thickness and general condition of boiler, tank, jacketed kettle, generator or reservoir. The drilling and plugging of said holes shall be done at the expense of the owner.

Certificate of Operation

17-2A.7. When an inspection of a boiler or unfired pressure vessel has been made and the same has been approved by the Department of Inspectional Services the Department shall make and deliver to the person for whom the inspection was made, upon the payment of the required fees, a Certificate of Operation together with a general description of such apparatus. This certificate shall be framed and hung in a conspicuous place in the boiler room.

Inspection of Repaired Vessels

17-2A.8. It shall be the duty of the Department of Inspectional Services upon any application in writing made by any person owning, leasing or controlling the use of any boiler or unfired pressure vessel stating that the same is out of repair or has been repaired, to examine the same when so repaired; and it shall be unlawful for any person to use any boiler or unfired pressure vessel after the same has been repaired until a certificate shall have been procured from the Department of Inspectional Services to the effect that such repairing has been properly done and that such boiler or unfired pressure vessel may be safely used.

No repair shall be made on a high pressure boiler until the Department has examined the apparatus and issued a permit for the work to be done with the exception of minor emergency repairs that do not involve the safety of the apparatus provided that the Department of Inspectional Services shall be notified within 24 hours that such emergency repairs are made.

All repairs must be made in accordance with the applicable chapter of the National Board of Inspection Code issued by the National Board of Boiler & Pressure Vessels Inspectors dated 1977 or later except where such chapters conflict with these rules.

All repairs involving the safety of a high pressure boiler shall be of construction in accordance with Section 1 of the ASME Code covering the particular kind of boiler or kind of work to be done.

NOTE: It is the sense of this requirement that apparatus shall be the same construction after repair is made as it was before the repair was necessary with the exception that construction can be made in accordance with the existing ASME Code.

Repair work on low pressure boilers in general shall be guided by the Rules 11.01 and 11.02 and Section 4 of the ASME Code.

All repairs involving the safety of an unfired pressure vessel shall be of construction in accordance with the Section VIII, Div. 1 & 2 of the ASME Code.

All high pressure boilers which have reached the age of 50 years must be subject to a full internal and external inspection of rivets, welds, butt straps, shell and/or drums. The procedure for this type of inspection will be spelled out by the Department. Findings of such test will determine the allowable working pressure of the boiler at the time of said inspection. Chapter 17-5.1. Any person engaged in or desiring to engage in the work of repairing, erecting steam boilers, steam kettles, pressure tanks, super heaters or generators or any part attached to a boiler in the City of Chicago shall obtain a license from the Department of Inspectional Services to do such repair work and/or erection of the apparatus.

Permit Fee Upon Approval of Plans and Specifications

17-2A.9. Upon approval of the plans and specifications by the Department of Inspectional Services and the issuance of a permit for the installation of any boiler or unfired pressure vessel, the applicant for such permit shall pay a permit fee as provided in Section 17-1.12 of this code and an initial inspection fee as provided in Section 17-1.13 of this code.

Annual Inspection Fees—Fees Doubled on Sundays and Holidays

17-2A.10. Periodic inspection fees for boilers and unfired pressure vessels shall be paid to the Director of Revenue as provided in Section 17-1.14 of this code.

The provisions of this section shall not apply to single dwellings nor to multiple dwellings having less than four apartments.

Remission of Inspection Fees

17-2A.11. The Department of Inspectional Services may, and is hereby directed to remit all inspection fees charged, or that may hereafter be charged against any charitable, religious and educational institution when the boiler or other apparatus inspected is located in or upon premises used or occupied exclusively by such charitable, religious or educational institution; provided, however, that such charitable, religious or educational institution is not conducted or carried on for private gain or profit.

Manufacturer, Dealer, Erector—Duty to Notify the Department of Inspectional Services

17-2A.12. Any person manufacturing or dealing in the sale or erection of boilers, unfired pressure vessels or apparatus as defined by this chapter shall, on the sale or delivery of any such boiler, vessel apparatus at any point or locality within the city, notify the Department of Inspectional Services, giving the name of the purchaser, his street address and the street address to which such system is to be delivered. Any person selling a second hand or used boiler or unfired pressure vessel shall before painting the same, have it inspected by the Department of Inspectional Services and before offering

for sale any such boiler or unfired pressure vessel shall have in his possession a certificate issued by the said Department of Inspectional Services to the effect that the said boiler or unfired pressure vessel is in such condition that it can be safely used. The fee for such inspection shall be as provided in Section 17-1.15 for ASME code work.

Permits Required for Temporary Portable Boilers

17-2A.13. Permits are required for temporary portable boilers. The Department of Inspectional Services shall grant such a permit upon review at notice.

Article IIB

Control of Emissions of Organic Substances

17-2B.1. No person shall cause or allow emissions in excess of the limitations promulgated by the State of Illinois Pollution Control Board, PCB-R71-23, as set forth in the Illinois Pollution Control Board Rules and Regulations, Chapter 2: Air Pollution, Part II, Rule 205; Organic Material Emission Standards and Limitations, as amended from time to time.

Article IIC

Inedible Rendering Processes

17-2C.1. Definitions relating to Article IID will be found in Article I Section 17-1.11.

Control of Odorous Effluent

17-2C.2. No person shall operate or use any device, machine, equipment or other contrivance for the inedible rendering of animal or marine matter unless all gases, vapors and gas entrained effluents from these processes shall be controlled in such manner as to effectively abate any objectionable odor nuisance. In the event that the rendering processes of more than one company are contributing to the objectionable odor nuisance, abatement shall be deemed effective when the odor concentration from each process is not more than 25 odor units/cubic foot as determined by Mills adaptation of ASTM D-1391-57.

An objectionable odor nuisance exists when a trained inspector, upon the receipt of a complaint from one resident or property owner in the area affected shall determine that these odors cause a nuisance outlined as follows:

Objectionable Odor Nuisance Determination: An objectionable odor nuisance exists:

On or adjacent to residential, recreational, institutional, retail sales, hotel or educational premises when odor is detectable in the ambient air after it is diluted with eight volumes of odor free air as measured by the Scentometer.

On or adjacent to industrial premises when odor is detectable in the ambient air after it is diluted with 24 volumes of odor free air as measured by the Scentometer.

On or adjacent to premises other than those above when odor is detectable in the ambient air after it is diluted with 16 volumes of odor free air as measured by the Scentometer.

When concurrent determinations made by three trained inspectors as outlined above in any given one hour period and at intervals of not less than 15 minutes result in two positive determinations in each series of three determinations; and

Provided that any quantitative odor level measurement taken to arrive at a determination that an objectionable odor nuisance exists shall be at or beyond the property line or at or near places where people live or work.

Article III

Waste Water Control

17-3.1. Definition relating to Article III will be found in Article I, Section 17-1.11.

Preliminary Treatment Facilities

17-3.2. Whenever an industrial plant or other establishment discharges or proposes to discharge industrial wastes into any waters, sewer, drain, water course or natural outlet in the City of Chicago and it becomes necessary either to:

(a) Reduce or modify the objectionable characteristics or constituents of such industrial wastes to meet the limits or requirements provided for in Section 17-3.3 hereof and to prevent pollution; or to

(b) Control the quantities and rates of discharge of such industrial wastes over a 24-hour day and a seven day week to prevent surge discharges which may place an unreasonable burden upon the sewage works of The Metropolitan Sanitary District of Greater Chicago.

17-3.6. Gauging and Sampling Notice

The Commissioner shall have the right to enter and set up, on the owner's property, such devices as may be necessary to conduct a gauging and sampling operation after first giving 10 days advance notice of his intention so to do. While performing said gauging and sampling, the Commissioner, his representative or anyone performing said work in his behalf, shall observe and comply with all safety rules applicable to the premises, established by the said owner or occupant.

The Commissioner is hereby authorized to make arrangements for the Sanitary District, without incurring any legal or financial obligation upon the City of Chicago, to undertake and conduct such gauging and sampling operations, in its behalf; and to provide the necessary devices and facilities as well as the personnel and also to make the analyses of samples of such wastes, as hereinafter provided, in its own laboratories and other facilities or equipment; provided, that no such arrangements with the Sanitary District shall place any personnel of the Sanitary District under the control of the Commissioner or cause such personnel of the Sanitary District to be treated as employees of the City of Chicago for any purpose whatsoever.

17-3.7. Sampling Methods

In order to ascertain whether or not the sewage or waste of any kind discharged by any person into any waters or sewage system conforms to the criteria or water quality standards of the Department of Inspectional Services, City of Chicago, the Department will use any appropriate method or device which will lead to such a determination.

17-3.8. Analyses

All analyses to determine the strength and character of industrial wastes shall be made in accordance with the latest edition of "Standard Methods for the Examination of Water and Waste Water" prepared and published jointly by the American Public Health Association, American Water Works Association and the Water Pollution Control Federation. Strength, character and quantity of wastes shall be based on any appropriate samples taken from the flow from all plant outlets discharging into a single public sewer.

The Commissioner shall require the owner, operator or tenant of such industrial plant or other establishment to provide adequate preliminary treatment of handling facilities to accomplish such a result. Before any permit for the construction of preliminary treatment or handling facilities shall be issued, plans, specifications and other pertinent

data or information relating to such proposed treatment or handling facilities shall be submitted by the industry for approval of the Commissioner. No permit shall be issued and no construction of such facilities shall be commenced without the prior written approval of the Commissioner and no substantial alteration or addition to or in the sewer or drain or in the preliminary treatment or handling facilities shall be made without the prior written approval of the Commissioner.

17-3.3 Prohibited Wastes

Except as otherwise provided herein, no person shall discharge or cause to be discharged any of the following described wastes or waters into any sewer, water course, natural outlet or waters within or partially within or adjoining the boundaries of the City of Chicago:

(1) Maximum concentrations acceptable for discharge into the sewage system of the City of Chicago shall be as set forth by the Metropolitan Sanitary District of Greater Chicago ordinance titled the Sewage and Waste Control Ordinance enacted September 18, 1969 and as amended from time to time.

(2) Any discharge of wastes or water into a sewer which terminates in or is a part of the sewage system of the City of Chicago must not contain the following:

(a) Water or wastes containing more than 100 parts per million (833 pounds per million gallons) of fats, oils or greases if such water or wastes are in the opinion of the Commissioner sufficient (1) to interfere with the biological processes of a sewage treatment plant, (2) interfere with proper operation of the sewage works, (3) cause obstruction to flow in sewers, or (4) cause pollution as herein defined.

(b) Liquids, solids or gases which by reason of their nature or quantity are sufficient to cause fire or explosion or be injurious in any way to the structures making up the sewage works or to the operation of the sewage works.

(c) Noxious or malodorous liquids, gases or substances which whether singly or by interaction with other wastes are sufficient to create a public nuisance or hazard to life or are sufficient to prevent entry into the sewers for their maintenance and repair.

(d) Water or wastes containing toxic substances in quantities which are sufficient to pose a hazard to life or interfere with the biological processes of the sewage treatment works.

(e) Garbage that has not been ground or comminuted to such a degree that all particles will be carried freely in suspension under conditions normally prevailing in public sewers with no particle greater than one-half inch in dimension.

(f) Radioactive wastes unless they comply with the Atomic Energy Commission Act of 1954 (68 Stat. 919 as amended and Part 20, Sub-Part D—Waste Disposal. Section 20.303 of the Regulations issued by the Atomic Energy Commission) or amendments thereto.

(g) Solid or viscous wastes which cause obstruction to flow in sewers or other interference with the proper operation of the sewerage system or sewage treatment works, such as grease, uncomminuted garbage, animal guts or tissues, paunch manure, bone, hair hides, fleshings, entrails, feathers, sand, cinders, ashes, spent lime, stone or marble dust, metal, glass, straw, shavings, grass clippings, rags, spent grain, waste paper, wood, plastic, gas tar, asphalt, residues, residues from refining or processing of fuels or lubricating oil, gasoline, naptha and similar substances.

(h) Liquids or vapors having a temperature higher than 150°F. at the point of entrance into a public sewer.

(i) Waters or waste containing substances which are not amenable to treatment or reduction by the sewage treatment process employed or are amenable to treatment only to such degree that the water reclamation plants effluent cannot meet the requirement of other agencies having jurisdiction over discharge to the receiving waters.

(j) Excessive discoloration (such as but not limited to dye waste and vegetable tanning solutions).

(k) Mercury as Hg. Concentrations of mercury shall not exceed the standards set forth in the Illinois Pollution Control Board's Mercury Regulation No. R70-5; adopted March 31, 1971.

17-3.4. Discharges of Clean Waters

Wherever possible clean waters from air conditioning, cooling or condensing systems or from swimming pools or clean waters resulting from pretreatment of industrial wastes shall be discharged into a storm sewer, combined sewer or natural outlet approved by the Commissioner.

17-3.5. Manholes

Any person discharging industrial wastes into a sewer shall construct and maintain a suitable control manhole or manholes downstream from any such places of discharge to permit observation, measurement and sampling of such wastes by the Commissioner or by personnel of the Sanitary District as hereinafter provided. Where no manhole has been constructed or can be constructed, as in the case of some existing industries, the control manhole shall be considered to be the nearest downstream manhole in the public sewer to the point at which the building sewer is connected.

ARTICLE IV

Noise and Vibration Control

17-4.1 Definitions relating to Article IV will be found in Section 17-1.11.

Noise Disturbances Prohibited

17-4.2 No person shall unreasonably make, continue or cause to be made or continued any noise disturbance as defined in Section 17-1.11 of this ordinance, including, but not limited to, any noise of any kind by crying, calling or shouting, or by means of any whistle, rattle, bell, gong, clapper, hammer, drum, horn, hand organ, mechanically operated piano, other musical instruments, wind instruments, mechanical device, radio, phonograph, sound amplifying or other similar electronic device; provided that said restrictions shall not apply to any noncommercial public speaking or public assembly activities conducted on any public space or public right-of-way.

Specific Prohibitions

17-4.3 The following acts and the causing thereof are declared to be in violation of this ordinance:

(a) Radios, Television Sets, Musical Instruments and Similar Devices. Operating, playing or permitting the operation or playing of any radio, television, phonograph, drum, musical instrument, sound amplifier or similar device which produces, reproduces or amplifies sound other than non-commercial spoken language:

(1) Between the hours of 9:00 P.M. and 8:00 A.M. the following day in such a manner as to create a noise disturbance at a residential lot boundary or a residential zoning district boundary, or within a noise sensitive zone designated pursuant to Section 17-1.2(16).

(2) In such a manner as to create a noise disturbance at 15 meters from such device when operated in or on a motor vehicle on a public right-of-way or public space or in a boat on public waters.

(3) In such a manner as to create a noise disturbance to any person other than the operator of the device when operated by any passenger on a common carrier.

(b) Loud Speakers, Public Address Systems:

(1) Using or operating for any non-commercial purpose any loudspeaker, public address system or sound amplifying device between the hours of 9:00 P.M. and 8:00 A.M. the following day such that the sound therefrom creates a noise disturbance at a residential lot boundary or a residential zoning district boundary or within a noise sensitive zone.

(2) Using or operating for any commercial purpose any loudspeaker, public address system or sound amplifying device:

(a) Such that the sound therefrom creates a noise disturbance at a residential lot boundary or a residential zoning district boundary or within a noise sensitive zone; or

(b) Between the hours of 9:00 P.M. and 8:00 A.M. the following day on a public right-of-way or public space.

(3) Using or operating any loudspeaker, public address system or sound amplifying device for any purpose at any time in or on a motor vehicle on a public right-of-way or public space, such that the sound therefrom is at all audible at a distance of 200 meters or one city block, whichever distance is greater.

(c) Street Sales:

Offering for sale or selling any thing by shouting or outcry within any residential or commercial area of the city except for any licensed peddler crying or calling for the purpose of advertising goods, wares or merchandise when lawfully using any public alley in the city between the hours of 11:00 A.M. and 6:00 P.M.

(d) Stationary Non-Emergency Signaling Devices:

Sounding or permitting the sounding of any electronically amplified signal from any stationary bell, chime, siren, whistle or similar device intended primarily for non-emergency purposes from any place in such a manner as to create a noise disturbance at a residential lot boundary or residential zoning district boundary for more than five minutes in any hourly period.

(e) Emergency Signaling Devices:

(1) The intentional sounding or permitting the sounding outdoors of any fire, burglar or civil defense alarm, siren, whistle or similar stationary emergency signaling device except for emergency purposes or for testing as provided in subsection (b).

(2) Testing of a stationary emergency signaling device shall occur at the same time of day each time such a test is performed but not before 9:00 A.M. or after 5:00 P.M. Any such testing shall use only the minimum cycle test time. In no case shall such test time exceed three minutes.

(f) Noise Sensitive Zones:

Creating or causing the creation of any sound within any noise sensitive zone, designated pursuant to Section 17-1.2(16) containing a hospital, nursing home or similar activity, so as to interfere with the functions of such activity or disturb or annoy the patients in the activity, provided that conspicuous signs are displayed indicating the presence of the zone.

(g) Loading and Unloading:

Loading, unloading, opening, closing or other handling of boxes, crates, containers, building materials, garbage cans or similar objects between the hours of 10:00 P.M. and 7:00 A.M. the following day in such a manner as to cause a noise disturbance at a residential lot boundary or a residential zoning district boundary or within a noise sensitive zone.

Steam Whistles Prohibited

17-4.4 No person shall blow or cause to be blown within the city the steam whistle of any stationary steam plant as a signal for commencing or suspending work or for any other purpose.

This section shall not be construed as forbidding the use of steam whistles as alarm signals in case of fire, collision or other imminent danger.

Disturbing the Peace

17-4.5 No person owning or in possession or control of any building or premises, shall use the same, permit the use of the same or rent the same to be used for any business or employment or residential use or for any purpose of pleasure or recreation, if such use shall by its boisterous nature, disturb or destroy the peace of the neighborhood in which such building or premise is situated or be dangerous or detrimental to health.

Construction or Building Operations at Night—Restricted Hours

17-4.6 It shall be unlawful for any person to use any pile driver, shovel, hammer, derrick, hoist tractor, roller or other mechanical apparatus operated by fuel or electric power in building or construction or demolition operations between the hours of 9:30 P.M. and 8:00 A.M., except for work on public improvements and work of public service utilities, within 180 meters of any building used for residential or hospital purposes.

Motor Vehicles

17-4.7 (a) It shall be unlawful for any person to operate any motor of a motor vehicle with a Gross Vehicle Weight Rating (GVWR) greater than 10,000 pounds for a consecutive period longer than two minutes while such vehicle is standing on private property and located within 45 meters of any property zoned and used for residential purposes, except where such vehicle is standing within a completely enclosed structure.

This Section shall not apply to buses operated for the transportation of passengers while standing in established bus turn-arounds, bus terminals, bus parking lots and bus-storage yards.

(b) No person shall sell or offer for sale a new motor vehicle that produces a maximum noise exceeding the following noise limit at a distance of 15 meters from the center line of travel under test procedures established by Section 17-4.2 of this Chapter:

Type of Vehicle	*Date of Manufacture*	*Noise Limit*
(1) Motorcycle	*after 1 Jan. 1975*	*84 dB(A)*
Same	*after 1 Jan. 1982*	*80 dB(A)*
Same	*after 1 Jan. 1985*	*78 dB(A)*
(2) Any motor vehicle with a GVWR greater than 10,000 pounds (except buses)	*after 1 Jan. 1975*	*84 dB(A)*

Type of Vehicle	Date of Manufacture	Noise Limit
Same	after 1 Jan. 1978	83 dB(A)
Same	after 1 Jan. 1982	80 dB(A)
Same	after 1 Jan. 1985	77 dB(A)
(3) Passenger cars, motor-driven cycle and any other motor vehicle	after 1 Jan. 1975	80 dB(A)
Same	after 1 Jan. 1983	78 dB(A)
Same	after 1 Jan. 1986	75 d(BA)
(4) Buses with a GVWR greater than 10,000 pounds	after 1 Jan. 1975	84 dB(A)
Same	after 1 Jan. 1983	80 dB(A)
Same	after 1 Jan. 1985	77 dB(A)

The manufacturer, distributor, importer or designated agent shall certify in writing to the Commissioner that his vehicles sold within the city comply with the provisions of this section.

(c) No person shall operate within the speed limits specified in this Section either a motor vehicle or combination of vehicles of a type subject to registration at any time or under any condition of grade, load, acceleration or deceleration in such manner as to exceed the following noise limit for the category of motor vehicle, based on a distance not less than 15 meters from the center line of travel under test procedures established by Section 17-4.25 of this Chapter.

This Section applies to the total noise from a vehicle or combination of vehicles and shall not be construed as limiting or precluding the enforcement of any other provisions of this Code relating to motor vehicle mufflers for noise control.

Type of Vehicle	Noise Limit in Relation to Posted Speed Limit: 55 KMPH or Less	Noise Limit in Relation to Posted Speed Limit: Over 55 KMPH
(1) Any motor vehicle with a GVWR greater than 454 kilograms and any combination of vehicles towed by such motor vehicle after 1 Jan. 1973	86 dB(A)	90 dB(A)
(2) Any motorcycle other than a motor-driven cycle after 1 Jan. 1978	78 dB(A)	82 dB(A)
(3) Any other motor vehicle and any combination of motor vehicles towed by such motor vehicle after 1 Jan. 1978	70 dB(A)	79 dB(A)

(d) No person shall modify or change the exhaust muffler, intake muffler or any other noise abatement device of a motor vehicle in a manner such that the noise emitted by the motor vehicle is increased above that emitted by the vehicle as originally manufactured. Procedures used to establish compliance with this paragraph shall be those used to establish compliance of a new motor vehicle with the requirements of this article.

Power Tools and Equipment

17-4.8 No person shall sell or lease or offer for sale or lease any powered equipment or powered hand tool that produces a maximum noise level exceeding the following noise limits at a distance of 15 meters, under test procedures established by Section 17-4.26 of this Chapter.

Type of Equipment	Noise Limit
(1) Construction and industrial machinery, such as crawler-tractors, dozers, rotary drills, augers, loaders, power shovels, cranes, derricks, motor graders, paving machines, off-highway trucks, ditchers, trenchers, compactors, scrapers, wagons, pavement breakers, compressors and pneumatic equipment, etc. but not including pile drivers	
Manufactured after 1 Jan. 1972	94 dB(A)
Manufactured after 1 Jan. 1973	88 dB(A)
Manufactured after 1 Jan. 1975	86 dB(A)
Manufactured after 1 Jan. 1982	83 dB(A)
(2) Agricultural tractors and equipment	
Manufactured after 1 Jan. 1972	88 dB(A)
Manufactured after 1 Jan. 1975	86 dB(A)
Manufactured after 1 Jan. 1982	83 dB(A)
(3) Powered commercial equipment of 20 HP or less intended for infrequent use in a residential area such as chain saws, pavements breakers, log chippers, powered hand tools, etc.	
Manufactured after 1 Jan. 1972	88 dB(A)
Manufactured after 1 Jan. 1973	84 dB(A)
Manufactured after 1 Jan. 1980	80 dB(A)
(4) Powered equipment intended for repetitive use in residential areas such as lawn mowers, small lawn and garden tools, riding tractors, snow removal equipment, etc.	
Manufactured after 1 Jan. 1972	74 dB(A)
Manufactured after 1 Jan. 1975	70 dB(A)
Manufactured after 1 Jan. 1978	65 dB(A)

Compliance With Performance Standards Governing Noise in Zoning District

17-4.9 Any property use established in a zoning district as defined and designated under the provisions of the Chicago Zoning Ordinance shall be so operated as to comply with the performance standards governing noise set forth hereinafter for the district in which such use shall be located.

Measurements of Noise Levels

17-4.10 Noise levels shall be measured in terms of sound pressure level in octave frequency bands using equipment which meets the requirements established by the ordinance. Maximum permissible octave band sound levels as provided hereinafter shall be reduced by five dB for any octave band containing a pure tone as defined in Section 17-1.11. Impulsive type noise shall be subject to the performance standards hereinafter prescribed provided that equipment suitable for such noise measurements, as defined by this ordinance, is used. Noises such as those of as irregular and intermittent nature shall be restricted as provided for hereinafter.

Manufacturing Districts Restricted

17-4.11 In all instances in which an M2 General Manufacturing or M3 Heavy Manufacturing District does not adjoin a Residence or Business District, the performance standards governing noise of the M1 Restricted Manufacturing Districts shall apply at the nearest Residence or Business District boundary line, as these districts are defined and designated under the provisions of the Chicago Zoning Ordinance (Municipal Code of Chicago, Chapter 194A).

Decibel Levels

17-4.12 In M1-1 to M1-5 Restricted Manufacturing Zoning Districts, inclusive, at no point on the boundary of a Residence, Business or Commercial Zoning District shall the sound pressure level of any individual operation or plant or the combined operations of any person, firm or corporation exceed the decibel levels in the designated octave bands shown below for the zoning districts indicated as measured under test procedures established by Section 17-4.27 of this chapter.

Octave Band	*Maximum Sound Pressure Levels (dB)*	
Center Frequency	*Along District Boundaries*	
(Hz)	*Residence*	*Business-Commercial*
31.5	*72*	*79*
63	*71*	*78*
125	*65*	*72*
250	*57*	*64*
500	*51*	*58*
1000	*45*	*52*
2000	*39*	*46*
4000	*34*	*41*
8000	*32*	*39*
A-scale levels	*55 dB(A)*	*62 dB(A)*

(for monitoring purposes)

In Business and Commercial Zoning Districts, all activities involving the production, processing, cleaning, servicing, testing, repair of materials, goods, or products or any property use shall conform with the performance standards stated above, provided that performance standards shall in every case be applied at the boundaries of the lot on which any such activities take place.

In Residential Zoning Districts, any property use shall conform with the performance standards stated above for Residence District Boundaries, provided that preference standards shall in every case be applied at the boundaries of the lot on which such use is established.

The maximum sound pressure level established in this section to be applied to the boundaries of a lot shall not apply to construction sites. Construction site noise shall be regulated by Section 17-4.6 of this chapter.

Decibel Levels—M2-1 to M2-5 Districts

17-4.13 In M2-1 to M2-5 General Manufacturing Zoning District, inclusive, at no point either on the boundary of a Residence, Business or Commercial District, or at 40 meters from the nearest property line of a plant or operation, whichever distance is greater, shall the sound pressure level of any individual operation or plant or the combined operations of any person, firm or corporation exceed the decibel levels in the designated octave bands shown below for the Zoning Districts included as measured under test procedures established by Section 17-4.27 of this chapter.

Octave Band	*Maximum Sound Pressure Levels (dB)*	
Center Frequency	*Along District Boundaries*	
(Hz)	*Residence*	*Business-Commercial*
31.5	*72*	*79*

4000	*40*	*46*
8000	*37*	*43*
A-scale levels	*58 dB(A)*	*64 dB(A)*

(for monitoring purposes)

Decibel Levels—M3-1 to M3-5 Districts

17-4.14 In M3-1 to M3-5 Heavy Manufacturing Zoning District, inclusive, at no point either on the boundary of a Residence, Business or Commercial District or at 40 meters from the nearest property line of a plant or operation, whichever distance is greater, shall the sound pressure level of any individual operation or plant, or the combined operations of any person, firm or corpration, exceed the decible levels in the designated octave bands shown below for the Zoning Districts included as measured under test procedures established by Section 17-4.27 of this chapter.

Octave Band	*Maximum Sound Pressure Levels (dB)*	
Center Frequency	*Along District Boundaries*	
(Hz)	*Residence*	*Business Commercial*
31.5	*75*	*80*

8000	*40*	*45*
A-scale levels	*61 dB(A)*	*66 dB(A)*

(for monitoring purposes)

Vibration

17-4.15 Any property use established in a Manufacturing, Commercial or Business Zoning District shall be so operated as to comply with the performance standards governing vibration set forth herein for the Zoning District in which such use shall be located.

Vibration—M1-1 to M1-5 Districts

17-1.16 In M1-1 to M1-5 Restricted Manufacturing Zoning District, inclusive, any use or portion thereof creating earth-shaking vibrations such as are created by drop forges or hydraulic surges shall be controlled in such manner as to prevent transmission beyond the lot line of earth-shaking vibra-

tions perceptible without the aid of instruments, except for lot lines adjoining M3 Heavy Manufacturing Zoning District, but in no case shall any such vibration be allowed to create a nuisance or hazard beyond the lot lines.

Vibration—M2-1 to M2-5 Districts

17-4.17 In M2-1 to M2-5 General Manufacturing Zoning Districts, inclusive, any use or portion thereof creating intense earth-shaking vibrations such as are created by drop forges or heavy hydraulic surges, shall be set back at least 90 meters from the boundary of a Residence, Business or Commercial Zoning District and at least 45 meters from the boundary of an M1 Restricted Manufacturing Zoning District, unless such operation is controlled in such a manner as to prevent transmission beyond the lot lines of earth-shaking vibrations perceptible without the aid of Instruments.

Vibration—M3-1 to M3-5 Districts

17-4.18 In M3-1 to M3-5 Heavy Manufacturing Zoning Districts, inclusive, the performance standards governing vibration in the M2 Zoning Districts shall apply.

Vibrations—Business and Commercial Districts

17-4.19 In Business and Commercial Zoning Districts, the performance standards governing vibrations in the M1 Zoning Districts shall apply.

Restrictions in Use of Motor Vehicle Horns

17-4.20 No person shall sound any horn or audible signal device of any motor vehicle of any kind while not in motion nor shall such horn or signal device be sounded under any circumstances except as required by law nor shall it be sounded for any unnecessary or unreasonable period of time.

Restrictions in Operation of Various Type Boats

17-4.21 No person shall operate any engine-powered pleasure vessel, engine-powered craft or motorboat within the harbor of Chicago, on any waterway within the City of Chicago or anywhere within Lake Michigan within two miles of the city corporate limits at any time in such a manner as to exceed the following noise limit, as measured at a distance of not less than 15 meters from the path of travel:

	Noise Limit
After 1 January 1975	*76 dB(A)*

Restrictions on Sale and Operation of Various Types Motor-Driven Recreation and Off-Highway Vehicles

17-4.22 (a) No person shall sell of offer for sale a new motor-driven recreational of off-highway vehicle, including dune buggies, snowmobiles, all-terrain vehicles, go-carts and mini-bikes that produces a maximum noise exceeding the following noise limit at a distance of 15 meters from the center line of travel under test procedures established by Section 17-4.28 of this chapter.

Type of Vehicle	*Date of Manufacture*	*Noise Limit*
Snowmobile	*After 1 January 1971*	*86 dB(A)*
Same	*After 1 June 1972*	*82 dB(A)*
Same	*After 1 June 1974* L L	*73 dB(A)*
Any other vehicle including dune buggy, all-terrain vehicle, go-cart, mini-bike	*After 1 January 1971*	*86 dB(A)*
	After 1 January 1973	*82 dB(A)*
	After 1 January 1975	*73 dB(A)*

(b) It shall be unlawful for any person to operate a motor-driven vehicle of a type not subject to registration for road use, at any time or under any condition of load, acceleration or deceleration in such a manner as to exceed the following noise limit at any point on property zoned for business or residential use at a distance of not less than 15 meters from the path of travel:

	Noise Limit
After 1 January 1973	*82 dB(A)*

Provisions Not Applicable to Public Performance if Granted Special Permit

17-4.23 The operational performance standards established by this ordinance shall not apply to any public performance being conducted in accordance with the provisions of a special permit granted by the city for the conduct of a public performance.

Test Procedures—New Motor Vehicles

17-4.24 Test procedures to determine whether maximum noise emitted by new motor vehicles sold or offered for sale meet the noise limits stated in Section 17-4.7(b) of this chapter shall be in substantial conformity with current revisions of standard and recommended practices established by the Society of Automotive Engineers, Inc., including SAE Standard J331; SAE Recommended Practice J336; SAE Standard J986; and such other and further standards as may be propounded in the Code of Recommended Practices of the Department of Inspectional Services.

Test Procedures—In-Use Motor Vehicles

17-4.25 Test procedures to determine whether maximum noise emitted by motor vehicles in use meet the noise limits stated in Section 17-4.7(c) of this chapter shall be in substantial conformity with current revisions of standards and recommended practices established by the Society of Automotive Engineers, Inc., including SAE Standard J986; SAE Standard J331; Recommended Practice J366; Recommended J184; and such other and further standards as may be propounded in the Code of Recommended Practice of the Department of Inspectional Services.

Test Procedures—Powered Tools and Equipment

17-4.26 Test procedures to determine whether maximum noise emitted by engine-powered equipment or powered hand tools, sold or leased, or offered for sale or lease, meet the noise limits stated in Section 17-4.8 of this chapter shall be in substantial conformity with current revisions of standards and recommended practices established by the Society of Automotive Engineers, Inc., including SAE Standard J952; SAE Standard J88; SAE Recommended Practice J184; and such other and further standards as may be propounded in the Code of Recommended Practice of the Department of Inspectional Services.

Test Procedures—Precision Instrumentation

17-4.27 Test procedures to determine whether maximum noise levels emitted by property uses along property lines and zoning district boundaries meet the noise limits stated in Sections 17-4.12; 17-4.13 and 17-4.14 of this Chapter shall be in substantial conformity with revisions of ANSI Standard S1.4-1971; IEC Standard 123-1961; ANSI Standard S1.12-1967; ANSI Standard S1.11-1966; ANSI Standard S1.12-1971; IEC Standard 179-1965; IEC Standard 225-1966; SAE Recommended Practice J184; and such other and further standards as may be propounded in the Code of Recommended Practices of the Department of Inspectional Services.

Test Procedures—Motor-Driven Recreational or Off-Highway Vehicles

17-4.28 Test procedures to determine whether maximum noise emitted by new motor-driven recreational or off-highway vehicles including dune buggies, snowmobiles, all-terrain vehicles, go-carts and mini-bikes meet the noise limits stated in

Section 17-4.22 of this Chapter shall be in substantial conformity with current revisions of standards and recommended practices established by the Society of Automotive Engineers, Inc., including, SAE Standard J331; SAE Standard J986; SAE Recommended Practice J184; and such other and further standards as may be propounded in the Code of Recommended Practices of the Department of Inspectional Services.

Emission of Excessive Noise or Earth-Shaking Vibration—Legal Procedure

17-4.29 Any emission of noise or earth-shaking vibration from any source in excess of the limitations established in or pursuant to this article shall be deemed and is hereby declared to be a public nuisance and may be subject to summary abatement procedures. Such abatement may be in addition to the administrative proceedings, fines and penalties herein provided. The Commissioner is empowered to secure the institution of legal proceedings through the Corporation Counsel for the abatement or prosecution of emissions of noise and earth-shaking vibration which cause injury, detriment, nuisance or annoyance to the public or endanger the health, comfort, safety or welfare of the public, or cause to have a natural tendency to cause injury or damage to public or property. Such legal proceedings may be in addition to the administrative proceedings, fine and penalties herein provided.

Legal Remedy for Damage Unimpaired

17-4.30 Nothing in this article shall be construed to impair any cause of action or legal remedy therefor of any person or the public for injury or damage arising from the emission or release into the atmosphere or ground from any source whatever of noise or earth-shaking vibration in such place or manner or at such levels, so as to constitute a common-law nuisance.

Article V

Harbor Pollution Control

17-5.1 Definitions relating to Article V will be found in Article 1 Section 17-1.11.

Befouling Public Waters

77-5.2 No person shall throw, discharge, dump or deposit, or cause, suffer or procure to be thrown, discharged, dumped or deposited, in the harbor or anywhere in Lake Michigan, within 10 miles of the corporate limits, any clay, earth, ashes or other heavy substance, filth, logs, floating matter, obstructions or refuse, unless said material shall be placed inside of a breakwater so arranged as not to permit the escape of such clay, earth, ashes or other heavy substance or substances, filth, logs, floating matter, obstruction or refuse into the body of Lake Michigan.

No tug owner, captain or other person in charge or command of a tug shall tow inside the harbor any dumping scow or like vessel, with or without a collapsible or adjustable bottom, loaded with clay, earth, ashes or other heavy substance, filth, logs, floating matter, obstructions or any refuse, unless there is on board at the time of such towing an inspection from the Department of Inspectional Services.

Disposal of Refuse in Harbor Prohibits

17-5.3 No person shall throw, dump, place, deposit or cause or permit to be thrown, dumped, placed or deposited any pollutant as defined in Section 17-1.11 of this code of any garbage, refuse, filth, putrid or unwholesome substance or the contents of any toilet, or head, catchbasin, or grease trap upon the margin or banks, or within the limits or into the waters of the harbor. Discharge of any of the aforementioned pollutants within the radius of four miles of any domestic raw water intake is further expressly prohibited.

Ballast Tank, Bilge Tank or Other Discharge

17-5.4 In addition to the pollutants enumerated in Section 17-5.3 aforesaid, no operator of any vessel craft, floats or motor boat shall discharge dump or deposit into the harbor any fuel, solid or liquid or the contents of any ballast tank, bilge tank or other capable of causing pollution of waters.

Waste Retention Tank

17-5.5 All vessels, craft, floats and motor boats equipped with toilets, heads, urinals or capable of discharging galley wastes which have not been discharged trhough a grease trap or grease interceptor, or solid or liquid waste from shipboard hospital facilities, shall be equipped with a waste retention tank of approved type and capacity to store such waste material for subsequent disposal at a shoreside facility.

Approved Treatment System

17-5.6 A treatment system, utilizing a method of waste treatment approved by the Commissioner of Inspectional Services and complying with the "Rules and Regulations Establishing Water Quality Criteria for Lake Michigan" as set by the Illinois Sanitary Water Board may be permissible on vessels, crafts, floats or motor boats operating in harbor waters in lieu of a retention tank. The effluent of any waste treatment system not meeting the approved standard of the Illinois Sanitary Water Board shall be discharged and collected in a retention tank while such vessel, craft, float or motor boat is located or operating within the harbor of Chicago. All such waste retention tanks must be properly equipped with pumps and piping so that wastes can be discharged from a connection located above the water line to approved shorebased or floating installations.

Wharf, Dock, Pier, Etc. Public Nuisance

17-5.7 Every wharf, dock, pier, seawall, slip, riverbank retaining wall, riverbank bulkhead, dolphin, boom, bulkhead, jetty mooring facility, piling, sheeting or other similar structure on or apppurtenant to premises abutting on the harbor which has disintegrated, rotted, deteriorated or is otherwise out of repair, or is in unsanitary condition, or in an unsafe or dangerous condition, or which in any manner endangers the health or safety of any person or persons or which in any manner endangers navigation is hereby declared to be a harbor pollution.

Rules and Regulations by Commissioner

17-5.8 The Commissioner of Inspectional Services shall have the authority to promulgate rules and regulations necessary to the effective control of harbor pollution.

Gas Manufacturing Residue

17-5.9 No person being a manufacturer of gas, or engaged about the manufacture thereof, shall throw, deposit, or allow to run, or permit to be thrown or deposited into the harbor, or into any sewer therewith connected any gas-tar or any refuse matter of or from any gas house, works or manufactory.

Article VI

Solid and Liquid Waste Control

17-6.1 Definitions relating to Article VI will be found in Article I Section 17-1.11.

Refuse Dumping Prohibited

17-6.2 No person shall dump or deposit or cause to be dumped or deposited anywhere within the City, any building demolition materials, discharged solid wastes resulting from any industrial, manufacturing,

trade or business process, or from the development, recovery or processing of natural resources, or garbage, ashes, refuse, trash, rubbish, miscellaneous waste, liquid waste (industrial and commercial—but not including radioactive waste), manure or other substance that may contain disease germs or be scattered by the wind or decompose or become filty, noxious or unhealthful, except at a sanitary landfill site, liquid waste handling facility and transfer station for which an annual permit has been properly issued by the Commissioner of Inspectional Services. Such dumping without a permit is hereby declared to be an abatable nuisance. Said permit is required and shall be secured by such person irrespective of whether the dumping or depositing hereinabove described takes place upon said person's own property or upon property owned by any other person.

Rules and Regulations by Commissioner

17-6.3 (a) The Commissioner of Inspectional Services is hereby authorized and directed to make such rules and regulations as are necessary to effectuate the purpose of this article.

(b) Application for such permit to operate a sanitary landfill, liquid waste handling facility and transfer station shall be accompanied by:

1. *The written consent of the owner or his authorized agent and evidence of payment of real estate property taxes, or evidence of exemption therefrom.*
2. *For a sanitary landfill; a plot plan and survey, together with three sets of engineering reports in such form as may be prescribed by the Commissioner of Inspectional Services. The reports shall include: description of the property, the method of operation, the type of material deposited, the type of intended cover, fencing, water pumping equipment, fire fighting equipment, access roads, equipment storage, lights, rodent control measures, water drainage (including grade and area), the fill direction, communication, first aid and employee facilities.*
3. *For a liquid waste handling facility; a plot plan and survey, together with three sets of engineering reports in such form as may be prescribed by the Commissioner of Inspectional Services. The report shall include: description of the property, the method of operation, the type of material handled, the quantity of material per day, fencing, water pumping equipment, fire protection, access road and security, equipment storage, lights, water drainage, emergency communication, first aid, breathing apparatus, acid suits, etc. and employee facilities. The report shall also include test holes, soil criteria, laboratory testing, pit liners if required, standard operational procedures, site preparation, free board, safety dike, monitoring well locations, monitoring frequency, testing and report monitoring after closure.*
4. *For a transfer station; a plot plan and survey, together with three sets of engineering reports in such form as may be prescribed by the Commissioner of Inspectional Services. The report shall include a description of the property, zoning classification a map or aerial photograph of the area showing specific location of the transfer station, detailed drawings and specifications of all structures, fixed equipment, means of access, method of screening the station from the surrounding area, general layout of equipment and flow pattern, road access, location of existing proposed utilities to the transfer station, type and quantity of waste to be handled, types of vehicles used, names and locations of all solid waste disposal operations to which waste from the transfer station will be hauled, method of treating or disposing of liquid wastes resulting from operation of the transfer station, dust control, odors, fire, rodent control, first aid, emergency communication, employee facilities, means of curtailing windblown materials, method of handling solid waste in the case of a major facilitiy breakdown, method of volume reduction if used and daily clean up procedures.*
5. *Approval by the Zoning Administrator.*

Notice to Alderman

17-6.4 Upon receipt of such application, the Commissioner of Inspectional Services shall give notice in writing to the alderman of the ward in which such sanitary landfill site or liquid waste handling facility or transfer station is to be operated that such application has been made. Such application shall be held in abeyance until an intervening council meeting is held or written waiver of objection or written consent by the alderman is received.

Method of Operation and Controls of Sanitary Landfill

17-6.5 All materials described in Section 17-6.2 of this Article VI, which are deposited at the site of the sanitary landfill shall be compacted in layers. The layers of compacted materials shall not exceed eight feet in height for each lift. Water wells located in the general area of sanitary landfills shall be subject to inspection and approval by the Department of Health of the City of Chicago and wells not considered safe from possible pollution or contamination shall be modified in such a way as to make their continued use safe.

Drainage

17-6.6 Subject to rules and regulations promulgated by the Commissioner of Inspectional Services proper drainage water pumping or treatment shall be provided for the fill itself. Facility may not be so implaced as to prevent a runoff for adjacent land.

Cover Material Depth of Sanitary Landfill

17-6.7 Subject to rules and regulations promulgated by the Commissioner of Inspectional Services all materials described in Section 17-6.2 of this Article VI, which are dumped or deposited in a sanitary landfill must be covered daily by at least six inches of cover, or more frequently as deemed necessary by the Commissioner of Inspectional Services; provided, however, that large quantities of non-combustible and non-putrescible waste such as incinerator residue, boiler-house cinders, broken paving or materials resulting from construction or demolition operations may be disposed of at a sanitary landfill by open dumping. Such material shall be leveled and spread at sufficient intervals to prevent unsightly appearance or rodent harborage and shall be finally covered as required for a completed sanitary landfill. Final cover shall be compacted to a depth of not less than 24 inches. Where the "trench system" of sanitary landfill is used, successive parallel trenches must be at least two feet apart.

Grade of Sanitary Landfill

17-6.9 Final grade shall be determined by the Commissioner of Inspectional Services depending on the particular site. Each permit shall specify the grade to which the dumping or depositing authorized thereby is permitted and filling in excess of the grade set forth in the permit shall constitute a violation of the permit.

Inspection—Jurisdiction and Supervision

17-6.10 Inspection at all sanitary landfill operations, liquid waste handling facilities and transfer stations shall be under the jurisdiction of the Commissioner of Inspectional Services. Inspections as necessary shall be supervised by an engineer who is qualified by both education and experience.

Offensively Saturated Ground

17-6.11 No ground or material filled with offensive matter or substance that will emit or allow to arise through or from the same any offensive smell or deleterious emission shall be opened or turned up, or the surface thereof removed, except according to permit first therefor obtained from the Commissioner of Inspectional Services.

Article VII

Phosphorus Control

17-7.1 Definitions relating to Article VII will be found in Article I Section 17-1.11.

Labeling of Detergents

17-7.2 It shall be unlawful for any person, firm or corporation to sell, offer or expose for sale, give or furnish any synthetic detergent or detergent, whether in the form of crystals, powders, flakes, bars, liquids, sprays or any other form, in the City of Chicago from and after February 1, 1971, unless the container, wrapper or other packaging thereof shall be clearly labeled with respect to its polyphosphate builder or phosphorus ingredient content clearly and legibly set forth thereon in terms of percentage of phosphorus by weight, expressed as elemental phosphorus per container, wrapper or other packaging thereof, as well as grams of phosphorus, expressed as elemental phosphorus, per recommended use level.

Limitations

17-7.3 (a) It shall be unlawful for any person, firm or corporation to sell, offer or expose for sale, give or furnish any synthetic detergent or detergent containing more than eight and seven/tenths per cent (8.7%) of phosphorous by weight, expressed as elemental phosphorus, within the City of Chicago from and after February 1, 1971. It shall also be unlawful for any person, firm or corporation to sell, offer or expose for sale, give or furnish any synthetic detergent or detergent which contains more than seven grams of phosphorous by weight expressed as elemental phosphorous within the City of Chicago from and after February 1, 1971. Notwithstanding the foregoing provisions of this Section 17-7.3(a), synthetic detergents or detergents manufactured for use in machine dishwashers, dairy equipment, beverage equipment, food processing equipment and industrial cleaning equipment shall not be subject to the limitations herein set forth but are hereby made expressly to the provisions of Section 17-7.3(b).

(b) It shall be unlawful for any person, firm or corporation to sell, offer or expose for sale, give or furnish any synthetic detergent or detergent containing any phosphorus, expressed as elemental phosphorus, including synthetic detergents or detergents manufactured for machine dishwashers, dairy equipment, beverage equipment, food processing equipment and industrial cleaning equipment, within the City of Chicago from and after June 30, 1972.

(c) The concentration of phosphorous by weight, expressed as elemental phosphorous in any synthetic detergent or detergent shall be determined by the current applicable method prescribed by the American Society for Testing and Materials (A.S.T.M.).

SECTION 2. This ordinance shall be in full force and effect from January 1, 1980.
